About This School

Mission & Vision Statement

Through a shared commitment to students, parents, and the community, David A. Brown staff will foster daily attendance and active engagement in a rigorous curriculum based on Common Core Standards in which students aspire to become contributing members of our global society. Using frequent and comprehensive assessments, DAB staff will promote growth and encourage perseverance through strategic support in a positive, inviting environment that maximizes the potential for individual achievement.

Principal's Message

Welcome to David A. Brown Middle School, where your child matters! Our amazing staff works tirelessly to ensure that David A. Brown feels more like a family than just a school. We are dedicated to increasing the achievement of all students academically, socially, and emotionally. We pride ourselves on providing exceptional first, best instruction to students. This builds the foundation students need to thrive in high school, college, career, and beyond. David A. Brown supports targeted programs and activities that engage students in learning and connect them to our school community.

Our school is committed to a collaborative focus on student growth and achievement. In Professional Learning Communities, teachers review student learning, create common assessments, and share instructional methods. Our goal is to maximize instructional minutes in every discipline.

At David A. Brown, teachers are focused on implementing state standards. Effective use of instructional technology engages students in learning and prepares them for the future. Our support staff works collaboratively with teachers to ensure student success. Parents and guardians are also encouraged to actively participate in their child's education by joining our PTSA, School Site Council, and ELAC and attending school events. Parents and guardians download the ParentSquare app to receive updates, pertinent school information, and timely alerts. This app provides a forum for parents to communicate with teachers, attendance, and administration.

On behalf of the entire staff, we welcome you to David A. Brown Middle School, where our motto is, "You Belong Here." We look forward to another wonderful school year.

Warmly,
Jeremy Cassara, Principal

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time ; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Quality, Currency, and Availability of Textbooks and Instructional Materials (School Year 2023-24)

Lake Elsinore Unified School District chooses instructional materials that are aligned with State content standards, present a broad spectrum of knowledge and viewpoints, reflect society's diversity, and enhance the use of multiple teaching strategies and technologies. Materials for grades K-8 are chosen from the State-adopted list. Subject area teachers evaluate and recommend materials for grades 9-12. Curriculum and textbook subcommittees are comprised of teachers (subject or grade level) and administrators. The subcommittee recommends instructional materials to the Curriculum Advisory Committee (CAC), which has representatives from every school. The CAC evaluates and recommends materials to the school board, which gives final approval to all adopted instructional materials. Parents and community members may review adopted materials at the district office. Lake Elsinore Unified School District held a hearing for the sufficiency of textbooks on September 14, 2023.

Each pupil in the district, including English learners, kindergarten through grade twelve, is provided with standards-aligned textbooks or instructional materials, or both, that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board to use in class and to take home.

School Facilities

School Facility Good Repair Status (School Year 2023-24)

To determine the condition of our schools, the district sends experts from the facilities team to inspect them. The facilities team uses a survey, called the Facilities Inspection Tool, issued by the Office of Public School Construction. The latest inspection took place on January 11, 2024. The information from that survey, as outlined below, reflects the condition of our buildings as of the date of the report. Since that time, circumstances may have changed.

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	No repairs needed at the time of inspection.
Interior: Interior Surfaces	Fair	Boy's locker room walls need painting. One girl's restroom wall rusting where the sink is. One restroom rusting pipes. One restroom beams are rusted. One classroom rusting flange.
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	Ladies staff restroom and men's staff restroom fixtures need deep cleaning. Restrooms in boys and girls locker rooms need deep cleaning. More than one restroom vents and diffusers need cleaning.
Electrical: Electrical	Good	No repairs needed at the time of inspection.
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Poor	Girl's locker room fountain needs to be refinished or replaced. One girl's restroom sink button missing, and toilets lacking porcelain, acid-corroded toilet bowls. More than one restroom sink has no water from faucet. One classroom sink has no water from faucet. More than one sink the faucet is loose and dripping water. Restroom more than one sink rust forming wall and flange. One drinking fountain water pressure too high. One drinking fountain missing button. Health office restroom faucet needs replacement. One classroom sink dripping rust and calcification into bowl.
Safety: Fire Safety, Hazardous Materials	Good	No repairs needed at the time of inspection.
Structural: Structural Damage, Roofs	Good	No repairs needed at the time of inspection.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	No repairs needed at the time of inspection.
Overall Rating	Good 93.49%	

School Facility Conditions and Planned Improvements

David A. Brown Middle School opened in July of 1995. The site includes a combination of regular classrooms and portables. In addition, DAB has science labs, special education rooms, a multi-purpose room, a library, a gym, and outside courts and fields.

Cleaning Process, Maintenance, and Repair

The Lake Elsinore Unified School District (LEUSD) is dedicated to upholding a safe, secure, and visually pleasing environment for our students. The LEUSD Governing Board has established cleaning standards for all schools within the district. A summary of these guidelines can be obtained from the school office or the District Office. The principal collaborates daily with the custodial team to create cleaning schedules that guarantee a clean and safe school environment.

In addition to providing district-level support for routine and periodic maintenance, LEUSD maintains high standards for the cleanliness, appearance, and overall condition of all campuses on a daily basis. These standards are upheld through the combined efforts of students, staff, day custodians, evening custodial crews, and the District Maintenance Department.

Site administrators, custodians, and district personnel conduct regular physical inspections to ensure safety and maintenance requirements are met. The district's maintenance staff ensures that any necessary repairs to maintain the school's good condition and functionality are promptly addressed. A streamlined work-order process is employed to ensure efficient service, with emergency repairs receiving top priority. LEUSD

consistently evaluates maintenance, modernization, and new construction needs. Any pesticide usage at our school sites adheres to the Healthy Schools Act of 2000.

Pupil Outcomes

State Priority: Pupil Achievement

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

School Safety

SB187 Safety Plan

Date the plan was last approved: November 29, 2023

Date the plan was reviewed by staff: November 29, 2023

The Comprehensive Safe School Plan is fully incorporated in the School Plan for Student Achievement, Goal Seven, and includes data regarding the California Healthy Kids Survey, crime, safe school procedures, and compliance with laws including: (1) child abuse reporting, (2) disaster response and crisis intervention, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) school-wide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, and (9) rules and procedures on school discipline adopted pursuant to California Education Code Sections 35291 and 35291. In addition, a copy of the plan is available for inspection by the public at each school.

The Comprehensive Safe School Plan consists of two components. Component one focuses on the SEL needs of our students, building positive relationships, connecting students to school and staff, and preparedness. Component two focuses on a well-maintained and secure physical plant.

SCHOOL ACCOUNTABILITY REPORT CARD

Fire drill evacuations are conducted monthly at all elementary and middle schools and twice a year at the high schools in the district. The Riverside County Fire Department conducts a fire safety inspection annually, while site personnel conduct site inspections regularly. The school's Disaster Preparedness Plan is updated annually, and disaster drills are conducted four times per year at each elementary school and middle school and once each semester at the high schools.

Currently, the District provides storage areas for emergency supplies to be kept on campus in the event of a disaster. A radio communication system allows for continuous communication with the district office in the event of a disaster.

A Crisis Intervention Team has been identified and trained to deal with stress experienced by students and staff because of a crisis. Team members are called upon to assist across the

district as necessary. School Resource Officers provide prevention and intervention procedures on all LEUSD campuses at least part-time as part of the comprehensive School Safety Program.

Discipline

A progressive discipline plan is in place, and multiple expectations and safety assemblies are conducted throughout the year. Eight campus supervisors and a part-time School Resource Officer also help maintain a safe environment. The WE TIP and STOPit App program is utilized so that students may report crime/bullying anonymously. All leads are investigated immediately.

Number of school days dedicated to Staff Development and Continuous Improvement	0	0	2

Each year, LEUSD strongly supports and encourages teachers, administrators, and support staff to participate in professional development on a regular basis throughout the school year. LEUSD's first priority is to assist teachers and classroom Para-Educators. Workshops and trainings scheduled throughout the year are based on the academic needs of students. Offerings include data analysis, curriculum and content knowledge, Standards-based instruction, instructional strategies, and leadership skills. After initial training, follow-up and coaching take place district-wide. The district aims to provide teachers, administrators, and staff opportunities to meet all students' learning needs. Staff members are encouraged to use SCHED to sign up for professional development opportunities. These sessions are created based on educator feedback gathered from surveys, questionnaires, and data analysis.

SCHOOL ACCOUNTABILITY REPORT CARD

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/.

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/.

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
