Mission Statement

Elsinore High School provides a safe and caring environment that encourages students to take intellectual, academic, and creative risks that prepare them to graduate and compete in a diverse global society..

Principal's Message

It is with great excitement I have entered my 8th year as a principal at Elsinore High School. I am humbled and honored to lead a school with such a rich tradition that has produced so many outstanding students. Elsinore High has 135 years of a heartfelt culture of Tradition, Caring, and Respect. The staff at Elsinore High is a dedicated group of professionals who work very hard to support all our students. Almost 20% of our staff are alumni.

I am excited to return to focus on instruction since we have returned fully from the COVID-19 pandemic. The seniors, class of 2024, are our students who began at Elsinore High School as freshmen in virtual learning. Our seniors are excited to experience a full senior year with meaningful ASB activities. As an Instructional Leadership Team, we will continue to focus on Common Core Standards, First Best Instruction, CTE Pathways, AVID, Special Education, Safety, and PBIS. We have added Mental Health support for our students. Students can meet with an Engagement Specialist, a Licensed Clinical Social Worker, or a Drug and Alcohol counselor for daily support. We look forward to using our collective experiences in education to lead and move Elsinore High forward in academics and athletics. We are elated to bring our skills together as educational leaders to work to ensure student success. Along with the staff, we will continue the legacy of success established by building strong, healthy relationships with students, learning, and listening to their stories. Our goal this year is to continue building healthy relationships and focus on our school systems and the safety of staff and students, and we will continue to implement First Best Instruction strategies.

Our motto continues to be "We Believe We Will Achieve." We plan to provide educational experiences that are rigorous, relevant, and engaging for all students. We look forward to an outstanding school year for 2023-24.

Sincerely,
Robbin Hamilton
Principal

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time ; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Quality, Currency, and Availability of Textbooks and Instructional Materials (School Year 2023-24)

Lake Elsinore Unified School District chooses instructional materials that are aligned with State content standards, present a broad spectrum of knowledge and viewpoints, reflect society's diversity, and enhance the use of multiple teaching strategies and technologies. Materials for grades K-8 are chosen from the State-adopted list. Subject area teachers evaluate and recommend materials for grades 9-12. Curriculum and textbook subcommittees are comprised of teachers (subject or grade level) and administrators. The subcommittee recommends instructional materials to the Curriculum Advisory Committee (CAC), which has representatives from every school. The CAC evaluates and recommends materials to the school board, which gives final approval to all adopted instructional materials. Parents and community members may review adopted materials at the district office. Lake Elsinore Unified School District held a hearing for the sufficiency of textbooks on September 14, 2023.

Each pupil in the district, including English learners, kindergarten through grade twelve, is provided with standards-aligned textbooks or instructional materials, or both, that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board to use in class and to take home.

School Facilities

School Facility Good Repair Status (School Year 2023-24)

To determine the condition of our schools, the district sends experts from the facilities team to inspect them. The facilities team uses a survey, called the Facilities Inspection Tool, issued by the Office of Public School Construction. The latest inspection took place on January 11, 2024. The information from that survey, as outlined below, reflects the condition of our buildings as of the date of the report. Since that time, circumstances may have changed.

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	No repairs needed at the time of inspection.
Interior: Interior Surfaces	Poor	Ceiling tiles stained and missing in several rooms. Worn carpet in one room. Dirty carpets in several rooms. Hole in wall in one room. Tiles need replacing in one room. One restroom ceiling needs painting. Wallpaper torn in one room. Gym the front part of the bleachers is missing.
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	Dirty walls in more than one room. More than one room needs deep cleaning. Gym and weight room needs cleaning. Several restrooms need deep cleaning.
Electrical: Electrical	Fair	Lights out in several rooms. Bad sensor in one room. Broken diffuser in more than one room. Bad ballasts in more than one room.
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Poor	Loose faucets in one restroom and one classroom. One leaky faucet in one classroom. One restroom toilets are loose. Missing faucets in one classroom. Restroom in boy's locker room poor sanitation and in poor repair. Drinking fountains in gym not working.
Safety: Fire Safety, Hazardous Materials	Good	No repairs needed at the time of inspection.
Structural: Structural Damage, Roofs	Good	No repairs needed at the time of inspection.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	Weather stripping needs replacement on one door. Paint on door in more than one room.
Overall Rating	Fair 88.19%	

School Facility Conditions and Planned Improvements

Elsinore High School is the oldest high school in Lake Elsinore Unified School District, opening in 1966 and serving the southern portion of the district. We have a combination of regular and portable classrooms.

The site includes a multi-use gymnasium, locker/shower facilities, practice gym, computer and science labs, art, band, choral, wrestling, dance, weight room, sports medicine room, administration support buildings, counseling, and attendance building, outdoor courts and fields, farm with animals, hydroponic greenhouses, and a multi-media library.

Cleaning Process, Maintenance, and Repair

The Lake Elsinore Unified School District (LEUSD) is dedicated to upholding a safe, secure, and visually pleasing environment for our students. The LEUSD Governing Board has established cleaning standards for all schools within the district. A summary of these guidelines can be obtained from the school office or the District Office. The principal collaborates daily with the custodial team to create cleaning schedules that guarantee a clean and safe school environment.

In addition to providing district-level support for routine and periodic maintenance, LEUSD maintains high standards for the cleanliness, appearance, and overall condition of all campuses on a daily basis. These standards are upheld through the combined efforts of students, staff, day custodians, evening custodial crews, and the District Maintenance Department.

Site administrators, custodians, and district personnel conduct regular physical inspections to ensure safety and maintenance requirements are met. The district's maintenance staff ensures that any necessary repairs to maintain the school's good condition and functionality are promptly addressed. A streamlined work-order process is employed to ensure efficient service, with emergency repairs receiving top priority. LEUSD consistently evaluates maintenance, modernization, and new construction needs. Any pesticide usage at our school sites adheres to the Healthy Schools Act of 2000.

Pupil Outcomes

State Priority: Pupil Achievement

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs.

CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready: The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

The CTE Pathways offered in 2022-23 included the following:

- Agriscience
 - Vet Science
 - Horticulture
- Design, Visual, and Media Arts
- Public and Community Health

Fire drill evacuations are conducted monthly at all elementary and middle schools and twice a year at the high schools in the district. The Riverside County Fire Department conducts a fire safety inspection annually, while site personnel conduct site inspections regularly. The school's Disaster Preparedness Plan is updated annually, and disaster drills are conducted four times per year at each elementary school and middle school and once each semester at the high schools.

Currently, the District provides storage areas for emergency supplies to be kept on campus in the event of a disaster. A radio communication system allows for continuous communication with the district office in the event of a disaster.

A Crisis Intervention Team has been identified and trained to deal with stress experienced by students and staff because of a crisis. Team members are called upon to assist across the district as necessary. School Resource Officers provide prevention and intervention procedures on all LEUSD campuses at least part-time as part of the comprehensive School Safety Program.

School Safety

SB187 Safety Plan

Date the plan was last approved: October 2023

Date the plan was reviewed by staff: October 2023

The Comprehensive Safe School Plan is fully incorporated in the School Plan for Student Achievement, Goal Seven, and includes data regarding the California Healthy Kids Survey, crime, safe school procedures, and compliance with laws including: (1) child abuse reporting, (2) disaster response and crisis intervention, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) school-wide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, and (9) rules and procedures on school discipline adopted pursuant to California Education Code Sections 35291 and 35291. In addition, a copy of the plan is available for inspection by the public at each school.

Discipline

A progressive discipline plan is in place and multiple discipline and Character Counts assemblies are conducted throughout the year. Four campus supervisors and a part-time School Resource Officer also help maintain a safe environment. The WE TIP program is utilized so that students may report crime anonymously and all leads are followed up immediately.

Other SARC Information

Average Class Size and Class Size Distribution (Secondary)

The average class size is calculated by dividing the number of students enrolled in classes, excluding special education and a few other minor categories, divided by the number of classes. The following table provides three years of data.

Subject	2020-21				2021-22				2022-23			
	Avg. Class Size	Number of Classes*			Avg. Class Size	Number of Classes*			Avg. Class Size	Number of Classes*		
		1-22	23-32	33+		1-22	23-32	33+		1-22	23-32	33+
English	33.0	6	23	45	28.0	15	32	32	31.0	15	10	49
Mathematics	32.0	7	13	45	30.0	10	14	40	30.0	10	16	38
Science	27.0	11	44		27.0	9	44		26.0	13	44	
Social Science	31.0	7	17	32	29.0	12	14	32	31.0	8	11	35

*Number of classes indicates how many classes fall into each size category (a range of total students per class).

Academic Counselors and Other Support Staff

Title	Number of FTE Assigned to the School	Average Number of Students per Academic Counselor
Counselor (Academic, Social/Behavioral, Career Development)	5.0	424.4
Library Media Services Staff (Paraprofessional)	1.0	
Psychologist	1.0	
Nurse	1.0	
Speech/Language/Hearing	1.0	
Social Worker (LCSW)	1.0	

*One Full-Time Equivalent (FTE) equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time.

Each year, LEUSD strongly supports and encourages teachers, administrators, and support staff to participate in professional development on a regular basis throughout the school year. LEUSD's first priority is to assist teachers and classroom Para-Educators. Workshops and trainings scheduled throughout the year are based on the academic needs of students. Offerings include data analysis, curriculum and content knowledge, Standards-based instruction, instructional strategies, and leadership skills. After initial training, follow-up and coaching take place district-wide. The district aims to provide teachers, administrators, and staff opportunities to meet all students' learning needs. Staff members are encouraged to use SCHED to sign up for professional development opportunities. These sessions are created based on educator feedback gathered from surveys, questionnaires, and data analysis.

SCHOOL ACCOUNTABILITY REPORT CARD

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/.

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/.

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
