About This School

Our Mission ...

To inspire students to learn daily, live respectfully, and lead responsibly.

Our Vision...

At North Mountain Middle School, we strive to produce caring and productive citizens who value the pursuit of learning and service to others.

Our Motto...

Huskies...Learning today, leading tomorrow!!!

Principal's Message

My name is Ms. Jolene Burdick, and I am honored to serve as the Principal at North Mountain Middle School. I have been in administration for seven years and have been in the San Jacinto Unified School District for six years. I love serving this school community and look forward to an exceptional year.

Our entire staff welcomes you to the new school year. Your child's education and success are our number one priority, as we help prepare them for college and career. Parents, teachers, and administrators must guide, direct, motivate, teach self-discipline, and support each other. Students will be held accountable for their academics, behavior, and social interactions. We will fully implement our expectations. To help us, please make sure to review the Parent/Student Handbook with your child, including discipline and the dress code.

At North Mountain, every staff member believes all students can learn and that each one deserves our time and attention. Our staff collaborates as a professional learning community to ensure we meet our students' academic promise. Common Core content standards guide classroom instruction, and our highly qualified and professional teaching staff continuously challenges our students. We encourage a close partnership between parents/guardians, students, teachers, and staff. This partnership can be accomplished by your participation in the many activities available throughout the year, including School Site Council, ELAC, or volunteering on campus.

School Description

North Mountain Middle School is one of four San Jacinto Unified School District middle schools. Our student population is composed of grades six, seven, and eight, with about 930 students. The school year is composed of two semesters, with progress reports being sent home at the midpoint and at the end of each semester.

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority, 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Quality, Currency, and Availability of Textbooks and Instructional Materials (School Year 2023-24)

This table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school; whether the textbooks and instructional materials are from the most recent adoption (yes/no); and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials. The adoption of the resolution regarding sufficiency of instructional and supplemental instructional materials for fiscal year 2023-24 pursuant to Education Code Sections 60119, 60422(b) and 60451 was done on September 13, 2023. San Jacinto Unified School District provides all students, including English Learners, with textbooks that meet state adoption criteria to use in class and to take home. Quality, highly motivating instructional materials are provided to fulfill and reinforce the district's outlined curriculum.

Specialized Services

Our school provides educational services to assist academically struggling students, English Language Learners, Special Education, and GATE students. We are continually learning techniques to help all students in their classes. To further assist students, we also employ aides. In addition, we have used Title I funds to assist in purchasing instructional materials for intervention programs, which are researched-based programs that promote high performance and learning for all students.

The goal for students with special needs at North Mountain Middle School is to participate as successful learners in the regular school program. Several supplementary services are provided to help attain this goal. These include the English Language Learner program, the Student Study Team, resource specialist services, speech services, counseling services, and other specialized programs. In addition, North Mountain Middle School has an After-School Extended Learning Opportunity (OASIS) program that operates until 6:00 p.m.

Special Education Programs

Students with mild to moderate learning differences may qualify to receive specialized services. Qualification for Special Education services is only considered after research-based interventions have been implemented in the classroom and proven to be ineffective through assessment and data review. Students eligible for Special Education services must undergo extensive assessment and evaluation by school personnel to determine eligibility. Results of assessments are shared with parents in an initial Individualized Education Plan (IEP) meeting. Students with an IEP may receive services individually or within a small group setting. Instruction for special needs students is based upon the goals written and agreed to by parents and school personnel in their respective Individual Education Plan (IEP). Most special education students are fully included in the regular education classroom and may receive services either

inclusively or in a small group setting outside the classroom. North Mountain Middle School has the only grades 6-8 Special Day Class Program designed for students with moderate/severe disabilities in the district.

English Learner Program

An English Language Learner (ELL) student is one whose first language is not English and may need instruction in developing the skills necessary to read, write, and speak English proficiently and academically. We offer four different levels of ELD throughout the school day.

Gifted and Talented Education Program (GATE)

The GATE program serves students in grades six through eight. GATE students receive specialized instruction in the regular classroom. Students may occasionally participate in special activities. The district uses a multi-step process for GATE identification. The process begins with a GATE screening in third grade.

MTSS

Our Multi-Tiered Systems of Support plan addresses three categories—academics, behavior, and attendance. Tier one is our schoolwide plan to support ALL North Mountain students in each of the three categories. In addition, additional support such as Tutoring, SARBs, Tardy Cards, Intervention, Check in Check Out, or a Behavior Plan has been developed for our students that need additional assistance.

School Facilities

School Facility Good Repair Status (School Year 2023-24)

To determine the condition of our schools, the district sends experts from the facilities team to inspect them. The facilities team uses a survey, called the Facilities Inspection Tool, issued by the Office of Public School Construction. The latest inspection took place on July 10, 2023. The information from that survey, as outlined below, reflects the condition of our buildings as of the date of the report. Since that time, circumstances may have changed.

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	No repairs needed at the time of inspection.
Interior: Interior Surfaces	Good	No repairs needed at the time of inspection.
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	No repairs needed at the time of inspection.
Electrical: Electrical	Good	No repairs needed at the time of inspection.
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	No repairs needed at the time of inspection.
Safety: Fire Safety, Hazardous Materials	Good	No repairs needed at the time of inspection.
Structural: Structural Damage, Roofs	Good	No repairs needed at the time of inspection.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	No repairs needed at the time of inspection.
Overall Rating	Exemplary 100%

School Facility Conditions and Planned Improvements

We continue to make improvements to our school to benefit our students. We have a new shade structure that allows for more shade for our students during nutrition and lunch. With the help of excellent custodial staff and vigilance by our school staff, North Mountain Middle School remains clean and well-maintained. The addition of surveillance cameras, hallway and outside supervision, and a policy of keeping all doors but one front door locked help maintain our campus's security. The building meets all current standards for ingress and egress and is regularly inspected by local fire officials.

North Mountain Middle School features a clean, well-maintained facility that can meet the demands of a comprehensive middle school. Our site includes a multipurpose room or gym with a stage, outdoor eating tables, a large kitchen, a well-stocked library, a covered basketball pavilion, and locker rooms. Our campus features a football field, track, large grass areas, and multiple outdoor basketball courts. All classrooms have e-mail and internet capabilities. In maintaining a technology focus, we have a computer lab, and teachers have complete classroom Chromebooks and carts to keep and use. Specialized science classrooms are available to provide a facility conducive to hands-on science labs. The Fine Arts department features a well-designed music room for chorus/band and a classroom for art.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. Regular and corrective maintenance is handled on a priority basis and emergencies are handled immediately.

Cleaning Process and Schedule

The site administrators, custodians, and district personnel conduct routine physical inspections for safety and maintenance. Classrooms and restrooms are cleaned daily. The principal works with the Operations Supervisor and the custodial staff to develop cleaning schedules to ensure a clean and safe school. Students are encouraged to have pride in their school and to do their part to keep the school clean. The district takes great effort to ensure that all schools are clean, safe, and functional.

Pupil Outcomes

State Priority: Pupil Achievement

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready: The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parent Involvement

Contact Person: Jorge Soria-Foust, Parent Liaison

Phone Number: (951) 487-7797 ext. 6200

Along with our ASB and School Site Council, we host parent/student nights throughout the year. We have a Parent Conference Evening, Back-To-School Night, Open House, Coffee with the Principal, parenting workshops, parent orientation for incoming students, and morning and afternoon registration times for all students. The English Language Advisory Committee (ELAC), regular parent communication meetings, and an open-door policy for the principal provide additional opportunities for communication and involvement.

The Comprehensive Safe School Plan includes data regarding crime, safe school procedures, and compliance with laws including (1) child abuse reporting, (2) disaster response, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) school-wide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, (9) rules and procedures on school discipline adopted pursuant to Ed Code Sections 35291 and 35291.5, (10) lockdown procedures. In addition, a copy of the plan is available for inspection by the public at each school.

The following evacuation drills are practiced throughout the year: earthquake, fire, and lockdown. As a result, our school and grounds are very safe. Staff members monitor the campus before school, after school, and during breaks. Our discipline policies work to curtail fighting and bullying. Students and staff regularly participate in emergency preparedness drills to ensure their safety in an emergency.

Average Class Size and Class Size Distribution (Secondary)

The average class size is calculated by dividing the number of students enrolled in classes, excluding special education and a few other minor categories, divided by the number of classes. The following table provides three years of data.

Grade Level	2020-21				2021-22				2022-23			
	Avg. Class Size	Number of Classes*			Avg. Class Size	Number of Classes*			Avg. Class Size	Number of Classes*		
		1-22	23-32	33+		1-22	23-32	33+		1-22	23-32	33+
English	24.00	15	11	9	21.0	10	23		19.0	19	16	1
Mathematics	26.00	6	14	7	23.0	7	18	1	21.0	15	17	
Science	31.00	2	9	11	28.0	3	12	6	22.0	6	9	1
Social Science	29.00	5	10	9	25.0	4	17	3	22.0	7	18	

*Number of classes indicates how many classes fall into each size category (a range of total students per class). At the secondary school level, this information is reported by subject area rather than grade level.

SJUSD is committed to providing quality ongoing support to all teachers and staff supporting student learning. Several training programs are in place to ensure staff quality and effectiveness to provide ongoing support. New Teacher Support is provided through a vigorous approach to Induction. The District contracts with the Riverside County Office of Education to provide the Center for Teacher Innovation (CTI) Induction program to all newly hired teachers new to the profession. As a part of this program, the District provides each new teacher with a mentor teacher who has full-time release to provide coaching support.

The District also provides support to ALL teachers who are new to the District. This support includes teachers new to the profession and experienced teachers beginning service in SJUSD. Additionally, the District provides a mentor teacher/coach to all interns and teachers on special waiver certification, i.e., Provisional Intern Permit (PIP) and Short-Term Staff Permit (STSP). Finally, the District provides the New Teacher Academy to all these teachers, including a five-day general academic academy and an additional two-day boot camp for Special Education teachers. The academy covers all aspects of teaching or professional service in the District. There are also follow-up sessions. Usually, about four to six a year, that are fluid and are planned in response to identified teacher needs.

The District provides a Peer Assistance and Review (PAR) program for struggling veteran teachers who need improvement. These teachers are identified through the evaluation process and are provided with a support coach. The teacher is given regular, scheduled feedback on efforts to implement the action plan collaboratively developed through working with the support coach and the administrator. Release time is available for teachers to visit other classrooms and/or collaborate with the support coach. Teachers may participate in the Teachers in Partnership (TIP) program as an option to the PAR Program. In TIP, teachers voluntarily seek coaching assistance from the District to meet their specific needs within the desired timeframe.

All newly hired certified and classified staff must attend a New Hire Orientation. At this training, policies, procedures, laws, and regulations are shared with new employees. Finally, specialized training is provided to our classified support staff to ensure that all staff is consistently and highly trained. This training targets the skills and knowledge needed in the employees' positions.

With regard to professional development for certificated staff, the District provides three full days of professional development for all teachers through various site-based professional development sessions connected to our students' behavioral, social, emotional, and language needs. Additionally, the District provides time through early release each week for teachers to participate in collaboration or professional learning activities with their grade level or department colleagues. This training reflects the District's annual professional development calendar, where centralized support staff rotates at each school to provide embedded professional development. This allows teachers to plan lessons together that address the individual needs of our learners utilizing our core, adopted curriculum, connected to our focus on evidence-based strategies.

Finally, the District provides Guest Teacher Workshops, Interpersonal Relations training, UCP training, and professional administrative training for staff throughout the year. These efforts work together to provide a positive, safe learning environment with the best staff for the SJUSD student body.

SCHOOL ACCOUNTABILITY REPORT CARD

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/.

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/.

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
