Mission Statement

"Together we will successfully build student's full potential by doing whatever it takes."

Vision Statement

Empowering each student to achieve his/her dreams.

School Description

De Anza Elementary School and its educational community are committed to an educational partnership where everyone will champion commitment, respect, empowerment, encouragement, kindness, self-respect, innovation, diversity, and excellence. The staff is dedicated to positively impacting each student by providing high-quality educational programs that fully develop students' academic and problem-solving skills and social and cultural awareness. We strive to meet the needs of everyone through the following:

- A rigorous Common Core instructional program for all students with teacher-created units of study that are continuously improving
- An outstanding instructional and support staff
- Staff participation in continuous professional development and training
- Outstanding educational leadership and adequate supervision
- A safe, orderly, and supportive teaching and learning environment
- Accountability to the public through frequent assessment of students and programs
- Assisting children in attaining their optimal physical and intellectual development involving the community in a cooperative working relationship

Striving for excellence is an ongoing process at De Anza Elementary School. We work together with all stakeholders helping students become well-rounded learners where they are valued as members of the De Anza Elementary School family. Each child sitting in a chair in the classroom matters. To this end, we will continue to use a standards-based curriculum and assessment to provide a strong base for our instructional program. We are a PBIS (Positive Behavioral Intervention Support) school, and we aspire to cultivate integrity, honesty, perseverance, and courage within each student as they reach for academic and personal excellence. We focus on intervention and tailor our instruction and support to teach the child while also focusing on the individual needs of students who need more support behaviorally, socially, and emotionally so they become more engaged in learning. De Anza staff and students invite the community to partner with us in preparing today's students to succeed in tomorrow's world.

Principal's Message

Dear De Anza Families,

Welcome to the 2023-2024 school year! I am so lucky and honored to be able to continue the wonderful work that makes De Anza so special.

Our amazing teachers and support staff are committed to helping students thrive socially, emotionally, and academically! We are committed to preparing all our students for College and Career! During the 2023-2024 school year, we will focus on literacy, critical thinking, building a deep understanding of mathematical concepts, and focusing on Social and Emotional Learning. We will also continue working diligently to meet the diverse needs of our students through small group instruction and reading instruction across all grade levels, school-wide.

As recipients of the Platinum Award for Schoolwide Positive Behavior Intervention Support, our deliberate work to instill tools for self-regulation and emotional wellness will carry on through

lessons by our teachers and counselor. All the expectations fit within three categories: Be Safe, Be Responsible, and Be Respectful.

Throughout the year, exciting things are happening in our classrooms and our campus! We encourage you to get involved by joining our PTA, volunteering, and/or simply having daily conversations with your child(ren) about the school day. We also have a quarterly Coffee with the Principal, School Site Council, and English Learner Advisory Council which we invite you to come to hear updates and share ideas with us. We ask that you maintain communication with your child's teacher throughout the year and ask your child daily what he/she learned about in school. Working together as a team, I know your child will have the best year yet at De Anza Elementary!

One of the greatest characteristics of De Anza is our positive culture. We developed a house system designed to promote unity, provide students with opportunities to connect across grades, promote core character traits, and create a sense of pride. De Anza has Four Houses, yet we are One Family. Our Houses are:

- Kuamua--Swahili for Determined
- Honestidad--Spanish for Honest
- Qwicha--Luiseno for Compassionate
- Quantum--Latin for Respect

All students and staff are divided into four houses, and students will remain in their house their entire time at De Anza. Students will have the opportunity to participate in House Fridays which is where they promote the pride of their house, learn unique skills, and celebrate the house point leaders for each week.

I cannot wait to create new memories at De Anza. Together, we will make it a great year! Please do not hesitate to contact me, I am here to serve you. Thank you so much for choosing us as your school.

Here to Serve,
Mrs. Irene Templeman

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Specialized Services

Our school provides educational services to assist Title I students, English Language Learners, Special Education, and GATE differentiated instruction to learn techniques to assist all students in their classes continually. We also have instructional aides to assist students further. In addition, we have a professional development specialist and an MTSS specialist on-site to support teachers in implementing quality Tier 1 instruction. They model lessons and plan with our teachers.

De Anza Elementary School students with special needs aim to participate as successful learners in the regular school program. Several supplementary services are provided to help attain this goal. These include the English Language Learner Program, the Student Study Team, resource specialist services, speech services, and other specialized programs. In addition, de Anza Elementary School has an Outstanding After-School Instruction and Safety (OASIS) program that operates until 6:00 p.m.

Special Education Program: Students with mild to severe learning disabilities may receive individual education plans. Students enrolled in Special Education at De Anza are either in a full-day Special Education class or meet regularly with a Special Education teacher who provides specialized individual and small-group instruction based on the student's Individualized Education Plan (IEP).

Quality, Currency, and Availability of Textbooks and Instructional Materials (School Year 2023-2024)

This table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school; whether the textbooks and instructional materials are from the most recent adoption (yes/no); and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials. The adoption of the resolution regarding sufficiency of instructional and supplemental instructional materials for fiscal year 2023-24 pursuant to Education Code Sections 60119, 60422(b) and 60451 was done on September 13, 2023. San Jacinto Unified School District provides all students, including English Learners, with textbooks that meet state adoption criteria to use in class and to take home. Quality, highly motivating instructional materials are provided to fulfill and reinforce the district's outlined curriculum.

Gifted and Talented Education Program (GATE): The GATE program serves students in grades three through five. GATE students receive specialized instruction in the regular classroom. In addition, students may occasionally participate in special activities. The district uses a multi-step process for GATE identification. The process begins with a GATE screening in third grade. All teachers are highly qualified to teach advanced learners who qualify for GATE, and instruction is differentiated to challenge them in their areas of strength.

English Learner Program: All students not yet fluent in English participate in English Language Development. We strive to provide all English Learners with the skills to succeed in all classes. We offer increased visual, auditory, kinesthetic, and technologically enhanced instruction to differentiate students' language levels, giving them maximum opportunities to read, write, listen, and speak during instructional minutes daily. English Learners receive specific English Language Development instruction for 30 minutes every day in addition to the specialized strategies teachers use throughout the day to provide access to the curriculum.

School Facility Good Repair Status (School Year 2023-2024)

To determine the condition of our schools, the district sends experts from the facilities team to inspect them. The facilities team uses a survey, called the Facilities Inspection Tool, issued by the Office of Public School Construction. The latest inspection took place on **August 14, 2023**. The information from that survey, as outlined below, reflects the condition of our buildings as of the date of the report. Since that time, circumstances may have changed.

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	No repairs needed at the time of inspection.
Interior: Interior Surfaces	Good	No repairs needed at the time of inspection.
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	No repairs needed at the time of inspection.
Electrical: Electrical	Good	No repairs needed at the time of inspection.

School Facilities

School Facility Conditions and Planned Improvements

De Anza Elementary School opened its doors on July 1, 1988. Every classroom has adequate space and materials needed to ensure student success. We have 35 highly qualified teachers with classrooms designed with print-rich texts on walls, learning resources, technology, and realia that allow students to be critical thinkers and problem solvers with resources regularly at their fingertips. We use parent, student, and staff surveys twice yearly to gather feedback from all stakeholders and support LCAP goals one or two to improve our school's safety and curb appeal continuously. Our district conducts two sweep-week facility upgrades during the school year. Facilities and maintenance workers come to our school and work on work orders and beautification driven by survey data and reports to our staff. We take great pride in our school grounds and continuously improve systems to minimize trash and rid the campus or grounds of obsolete materials, making our campus safe and organized.

De Anza Elementary staff and students take pride in the school and its facilities. Together, students and staff provide a safe, clean, and attractive environment, fostering learning and a positive attitude toward school. The campus includes over 24 general education classrooms, a learning center, a preschool, a maker space lab, and Special Education classes. In addition to office areas, De Anza has a sizeable multi-purpose cafeteria, library, health office, and three educational service rooms.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. Regular and corrective maintenance is handled on a priority basis and emergencies are handled immediately.

Cleaning Process and Schedule

The site administrators, custodians, and district personnel conduct routine physical inspections for safety and maintenance. Classrooms and restrooms are cleaned daily. The principal works with the Operations Supervisor and the custodial staff to develop cleaning schedules to ensure a clean and safe school. Students are encouraged to have pride in their school and to do their part to keep the school clean. The district takes great effort to ensure that all schools are clean, safe, and functional.

Pupil Outcomes

State Priority: Pupil Achievement

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

Note: Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) are used in the table to protect student privacy when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

School Safety

SB187 Safety Plan

Date the plan was last updated: 10/23/2023

Date the plan was last reviewed with staff: 10/23/2023

The Comprehensive Safe School Plan includes data regarding crime, safe school procedures, and compliance with laws including (1) child abuse reporting, (2) disaster response, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) school-wide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, (9) rules and procedures on school discipline adopted pursuant to Ed Code Sections 35291 and 35291.5, and (10) lockdown procedures. In addition, a copy of the plan is available for inspection by the public at each school.

This plan is updated multiple times throughout the year. The

current plan focuses on increasing student safety and positive student-peer relations, creating and maintaining a PBIS environment, decreasing the threat of physical violence and physical violence, and improving drop-off pick-up before and after school.

Our school and grounds are very safe. Staff members monitor the campus before, after, and during breaks. Our discipline policies curtail fighting and bullying. In addition, students and staff regularly participate in emergency preparedness drills to ensure their safety. The safety plan is developed with input from local agencies and the school community, reviewed and approved by the School Site Council (SSC), and presented at several awareness sessions.

SJUSD is committed to providing quality ongoing support to all teachers and staff supporting student learning. Several training programs are in place to ensure staff quality and effectiveness to provide ongoing support. New Teacher Support is provided through a vigorous approach to Induction. The District contracts with the Riverside County Office of Education to provide the Center for Teacher Innovation (CTI) Induction program to all newly hired teachers new to the profession. As a part of this program, the District provides each new teacher with a mentor teacher who has full-time release to provide coaching support.

The District also provides support to ALL teachers who are new to the District. This support includes teachers new to the profession and experienced teachers beginning service in SJUSD. Additionally, the District provides a mentor teacher/coach to all interns and teachers on special waiver certification, i.e., Provisional Intern Permit (PIP) and Short-Term Staff Permit (STSP). Finally, the District provides the New Teacher Academy to all these teachers, including a five-day general academic academy and an additional two-day boot camp for Special Education teachers. The academy covers all aspects of teaching or professional service in the District. There are also follow-up sessions. Usually, about four to six a year, that are fluid and are planned in response to identified teacher needs.

The District provides a Peer Assistance and Review (PAR) program for struggling veteran teachers who need improvement. These teachers are identified through the evaluation process and are provided with a support coach. The teacher is given regular, scheduled feedback on efforts to implement the action plan collaboratively developed through working with the support coach and the administrator. Release time is available for teachers to visit other classrooms and/or collaborate with the support coach. Teachers may participate in the Teachers in Partnership (TIP) program as an option to the PAR Program. In TIP, teachers voluntarily seek coaching assistance from the District to meet their specific needs within the desired timeframe.

All newly hired certified and classified staff must attend a New Hire Orientation. At this training, policies, procedures, laws, and regulations are shared with new employees. Finally, specialized training is provided to our classified support staff to ensure that all staff is consistently and highly trained. This training targets the skills and knowledge needed in the employees' positions.

With regard to professional development for certificated staff, the District provides three full days of professional development for all teachers through various site-based professional development sessions connected to our students' behavioral, social, emotional, and language needs. Additionally, the District provides time through early release each week for teachers to participate in collaboration or professional learning activities

with their grade level or department colleagues. This training reflects the District's annual professional development calendar, where centralized support staff rotates at each school to provide embedded professional development. This allows teachers to plan lessons together that address the individual needs of our learners utilizing our core, adopted curriculum, connected to our focus on evidence-based strategies.

Finally, the District provides Guest Teacher Workshops, Interpersonal Relations training, UCP training, and professional administrative training for staff throughout the year. These efforts work together to provide a positive, safe learning environment with the best staff for the SJUSD student body.

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/.

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/.

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
