

California Department of Education School Accountability Report Card

Reported Using Data from the 2023 - 2024 School Year
Published During 2024 - 2025

For: Arlene Hein Elementary

Address: 6820 Bellaterra Dr, Elk Grove, CA 95757
Principal: Jennifer Ekelund

Phone: 916-714-0654
Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu>.

School Description and Mission Statement (School Year 2024 - 2025)

Arlene Hein Elementary

Soaring Above and Beyond Expectations!

I would like to welcome you to Arlene Hein Elementary School - A National Blue Ribbon School. Arlene Hein Elementary provides our students with a rich, culturally diverse environment with a strong focus on academics. Our highly dedicated staff is committed to meeting the needs of every student.

Arlene Hein Elementary School accomplishes this vision through:

- A rigorous, standards-based academic program
- Highly skilled instructional staff
- Culturally relevant learning experiences
- Collaborative learning throughout the instructional day
- Purposeful scheduling to maximize learning opportunities
- Extended day opportunities to provide additional learning before and after school
- Social/emotional learning
- An active partnership between home, school, and community

Arlene Hein's staff fosters a strong foundation in the areas of reading, writing, mathematics, science, social studies, and physical education through direct and differentiated instruction, engaging lessons, hands-on experiences, and the use of technology. We are a STEM and VAPA school that enriches our students' educational experiences to cultivate interests and prepare our students for future careers. Additionally, we provide our students with intervention and enrichment through our Hawk Academy that takes place before and after school and during off track time.

The safety of our students is our school's first priority, and the discipline policy is strictly enforced. We are proud to be a PBIS school as we emphasize being safe, responsible, and respectful.

We are here to support you and our students. Please do not hesitate to contact me at our school if I can be of any assistance.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (School Year 2024 - 2025)

Arlene Hein Elementary has 32 classrooms, a learning center, a computer lab, a multipurpose room, a library, and an administration building. The campus was built in 2004. Our school has two playground areas with multiple surfaces, a track, and two shade structures for students. Additionally, our school has a beautiful garden that is planted, maintained, and harvested by students.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work together with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

A new shade structure was installed on the playground for the 2019-20 school year. Our kindergarten playground project began in October 2024 to replace the structure and fall material. There are currently no other additionally planned facility projects for the 2024-2025 school year.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).
- The CAASPP System encompasses the following assessments and student participation requirements:
 1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

[Opportunities for Parental Involvement \(School Year 2024 - 2025\)](#)

There are numerous ways to become involved with your child's education at Arlene Hein Elementary School. Parents can be involved by volunteering in the classroom, chaperoning on field trips, and by joining our PTO, School Site Council, or ELAC. We appreciate having parents help with PTO events such as our Ice Cream Social, Jog-a-Thons, Book Fair, and Multicultural Fair! For more information on parent involvement opportunities, you may contact our principal, Jennifer Ekelund, at 916-714-0654.

School Safety Plan (School Year 2024 - 2025)

Your child's safety is important to us at Arlene Hein Elementary. Our students are supervised both before and after school and our campus is locked during the entire learning day. Visitors must sign in as they enter our office, and volunteers must be fingerprinted. Our district is committed to providing a safe, secure environment for learning. An "Emergency Handbook," outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills is kept in the school office and each classroom. Random periodic school safety inspections are conducted by Sacramento County Fire Department, and school wide safety drills are held monthly. The District's Police Services works closely with our school site to provide a safe, secure environment for all students. Our Comprehensive School Safety Plan was last updated in September 2024.

Types of Services Funded (Fiscal Year 2023 - 2024)

At Arlene Hein Elementary, we have highly qualified staff to assist students with special learning needs. Our Learning Center services special education students with individualized instruction. Gifted and Talented (GATE) students participate in accelerated instruction within their classrooms and during extended day as part of the Hawk Academy. We have a physical education and computer teacher that provide specialized instruction during the school day. Students are able to visit the library weekly. We provide our English Learners with designated ELD during a daily instructional period. Our Academic Intervention teachers provide small group instruction in reading each day. Extended day enrichment opportunities such as CREST or STEAM classes are also available. Students can also participate in intersession during their off-track time.

Professional Development

For the 2024-2025 school year, our school has a professional development emphasis on high quality instruction and diversity, equity and inclusion (DEI). Teachers meet weekly during Early Out Wednesdays to review student data, make determinations about students' strengths and needs, and to plan subsequent instruction. Teachers participate in additional professional training through site and district-offered trainings. This year teachers have participated in a variety of workshops focusing on technology, social/emotional learning and reading comprehension skills. Finally, the district offers a variety of classes for support staff. Paraprofessionals, school secretaries, office assistants, and custodians may take classes that relate to their work such as learning new computer skills, learning new state and/or district policies, and learning to work more efficiently.
