About This School

The foundational supports/goals developed at LHS when we opened in 2005 are listed below. Each of these still rings true today!

Our Belief Statement

Lakeside High School will maintain a strong commitment creating an environment that is dedicated to the development of excellence.

Mission Statement

At Lakeside High School, we believe all Lancers will RISE up and build a sustainable future in an ever-changing society.

Vision Statement

Our students will be independent, resilient, life-long learners who have the skills necessary to succeed in an ever-changing global society.

Principal's Message

Lakeside High School celebrates its eighteenth year of service to our students, and I could not be more pleased with how our school has progressed. As many of you know, great things continue to happen at Lakeside! Lakeside High School has recently sent graduates to Ivy League schools, the prestigious UC system of schools, and a host of private colleges and universities ranked in the U.S. News and World Report's top 50 schools. U.S. News and World Report has recognized LHS as a Silver Awardee as one of the best high schools in the United States. LHS has also been designated a California Business for Education Excellence Honor Roll School. Our school was recently recertified as an AVID (Advancement Via Individual Determination) National Demonstration Site! In addition, LHS continues to grow its Career Technical Education (CTE) programs and currently offers culinary, computer science, construction, and sports medicine pathways. Lakeside High School has quickly established itself as a highly competitive academic environment that offers numerous unique educational opportunities for our students to grow and explore their interests before graduation.

Lakeside High School is exceptionally proud to have award-winning theater and band programs. Between 2010 and 2023, the LHS theater program won 8 regional first-place awards and three second-place awards, including one festival championship award. In addition, our band program has repeatedly risen to the top in competition in our short 16 years as a school, winning a division 3 state championship in the fall of 2014 and our Lancer Regiment to division 4A in CSBC. Earning high music scores and other awards at multiple individual tournaments, they were once again able to secure a position in the state finals in the 2018 and 2019 marching seasons. In the SCSBOA Festival season, the band sends two ensembles to competition. Unanimous Superior scores have qualified them to move on to and succeed in regional competition yearly. In the 2023-24 school year, the LHS band first appeared in the most significant and oldest parade band competition at the Arcadia Festival of Bands. This competition is an invitation-only event in which the Lancer Regiment placed fourth, and the Lancer Guard placed first.

Finally, our athletic programs continue to build a sense of pride, unity, and respect for ourselves and the surrounding community. Lakeside celebrated our first individual (wrestling) and team (boys' soccer) CIF championships in the 2011-12 school year. Our boy's wrestling program won the Division 4 CIF Finals in the winter of 2023. Our girls' basketball team participated in the CIF State Finals in the winter of 2015-16 and won the CIF Finals for Division 2A in the winter of 2019. Our girls' varsity softball team won the CIF Division Title for Division 7 in 2021. We intend to build upon these positive experiences with even more prosperous seasons in Lancer Athletics Programs.

Lakeside High School is an outstanding high school with much to be proud of. Our staff is dedicated to maximizing the academic success and personal growth of each student. I am confident we have the right people, resources, and tenacity to continue doing just that. At LHS, we prepare each of our

students for post-high school success by providing them with a solid academic foundation to enable them to pursue any post-secondary endeavor they choose.

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority, 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;

- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time ; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Quality, Currency, and Availability of Textbooks and Instructional Materials (School Year 2023-24)

Lake Elsinore Unified School District chooses instructional materials that are aligned with State content standards, present a broad spectrum of knowledge and viewpoints, reflect society's diversity, and enhance the use of multiple teaching strategies and technologies. Materials for grades K-8 are chosen from the State-adopted list. Subject area teachers evaluate and recommend materials for grades 9-12. Curriculum and textbook subcommittees are comprised of teachers (subject or grade level) and administrators. The subcommittee recommends instructional materials to the Curriculum Advisory Committee (CAC), which has representatives from every school. The CAC evaluates and recommends materials to the school board, which gives final approval to all adopted instructional materials. Parents and community members may review adopted materials at the district office. Lake Elsinore Unified School District held a hearing for the sufficiency of textbooks on September 14, 2023.

Each pupil in the district, including English learners, kindergarten through grade twelve, is provided with standards-aligned textbooks or instructional materials, or both, that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board to use in class and to take home.

School Facilities

School Facility Good Repair Status (School Year 2023-24)

To determine the condition of our schools, the district sends experts from the facilities team to inspect them. The facilities team uses a survey, called the Facilities Inspection Tool, issued by the Office of Public School Construction. The latest inspection took place on January 11, 2024. The information from that survey, as outlined below, reflects the condition of our buildings as of the date of the report. Since that time, circumstances may have changed.

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	High pitched noise in ceiling. Thermostat needs adjustment in one room.
Interior: Interior Surfaces	Fair	Stained and damaged ceiling tiles in several rooms. Floor needs refinishing in one room. Painting needed in one room. Drywall water damage in weight room. Ceiling drywall damage in one room.
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	One room cluttered. Carpet needs cleaning in one room. Several rooms need deep cleaning. Exterior building entry points dirty.
Electrical: Electrical	Fair	Several rooms lights out. Bad ballast in more than one room. Fusers are dirty in one room. One room outlet cover missing. More than one hand dryer missing button.
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Poor	Staff restroom faucet rusting at base. One restroom faucet leaking from base. More than one drinking fountain needs adjustment . More than one drinking fountain needs to be turned on. Lobby restroom missing dispensers. Boy's restroom missing faucet buttons.
Safety: Fire Safety, Hazardous Materials	Good	No repairs needed at the time of inspection
Structural: Structural Damage, Roofs	Good	Boy's locker room roof is leaking.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	No repairs needed at the time of inspection
Overall Rating	Good 91.46%	

School Facility Conditions and Planned Improvements

Lakeside High School is the newest high school in Lake Elsinore Unified School District, opening in 2005. We have a combination of regular and portable classrooms. The site includes a library media center, computer labs, science labs, art rooms, band rooms, choral rooms, wrestling room, dance room, multiuse gymnasium, locker/shower facilities, administration support buildings, and outdoor courts and fields.

Outdoor athletic facilities include a stadium with artificial turf, 8 tennis courts, 10 basketball courts, 2 baseball and 2 softball fields, soccer fields, practice fields, and aquatics center. The campus library is a joint-use facility operated by the county of Riverside library system, open to the public and available to students seven days a week and in the evenings during the week.

Cleaning Process, Maintenance, and Repair

The Lake Elsinore Unified School District (LEUSD) is dedicated to upholding a safe, secure, and visually pleasing environment for our students. The LEUSD Governing Board has established cleaning standards for all schools within the district. A summary of these guidelines can be obtained from the school office or the District Office. The principal collaborates daily with the custodial team to create cleaning schedules that guarantee a clean and safe school environment.

In addition to providing district-level support for routine and periodic maintenance, LEUSD maintains high standards for the cleanliness, appearance, and overall condition of all campuses on a daily basis. These standards are upheld through the combined efforts of students, staff, day custodians, evening custodial crews, and the District Maintenance Department.

Site administrators, custodians, and district personnel conduct regular physical inspections to ensure safety and maintenance requirements are met. The district's maintenance staff ensures that any necessary repairs to maintain the school's good condition and functionality are promptly addressed. A streamlined work-order process is employed to ensure efficient service, with emergency repairs receiving top priority. LEUSD consistently evaluates maintenance, modernization, and new construction needs. Any pesticide usage at our school sites adheres to the Healthy Schools Act of 2000.

Pupil Outcomes

State Priority: Pupil Achievement

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement

standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready: The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Lakeside High School welcomes parent volunteers and involvement. There are multiple formal opportunities for parents to become involved in the school, such as the School Site Council (SSC), English Learner Advisory Council (ELAC), Coffee with the Principal, Parent Teacher Student Association (PTSA), Superintendent's Parent Advisory Council, CTE Parent Advisory Council; and various booster organizations for athletic and performing arts teams. Parents have multiple opportunities to interact with teachers, including the fall and spring Parent Teacher Conferences and via email and/or Parent Square. Parents are also welcomed onto campus to volunteer time in offices, classrooms, or the library. Lakeside is fortunate to have the support of the Lancer Foundation, a nonprofit 501(c)(3) corporation. Parents of Lakeside students or any feeder school to Lakeside are eligible to become members of the Lancer Foundation. The board of directors consists of parents and the principal.

School Safety

SB187 Safety Plan

Date the plan was last approved: November 2023

Date the plan was reviewed by staff: December 2023

The Comprehensive Safe School Plan is fully incorporated in the School Plan for Student Achievement, Goal Seven, and includes data regarding the California Healthy Kids Survey, crime, safe school procedures, and compliance with laws including: (1) child abuse reporting, (2) disaster response and crisis intervention, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) school-wide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, and (9) rules and procedures on school discipline adopted pursuant to California

Education Code Sections 35291 and 35291. In addition, a copy of the plan is available for inspection by the public at each school.

Fire drill evacuations are conducted monthly at all elementary and middle schools and twice a year at the high schools in the district. The Riverside County Fire Department conducts a fire safety inspection annually, while site personnel conduct site inspections regularly. The school's Disaster Preparedness Plan is updated annually, and disaster drills are conducted four times per year at each elementary school and middle school and once each semester at the high schools.

Currently, the District provides storage areas for emergency supplies to be kept on campus in the event of a disaster. A radio communication system allows for continuous communication with the district office in the event of a disaster.

A Crisis Intervention Team has been identified and trained to deal with stress experienced by students and staff because of a crisis. Team members are called upon to assist across the district as necessary. School Resource Officers provide prevention and intervention procedures on all LEUSD campuses at least part-time as part of the comprehensive School Safety Program.

Discipline

A progressive discipline plan is in place and multiple discipline and Character Counts assemblies are conducted throughout the year. Four campus supervisors and a part-time School Resource Officer also help maintain a safe environment. The WE TIP program is utilized so that students may report crime anonymously and all leads are followed up immediately.

Other SARC Information

Average Class Size and Class Size Distribution (Secondary)

The average class size is calculated by dividing the number of students enrolled in classes, excluding special education and a few other minor categories, divided by the number of classes. The following table provides three years of data.

Subject	2020-21				2021-22				2022-23			
	Avg. Class Size	Number of Classes*			Avg. Class Size	Number of Classes*			Avg. Class Size	Number of Classes*		
		1-22	23-32	33+		1-22	23-32	33+		1-22	23-32	33+
English	28.0	15	39	16	27.0	21	19	32	29.0	14	21	30
Mathematics	30.0	11	15	29	27.0	14	23	24	31.0	9	11	30
Science	26.0	16	43		27.0	14	32	10	27.0	12	43	2
Social Science	31.0	5	15	28	28.0	9	18	23	30.0	7	13	26

*Number of classes indicates how many classes fall into each size category (a range of total students per class).

Academic Counselors and Other Support Staff

Title	Number of FTE Assigned to the School	Average Number of Students per Academic Counselor
Academic Counselor	4.3	437.0
Library Media Technician	1.0	
Psychologist	0.5	
Nurse	0.5	
Speech/Language/Hearing	1.0	
Other	0.3	

*One Full-Time Equivalent (FTE) equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time.

Professional Development

Measure	2021-22	2022-23	2023-24
Number of school days dedicated to Staff Development and Continuous Improvement	0	0	2

Each year, LEUSD strongly supports and encourages teachers, administrators, and support staff to participate in professional development on a regular basis throughout the school year. LEUSD's first priority is to assist teachers and classroom Para-Educators. Workshops and trainings scheduled throughout the year are based on the academic needs of students. Offerings include data analysis, curriculum and content knowledge, Standards-based instruction, instructional strategies, and leadership skills. After initial training, follow-up and coaching take place district-wide. The district aims to provide teachers, administrators, and staff opportunities to meet all students' learning needs. Staff members are encouraged to use SCHED to sign up for professional development opportunities. These sessions are created based on educator feedback gathered from surveys, questionnaires, and data analysis.

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/.

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/.

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
