About This School

Mission Statement

The mission of the dedicated staff and faculty of Rice Canyon Elementary (RCE) is to assist children in realizing their full potential as responsible, productive, and contributing members of society by providing an educational environment where students are challenged, excellence is expected, and differences are valued. The mission of RCE staff and faculty is also to provide rigorous academic standards while instilling the enjoyment of lifelong learning in a safe and nurturing environment..

Principal's Message

Dear Raptor Families,
Welcome back to Rice Canyon Elementary for another exciting academic year! I hope this message finds you all in good health and high spirits.

As the 2023-2024 school year begins, I want to extend a warm welcome to all our returning students and an enthusiastic greeting to those who are joining us for the first time. We are thrilled to have each and every one of you as a part of our school community.

The start of a new academic year is always a time of great anticipation and promise. It's an opportunity for fresh beginnings, setting new goals, and striving for excellence in all aspects of our educational journey. Together, as a united community of learners, teachers, parents, and staff, we can make this year a memorable and successful one.

Our dedicated faculty and staff have been working tirelessly to prepare an enriching and engaging curriculum that will inspire creativity, critical thinking, and a love for learning. We are committed to providing a safe and nurturing environment where students can thrive academically, socially, and emotionally.

This year, we aim to foster a culture of respect and empathy, encouraging students to build strong relationships with their peers. As we embark on this collective endeavor, we look forward to celebrating each student's unique strengths and accomplishments.

Parents, your unwavering support and involvement are vital to the success of our students. Together, let's work hand in hand to guide and motivate them on their educational journey. Our doors are always open, and we encourage you to communicate with us throughout the year.

As we begin this academic year, I encourage all students to set personal goals and to approach challenges with determination and a growth mindset. Remember, every obstacle is an opportunity to learn and grow. Embrace your mistakes as stepping stones to success, and never hesitate to seek help when needed. Together, we can overcome any obstacle that comes our way.

Lastly, I want to extend my gratitude to the entire Rice Canyon community for your continuous support, trust, and cooperation. Your involvement makes a significant difference in our students' lives and contributes to our school's overall success.

Wishing you all a fantastic year ahead! ROAR on!

Sincerely,
Amity Conkright, Principal

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time ; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Quality, Currency, and Availability of Textbooks and Instructional Materials (School Year 2023-24)

Lake Elsinore Unified School District chooses instructional materials that are aligned with State content standards, present a broad spectrum of knowledge and viewpoints, reflect society's diversity, and enhance the use of multiple teaching strategies and technologies. Materials for grades K-8 are chosen from the State-adopted list. Subject area teachers evaluate and recommend materials for grades 9-12. Curriculum and textbook subcommittees are comprised of teachers (subject or grade level) and administrators. The subcommittee recommends instructional materials to the Curriculum Advisory Committee (CAC), which has representatives from every school. The CAC evaluates and recommends materials to the school board, which gives final approval to all adopted instructional materials. Parents and community members may review adopted materials at the district office. Lake Elsinore Unified School District held a hearing for the sufficiency of textbooks on September 14, 2023.

Each pupil in the district, including English learners, kindergarten through grade twelve, is provided with standards-aligned textbooks or instructional materials, or both, that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board to use in class and to take home.

School Facilities

School Facility Good Repair Status (School Year 2023-24)

To determine the condition of our schools, the district sends experts from the facilities team to inspect them. The facilities team uses a survey, called the Facilities Inspection Tool, issued by the Office of Public School Construction. The latest inspection took place on January 11, 2024. The information from that survey, as outlined below, reflects the condition of our buildings as of the date of the report. Since that time, circumstances may have changed.

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	No repairs needed at the time of inspection.
Interior: Interior Surfaces	Fair	Stained and wet ceiling tiles in more than one room. Water stain on ceiling in more than one room. Broken toilet paper dispenser in one restroom. Glue mount ceiling tiles damaged around light fixture in one room.
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	Diffusers dirty in more than one room. Vents dirty in one room. Stage extremely cluttered.
Electrical: Electrical	Good	Multiple bad bulbs in more than one room.
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	Toilet cracked in one restroom. Sink cracked in one restroom. Faucet needed in one restroom. Toilet seat needed in one restroom.
Safety: Fire Safety, Hazardous Materials	Good	No repairs needed at the time of inspection.
Structural: Structural Damage, Roofs	Good	No repairs needed at the time of inspection.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	Door closer leaking in more than one room.
Overall Rating	Good 95.04%	

School Facility Conditions and Planned Improvements

Our school was built in 2001. It has 34 regular classrooms, including eight portables, a library, a multipurpose room, four special education rooms, a new sensory room, and a district-facilitated childcare. This year, we added new, modern, flex seating to our entire 5th-grade classrooms and the school library. We also purchased nearly 1000 new books for our library. We also purchased new playground equipment for all students to enjoy

Cleaning Process, Maintenance, and Repair

The Lake Elsinore Unified School District (LEUSD) is dedicated to upholding a safe, secure, and visually pleasing environment for our students. The LEUSD Governing Board has established cleaning standards for all schools within the district. A summary of these guidelines can be obtained from the school office or the District Office. The principal collaborates daily with the custodial team to create cleaning schedules that guarantee a clean and safe school environment.

In addition to providing district-level support for routine and periodic maintenance, LEUSD maintains high standards for the cleanliness, appearance, and overall condition of all campuses on a daily basis. These standards are upheld through the combined efforts of students, staff, day custodians, evening custodial crews, and the District Maintenance Department.

Site administrators, custodians, and district personnel conduct regular physical inspections to ensure safety and maintenance requirements are met. The district's maintenance staff ensures that any necessary repairs to maintain the school's good condition and functionality are promptly addressed. A streamlined work-order process is employed to ensure efficient

service, with emergency repairs receiving top priority. LEUSD consistently evaluates maintenance, modernization, and new construction needs. Any pesticide usage at our school sites adheres to the Healthy Schools Act of 2000.

Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State Priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

Rice Canyon Elementary School recognizes the importance of family and community partnerships to serve the needs of our students best. Therefore, we encourage parents to be involved in their child's education. To ensure safety for all, parent support opportunities have changed to a virtual platform and include:

- Parent-Teacher Association (PTA) and PTA Sponsored events
- English Learner Advisory Committee (ELAC)
- School Site Council (SSC)
- Running Club Supervision
- Student Council
- Weekly Friday Flag Ceremonies
- Volunteering in classrooms
- Various on-campus events such as Cookies with Santa, Harvest Festival, Grandparent's Day, Breakfast and a Book,

School Safety

SB187 Safety Plan

Date the plan was last approved: November 9, 2023

Date the plan was reviewed by staff: November 11, 2023 & December 10, 2023

The Comprehensive Safe School Plan is fully incorporated in the School Plan for Student Achievement, Goal Seven, and includes data regarding the California Healthy Kids Survey, crime, safe school procedures, and compliance with laws including: (1) child abuse reporting, (2) disaster response and crisis intervention, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) school-wide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, and (9) rules and procedures on school discipline adopted pursuant to California Education Code Sections 35291 and 35291.5.

A progressive discipline plan is in place, and multiple discipline and Character Count assemblies are conducted throughout the year. Four campus supervisors and a part-time School Resource Officer also help maintain a safe environment. The WE TIP program is utilized so that students may report crime anonymously, and all leads are followed up immediately.

Fire drill evacuations are conducted monthly at all elementary and middle schools and twice a year at the high schools in the district. The Riverside County Fire Department conducts a fire safety inspection annually, while site personnel conduct site inspections regularly. The school's Disaster Preparedness Plan is updated annually, and disaster drills are conducted four times per year at each elementary school and middle school and once each semester at the high schools.

Currently, the District provides storage areas for emergency supplies to be kept on campus in the event of a disaster. A radio communication system allows for continuous communication with the district office in the event of a disaster.

A Crisis Intervention Team has been identified and trained to deal with stress experienced by students and staff because of a crisis. Team members are called upon to assist across the district as necessary. School Resource Officers provide prevention and intervention procedures on all LEUSD campuses at least part-time as part of the comprehensive School Safety Program.

Discipline

A progressive discipline plan is in place, and multiple discipline and PBIS (ROAR) assemblies are conducted throughout the year. Seven campus supervisors also help maintain a safe environment. Our school Social-Emotional Coach and recently added Counselor assist with discipline and social-emotional needs. The WE TIP program is utilized so that students may report crime anonymously, and all leads are followed up immediately. School administration maintains an open-door policy to immediately address the needs and concerns of students, staff, and parents.

Number of school days dedicated to Staff Development and Continuous Improvement	0	0	2

Each year, LEUSD strongly supports and encourages teachers, administrators, and support staff to participate in professional development on a regular basis throughout the school year. LEUSD's first priority is to assist teachers and classroom Para-Educators. Workshops and trainings scheduled throughout the year are based on the academic needs of students. Offerings include data analysis, curriculum and content knowledge, Standards-based instruction, instructional strategies, and leadership skills. After initial training, follow-up and coaching take place district-wide. The district aims to provide teachers, administrators, and staff opportunities to meet all students' learning needs. Staff members are encouraged to use SCHED to sign up for professional development opportunities. These sessions are created based on educator feedback gathered from surveys, questionnaires, and data analysis.

SCHOOL ACCOUNTABILITY REPORT CARD

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/.

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/.

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
