About This School

Mission Statement

We, the Machado Elementary Community, strive to provide rigorous, relevant, and high-quality learning opportunities through a challenging curriculum and a positive environment where all students can succeed. Above all, we work together with our community to nurture lifelong learners and critical thinkers. We educate hearts and minds for the betterment of humankind!

Vision Statement

Our vision is to be a 21st-century educational community that fosters hope, encourages, and guides our student scholars to develop the intellectual/academic, social/emotional, technological, and civic skills they need to be successful in their communities and personal lives now and in the future. We continually invest in our professional growth to provide the educational experiences to meet the ever-evolving needs of all student scholars.

Values Statement

We embrace a positive "Growth Mindset" with the intellectual/academic, social/emotional, technological, civic, critical thinking, and creative skills they need to be successful in their communities and personal lives now and in the future.

School Motto

The Path to Success Starts Here. A Worthy Investment. Machado Eagles S.O.A.R.!

Principal's Message

Our staff, scholars, and school community are excited to share this School Accountability Report Card (SARC) designed to inform you, our parents, and the community about the programs and progress being made at Machado Elementary School. Our programs are exciting, and our students and parents are empowered by the activities we have in place at Machado Elementary. In the 2009-10 school year, Machado Elementary School became a California Distinguished School. Our experienced staff of teachers are dedicated and continue to provide quality education to every child through the best educational opportunities possible.

Many special services supplement our regular programs: Read 180; SRA Reach and Reading Mastery; Step Up to Writing programs; Intensive Intervention programs and enrichment programs in language arts; Guided Language Acquisition Design (GLAD) trained teachers; drug and tobacco education; counseling; English Language Development (ELD) programs; Advancement Via Individual Determination (AVID); Science Technology Engineering Arts Math (S.T.E.A.M.) education, and Positive Behavior Intervention & Support (PBIS); psychologist/speech/school counseling and social-emotional learning teacher services; two full-time Community Liaisons, full-time Dean of Students; and Technology, Literacy, and Math Instructional Coaches. The EXCEL after-school program is also a partner to Machado Elementary School. Scholars receive homework help, tutoring, physical fitness, and enrichment activities in this program until 6:00 p.m. daily. This is a grant program and thus is offered to families at a minimal yearly cost. We also offer after school tutoring with parents and staff assistance in Norma's Nest Literacy Center.

Norma's Nest Literacy Center is a place for parents to come to work with their students and obtain assistance from staff members after school daily. We offer at least 13 after-school STEAM clubs: Dance, Guitar, Piano, Storytime STEAM, Baile Folklorico, Art, Musical Theater, Art (3), Choir, Robotics, Yoga, and Running Club. In addition, two of our teachers have established a strong tradition of collaboration/education/preparation with the Black Student Alliance for the yearly Black History Celebration in February.

SCHOOL ACCOUNTABILITY REPORT CARD

We realize the importance of developing an attitude of self-respect and self-worth in each child, and we provide a variety of opportunities for our student scholars to form meaningful and responsible relationships. To this end, the Machado school community is proud of its school-wide Positive Behavior Intervention Support system (PBIS) that incorporates Character Education (based on the book *Inches and Miles* by John Wooden) and Boys Town positive social skills as well as social/emotional support for students to build skills in mindfulness, conflict resolution/restorative justice, and self-care. Our PBIS school system builds a pyramid of success based on 14-character traits, establishes clear and consistent expectations for scholarly behavior and positive interactions, and empowers students with the social skill training to succeed and interact positively at school, at home, and in the community. Our school community unites every Friday for "Friday Flag" for social skill instruction, and students are recognized monthly at our awards assembly for being outstanding examples of the traits we are working on for the month. Our PBIS system helps our young scholars develop positive social behaviors and positive commitments to their education, families, school, peers, and communities.

We emphasize the importance of being Respectful, Responsible, and Safe while also making sure we act with Integrity, choose Kindness, and are Mindful of what we think/feel/say/do. Each week, parents are notified of the social skills and traits we are working on and invited to Friday Flag to reinforce these skills at home in partnership with the school. Parents are our partners in the important job of educating the children of this community. Numerous parents volunteer in Meet the Masters Art Program, classrooms, PTA, ELAC, SSC, parent classes/workshops, and in the Site Materials Resource and Volunteer Center, better known as Room 18.

Support for both our English and non-English-speaking parents includes the English Learner Advisory Committee (ELAC), PTA, the Parent Institute for Quality Education (PIQE), English as a Second Language (ESL) classes, and parent workshops with Pastries with the Principal and Dean. These are exciting and challenging times for all of us, and we urge parents to come and visit our classes and talk with our teachers.

Lastly, we recruit scholar/staff/family participation through frequent communication and continuing safe accessibility to personnel at the school site to answer questions, obtain technical support, communicate with teachers, and remain informed. We utilize ParentSquare posts, messaging, phone calls, weekly Machado News, school marquee, email, flyers, and personal phone calls to ensure that our families are well informed.

Thank you for your commitment and partnership to meet the needs of our scholars!

Sincerely,

Dr. Sandra Valles-Metzger, Principal

Quality, Currency, and Availability of Textbooks and Instructional Materials (School Year 2023-24)

Lake Elsinore Unified School District chooses instructional materials that are aligned with State content standards, present a broad spectrum of knowledge and viewpoints, reflect society's diversity, and enhance the use of multiple teaching strategies and technologies. Materials for grades K-8 are chosen from the State-adopted list. Subject area teachers evaluate and recommend materials for grades 9-12. Curriculum and textbook subcommittees are comprised of teachers (subject or grade level) and administrators. The subcommittee recommends instructional materials to the Curriculum Advisory Committee (CAC), which has representatives from every school. The CAC evaluates and recommends materials to the school board, which gives final approval to all adopted instructional materials. Parents and community members may review adopted materials at the district office. Lake Elsinore Unified School District held a hearing for the sufficiency of textbooks on September 14, 2023.

Each pupil in the district, including English learners, kindergarten through grade twelve, is provided with standards-aligned textbooks or instructional materials, or both, that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board to use in class and to take home.

School Facilities

School Facility Conditions and Planned Improvements

Our school opened in July of 1980. We have a combination of permanent and portable buildings, a library, a computer lab, and a multipurpose room. In addition, Machado has athletic facilities, including a gym, outside courts and fields.

Cleaning Process, Maintenance, and Repair

The Lake Elsinore Unified School District (LEUSD) is dedicated to upholding a safe, secure, and visually pleasing environment for our students. The LEUSD Governing Board has established cleaning standards for all schools within the district. A summary of these guidelines can be obtained from the school office or the District Office. The principal collaborates daily with the custodial team to create cleaning schedules that guarantee a clean and safe school environment.

In addition to providing district-level support for routine and periodic maintenance, LEUSD maintains high standards for the cleanliness, appearance, and overall condition of all campuses on a daily basis. These standards are upheld through the combined efforts of students, staff, day custodians, evening custodial crews, and the District Maintenance Department.

Site administrators, custodians, and district personnel conduct regular physical inspections to ensure safety and maintenance requirements are met. The district's maintenance staff ensures that any necessary repairs to maintain the school's good condition and functionality are promptly addressed. A streamlined work-order process is employed to ensure efficient service, with emergency repairs receiving top priority. LEUSD consistently evaluates maintenance, modernization, and new construction needs. Any pesticide usage at our school sites adheres to the Healthy Schools Act of 2000.

SCHOOL ACCOUNTABILITY REPORT CARD

School Facility Good Repair Status (School Year 2023-24)

To determine the condition of our schools, the district sends experts from the facilities team to inspect them. The facilities team uses a survey, called the Facilities Inspection Tool, issued by the Office of Public School Construction. The latest inspection took place on January 11, 2024. The information from that survey, as outlined below, reflects the condition of our buildings as of the date of the report. Since that time, circumstances may have changed.

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	No repairs needed at the time of inspection
Interior: Interior Surfaces	Fair	Ceiling tiles are water damaged in one room.. Stained and/or broken ceiling tiles in several rooms. One room floors are dirty. Dirty vents in more than one room.
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	More than one room needs deep cleaning. Student clothes and miscellaneous things stored on floor in one room.
Electrical: Electrical	Good	Fixtures need replacing in one room.
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	Accessibility hampered in one room.
Safety: Fire Safety, Hazardous Materials	Good	No repairs needed at the time of inspection
Structural: Structural Damage, Roofs	Good	No repairs needed at the time of inspection
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	No repairs needed at the time of inspection
Overall Rating	Good 95.4%	

Pupil Outcomes

State Priority: Pupil Achievement

- Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
- Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
- California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready: The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Opportunities for Parent Involvement

Contact Person: Gloria Galaviz

Contact: gloria.galaviz@leusd.k12.ca.us

Machado Elementary School encourages parents to be involved in their child's education. We offer many opportunities for parent participation:

- Pastries with the Principal (mini workshops/forum, coffee and pastries served)
- Family University-AVID Nights (Monthly parent/student interactive S.T.E.A.M. and AVID activities with free pizza dinner and childcare!)
- Meet the Masters Art Program (Parents teach art lessons to all student scholars!)
- Adult ESL and Computer classes (Tuesday, Wednesday, and Thursday mornings with free childcare)
- ELAC (Monthly bilingual parent meetings to improve English Learning students' academic achievement)
- Friday Flag Social Skill Assemblies (Skits to introduce/teach social skill focus of the week, announcements, scholarly word of the week)
- Monthly Awards Celebrations (Character trait awards and attendance recognition)
- Semester Awards Celebrations (Academic achievement awards, attendance awards, PBIS awards)
- Read with Me Monday (Assigned Mondays for parents to read with their students from 8:15 am-9 am in the classroom.)

- Volunteering in the classroom or the Site Materials Resource Center Room 18.
- Norma's Nest (After-school literacy center open Monday-Friday, from 1:45 pm to 3 pm)
- Reading/Language Arts and Math After School Tutoring (Mondays and Wednesdays from 1:45 pm to 3 pm)
- S.T.E.A.M. Club Thursdays/Fridays Volunteer to help a club! (Enrichment Science, Technology, Engineering, Arts, and Math clubs from 1:45 pm to 3 pm. Currently, we offer 14 clubs.
- STEAM Clubs, including Baile Folklórico, Competitive Robotics, Tech Clubs, Dance, Guitar, Musical Theater, Running Club, and Art.
- Participating in School Site Council (SSC)-Parent members help oversee and approve the SPSA plan for Machado.
- Volunteering for Parent-Teacher Association (PTA)
- Field Trips! (Every grade level goes on at least one field trip. Parent volunteers attend as chaperones!)
- Participating in PTA family events (For example, Movie Nights, Family Dances, Harvest Festival, Winter Festival, Swap Meet Saturdays, Beautification Days, Penny Carnival, etc.)

A progressive discipline plan is in place, and multiple discipline and Character Count assemblies are conducted throughout the year. Four campus supervisors and a part-time School Resource Officer also help maintain a safe environment. The WE TIP program is utilized so that students may report crime anonymously, and all leads are followed up immediately.

School Safety

SB187 Safety Plan

Date the plan was last approved: November 2023

Date the plan was reviewed by staff: November 2023

The Comprehensive Safe School Plan includes data regarding crime, safe school procedures, and compliance with laws including (1) child abuse reporting, (2) disaster response, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) school-wide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, (9) rules and procedures on school discipline adopted pursuant to Ed Code Sections 35291 and 35291.5, and (10) lockdown procedures. In addition, a copy of the plan is available for inspection by the public at each school.

Fire drill evacuations are conducted monthly at all elementary and middle schools and twice a year at the high schools in the district. The Riverside County Fire Department conducts a fire safety inspection annually, while site personnel conduct site inspections regularly. The school's Disaster Preparedness Plan is updated annually, and disaster drills are conducted four times per year at each elementary school and middle school and once each semester at the high schools.

Currently, the District provides storage areas for emergency supplies to be kept on campus in the event of a disaster. A radio communication system allows for continuous communication with the district office in the event of a disaster.

A Crisis Intervention Team has been identified and trained to deal with stress experienced by students and staff because of a crisis. Team members are called upon to assist across the district as necessary. School Resource Officers provide prevention and intervention procedures on all LEUSD campuses at least part-time as part of the comprehensive School Safety Program.

Average Class Size and Class Size Distribution (Elementary)

The average class size is calculated by dividing the number of students enrolled in classes, excluding special education and a few other minor categories, divided by the number of classes. The following table provides three years of data.

Grade Level	2020-21			2021-22			2022-23			
	Avg. Class Size	Number of Classes*		Avg. Class Size	Number of Classes*		Avg. Class Size	Number of Classes*		
		1-20	21-32		33+	1-20		21-32	33+	1-20
Kindergarten	22.0	1	4	20.0	4	1	18.0	5		
Grade 1	20.0	3	1	12.0	4	4	22.0		4	
Grade 2	21.0		4	15.0	2	4	22.0		4	
Grade 3	20.0	3	1	11.0	7	1	21.0	2	2	
Grade 4	25.0		4	15.0	6		25.0	2	1	1
Grade 5	21.0	1	3	20.0	4	1	27.0		3	1
Other	13.0	2		15.0	2		17.0	2		

*Number of classes indicates how many classes fall into each size category (a range of total students per class).

Academic Counselors and Other Support Staff

Title	Number of FTEs* Assigned to the School
Counselor (Academic, Social/Behavioral or Career Development)	0.3
Library Media Services (paraprofessional)	1.0
Psychologist	0.5
Speech/Language/Hearing	1.8
Nurse	0.25
Other	1.1

*One Full-Time Equivalent (FTE) equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time.

Other Funding (Fiscal Year 2022-23)

Funding is provided from state and federal special programs to supplement the core instructional program provided by the school district. These programs and supplemental services are provided at the school either through categorical funds or other sources that support and assist students:

- Title I AVID Elementary
- Gifted and Talented Education (GATE)
- Resource Specialist Program (RSP)
- Special Day Class (SDC)
- Class Size Reduction (CSR) and English Language Development

Professional Development

Measure	2021-22	2022-23	2023-24
Number of school days dedicated to Staff Development and Continuous Improvement	0	0	2

Each year, LEUSD strongly supports and encourages teachers, administrators, and support staff to participate in professional development on a regular basis throughout the school year. LEUSD's first priority is to assist teachers and classroom Para-Educators. Workshops and trainings scheduled throughout the year are based on the academic needs of students. Offerings include data analysis, curriculum and content knowledge, Standards-based instruction, instructional strategies, and leadership skills. After initial training, follow-up and coaching take place district-wide. The district aims to provide teachers, administrators, and staff opportunities to meet all students' learning needs. Staff members are encouraged to use SCHED to sign up for professional development opportunities. These sessions are created based on educator feedback gathered from surveys, questionnaires, and data analysis.

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/.

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/.

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
