About This School

Mission Statement

San Jacinto Elementary mission is to provide a challenging program that focuses on developing knowledgeable, inquiring, and caring students that become active, compassionate, life-long learners in a global society.

Principal's Message

San Jacinto Elementary School's goal is for all students to become International Baccalaureate (IB) Global Scholars. We believe that all children CAN learn. SJE is committed to working with parents to ensure each student's success by implementing a rigorous academic monitoring system based on grade-level standards. In addition, comprehensive staff development and parenting programs are implemented throughout the year to enhance conditions for student success. San Jacinto Elementary is dedicated to working in partnership with the home to provide an educational program designed to ensure that all children achieve the skills, habits, attitudes, and understandings necessary to become life-long global learners.

As you read this report, we hope you understand our commitment to education, recognize our successes, and appreciate our attempts to target areas that need improvement. The goal is to engage ALL students. Student Engagement is when the teacher actively involves all students in learning throughout all lessons, activities, and discussions. The teacher accomplishes this by ensuring a rigorous curriculum implementation, making relevant connections, teaching through the IB learner attributes, and creating a relationship of mutual respect. SJE is a Professional Learning Community. We strive to maintain a school culture that promotes high standards and expectations to accelerate student achievement.

School Description

San Jacinto Elementary is located in beautiful San Jacinto, California. The town itself is located at the base of the San Jacinto Mountains and adjacent to the San Jacinto River. Because of our downtown location, we are predominantly a walking school. Many students walk to school, thus maintaining strong ties with the community. The school was founded in 1939 although there is some debate over when it actually opened its doors to students. Some speculate it was in the late 1800's! SJE is the oldest school in the district. All of the original buildings have been knocked down but it still maintains the feel of a school rooted in pride and community! We serve TK through fifth grade students.

Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority, 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Quality, Currency, and Availability of Textbooks and Instructional Materials (School Year 2023-24)

This table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school; whether the textbooks and instructional materials are from the most recent adoption (yes/no); and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials. The adoption of the resolution regarding sufficiency of instructional and supplemental instructional materials for fiscal year 2023-24 pursuant to Education Code Sections 60119, 60422(b) and 60451 was done on September 13, 2023. San Jacinto Unified School District provides all students, including English Learners, with textbooks that meet state adoption criteria to use in class and to take home. Quality, highly motivating instructional materials are provided to fulfill and reinforce the district's outlined curriculum.

Specialized Services

Our school provides educational services for Title I, English Language Learners, Special Education, and GATE students. We are continually learning techniques to assist all students in their instruction. We also have aides to assist students further. In addition, we have used Title I funds to assist in purchasing instructional materials used in our research-based intervention programs that promote high performance and learning for all students.

Students with special needs at San Jacinto Elementary School aim to participate as successful learners in the regular school program. Some supplementary services are provided to help attain this goal. These include the English Language Learner Program, the Student Study Team, resource specialist services, speech services, after-school activities, and other specialized programs. In addition, San Jacinto Elementary School has an Outstanding After-School Instruction and Safety (OASIS) program that operates until 6:00 p.m.

Gifted and Talented Education Program (GATE): The GATE program serves students in grades three through five. GATE students receive specialized instruction in the regular classroom and occasionally participate in special activities. The District uses a multi-step process for GATE identification. The process begins with a GATE screening in third grade.

English Learner Program: All students not yet fluent in English participate in the English Language Development program. In the 2022-23 school year, we had 179 students identified as English Language Learners. We strive to provide all English Learners with the skills to be successful in all classes.

Special Education Program: Students with mild to moderate learning disabilities may qualify for Special Education services. As their Individual Education Plan (IEP) mandates, students may receive assistance from Resource Services, Special Day Class, Speech, Occupational Therapy, and Deaf and Hard of Hearing Services.

School Facilities

School Facility Conditions and Planned Improvements

San Jacinto Elementary School opened its doors in 1939. Our facilities are well maintained and clean. Students share the responsibility of maintaining a clean and safe campus. We have added three modular classrooms to our school due to enrollment.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. Regular and corrective maintenance is handled on a priority basis and emergencies are handled immediately.

Cleaning Process and Schedule

The site administrators, custodians, and district personnel conduct routine physical inspections for safety and maintenance. Classrooms and restrooms are cleaned daily. The principal works with the Operations Supervisor and the custodial staff to develop cleaning schedules to ensure a clean and safe school. Students are encouraged to have pride in their school and to do their part to keep the school clean. The district takes great effort to ensure that all schools are clean, safe, and functional.

School Facility Good Repair Status (School Year 2023-24)

To determine the condition of our schools, the district sends experts from the facilities team to inspect them. The facilities team uses a survey, called the Facilities Inspection Tool, issued by the Office of Public School Construction. The latest inspection took place on **August 15, 2023**. The information from that survey, as outlined below, reflects the condition of our buildings as of the date of the report. Since that time, circumstances may have changed.

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	No repairs needed at the time of inspection.
Interior: Interior Surfaces	Good	No repairs needed at the time of inspection.
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	No repairs needed at the time of inspection.
Electrical: Electrical	Good	No repairs needed at the time of inspection.
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	No repairs needed at the time of inspection.
Safety: Fire Safety, Hazardous Materials	Good	No repairs needed at the time of inspection.
Structural: Structural Damage, Roofs	Good	No repairs needed at the time of inspection.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	No repairs needed at the time of inspection

Pupil Outcomes

State Priority: Pupil Achievement

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready: The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

School Safety

SB187 Safety Plan

Date the plan was last updated: 10/25/2023

Date the plan was last reviewed with staff: 10/20/2023

The Comprehensive Safe School Plan includes data regarding crime, safe school procedures, and compliance with laws including (1) child abuse reporting, (2) disaster response, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) school-wide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, (9) rules and procedures on school discipline adopted pursuant to Ed Code Sections 35291 and 35291.5, and (10) lockdown procedures. In addition, a copy of the plan is available for inspection by the public at each school.

Our school and grounds are very safe. Staff members monitor the campus before school, after school, and during breaks. Our discipline policies curtail fighting and bullying. We use PBIS (Positive Behavioral Interventions & Supports) as our school-wide system of support that includes proactive strategies for defining, teaching, and supporting appropriate student behaviors to create positive school environments. The precepts from the program form behavioral guidelines for use across the campus. We have instituted rules and procedures to ensure a balanced and safe play area. We have student Tiger Beat members who work in conjunction with Noon Duty and Campus Aides to help maintain a safe playground. Also, teachers utilize management strategies from PBIS and Rick Morris to ensure a safe, interactive learning environment.

The safety plan is developed with input from local agencies and the school community, reviewed and approved by the School Site Council (SSC), and presented at several awareness sessions. In addition, students and staff regularly participate in emergency preparedness drills to ensure their safety in an emergency.

Average Class Size and Class Size Distribution (Elementary)

The average class size is calculated by dividing the number of students enrolled in classes, excluding special education and a few other minor categories, divided by the number of classes. The following table provides three years of data.

SJUSD is committed to providing quality ongoing support to all teachers and staff supporting student learning. Several training programs are in place to ensure staff quality and effectiveness to provide ongoing support. New Teacher Support is provided through a vigorous approach to Induction. The District contracts with the Riverside County Office of Education to provide the Center for Teacher Innovation (CTI) Induction program to all newly hired teachers new to the profession. As a part of this program, the District provides each new teacher with a mentor teacher who has full-time release to provide coaching support.

The District also provides support to ALL teachers who are new to the District. This support includes teachers new to the profession and experienced teachers beginning service in SJUSD. Additionally, the District provides a mentor teacher/coach to all interns and teachers on special waiver certification, i.e., Provisional Intern Permit (PIP) and Short-Term Staff Permit (STSP). Finally, the District provides the New Teacher Academy to all these teachers, including a five-day general academic academy and an additional two-day boot camp for Special Education teachers. The academy covers all aspects of teaching or professional service in the District. There are also follow-up sessions. Usually, about four to six a year, that are fluid and are planned in response to identified teacher needs.

The District provides a Peer Assistance and Review (PAR) program for struggling veteran teachers who need improvement. These teachers are identified through the evaluation process and are provided with a support coach. The teacher is given regular, scheduled feedback on efforts to implement the action plan collaboratively developed through

working with the support coach and the administrator. Release time is available for teachers to visit other classrooms and/or collaborate with the support coach. Teachers may participate in the Teachers in Partnership (TIP) program as an option to the PAR Program. In TIP, teachers voluntarily seek coaching assistance from the District to meet their specific needs within the desired timeframe.

All newly hired certified and classified staff must attend a New Hire Orientation. At this training, policies, procedures, laws, and regulations are shared with new employees. Finally, specialized training is provided to our classified support staff to ensure that all staff is consistently and highly trained. This training targets the skills and knowledge needed in the employees' positions.

With regard to professional development for certificated staff, the District provides three full days of professional development for all teachers through various site-based professional development sessions connected to our students' behavioral, social, emotional, and language needs. Additionally, the District provides time through early release each week for teachers to participate in collaboration or professional learning activities with their grade level or department colleagues. This training reflects the District's annual professional development calendar, where centralized support staff rotates at each school to provide embedded professional development. This allows teachers to plan lessons together that address the individual needs of our learners utilizing our core, adopted curriculum, connected to our focus on evidence-based strategies.

Finally, the District provides Guest Teacher Workshops, Interpersonal Relations training, UCP training, and professional administrative training for staff throughout the year. These efforts work together to provide a positive, safe learning environment with the best staff for the SJUSD student body.

SCHOOL ACCOUNTABILITY REPORT CARD

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/.

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/.

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
