About This School

Our Belief Statement

Through a shared commitment with our community, we ensure rigorous, relevant, and globally competitive opportunities for each student in a supportive learning environment.

Mission & Vision Statement

At Elsinore Elementary School, the principal, teachers, support staff, students and parents learn together to create a community of learners.

We Care

- By providing academic excellence
- By holding high expectations for all
- By promoting values
- By promoting citizenship
- By embracing diversity

We Share:

- Responsibility for learning
- Through collaboration
- Through reflection

We Dare:

- To encourage people to take risks
- All staff, students and community to learn

Principal's Message

Elsinore Elementary is a caring community. We value the input of the families in the community we serve. We recognize that parents are our students' first teachers and that students are most successful when parents, teachers, and school administrators work together as partners. The EES staff work diligently to make learning engaging, while meeting the needs of the diverse student body. Instruction is rooted in the Common Core State Standards. We continuously emphasize the development of student collaboration, higher-level thinking skills and organization, among our students, as these are key to student success. We are excited about equipping our students to meet the demanding needs for their future, as they develop the skills, they need to be competent and professional students in today's world. Elsinore Elementary School, (EES), is working to increase student attendance and academic achievement of all students, in both English Language Arts and Math. We are also excited to have added enrichment opportunities for our students, such as a robotics team for grades 3-5, which has begun to participate in VEX IQ Robotics competitions.

EES continues to implement Positive Behavior Intervention Supports (PBIS) and Multi-tiered Systems of Support (MTSS) to strengthen the development and implementation of positive behavior and social-emotional support for all students aimed at strengthening a culture of caring and respect.

As a school, we are dedicated to continuously improving our practices and utilizing the SARC, amongst others, to refocus and refine our efforts and practices yearly.

Sincerely,

Lorraine Burris, Principal

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time ; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Quality, Currency, and Availability of Textbooks and Instructional Materials (School Year 2023-24)

Lake Elsinore Unified School District chooses instructional materials that are aligned with State content standards, present a broad spectrum of knowledge and viewpoints, reflect society's diversity, and enhance the use of multiple teaching strategies and technologies. Materials for grades K-8 are chosen from the State-adopted list. Subject area teachers evaluate and recommend materials for grades 9-12. Curriculum and textbook subcommittees are comprised of teachers (subject or grade level) and administrators. The subcommittee recommends instructional materials to the Curriculum Advisory Committee (CAC), which has representatives from every school. The CAC evaluates and recommends materials to the school board, which gives final approval to all adopted instructional materials. Parents and community members may review adopted materials at the district office. Lake Elsinore Unified School District held a hearing for the sufficiency of textbooks on September 14, 2023.

Each pupil in the district, including English learners, kindergarten through grade twelve, is provided with standards-aligned textbooks or instructional materials, or both, that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board to use in class and to take home.

School Facilities

School Facility Good Repair Status (School Year 2023-24)

To determine the condition of our schools, the district sends experts from the facilities team to inspect them. The facilities team uses a survey, called the Facilities Inspection Tool, issued by the Office of Public School Construction. The latest inspection took place on January 11, 2024. The information from that survey, as outlined below, reflects the condition of our buildings as of the date of the report. Since that time, circumstances may have changed.

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	No repairs needed at the time of the inspection.
Interior: Interior Surfaces	Fair	Baseboard damaged in one room. Ceiling tiles stained in more than one room. Damaged wallpaper in one room. Carpet needs cleaning in one room.
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	One boy's restroom needs deep cleaning.
Electrical: Electrical	Good	Lights out in more than one room. One exterior drinking fountain inoperable.
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	Drinking fountain needs adjusting.
Safety: Fire Safety, Hazardous Materials	Good	No repairs needed at the time of the inspection.
Structural: Structural Damage, Roofs	Good	No repairs needed at the time of the inspection.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	No repairs needed at the time of the inspection.
Overall Rating	Good 96.77%	

School Facility Conditions and Planned Improvements

EES opened its doors in July of 1980, However, our school has been built and rebuilt over different periods, going back to the 1880s. It has 27 regular classrooms, eight portables, a library, a multipurpose room, and two special education rooms. The designed capacity of the school is 650 students. We are currently in the construction phase of a new administration building. This will include offices, conference meeting rooms, safer entry to the school campus, and an extended parking lot. At the onset of the 2023-24 school year, security cameras were installed on the premises, which greatly increased security.

Cleaning Process, Maintenance, and Repair

The Lake Elsinore Unified School District (LEUSD) is dedicated to upholding a safe, secure, and visually pleasing environment for our students. The LEUSD Governing Board has established cleaning standards for all schools within the district. A summary of these guidelines can be obtained from the school office or the District Office. The principal collaborates daily with the custodial team to create cleaning schedules that guarantee a clean and safe school environment.

In addition to providing district-level support for routine and periodic maintenance, LEUSD maintains high standards for the cleanliness, appearance, and overall condition of all campuses on a daily basis. These standards are upheld through the combined efforts of students, staff, day custodians, evening custodial crews, and the District Maintenance Department.

Site administrators, custodians, and district personnel conduct regular physical inspections to ensure safety and maintenance requirements are met. The district's maintenance staff ensures that any necessary repairs to maintain the school's good condition and functionality are promptly addressed. A streamlined work-order process is employed to ensure efficient

service, with emergency repairs receiving top priority. LEUSD consistently evaluates maintenance, modernization, and new construction needs. Any pesticide usage at our school sites adheres to the Healthy Schools Act of 2000.

Pupil Outcomes

State Priority: Pupil Achievement

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready: The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SB187 Safety Plan

Date the plan was last approved: November 16, 2023

Date the plan was reviewed by staff: November 28, 2023

The Comprehensive Safe School Plan is fully incorporated in the School Plan for Student Achievement, Goal Seven, and includes data regarding the California Healthy Kids Survey, crime, safe school procedures, and compliance with laws including: (1) child abuse reporting, (2) disaster response and crisis intervention, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) school-wide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, and (9) rules and procedures on school discipline adopted pursuant to California Education Code Sections 35291 and 35291.5.

Other SARC Information

Average Class Size and Class Size Distribution (Elementary)

The average class size is calculated by dividing the number of students enrolled in classes, excluding special education and a few other minor categories, divided by the number of classes. The following table provides three years of data.

Grade Level	2020-21			2021-22			2022-23		
	Avg. Class Size	Number of Classes*		Avg. Class Size	Number of Classes*		Avg. Class Size	Number of Classes*	
		1-20	21-32		33+	1-20		21-32	33+
Kindergarten	32.0	3	1	10.0	9		11.0	6	1
Grade 1	22.0	4		11.0	8		19.0	4	
Grade 2	23.0	4		10.0	8		22.0		4
Grade 3	21.0	2	3	13.0	6		19.0	3	1
Grade 4	22.0		4	13.0	6	1	25.0		3
Grade 5	21.0	1	3	11.0	7		22.0		4
Other (multi-grade)	9.0	1		4.0	1		9.0	1	

*Number of classes indicates how many classes fall into each size category (a range of total students per class).

The EES Safety Plan focuses on social-emotional learning, student safety, and engagement to strengthen a positive school climate. Our goal is to provide students with opportunities to learn self-awareness and self-regulation strategies with the support of the Social Emotional Learning Provider. In addition to further training playground staff in conflict resolution strategies. These efforts aim to provide all students with a socially and physically safe learning environment. In addition, as of the 2023-2024 school year, we have a full-time SELSP (Social Emotional Learning Support Provider) and a full-time School Counselor. These positions increase the access and opportunity for our students to work on social-emotional learning, decision-making, and overall well-being.

Fire drill evacuations are conducted monthly at all elementary and middle schools and twice a year at the high schools in the district. The Riverside County Fire Department conducts a fire safety inspection annually, while site personnel conduct site inspections regularly. The school's Disaster Preparedness Plan is updated annually, and disaster drills are conducted four times per year at each elementary school and middle school and once each semester at the high schools.

Currently, the District provides storage areas for emergency supplies to be kept on campus in the event of a disaster. A radio communication system allows for continuous communication with the district office in the event of a disaster.

A Crisis Intervention Team has been identified and trained to deal with stress experienced by students and staff because of a crisis. Team members are called upon to assist across the district as necessary. School Resource Officers provide prevention and intervention procedures on all LEUSD campuses at least part-time as part of the comprehensive School Safety Program.

Professional Development

Measure	2021-22	2022-23	2023-24
Number of school days dedicated to Staff Development and Continuous Improvement	0	0	2

Each year, LEUSD strongly supports and encourages teachers, administrators, and support staff to participate in professional development on a regular basis throughout the school year. LEUSD's first priority is to assist teachers and classroom Para-Educators. Workshops and trainings scheduled throughout the year are based on the academic needs of students. Offerings include data analysis, curriculum and content knowledge, Standards-based instruction, instructional strategies, and leadership skills. After initial training, follow-up and coaching take place district-wide. The district aims to provide teachers, administrators, and staff opportunities to meet all students' learning needs. Staff members are encouraged to use SCHED to sign up for professional development opportunities. These sessions are created based on educator feedback gathered from surveys, questionnaires, and data analysis.

SCHOOL ACCOUNTABILITY REPORT CARD

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/.

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/.

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
