Principal's Message

Welcome to San Jacinto Technology Institute!

My name is Steve Simpson, and I am the Principal of SJ Tech, a K-8 Virtual Technology School. I am proud to be the leader of an institution that provides endless learning experiences and an education that is unlike any other here in the San Jacinto Unified School District. Our school provides all students with unique opportunities, ones that are flexible and student-centered, and offers specialized learning platforms and programs that meet the needs of all our students. In addition, our highly qualified staff will ensure all students follow a rigorous instructional model while using the district-adopted core curriculum and ensuring more focus on your student's specific needs compared to the traditional model. We are proud to be able to call ourselves a school of choice, one with a small school connection that offers our students a safe and positive learning environment.

Our SJ Tech Teachers and Staff have become experts in the virtual learning environment and are taking student learning experiences to a whole new level. We understand that each of our current SJ Tech families has made a personal decision to enroll here at SJTI, and we are seeing more and more making the same choice to continue virtually. While reasons vary, the commonality is a choice to keep students learning in a virtual environment. Our ultimate vision at SJ Tech is to provide high technological opportunities for students with real-world connections and endless opportunities that will meet the market needs of our students after high school and to prepare our students to be college and career-ready just like traditional models of schooling do. Our team here at SJ Tech understands the importance of parents, guardians, and caregivers and the skills

SCHOOL ACCOUNTABILITY REPORT CARD

necessary to be a successful partner in your child's education. As a result, SJ Tech will continue our school-wide quarterly socials where learning and activities are offered in person and at home. Since our first social last fall, student and parent participation has increased and added to the overall positive culture at SJTI. It is our hope to allow all parents the opportunity to be involved in their student's education and help us here at SJTI build our identity as a high-tech learning opportunity for students. Parent participation is vital to our success. Many parents are interested in having an active role at San Jacinto Technology Institute. We are constantly looking for family members who have time to give to the students and staff and are looking for ways to get involved. We are always looking for new and creative ways to engage our families, students, and staff to enhance your students' overall school experience. I look forward to meeting parents and students in our various opportunities. Let's have a great 2023- 2024 school year. Go Jackrabbits!

School Description

San Jacinto Technology Institute offers Distance Learning, including daily, live instruction with a teacher and classmates, and is available to students in grades TK-8. All students at SJTech participate in Independent Physical Education (PE) for a minimum of 100 minutes per week. PE activity is required to be recorded by the student/family and submitted weekly to the master teacher. Students TK-6th grade have one teacher for all core academics. Students in grades 7—8 have multiple teachers for their core academics.

San Jacinto Technology Institute also offers Independent Study to grades 2nd –8th. Independent Study students meet with their assigned teacher weekly at a scheduled in-person appointment or via Zoom/Google Meet. ADDITIONALLY, all 2nd and 3rd-grade Independent Study students receive daily live instruction in Literacy and Mathematics via Zoom / Meet.

All SJ Tech students are invited to participate in the Learning Labs of their choice. Learning Labs are offered Monday-Thursday afternoons and require students to be engaged with a teacher from 1:15 pm to 2:35 pm. These activities may include student assessment of learning, one on one student/parent/teacher meetings, intervention, tutoring, and progress monitoring. They also include enrichment opportunities offered either online or in person once per week. Your teacher will provide a Learning Lab schedule. Offerings change throughout the year and include various content, including coding, robotics, career exploration, makerspace, creative arts and crafts, movement, outdoor learning, and more.

Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority, 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Quality, Currency, and Availability of Textbooks and Instructional Materials (School Year 2023-24)

This table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school; whether the textbooks and instructional materials are from the most recent adoption (yes/no); and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials. The adoption of the resolution regarding sufficiency of instructional and supplemental instructional materials for fiscal year 2023-24 pursuant to Education Code Sections 60119, 60422(b) and 60451 was done on September 13, 2023. San Jacinto Unified School District provides all students, including English Learners, with textbooks that meet state adoption criteria to use in class and to take home. Quality, highly motivating instructional materials are provided to fulfill and reinforce the district's outlined curriculum.

School Facilities

School Facility Good Repair Status (School Year 2023-24)

To determine the condition of our schools, the district sends experts from the facilities team to inspect them. The facilities team uses a survey, called the Facilities Inspection Tool, issued by the Office of Public School Construction. The latest inspection took place on June 5, 2023. The information from that survey, as outlined below, reflects the condition of our buildings as of the date of the report. Since that time, circumstances may have changed.

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	No repairs needed at the time of inspection.
Interior: Interior Surfaces	Good	No repairs needed at the time of inspection.
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	No repairs needed at the time of inspection.
Electrical: Electrical	Good	No repairs needed at the time of inspection.
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	No repairs needed at the time of inspection.
Safety: Fire Safety, Hazardous Materials	Good	No repairs needed at the time of inspection.
Structural: Structural Damage, Roofs	Good	No repairs needed at the time of inspection.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	No repairs needed at the time of inspection.
Overall Rating	Exemplary 100%	

SCHOOL ACCOUNTABILITY REPORT CARD

School Facility Good Repair Status (School Year 2023-24)

Our school opened in August of 2021. We have adequate space with the technology and materials needed to ensure student success.

Cleaning Process and Schedule

The site administrators, custodians, and district personnel conduct routine physical inspections for safety and maintenance. Classrooms and restrooms are cleaned daily. The principal works with the Operations Supervisor and the custodial staff to develop cleaning schedules to ensure a clean and safe school. Students are encouraged to have pride in their school and to do their part to keep the school clean. The district takes great effort to ensure that all schools are clean, safe, and functional.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. Regular and corrective maintenance is handled on a priority basis and emergencies are handled immediately.

Pupil Outcomes

State Priority: Pupil Achievement

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready: The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Date the plan was last reviewed with staff: 9/19/2022

The Comprehensive Safe School Plan includes data regarding crime, safe school procedures, and compliance with laws including (1) child abuse reporting, (2) disaster response, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) school-wide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, (9) rules and procedures on school discipline adopted pursuant to Ed Code Sections 35291 and 35291.5, and (10) lockdown procedures. In addition, a copy of the plan is available for inspection by the public at each school.

This plan is updated multiple times throughout the year. The current plan focuses on increasing student safety and positive student-peer relations, creating and maintaining a PBIS environment, decreasing the threat of physical violence and physical violence, and improving drop-off pick-up before and after school.

Our school and grounds are very safe. Staff members monitor the campus before, after, and during breaks. Our discipline policies curtail fighting and bullying. In addition, students and staff regularly participate in emergency preparedness drills to ensure their safety. The safety plan is developed with input from local agencies and the school community, reviewed and approved by the School Site Council (SSC), and presented at several awareness sessions.

Other SARC Information

Academic Counselors and Other Support Staff

Title	Number of FTE* Assigned to School
Counselors (Academic Social/Behavioral or Career Development)	0.2
Nurse	0.1
Resource Specialist (non-teaching)	1.0

*One Full-Time Equivalent (FTE) equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time.

Average Class Size and Class Size Distribution (Secondary)

The average class size is calculated by dividing the number of students enrolled in classes, excluding special education and a few other minor categories, divided by the number of classes. The following table provides two years of data.

Grade Level	2021-22				2022-23			
	Avg. Class Size	Number of Classes*			Avg. Class Size	Number of Classes*		
		1-22	23-32	33+		1-22	23-32	33+
English	21.0	2	3	1	13.0	7		
Mathematics	21.0	2	3	1	14.0	6		
Science	21.0	2	3	1	14.0	6		
Social Science	21.0	2	3	1	14.0	6		

*Number of classes indicates how many classes fall into each size category (a range of total students per class). At the secondary school level, this information is reported by subject area rather than grade level.

Average Class Size and Class Size Distribution (Elementary)

The average class size is calculated by dividing the number of students enrolled in classes, excluding special education and a few other minor categories, divided by the number of classes. The following table provides two years of data.

Grade Level	2021-22				2022-23			
	Avg. Class Size	Number of Classes*			Avg. Class Size	Number of Classes*		
		1-20	21-32	33+		1-20	21-32	33+

SJUSD is committed to providing quality ongoing support to all teachers and staff supporting student learning. Several training programs are in place to ensure staff quality and effectiveness to provide ongoing support. New Teacher Support is provided through a vigorous approach to Induction. The District contracts with the Riverside County Office of Education to provide the Center for Teacher Innovation (CTI) Induction program to all newly hired teachers new to the profession. As a part of this program, the District provides each new teacher with a mentor teacher who has full-time release to provide coaching support.

The District also provides support to ALL teachers who are new to the District. This support includes teachers new to the profession and experienced teachers beginning service in SJUSD. Additionally, the District provides a mentor teacher/coach to all interns and teachers on special waiver certification, i.e., Provisional Intern Permit (PIP) and Short-Term Staff Permit (STSP). Finally, the District provides the New Teacher Academy to all these teachers, including a five-day general academic academy and an additional two-day boot camp for Special Education teachers. The academy covers all aspects of teaching or professional service in the District. There are also follow-up sessions. Usually, about four to six a year, that are fluid and are planned in response to identified teacher needs.

The District provides a Peer Assistance and Review (PAR) program for struggling veteran teachers who need improvement. These teachers are identified through the evaluation process and are provided with a support coach. The teacher is given regular, scheduled feedback on efforts to implement the action plan collaboratively developed through working with the support coach and the administrator. Release time is available for teachers to visit other classrooms and/or collaborate with the support coach. Teachers may participate in the Teachers in Partnership (TIP) program as an option to the PAR Program. In TIP, teachers voluntarily seek coaching assistance from the District to meet their specific needs within the desired timeframe.

All newly hired certified and classified staff must attend a New Hire Orientation. At this training, policies, procedures, laws, and regulations are shared with new employees. Finally, specialized training is provided to our classified support staff to ensure that all staff is consistently and highly trained. This training targets the skills and knowledge needed in the employees' positions.

With regard to professional development for certificated staff, the District provides three full days of professional development for all teachers through various site-based professional development sessions connected to our students' behavioral, social, emotional, and language needs. Additionally,

SCHOOL ACCOUNTABILITY REPORT CARD

the District provides time through early release each week for teachers to participate in collaboration or professional learning activities with their grade level or department colleagues. This training reflects the District's annual professional development calendar, where centralized support staff rotates at each school to provide embedded professional development. This allows teachers to plan lessons together that address the individual needs of our learners utilizing our core, adopted curriculum, connected to our focus on evidence-based strategies.

Finally, the District provides Guest Teacher Workshops, Interpersonal Relations training, UCP training, and professional administrative training for staff throughout the year. These efforts work together to provide a positive, safe learning environment with the best staff for the SJUSD student body.

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/.

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/.

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
