About This School

Mission Statement

Wildomar Staff's mission is to foster each child's full academic potential, build each child's self esteem and provide opportunities for each child to grow culturally with recognition of individual differences. It is our hope and expectation that every child who enters the gates will be impacted in a positive way. Wildomar Elementary staff believes in empowering each child to become responsible, respectful, and safe on their journey to becoming contributing citizens.

Vision Statement

The Wildomar School vision is to encourage every child to pursue academic excellence with honor and integrity. It is also to support the District's vision and strategic plan for the coming year.

Principal's Message

We welcome our students and families to Wildomar Elementary School. This wonderful school has been in existence since 1886 and has been the centerpiece of the Wildomar area. We have a great certificated staff comprised of a balance between experienced educators, many of whom have called Wildomar Elementary their home for their entire career and very well-prepared new teachers, including several second career professionals. This combination of established veteran culture and worldly experience, with an infusion of the most recent educational practices have created a rich educational environment. Along with approximately 50 caring and well-trained paraprofessionals, this is a school with a culture of caring and growing the future of this community.

History of Wildomar Elementary School

One of the first items of business at the new town site of Wildomar in 1886 was to build a grammar school. The founders donated the land and Wildomar Elementary School was built in the downtown area. The present day school is still at this original location. A bell was installed in the tower to call the students to class.

As was typical of school bells in the 1880s, the bell, clapper and frame are made of cast iron. Legend has it that the bell was brought to Wildomar along the newly laid railroad tracks that passed by on Front Street a few blocks away. Once mounted in the tower, the bell was rung by a rope that passed inside the school room. Occasionally, the bell would hang up when pulled too vigorously. This happened often enough that a ladder was permanently nailed on the outside of the building along the slope of the roof.

When the old two-room schoolhouse was torn down, the bell was removed from the tower. Contributions from the community and school helped fund a monument to house the bell. Several pioneer families, among them representatives of the Howell, Turner, Wilks, Freeman, Brown and Hazard families, were present at the dedication. The structure was more than a replica of the old school tower; it was a shrine for the bell and an image of the community spirit and ideals that it represented.

Not much has changed in this regard. The bell, tower and monument were lovingly restored by community volunteers in 2006, and the bell was able to be rung again. Businesses, community organizations and residents donated the materials and labor.

The bell is located at the corner of Palomar and Central on the grounds of Wildomar Elementary School. It remains a landmark for Wildomar. Next time you hear someone say, "Meet you at the Bell" you can be assured that it is this bell they are talking about.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time ; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Quality, Currency, and Availability of Textbooks and Instructional Materials (School Year 2023-24)

Lake Elsinore Unified School District chooses instructional materials that are aligned with State content standards, present a broad spectrum of knowledge and viewpoints, reflect society's diversity, and enhance the use of multiple teaching strategies and technologies. Materials for grades K-8 are chosen from the State-adopted list. Subject area teachers evaluate and recommend materials for grades 9-12. Curriculum and textbook subcommittees are comprised of teachers (subject or grade level) and administrators. The subcommittee recommends instructional materials to the Curriculum Advisory Committee (CAC), which has representatives from every school. The CAC evaluates and recommends materials to the school board, which gives final approval to all adopted instructional materials. Parents and community members may review adopted materials at the district office. Lake Elsinore Unified School District held a hearing for the sufficiency of textbooks on September 14, 2023.

Each pupil in the district, including English learners, kindergarten through grade twelve, is provided with standards-aligned textbooks or instructional materials, or both, that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board to use in class and to take home.

School Facilities

School Facility Good Repair Status (School Year 2023-24)

To determine the condition of our schools, the district sends experts from the facilities team to inspect them. The facilities team uses a survey, called the Facilities Inspection Tool, issued by the Office of Public School Construction. The latest inspection took place on January 11, 2024. The information from that survey, as outlined below, reflects the condition of our buildings as of the date of the report. Since that time, circumstances may have changed.

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	Fan cover missing in one restroom.
Interior: Interior Surfaces	Fair	Rotting window sill in one room. Paint peeling in one room. Ceiling tiles need to be replaced in more than one room. Ceiling patches need to be completed in multi-purpose room. Drywall patch unfinished in one restroom.
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	Deep cleaning needed in one room.
Electrical: Electrical	Good	Lights out in one room.
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Fair	Sinks parting away from walls in more than one restroom. Corroding toilet in ine restroom.
Safety: Fire Safety, Hazardous Materials	Good	No repairs needed at the time of he inspection.
Structural: Structural Damage, Roofs	Good	No repairs needed at the time of he inspection.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	No repairs needed at the time of he inspection.
Overall Rating	Good 96.55%	

School Facility Conditions and Planned Improvements

Our current school opened in July of 1980. We currently have 28 regular classrooms, two computer labs, one iPad lab, a library, a multipurpose room, and five special education rooms. The designed capacity of the school is approximately 800 students. Athletic facilities include a blacktop and athletic field with two backstops for baseball-related activities, a kindergarten playground structure, and two playground structure areas for grades 1-5.

Cleaning Process, Maintenance, and Repair

The Lake Elsinore Unified School District (LEUSD) is dedicated to upholding a safe, secure, and visually pleasing environment for our students. The LEUSD Governing Board has established cleaning standards for all schools within the district. A summary of these guidelines can be obtained from the school office or the District Office. The principal collaborates daily with the custodial team to create cleaning schedules that guarantee a clean and safe school environment.

In addition to providing district-level support for routine and periodic maintenance, LEUSD maintains high standards for the cleanliness, appearance, and overall condition of all campuses on a daily basis. These standards are upheld through the combined efforts of students, staff, day custodians, evening custodial crews, and the District Maintenance Department.

Site administrators, custodians, and district personnel conduct regular physical inspections to ensure safety and maintenance requirements are met. The district's maintenance staff ensures that any necessary repairs to maintain the school's good condition and functionality are promptly addressed. A streamlined work-order process is employed to ensure efficient service, with emergency repairs receiving top priority. LEUSD

consistently evaluates maintenance, modernization, and new construction needs. Any pesticide usage at our school sites adheres to the Healthy Schools Act of 2000.

Pupil Outcomes

State Priority: Pupil Achievement

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready: The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Wildomar Elementary School encourages parents to be involved in their child's education. We offer many opportunities for parent participation, including:

- Volunteering in the classroom
- Assisting in the Parent Volunteer Center located on Campus
- Tutoring students • Participating in School Site Council (SSC)
- Volunteering for Parent-Teacher Association (PTA) activities
- Participating in the English Learner Advisory Council (ELA)
- Wildomar Parent University and Parent Institute for

Quality Education (PIQE)

- English classes for adults
- Several student-parent activity nights
- Teacher-parent conferences
- Back to School Night and Open House
- Communications via Parent Square, Class Dojo, Seesaw, Remind, and through email.

School Safety

SB187 Safety Plan

Date the plan was last approved: 11/16/2023

Date the plan was reviewed by staff: 10/17/2023

The Comprehensive Safe School Plan includes data regarding crime, safe school procedures, and compliance with laws including (1) child abuse reporting, (2) disaster response, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) school-wide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, (9) rules and procedures on school discipline adopted pursuant to Ed Code Sections 35291 and 35291.5, and (10) lockdown procedures. In addition, a copy of the plan is available for inspection by the public at each school.

Fire drill evacuations are conducted monthly at all elementary and middle schools and twice a year at the high schools in the district. The Riverside County Fire Department conducts a fire safety inspection annually, while site personnel conduct site inspections regularly. The school's Disaster Preparedness Plan is updated annually, and disaster drills are conducted four times per year at each elementary school and middle school and once each semester at the high schools.

Currently, the District provides storage areas for emergency supplies to be kept on campus in the event of a disaster. A radio communication system allows for continuous communication with the district office in the event of a disaster.

A Crisis Intervention Team has been identified and trained to deal with stress experienced by students and staff because of a crisis. Team members are called upon to assist across the district as necessary. School Resource Officers provide prevention and intervention procedures on all LEUSD campuses at least part-time as part of the comprehensive School Safety Program.

Discipline

A progressive discipline plan is in place, and multiple discipline procedures, character pillars, and Boys Town social skills are taught throughout the year. The school has an Anti-Bullying Policy that is reviewed by staff and students. The WE TIP program is utilized so that students may report crimes anonymously, and all leads are followed up immediately.

Average Class Size and Class Size Distribution (Elementary)

The average class size is calculated by dividing the number of students enrolled in classes, excluding special education and a few other minor categories, divided by the number of classes. The following table provides three years of data.

Grade Level	2020-21			2021-22			2022-23

Professional Development

Measure	2021-22	2022-23	2023-24
Number of school days dedicated to Staff Development and Continuous Improvement	0	0	2

Each year, LEUSD strongly supports and encourages teachers, administrators, and support staff to participate in professional development on a regular basis throughout the school year. LEUSD's first priority is to assist teachers and classroom Para-Educators. Workshops and trainings scheduled throughout the year are based on the academic needs of students. Offerings include data analysis, curriculum and content knowledge, Standards-based instruction, instructional strategies, and leadership skills. After initial training, follow-up and coaching take place district-wide. The district aims to provide teachers, administrators, and staff opportunities to meet all students' learning needs. Staff members are encouraged to use SCHED to sign up for professional development opportunities. These sessions are created based on educator feedback gathered from surveys, questionnaires, and data analysis.

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/.

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/.

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
