**About This School**

**Vision Statement**

Park Hill Elementary is a community of teachers, parents, students, and support staff dedicated to providing a safe, supportive, and focused learning environment where all children can succeed. We hold students accountable for their actions, set high expectations for our teachers and students, and support all stakeholders throughout the learning process.

**Principal's Message**

Welcome to Park Hill Elementary! Thank you for taking the time to review our site's School Accountability Report Card (S.A.R.C.). As principal of Park Hill, I am proud of our staff's commitment and dedication to our students. Our staff continually ensures a safe, caring environment that encourages confidence, responsibility, and personal accountability. We expect all our students to achieve and be college and career-ready. All our students are taught success skills, including communication, organization, time management, the importance of attendance, and goal-setting strategies to aid them in pursuing higher education. Our staff is committed to using research-based strategies and data-driven instruction (SMART goal process) as a Professional Learning Community. We believe that every student should have the opportunity to grow academically, behaviorally, and emotionally.

Our staff provides small group, differentiated instruction to ensure that this occurs. This instruction is based on the academic needs of the students. Our staff continuously utilizes S.J.U.S.D.'s adopted core curriculum, including various resources and programs such as iReady that support and enhance our students' learning. Some services are Makerspace in the school library and our Wellness Center, supported by our School Counselor and Campus Aides. Makerspace allows all students to "tinker" and explore their creative talents. Our "Wellness Center" is open during student recess and focuses on skills with a focus on social-emotional regulation. The room is also available to all students. They are encouraged to participate in different activities to work on supporting emotional regulation and then apply the strategies in the classroom and on campus.

Student success is achieved by being at school everyday, arriving on time, and by following the Bison R.O.C.K.S values that have been established. Students are taught **Respect** for others, **stay On** track for higher learning, **Citizenship** for success, **Kindness** for all, and **Safety** is always first. We strive to provide students with support and encouragement in following these guidelines. We have also implemented Positive Behavior Intervention and Support (P.B.I.S.) and have earned the Gold status for the 2023 school year. We aim to support the whole child; this includes academics and behavior. P.B.I.S. is a proactive approach to establishing behavioral and social-cultural supports to ensure all students achieve social and academic success. At Park Hill, we will ensure that all our students succeed and are college career-ready. We will continue to reflect on past and present practices to ensure that our choices support our students socially, emotionally, and academically.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## Quality, Currency, and Availability of Textbooks and Instructional Materials (School Year 2023-24)

This table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school; whether the textbooks and instructional materials are from the most recent adoption (yes/no); and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials. The adoption of the resolution regarding sufficiency of instructional and supplemental instructional materials for fiscal year 2023-24 pursuant to Education Code Sections 60119, 60422(b) and 60451 was done on September 13, 2023. San Jacinto Unified School District provides all students, including English Learners, with textbooks that meet state adoption criteria to use in class and to take home. Quality, highly motivating instructional materials are provided to fulfill and reinforce the district's outlined curriculum.

## SCHOOL ACCOUNTABILITY REPORT CARD

### Specialized Services

Our school provides educational services for Title I, English Language Learners, Special Education, and GATE students. Our teachers continually learn techniques to help all students with individual instructional needs. All curriculum and instruction that occurs in the classroom are research-based. At our site, we hold Solutions Based Team meetings with representatives from Counseling, Ed Therapy, PBIS, Equity, and MTSS teams. The meetings aim to review our students' academic and behavioral needs. Students not showing academic growth are placed in Tiered Interventions and Supports within their grade. Tier 2 students are placed in short-term interventions, and Tier 3 in intensive intervention groups.

A Tiered system is also in place to support our students' behavioral needs. Part of the support includes daily Social-Emotional Learning through Second Step Lessons, P.B.I.S. integration during the instructional time, and counseling support from our site full-time Counselor. In addition, students at Park Hill Elementary School who have identified needs will participate as successful learners in the regular school program. Therefore, some supplementary services are provided to help attain this goal. These include the English Language Learner Development, the Student Study Team, Education Specialist, Speech services, and other specialized programs. In addition, Park Hill Elementary School has an Outstanding After School Instruction and Safety (O.A.S.I.S.) program until 6:00 p.m. daily.

**Gifted and Talented Education Program (GATE):** The GATE program serves students in grades three through five. GATE students receive specialized instruction in the regular classroom and occasionally participate in special activities. The District uses a multi-step process for GATE identification. The process begins with a GATE screening in third grade.

**English Learner Program:** All students not yet fluent in English participate in the English Language Development program. We strive to provide all English Learners with the skills to succeed in all classes. During the instructional day, as a school site, we have blocked 30 minutes a day to meet the needs of all English Language Learners. Students are leveled in their grade level when they receive small group differentiated instruction. Teachers use English Language Development strategies and specific curricula such as Wonders to scaffold instruction accordingly.

**Special Education Program:** Students with moderate to severe learning differences are entitled to individual education plans and extra attention. Students enrolled in special education at Park Hill meet regularly with a special education teacher who provides specialized, individual, and small-group instruction based on the student's Individualized Education Plan (I.E.P.). We have three mild-moderate classes: (1) TK/Kindergarten mild-moderate class, (1) First/Second Grade/Third Grade mild-moderate class, and (1) Third/Fourth/Fifth Grade mild-moderate class. In addition, we have (2) Education Specialists who service students through Specialized Academic Instruction in the General Education Classroom.

### School Facilities

#### **School Facility Conditions and Planned Improvements**

Park Hill Elementary School opened its doors on August 10, 1991. Every classroom has adequate space and materials needed to ensure student success. Park Hill Elementary staff and students take pride in the school and its facilities. Together, students and staff provide a safe, clean, and attractive environment, fostering learning and a positive attitude toward school. Modernization is finished, and we like the upgrades.

### **School Facility Good Repair Status (School Year 2023-24)**

To determine the condition of our schools, the district sends experts from the facilities team to inspect them. The facilities team uses a survey, called the Facilities Inspection Tool, issued by the Office of Public School Construction. The latest inspection took place on July 10, 2023. The information from that survey, as outlined below, reflects the condition of our buildings as of the date of the report. Since that time, circumstances may have changed.

## SCHOOL ACCOUNTABILITY REPORT CARD

### Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. Regular and corrective maintenance is handled on a priority basis and emergencies are handled immediately.

### Cleaning Process and Schedule

The site administrators, custodians, and district personnel conduct routine physical inspections for safety and maintenance. Classrooms and restrooms are cleaned daily. The principal works with the Operations Supervisor and the custodial staff to develop cleaning schedules to ensure a clean and safe school. Students are encouraged to have pride in their school and to do their part to keep the school clean. The district takes great effort to ensure that all schools are clean, safe, and functional.

### Pupil Outcomes

#### State Priority: Pupil Achievement

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

**College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**Note:** Double dashes (--) are used in the table to protect student privacy when the cell size within a selected student population is ten or fewer.

**Note:** ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

**Note:** Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

**Note:** Double dashes (--) are used in the table to protect student privacy when the cell size within a selected student population is ten or fewer.

**Note:** The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### California Physical Fitness Test Results (2022-23)

| Grade Level | Component 1:<br>Aerobic Capacity | Component 2:<br>Abdominal Strength and Endurance | Component 3:<br>Trunk Extensor and Strength and Flexibility | Component 4:<br>Upper Body Strength and Endurance | Component 5:<br>Flexibility |
|-------------|----------------------------------|--------------------------------------------------|-------------------------------------------------------------|---------------------------------------------------|-----------------------------|
| 5           | 98.8                             | 97.0                                             | 97.6                                                        | 97.0                                              | 97.6                        |

**Note:** The administration of the PFT during the 2021–22 and 2022-23 school years requires only participation results for these five fitness areas.

**Note:** Percentages are not calculated, and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parent Involvement

**Contact Person:** Ruby Nichols, Parent, and Community Liaison

**Phone Number:** (951) 654-6651 ext. 3503

We value our parents and volunteers. At Park Hill, parental and volunteer participation is vital to our success. Our parents and volunteers assist us with reading groups and classroom projects. In addition, our Associated Student Body (A.S.B.) actively fundraises to provide activities for our students. If you are interested in volunteering at our site, please contact Crystal Ackerman.

Some of the ways available to participate in parent involvement are as follows:

- School-Wide Events
- School Site Council (S.S.C.)
- African American Literacy Council
- English Learner Advisory Council (E.L.A.C.)
- Classroom Helpers—assisting teachers as needed

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## SCHOOL ACCOUNTABILITY REPORT CARD

### School Safety

#### SB187 Safety Plan

Date the plan was last updated: 11/08/2023

Date the plan was last reviewed with staff: 10/17/2023

The Comprehensive Safe School Plan includes data regarding crime, safe school procedures, and compliance with laws including (1) child abuse reporting, (2) disaster response, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) school-wide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, (9) rules and procedures on school discipline adopted pursuant to Ed Code Sections 35291 and 35291.5, and (10) lockdown procedures. In addition, a copy of the plan is available for inspection by the public at each school.

The safety plan is developed with input from local agencies and the school community, reviewed and approved by the School Site Council (S.S.C.), and presented at several awareness sessions. Students and staff regularly participate in emergency preparedness drills to ensure their safety in an emergency. Our campus is a closed campus during the instructional day, and at the end of the day, students are dismissed by their teachers out of specific exit doors. Visitors must sign in at the front office before visiting the classrooms. Thus, there is enough campus supervision before and after school and during recess.

### Average Class Size and Class Size Distribution (Elementary)

The average class size is calculated by dividing the number of students enrolled in classes, excluding special education and a few other minor categories, divided by the number of classes. The following table provides three years of data.

| Grade Level         | 2020-21         |                    |       | 2021-22         |                    |      | 2022-23         |                    |     |

SJUSD is committed to providing quality ongoing support to all teachers and staff supporting student learning. Several training programs are in place to ensure staff quality and effectiveness to provide ongoing support. New Teacher Support is provided through a vigorous approach to Induction. The District contracts with the Riverside County Office of Education to provide the Center for Teacher Innovation (CTI) Induction program to all newly hired teachers new to the profession. As a part of this program, the District provides each new teacher with a mentor teacher who has full-time release to provide coaching support.

The District also provides support to ALL teachers who are new to the District. This support includes teachers new to the profession and experienced teachers beginning service in SJUSD. Additionally, the District provides a mentor teacher/coach to all interns and teachers on special waiver certification, i.e., Provisional Intern Permit (PIP) and Short-Term Staff Permit (STSP). Finally, the District provides the New Teacher Academy to all these teachers, including a five-day general academic academy and an additional two-day boot camp for Special Education teachers. The academy covers all aspects of teaching or professional service in the District. There are also follow-up sessions. Usually, about four to six a year, that are fluid and are planned in response to identified teacher needs.

The District provides a Peer Assistance and Review (PAR) program for struggling veteran teachers who need improvement. These teachers are identified through the evaluation process and are provided with a support coach. The teacher is given regular, scheduled feedback on efforts to implement the action plan collaboratively developed through working with the support coach and the administrator. Release time is available for teachers to visit other classrooms and/or collaborate with the support coach. Teachers may participate in the Teachers in Partnership (TIP) program as an option to the PAR Program. In TIP, teachers voluntarily seek coaching assistance from the District to meet their specific needs within the desired timeframe.

All newly hired certified and classified staff must attend a New Hire Orientation. At this training, policies, procedures, laws, and regulations are shared with new employees. Finally, specialized training is provided to our classified support staff to ensure that all staff is consistently and highly trained. This training targets the skills and knowledge needed in the employees' positions.

With regard to professional development for certificated staff, the District provides three full days of professional development for all teachers through various site-based professional development sessions connected to our students' behavioral, social, emotional, and language needs. Additionally, the District provides time through early release each week for teachers to participate in collaboration or professional learning activities with their grade level or department colleagues. This training reflects the District's annual professional development calendar, where centralized support staff rotates at each school to provide embedded professional development. This allows teachers to plan lessons together that address the individual needs of our learners utilizing our core, adopted curriculum, connected to our focus on evidence-based strategies.

Finally, the District provides Guest Teacher Workshops, Interpersonal Relations training, UCP training, and professional administrative training for staff throughout the year. These efforts work together to provide a positive, safe learning environment with the best staff for the SJUSD student body.

## SCHOOL ACCOUNTABILITY REPORT CARD

### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at [www.cde.ca.gov/ta/ac/sa/](http://www.cde.ca.gov/ta/ac/sa/).

For more information about the LCFF or the LCAP, see the CDE LCFF web page at [www.cde.ca.gov/fg/aa/lc/](http://www.cde.ca.gov/fg/aa/lc/).

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at [dq.cde.ca.gov/dataquest/](http://dq.cde.ca.gov/dataquest/) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) [www.caschooldashboard.org/](http://www.caschooldashboard.org/) reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
