About This School

Mission Statement

Empowering young minds and educating tomorrow's leaders by promoting that **ALL** can achieve endless possibilities.

Vision Statement

The staff at Megan Cope Elementary School is committed to instructing students according to the most innovative and proven strategies. Our goal is to provide a standards-based education that differentiates the instruction based upon the needs of our students. Our teachers are committed to working collaboratively as a Professional Learning Community to analyze student performance data and make informative decisions. We firmly believe that by setting and maintaining high standards as a school community, Megan Cope Elementary School will continue to provide exceptional learning opportunities in a safe and structured environment.

School Description

Megan Cope Elementary is in San Jacinto, California. As one of seven elementary schools in the San Jacinto Unified School District, Megan Cope Elementary serves approximately 694 students in TK through fifth grade.

Principal's Message

Welcome to Megan Cope Elementary School, home of the Super Seahawks!

As Principal at Megan Cope Elementary, I am very proud of the variety of available programs to support student success in our school. We aim for all students to make significant academic progress in a positive, supportive, and engaging learning environment. Megan Cope Elementary is where we celebrate our students' unique gifts and talents. The teaching staff comprises highly qualified teachers who collaborate weekly as a Professional Learning Community. As a result, we ensure every student's academic and social growth as we prepare them to be college and career ready. Our school site is focused on actively engaging our students in reading, writing, and math. In addition, our teachers provide differentiated instruction through daily RTI (Response to Intervention) rotations to better serve each student's specific academic needs.

Our campus staff strives to ensure that Megan Cope is a safe, welcoming, and encouraging school environment. This reinforces children to be kind to themselves and others through respect, responsibility, and safe choices. In addition, Megan Cope will continue to build upon the Positive Behavior Intervention Supports (PBIS), which teaches students essential character traits and encourages them to model those behaviors.

At Megan Cope, we believe in partnerships to support student learning. We want our parents to feel welcome at Megan Cope and comfortable coming onto our school site to volunteer or participate in the many events, committees, classrooms, or field trips we have throughout the year. In addition, we hold a monthly Coffee with the Principal for our parents to become informed on current topics and gain an opportunity to ask questions, share feedback, and voice any concerns they may have. A strong home/school connection and continuous communication significantly contribute to our student's success. We have a terrific group of kind, respectful, and hard-working students.

We know our Seahawks can do anything they want to, and we are here to provide them with the knowledge, passion, and courage to achieve their goals. For all our students and families, we want everyone to know that they belong and feel that *"There's No Place Like Cope."*

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority, 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, and Availability of Textbooks and Instructional Materials (School Year 2023-2024)

This table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school; whether the textbooks and instructional materials are from the most recent adoption (yes/no); and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials. The adoption of the resolution regarding sufficiency of instructional and supplemental instructional materials for fiscal year 2023-24 pursuant to Education Code Sections 60119, 60422(b) and 60451 was done on September 13, 2023. San Jacinto Unified School District provides all students, including English Learners, with textbooks that meet state adoption criteria to use in class and to take home. Quality, highly motivating instructional materials are provided to fulfill and reinforce the district's outlined curriculum.

Specialized Services

Our school provides educational services to assist Title I students, English Language Learners, GATE, and special education students. We are continually learning techniques to assist all students in their classes. In addition, we have used Title I funds to assist in purchasing instructional materials for intervention programs, which are research-based programs that promote high performance and learning for all students. This year, according to our district data, we have additional coaching and support from our Title 1 PD Specialist, who is supporting our site in improving the vocabulary domain. In addition, our MTSS Teacher supports our site in various areas to improve attendance, behavior, and academics.

At Megan Cope Elementary School, the goal for students with special needs is to participate as successful learners in the least restrictive environment. Several supplementary services are provided to help attain this goal. These include the English Language Learner Program, the Student Study Team, Education Specialist services, speech services, and other specialized programs. Megan Cope Elementary School also has an Outstanding After-School Instruction and Safety (OASIS) and (Think) program that operates until 6:00 p.m. Monday through Friday.

Gifted and Talented Education Program (GATE): The GATE program is for students in grades three through five. GATE students receive specialized instruction in the regular classroom. In addition, students may occasionally participate in special activities. The district uses a multi-step process for GATE identification. The process begins with a GATE screening in third grade. This year, our GATE students will participate in the Odyssey of the Mind, a program that promotes creativity, problem-solving, and teamwork

English Learner Program: All students who still need to become fluent in English participate in the English Language Development program and are closely monitored for progress. During the 2022-23 school year, we had 110 English Language Learners. Our daily designated and integrated instructional strategies include research-based best practices for English Language Learners. In addition, we have a re-designated process for our students who are ready to exit the English Language Development program. This process includes teacher input on the child's academics, standardized test scores, and parent input. Once a child is re-designated, the child continues to be monitored for two more years to ensure continued proficiency.

Special Education Program: Students with mild to severe learning difficulties may be entitled to Individual Education Plan (IEP) support and services. Students enrolled in special education at Megan Cope meet with an Education Specialist who provides individual and/or small-group instruction based on the student's IEP. Depending on the student's needs, these services can be provided as a "push-in" service within the general education environment or a "pull-out" model in a separate setting. Our students may receive this support in all academic content areas.

School Facilities

Cleaning Process and Schedule

The site administrators, custodians, and district personnel conduct routine physical inspections for safety and maintenance. Classrooms and restrooms are cleaned daily. The principal works with the Operations Supervisor and the custodial staff to develop cleaning schedules to ensure a clean and safe school. Students are encouraged to have pride in their school and to do their part to keep the school clean. The district takes great effort to ensure that all schools are clean, safe, and functional.

School Facility Good Repair Status (School Year 2023-24)

To determine the condition of our schools, the district sends experts from the facilities team to inspect them. The facilities team uses a survey, called the Facilities Inspection Tool, issued by the Office of Public School Construction. The latest inspection took place on July 10, 2023. The information from that survey, as outlined below, reflects the condition of our buildings as of the date of the report. Since that time, circumstances may have changed.

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	No repairs needed at the time of inspection.
Interior: Interior Surfaces	Good	No repairs needed at the time of inspection.
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	No repairs needed at the time of inspection.
Electrical: Electrical	Good	No repairs needed at the time of inspection.
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	No repairs needed at the time of inspection.
Safety: Fire Safety, Hazardous Materials	Good	No repairs needed at the time of inspection.
Structural: Structural Damage, Roofs	Good	No repairs needed at the time of inspection.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	No repairs needed at the time of inspection.
Overall Rating:	Exemplary 100%

School Facility Conditions and Planned Improvements

Megan Cope Elementary opened its doors in August of 2010. Every classroom has adequate space with the technology and materials needed to ensure student success. The school has an enclosed lunch shelter, allowing students to enjoy their nutritional time within a climate-controlled area. Solar panels have been installed to support energy conservation efforts and provide some much-needed shade for our students out in our play yard. Each classroom was equipped with wall-mounted 70-inch interactive touchscreen monitors. This allows additional learning opportunities and engagement with technology.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. Regular and corrective maintenance is handled on a priority basis and emergencies are handled immediately.

Pupil Outcomes

State Priority: Pupil Achievement

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Opportunities for Parent Involvement

Contact Person: Hector Delgado, Acting Site

Community Liaison

Phone Number: (951) 654-6069

Hector Delgado is our Site Community Liaison. He provides many opportunities for our parents to get involved with our school. Our PTA is active in fundraising, volunteering, and providing activities and assemblies for our students. Our parents are included in the School Site Council, English Learning Advisory Council, Special Education Advisory Committee, African American Parent Advisory Committee, Native American Advisory Committee, and District Advisory Committee.

Mr. Delgado assists our principal with our monthly Coffee with the Principal. This is when Dr. Price can talk to our parents and share the school's goals, plans, and current information with them. It also allows parents to express their concerns and ask questions. At Megan Cope, Mr. Delgado translates our documents and newsletters to Spanish so our Spanish-speaking families can also be informed about their child's school. In addition, Mr. Delgado is the liaison between our school and the students' homes. If you have a concern or need to talk to a teacher, Mr. Delgado can help.

The Comprehensive Safe School Plan includes data regarding crime, safe school procedures, and compliance with laws including (1) child abuse reporting, (2) disaster response, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) school-wide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, (9) rules and procedures on school discipline adopted pursuant to Ed Code Sections 35291 and 35291.5, and (10) lockdown procedures. In addition, a copy of the plan is available for inspection by the public at each school.

Our school and grounds are very safe. Staff members monitor the campus before, after, and during breaks. Our discipline policies curtail fighting and bullying. In addition, students and staff regularly participate in emergency preparedness drills to ensure their safety in an emergency. The safety plan is developed with input from local agencies and the school community. The plan is reviewed and approved by the School Site Council (SSC) and presented to parents during the Principal's Breakfast.

Average Class Size and Class Size Distribution (Elementary)

The average class size is calculated by dividing the number of students enrolled in classes, excluding special education and a few other minor categories, divided by the number of classes. The following table provides three years of data.

Grade Level	2020-21			2021-22			2022-23		
	Avg. Class Size	Number of Classes*		Avg. Class Size	Number of Classes*		Avg. Class Size	Number of Classes*	
		1-20	21-32		33+	1-20		21-32	33+
Kindergarten	32.0	2		30.0	3		25.0	1	5
Grade 1	29.0	3		25.0	4		27.0	4	
Grade 2	25.0	4		27.0	3		27.0	4	
Grade 3	24.0	4		23.0	4		27.0	4	
Grade 4	23.0	4		23.0	4		28.0	4	
Grade 5	27.0	4		29.0	3		26.0	4	
Other (multi-grade)	12.0	2		6.0	2		6.0	1	

*Number of classes indicates how many classes fall into each size category (a range of total students per class).

SJUSD is committed to providing quality ongoing support to all teachers and staff supporting student learning. Several training programs are in place to ensure staff quality and effectiveness to provide ongoing support. New Teacher Support is provided through a vigorous approach to Induction. The District contracts with the Riverside County Office of Education to provide the Center for Teacher Innovation (CTI) Induction program to all newly hired teachers new to the profession. As a part of this program, the District provides each new teacher with a mentor teacher who has full-time release to provide coaching support.

The District also provides support to ALL teachers who are new to the District. This support includes teachers new to the profession and experienced teachers beginning service in SJUSD. Additionally, the District provides a mentor teacher/coach to all interns and teachers on special waiver certification, i.e., Provisional Intern Permit (PIP) and Short-Term Staff Permit (STSP). Finally, the District provides the New Teacher Academy to all these teachers, including a five-day general academic academy and an additional two-day boot camp for Special Education teachers. The academy covers all aspects of teaching or professional service in the District. There are also follow-up sessions. Usually, about four to six a year, that are fluid and are planned in response to identified teacher needs.

The District provides a Peer Assistance and Review (PAR) program for struggling veteran teachers who need improvement. These teachers are identified through the evaluation process and are provided with a support coach. The teacher is given regular, scheduled feedback on efforts to implement the action plan collaboratively developed through working with the support coach and the administrator. Release time is available for teachers to visit other classrooms and/or collaborate with the support coach. Teachers may participate in the Teachers in Partnership (TIP) program as an option to the PAR Program. In TIP, teachers voluntarily seek coaching assistance from the District to meet their specific needs within the desired timeframe.

All newly hired certified and classified staff must attend a New Hire Orientation. At this training, policies, procedures, laws, and regulations are shared with new employees. Finally, specialized training is provided to our classified support staff to ensure that all staff is consistently and highly trained. This training targets the skills and knowledge needed in the employees' positions.

With regard to professional development for certificated staff, the District provides three full days of professional development for all teachers through various site-based professional development sessions connected to our students' behavioral, social, emotional, and language needs. Additionally, the District provides time through early release each week for teachers to participate in collaboration or professional learning activities with their grade level or department colleagues. This training reflects the District's annual professional development calendar, where centralized support staff rotates at each school to provide embedded professional development. This allows teachers to plan lessons together that address the individual needs of our learners utilizing our core, adopted curriculum, connected to our focus on evidence-based strategies.

Finally, the District provides Guest Teacher Workshops, Interpersonal Relations training, UCP training, and professional administrative training for staff throughout the year. These efforts work together to provide a positive, safe learning environment with the best staff for the SJUSD student body.

SCHOOL ACCOUNTABILITY REPORT CARD

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/.

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/.

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
