About This School

Mission Statement

At Terra Cotta Middle School, our purpose is to create a safe, positive, and effective learning environment by fostering emotional, social, and intellectual well-being to prepare all students for college and career readiness, empowering them with the character of self-accountability and student agency by providing them opportunities to acquire knowledge through rigorous academic preparedness and 21st Century skills that will allow them to thrive in a global society.

Vision Statement

Terra Cotta Middle School staff believe that education is the foundation on which our society is built. Our vision is to help students develop as young adults who will take responsibility for their actions and learning. Our goal is to provide students with the skills and confidence to become productive members of society through relational capacity built on respect, trust, and authenticity. To accomplish this, we will include all educational partners in the continuous improvement of school climate, curriculum, and instruction.

Principal's Message

Welcome to our Mustang Nation! I am honored to be the Principal of Terra Cotta Middle School. I am beginning my second year of service at TCMS. However, I have lived and served in our wonderful Lake Elsinore community for almost 16 years. Previously, I served at Lakeside High School as an assistant principal, at Canyon Lake Middle School as an assistant principal, as a district program specialist (Special Education), and as a Temescal Canyon High School teacher. I look forward to continuing to work closely with our students, staff, and families to support student achievement.

We have many special and engaging programs to support students in becoming high school, college, and career-ready. We are a National Demonstration AVID School that commits schoolwide to WICOR, AVID's foundational strategies for helping all students succeed: (W) writing to learn, (I) inquiry, (C) collaboration, (O) organization, and (R) reading to learn. Each week, we will feature highlights of our students engaged in evidence-based learning whereby our Mustangs think, talk, write, read, and ask questions to create new knowledge. We also proudly offer the following several year-long electives: Advanced Art, Advanced Computers, ASB/Leadership, PLUS, Algebra 1, Advanced, Intermediate and Beginning Band, Spanish 1, Teen Living, and Intramural Sports.

In our Mustang Nation, our Mission is our WHY. We aim to create a safe, positive, and effective learning environment. This is accomplished through our partnership with students and families to provide a high-quality education to prepare our Mustangs to become 21st-century learners. Our faculty will continue to strive for professionalism and excellence and prioritize "One Mustang At a Time." In our first week, staff will focus on building relationships, making connections, and ensuring our Mustangs are engaged. This will allow all staff to teach schoolwide expectations and review our Character Counts incentive program, thus supporting students in their Mustang PRIDE.

Our staff is committed to building upon the great traditions at TCMS and continuing to support a culture of academic excellence and engagement for all students while meeting their social, emotional, and behavioral needs. We are committed to engaging with our community and continuing our partnership to work together to support all our precious Mustangs. On behalf of the entire Terra Cotta Staff, we want to welcome our students and families to TCMS, and we look forward with excitement the opportunity to serve our community of learners.

Sincerely,
Mrs. Erin Hill
Proud Principal
Terra Cotta Middle School
erin.hill@leusd.k12.ca.us

SCHOOL ACCOUNTABILITY REPORT CARD

School Description

Throughout its history, Terra Cotta Middle School has been a highly thought of school. In its early years, it received a California School of Distinction Award, was identified as a Performing Arts school by the State of California, and its faculty were requested presenters at the California League of Middle Schools Annual Conference(s). Beginning in 2009, Terra Cotta Middle School has been a recognized, multi-year, revalidated AVID National Demonstration School, prompting it to be recognized annually by the California Department of Education each spring. As a National Demonstration School, we are an exemplary schoolwide model of the AVID College & Career Readiness System. TCMS has a schoolwide, collective commitment to READING, a core pillar of WICOR. Across all classrooms, our commitment to student achievement is evident. Approximately 95% of our staff are highly trained in AVID strategies and continue to work within their Professional Learning Communities to reflect on their implementation with quality and fidelity to AVID strategies across all disciplines.

Student Enrollment by Subgroup (2022-23)

Student Group	Percent of Total Enrollment
Female	46.6
Male	53.4
Non-Binary	0.0
American Indian or Alaska Native	0.3
Asian	1.6
Black or African American	2.8
Filipino	1.5

Native Hawaiian or Pacific Islander	0.2
Two or More Races	2.7
White	13.7
English Learners	11.8
Foster Youth	1.2
Homeless	12.0
Migrant	0.0
Socioeconomically Disadvantage	79.0
Students with Disabilities	13.5

Student Enrollment by Grade Level (2022-23)

Grade Level	Enrollment
Grade 6	350
Grade 7	375
Grade 8	369
Total Enrollment	1094

Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority, 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teachers Without Credentials and Misassignments (considered "ineffective" under ESSA)

Authorization/Assignment	Number 2020-21	Number 2021-22
Permits and Waivers	2.0	0.0
Misassignments	0.2	0.0
Vacant Positions	0.0	0.0
Total Teachers Without Credentials and Misassignments	2.2	0.0

Teachers Without Credentials Assigned Out-of-Field (considered "out-of-field" under ESSA)

Authorization/Assignment	Number 2020-21	Number 2021-22
Credentialed Teachers Authorized on Permit or Waiver	0.0	0.0
Local Assignment Options	0.0	1.0
Total Out-of-Field Teachers	0.0	1.0

Class Assignments

Indicator	Percent 2020-21	Percent 2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0.0	0.0
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	2.8	0.0

Teacher Preparation and Placement (2020-2021)

Authorization/Assignments	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	37.2	83.31	853.3	90.69	228,366.1	83.12
Intern Credential Holders Properly Assigned	0.0	0.0	1.5	0.16	4,205.9	1.53
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)	0.0	0.0	6.7	0.72	11,216.7	4.08

SCHOOL ACCOUNTABILITY REPORT CARD

Teacher Preparation and Placement (2021-2022)

Authorization/Assignments	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	39.8	90.08	871.6	90.73	234,405.2	84.0
Intern Credential Holders Properly Assigned	0.0	0.0	5.1	0.54	4,853.0	1.74
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)	0.0	0.0	6.1	0.64	12,001.5	4.3
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)	1.0	2.26	20.5	2.14	11953.1	4.28
Unknown	3.3	7.64	57.1	5.95	15,831.9	5.67
Total Teaching Positions	44.2	100.0	960.6	100.0	279,044.8	100.0

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time ; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Quality, Currency, and Availability of Textbooks and Instructional Materials (School Year 2023-24)

Lake Elsinore Unified School District chooses instructional materials that are aligned with State content standards, present a broad spectrum of knowledge and viewpoints, reflect society's diversity, and enhance the use of multiple teaching strategies and technologies. Materials for grades K-8 are chosen from the State-adopted list. Subject area teachers evaluate and recommend materials for grades 9-12. Curriculum and textbook subcommittees are comprised of teachers (subject or grade level) and administrators. The subcommittee recommends instructional materials to the Curriculum Advisory Committee (CAC), which has representatives from every school. The CAC evaluates and recommends materials to the school board, which gives final approval to all adopted instructional materials. Parents and community members may review adopted materials at the district office. Lake Elsinore Unified School District held a hearing for the sufficiency of textbooks on September 14, 2023.

Each pupil in the district, including English learners, kindergarten through grade twelve, is provided with standards-aligned textbooks or instructional materials, or both, that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board to use in class and to take home.

Core Curriculum Area	Textbooks and Instructional Materials	Year of Adoption	From the Most Recent Adoption (Yes or No)	Percent of Students Lacking Their Own Assigned Copy
Reading/Language Arts	California Collection	2018	Yes	0%
Mathematics	Bid Ideas Math Textbook Courses & Advance Courses 1, 2, & 3	2016	Yes	0%
	Bid Ideas Math Journal Courses & Advance Courses 1, 2, & 3	2016	Yes	0%

SCHOOL ACCOUNTABILITY REPORT CARD

Specialized Services

Special Education: Terra Cotta's Special Education Department offers a continuum of specialized academic instruction (SAI) support and services ranging from the least restrictive to the most restrictive settings. In general education courses, resource teachers and paraeducators support inclusion in general education math, language arts, social studies, and science courses. Students with IEPs can also receive intensive reading intervention services in separate settings instead of their elective. Students with special needs may also be served in separate, special day classes receiving core instruction using a modified curriculum that can also include intensive reading interventions. TCMS also has a moderate life skills special day class where students with more involved special needs are working on functional skills across all academic and life skill domains. In addition to this program, TCMS also has a moderate/severe special day class who require more adult support and supervision, as well as an alternative education, social/emotional special day class for students who require more social, emotional, and behavioral assistance from highly trained special education teachers and related service providers including on-going mental health services. TCMS also boasts Speech and Occupational Therapy service rooms.

Terra Cotta Middle School has a variety of highly trained staff to meet the diverse needs of our students. Our faculty consists of 51 certificated teaching staff ranging in general multiple or single subject credentials. Of these three of our teaching staff are Resource Specialists who provide inclusive specialized academic instructional services to students with identified disabilities in general education settings. To further support our students with disabilities, we have two mild/moderate Special Day Class teachers who support students three or more grade levels behind their typical peers and/or require a smaller class with more adult support to progress toward their goals. Our more involved, non-diploma bound students with disabilities are supported in one of two settings, either a moderate or moderate to severe classroom. Each class offers a special education teacher with one-to-one and classroom paraeducator support.

English Language Learners: To address our robust English Language Learner (EL) population, our staff consists of 1 counselor, 2 ELD elective teachers, 11 core teachers, 4 bilingual para-educators, and 2 administrators. Our team works closely together as equals with the common goal of student achievement. Our ELD Coordinator and the elective teacher provide explicit, data-driven instruction to address student needs. As a result of formative and summative assessment data, her emphasis in the 22/23 school year was close reading, focused note-taking, and constructed responses. In the EL elective, there was a focus on the ELPAC and MAP assessment preparation with a focus on academic language along with other test-taking skills. Students had time to take practice tests to familiarize themselves with the format and accessibility resources.

Presently, our EL team meets for monthly PLC meetings where they discuss student concerns (academic and behavior), plan parent-teacher conferences, discuss what students are working on in core classes, and provide professional development in technology typically relating to the use of IC, Canvas, translation apps, and many other systems to support students. Another positive aspect of the PLC is sharing the workload to support students. For example, as students are identified as at risk, staff sign up to coordinate meetings with parents to ensure communication between school and home. This continuous review of student achievement has resulted in over 100 Tier 1/2 Language Assessment Team (LAT) meetings to monitor our EL students' growth. Further supporting our parent engagement, our English Language Action Committee (ELAC), consisting of parents of our second language learning students, attends between 4 and 8 ELAC meetings annually. The ELAC awards each semester are the most attended, especially the potluck and awards at the end of the year. We also try to personally call all parents/guardians to invite them to ELAC meetings, with each team member signing up to call 10+ families. Our EL PLC also excels in its use of systems management. Instead of having bilingual para-educators fill out forms, files, etc., they start their classroom schedule on the first day of the school year. Our bilingual para-educators offer tutoring daily for 30 minutes before school and three days a week for one hour after school. Several of our core teachers also offer tutoring before/after school, during breaks, and at lunch.

TCMS also has one full-time Spanish teacher to support our students in their matriculation to our main comprehensive high school and their acquisition of the seal of biliteracy. TCMS also continues to have a full-time Instrumental Band Director. Our Mustang Band has an average of 300 students, winning local and national recognition for its excellence. Terra Cotta Middle School has multiple year-long electives in ASB, PLUS, Advanced Computers, Spanish, and Teen Living. We also participate in four district-wide intramural sports programs offering opportunities for young athletes to build camaraderie and teamwork with their schoolmates. We also provide advanced academic opportunities for students beginning in sixth grade for math and language arts to meet our students' diverse needs and get them on the college and career readiness pathway before their matriculation to high school.

SCHOOL ACCOUNTABILITY REPORT CARD

Counseling Program: Our three-person Counseling Department has made it their mission to inspire all students to develop their potential to become life-long learners with the knowledge, attitudes, and skills necessary for academic excellence, college and career readiness, and social responsibility to become responsible citizens in our diverse world. They provide a comprehensive developmental counseling program to address all students' academic, career, and personal/social needs. Through advocacy, leadership, and collaboration, we provide a safe and supportive environment where all students feel a sense of belonging.

Our continuum of student support begins through our evidence-based Response to Intervention (RTI) process. This process starts when we see a student struggling academically, behaviorally, or across all areas (s). One of our shared core commitments as Mustang faculty includes the intentional outreach to the families of our struggling students. When staff has concerns with one of our students, if the student is at risk for failing or has behavioral issues, we convene a support team meeting called a Tier 1, consisting of the student's parent/guardian, teacher, counselor, and any other vested educational partner. The outcome is establishing agreed-upon, individualized goals coupled with implementing targeted strategies and interventions to encourage student success. This plan is monitored for six weeks. Our Student Study Team (SST) Coordinator supports staff in determining how to address struggling students, documenting their efforts, and training on evidence-based interventions within their classrooms. They have also modified the LEUSD continuum of student support for secondary students to ensure their needs are met in a swift manner.

School Facilities

School Facility Good Repair Status (School Year 2023-24)

To determine the condition of our schools, the district sends experts from the facilities team to inspect them. The facilities team uses a survey, called the Facilities Inspection Tool, issued by the Office of Public School Construction. The latest inspection took place on January 11, 2024. The information from that survey, as outlined below, reflects the condition of our buildings as of the date of the report. Since that time, circumstances may have changed.

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	No repairs needed at the time of the inspection.
Interior: Interior Surfaces	Fair	Carpet and flooring damaged in one room. Wall repair and paint needed in one room. Baseboard falling off in one room. Ceiling tiles missing and torn in more than one room. Wallpaper damage in more than one room. Dirty vents and ceiling tiles in one room.
Cleanliness: Overall Cleanliness, Pest/Vermis Infestation	Good	Carpets need cleaning in more than one room. More than one restroom needs cleaning.
Electrical: Electrical	Good	Flickering light in more than one room. Light bulbs out in more than one room. Light switch broken in one room.
Restrooms/Fountains: Restrooms, Sinks/Fountains	Poor	Faucet dripping in one restroom. Sink button missing in more than one restroom. Toilet leaking in more than one restroom. Sink has no water in one restroom. Faucet loose in one restroom. Sink decalcification in one restroom. Sinks loose and inoperable in boy's locker room. Faucet has no water in one restroom. Replace toilet seat in one restroom.
Safety: Fire Safety, Hazardous Materials	Good	No repairs needed at the time of the inspection.
Structural: Structural Damage, Roofs	Good	Dry rot near window sill in one room.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	No repairs needed at the time of the inspection.
Overall Rating	Good 91.39%	

School Facility Conditions and Planned Improvements

Terra Cotta Middle School, Home of the Mustangs, was dedicated by the LEUSD School Board on November 5, 1986, beginning as a junior high school. In 1995, Terra Cotta Junior High became Terra Cotta Middle School with the addition of sixth graders. In the early days of TCMS, it was a year-round, multi-track school that recruited many students across the lake for its Performing Arts program. Today, it follows the traditional school year calendar with various programs to serve its local community. It is one of 24 schools in the Lake Elsinore Unified School District. Situated in the City of Lake Elsinore. Terra Cotta Middle School sits at the base of the Ortega Mountains. Proudly serving approximately 1200 students spanning grades six, seven, and eight. TCMS is home to a diverse student population, with about 73.1% of students eligible for free or reduced-priced meals or have parents/guardians who did not receive a high school diploma.

Terra Cotta Middle School campus boasts extensive square footage, a lower and upper campus, a fully functioning, shared-use gymnasium, and multiple athletic fields and track. The lower campus contains 11 original portable classrooms, nine brown portables, two portables converted into locker rooms, and one portable converted to a staff lounge. The lower campus proudly serves sixth-grade students in core subjects and all grade spans for physical education. In the upper campus, 26 regular, permanent classrooms coexist along with 14 portables and the original gym, converted to the dance room. The upstairs campus also hosts our 295-member band program, beginning to advanced levels.

SCHOOL ACCOUNTABILITY REPORT CARD

Cleaning Process, Maintenance, and Repair

The Lake Elsinore Unified School District (LEUSD) is dedicated to upholding a safe, secure, and visually pleasing environment for our students. The LEUSD Governing Board has established cleaning standards for all schools within the district. A summary of these guidelines can be obtained from the school office or the District Office. The principal collaborates daily with the custodial team to create cleaning schedules that guarantee a clean and safe school environment.

In addition to providing district-level support for routine and periodic maintenance, LEUSD maintains high standards for the cleanliness, appearance, and overall condition of all campuses on a daily basis. These standards are upheld through the combined efforts of students, staff, day custodians, evening custodial crews, and the District Maintenance Department.

Site administrators, custodians, and district personnel conduct regular physical inspections to ensure safety and maintenance requirements are met. The district's maintenance staff ensures that any necessary repairs to maintain the school's good condition and functionality are promptly addressed. A streamlined work-order process is employed to ensure efficient service, with emergency repairs receiving top priority. LEUSD consistently evaluates maintenance, modernization, and new construction needs. Any pesticide usage at our school sites adheres to the Healthy Schools Act of 2000.

Pupil Outcomes

State Priority: Pupil Achievement

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready: The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percentage of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2021-2022	2022-2023	2021-2022	2022-2023	2021-2022	2022-2023
ELA/Literacy	28	28	37	37	47	46
Mathematics	15	17	23	24	33	34

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

California Physical Fitness Test Results (2022-23)

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
7	99.6	99.8	99.8	100.0	100.0

Note: The administration of the PFT during the 2021–22 and 2022-23 school years requires only participation results for these five fitness areas.

Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parent Involvement

Contact Person: Erin Hill, Principal

Contact Phone Number: (951) 253-7380 or
erin.hill@leusd.k12.us.ca

Terra Cotta Middle School encourages parents to be involved in their child’s education. We offer many opportunities for parent participation:

- Family Nights
- Volunteering in the classroom

- Participating in School Site Council (SSC)
- Participating in English Language Action Committee (ELAC)
- Volunteering for PTSA activities
- Parenting Classes
- Helping with school activities (field trips, special events)
- ELAC meetings
- AVID Parent Meetings
- Parenting Engagement Nights

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

SCHOOL ACCOUNTABILITY REPORT CARD

Suspensions and Expulsions

Rate	School 2020-21	School 2021-22	School 2022-23
Suspensions	0.0	8.84	10.77

Students Receiving Migrant Education Services	0.0	0.0
Students with Disabilities	14.05	0.54

School Safety

SB187 Safety Plan

Date the plan was last approved: November 2023

Date the plan was reviewed by staff: November 2023

The Comprehensive Safe School Plan is fully incorporated in the School Plan for Student Achievement, Goal Seven, and includes data regarding the California Healthy Kids Survey, crime, safe school procedures, and compliance with laws including: (1) child abuse reporting, (2) disaster response and crisis intervention, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) school-wide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, and (9) rules and procedures on school discipline adopted pursuant to California Education Code Sections 35291 and 35291. In addition, a copy of the plan is available for inspection by the public at each school.

Fire drill evacuations are conducted monthly at all elementary and middle schools and twice a year at the high schools in the district. The Riverside County Fire Department conducts a fire safety inspection annually, while site personnel conduct site inspections regularly. The school's Disaster Preparedness Plan is updated annually, and disaster drills are conducted four times per year at each elementary school and middle school and once each semester at the high schools.

Currently, the District provides storage areas for emergency supplies to be kept on campus in the event of a disaster. A radio communication system allows for continuous communication with the district office in the event of a disaster.

A Crisis Intervention Team has been identified and trained to deal with stress experienced by students and staff because of a crisis. Team members are called upon to assist across the district as necessary. School Resource Officers provide prevention and intervention procedures on all LEUSD campuses at least part-time as part of the comprehensive School Safety Program.

Student Services and Behavior Support

When it comes to Student Services at Terra Cotta Middle School, the school administration supports students to meet their social, emotional, and interpersonal needs. School expectations are explained to students at the beginning of each school year and reviewed at the beginning of second semester. During this overview, students are made aware of the different expectations by location, when/where school rules apply, potential consequences, and the duties/obligations of school administration to keep campus safe.

A progressive discipline plan is in place to ensure students learn as they receive consequences for misbehavior. For instance, when it comes to educating students when they misbehave, the school site utilizes the Positive Behavioral Interventions and Supports (PBIS) framework to support students' behavioral, academic, social, emotional, and mental health needs. In addition to this, there are multiple Character Counts assemblies throughout the school year that focus on the different character expectations for students. These character expectations are reviewed with students throughout the school year.

The school site counts on 9 campus supervisors and a full-time School Resource Officer to help maintain a safe environment. The WE TIP program, as well as the StopIt Application, is utilized so that students can report suspicious activity or concerning behavior to keep the campus safe.

SCHOOL ACCOUNTABILITY REPORT CARD

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- Chronic Absenteeism

Chronic Absenteeism by Student Group (2022-23)

Student Group	Cumulative Enrollment	Chronic Absenteeism Eligible Enrollment	Chronic Absenteeism Count	Chronic Absenteeism Rate
All Students	1170	1149	260	22.6
Female	546	534	119	22.3
Male	624	615	141	22.9
Non-Binary	0	0	0	0.0
American Indian or Alaska Native	3	3	1	33.3
Asian	19	19	4	21.1
Black or African American	37	37	9	21.6
Filipino	21	20	2	10.0
Hispanic or Latino	898	882	201	22.8
Native Hawaiian or Pacific Islander	2	2	0	0.0
Two or More Races	30	30	7	23.3
White	160	156	37	23.7
English Learners	158	154	33	21.4
Foster Youth	18	17	4	23.5
Homeless	153	149	41	27.5
Socioeconomically Disadvantaged	933	915	226	24.7
Students Receiving Migrant Education Services	0	0	0	0.0
Students with Disabilities	185	182	64	35.2

Other SARC Information

School Finances

Academic Counselors and Other Support Staff

Title	Number of FTE Assigned to the School	Average Number of Students per Academic Counselor
Counselor (Academic, Social/Behavioral or Career Development)	3.2	341.88
Library Media Teacher	1.0	
Psychologist	1.0	
Nurse	0.5	
Speech/Language/Hearing Specialist	1.0	

*One Full-Time Equivalent (FTE) equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time.

Other Funding (Fiscal Year 2022-23)

These programs and supplemental services are provided at the school either through categorical funds or other sources that support and assist students:

- Gifted and Talented Education (GATE)
- Special Education classes
- English Learner classes
- English Language Arts
- Intervention classes
- Math Intervention classes
- AVID

Average Class Size and Class Size Distribution (Secondary)

The average class size is calculated by dividing the number of students enrolled in classes, excluding special education and a few other minor categories, divided by the number of classes. The following table provides three years of data.

Subject	2020-21				2021-22				2022-23			
	Avg. Class Size	Number of Classes*			Avg. Class Size	Number of Classes*			Avg. Class Size	Number of Classes*		
		1-22	23-32	33+		1-22	23-32	33+		1-22	23-32	33+
English	24.0	12	10	12	23.0	13	12	9	24.0	13	15	7
Mathematics	25.0	7	17	4	28.0	3	14	8	27.0	4	15	8
Science	29.0	5	1	19	28.0	5	5	15	30.0	5	2	18
Social Science	28.0	5	8	13	27.0	6	6	14	29.0	6		20

*Number of classes indicates how many classes fall into each size category (a range of total students per class).

SCHOOL ACCOUNTABILITY REPORT CARD

Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2021-22)

Expenditures Per Pupil				Average Teacher Salary
Level	Total	Restricted	Unrestricted	
School	\$8,318	\$904	\$7,413	\$84,904
District			\$8,592	\$94,872
State			\$7,607	\$90,632
Percent Difference: School/District			(14%)	(11%)
Percent Difference: School/State			(3%)	(6%)

- **Restricted** source means money whose use is restricted by legal requirement or by the donor.
- **Unrestricted** source means money that can be used for any lawful purpose, whose use is not restricted by legal requirement or by the donor.

For more information, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at <http://www.ed-data.org>.

Teacher & Administrative Salaries (Fiscal Year 2021-22)

This table displays district-level salary information for teachers, principals, and the superintendent, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries may be found at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary	\$48,404	\$55,550
Mid-Range Teacher Salary	\$85,217	\$84,645
Highest Teacher Salary	\$116,883	\$111,284
Average Principal Salary (Elementary)	\$142,174	\$139,860
Average Principal Salary (Middle)	\$153,115	\$146,840
Average Principal Salary (High)	\$162,818	\$158,447
Superintendent Salary	\$290,000	\$278,268
Percent of District Budget		
Teacher Salaries	36.93	32.21
Administrative Salaries	4.32	4.89

Professional Development

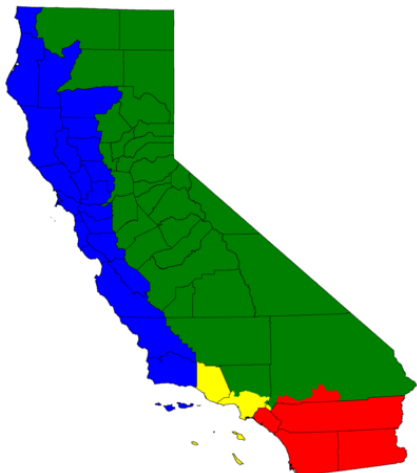

Measure	2021-22	2022-23	2023-24
Number of school days dedicated to Staff Development and Continuous Improvement	0	0	2

Each year, LEUSD strongly supports and encourages teachers, administrators, and support staff to participate in professional development on a regular basis throughout the school year. LEUSD's first priority is to assist teachers and classroom Para-Educators. Workshops and trainings scheduled throughout the year are based on the academic needs of students. Offerings include data analysis, curriculum and content knowledge, Standards-based instruction, instructional strategies, and leadership skills. After initial training, follow-up and coaching take place district-wide. The district aims to provide teachers, administrators, and staff opportunities to meet all students' learning needs. Staff members are encouraged to use SCHED to sign up for professional development opportunities. These sessions are created based on educator feedback gathered from surveys, questionnaires, and data analysis.

SCHOOL ACCOUNTABILITY REPORT CARD

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/.

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/.

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
