

California Department of Education School Accountability Report Card

Reported Using Data from the 2023 - 2024 School Year
Published During 2024 - 2025

For: Edward Harris, Jr. Middle School

Address: 8691 Power Inn Rd, Elk Grove, CA 95624
Principal: Nicholas Freathy

Phone: 916-688-0080
Grade Span: 7-8

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu>.

School Description and Mission Statement (School Year 2024 - 2025)

Edward Harris, Jr. Middle School
Motto: Learning Today, Leading Tomorrow

Edward Harris, Jr. Middle School is a California Gold Ribbon School and perennial California Honor Roll School that prides itself on its innovation, diversity, and loving atmosphere. The staff at EHMS eagerly provides all students with a premium educational experience. Edward Harris, Jr. Middle School is a school that is enriched by culture, strong instruction, and a nurturing learning environment.

The curriculum that our students engage in is aligned with the California Common Core State Standards. The staff is dedicated to ensuring that students are prepared for the rigors of high school, college, and potential careers, by equipping them with the 21st century skills needed to be successful in their future endeavors. This comprehensive site offers classes and programs designed to give our students a well-rounded education, teaching them good study habits and self-discipline as well. The Elk Grove Unified School District's Graduate Profile illustrates the standard level of accomplishment that is expected of its students to possess, as they graduate from EGUSD schools. EHMS gives students the opportunity to grow in the areas of problem-solving, communication, self-awareness, technology, community engagement and character.

Edward Harris, Jr. Middle School operates on a block schedule with 4 terms. At the end of a nine-week term, students will transition to another set of classes. This schedule prepares students for high school, as Monterey Trail has a similar schedule, and it allows students to engage in multiple subjects throughout the duration of the year, enriching their learning experience.

Parents & Guardians are welcomed and valued. The positive energy, partnership, and dedication that the school receives from its parent community assists with the excellent education that is offered. The parent-home partnership is what propels EHMS and ensures that all students reach their highest potential. Helpful tips and guidelines to assist student in their school endeavors are posted in their agendas and on the school website.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Preparation and Placement (School Year 2020 - 2021)

School Facility Conditions and Planned Improvements (School Year 2024 - 2025)

Elk Grove Unified School District (EGUSD) makes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, EGUSD uses a facility survey instrument developed by the State of California Office of Public School Construction. EGUSD maintenance staff ensures that the repairs necessary to keep the school in excellent condition and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. Regular inspections are conducted at EHMS by the custodial staff, site supervisor, district maintenance and facilities department, and the fire department. Edward Harris, Jr. Middle School (EHMS) was built in 2004 and is in good-excellent condition structurally.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

EGUSD's maintenance department works in concert with the school site custodial team to ensure that school buildings are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system, enabling the site to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved. The school's custodians work to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

Previously, the school was able to put up fencing around the perimeter to support our safe campus initiative. The fencing now encompasses the entire school, as well as our neighboring high school Monterey Trail. This initiative leaves zero access for pedestrians, ensuring that our students are safe from external risks. Four years ago, EHMS added a community garden to enhance the aesthetics and learning experience for all stakeholders. That project is now complete with modifications and improvements being made monthly. The garden has become a source of pride for our staff and garden club members. Two years ago a state of the art surveillance system was installed to enhance security measures on campus, and deter undesirable occurrences.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).
- The CAASPP System encompasses the following assessments and student participation requirements:
 1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

[Opportunities for Parental Involvement \(School Year 2024 - 2025\)](#)

We believe that parental involvement is an integral factor in student success, as well as developing a strong school-home partnership. To keep parents updated on their child's academic progress, Synergy, an online website is available. Other activities are Corral Night, Family Lunch Days, Back to School Night, Open House, C.O.L.T.S. Parent Organization, and Caregiver Cafe. We welcome parent volunteers. For more information on parent involvement opportunities, contact Ms. Shannon Goodwin at 688-0080.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2024 - 2025)

At EHMS, we believe that nothing should get in the way of the academic achievement of our students. An updated "Emergency Handbook," outlining a plan of action for emergencies, such as earthquakes, fires, and lockdowns, is kept in the administration building. This plan is reviewed by the staff yearly. The school is outfitted with a state of the art camera system that monitors the perimeters and interior of the campus. Each quarter, we have school-wide emergency drills. The County of Sacramento conducts random school safety inspections as well. In support of students' safety, campus supervisors, teachers, and administrators are on supervision duty before and after school. Weekly meetings are held with administration and campus supervisors. Before entering the campus, all visitors, including parents, must sign-in and receive a visitor's pass in the Student Services building.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Average Class Size and Class Size Distribution (Secondary) (School Year 2021 - 2022)

Subject	Average Class Size	Number of Classes* 1-22	Number of Classes* 23-32	Number of Classes* 33+
English	28	6	16	9
Mathematics	30	8	11	18
Science	33		6	10
Social Science	29	2	9	8

* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Note: Cells with N/A values do not require data.

Types of Services Funded (Fiscal Year 2023 - 2024)

Our priority at Edward Harris, Jr. Middle School is to assist teachers in supporting all students. The Connections Department services students with individualized education plans (IEP), who require additional support to meet mastery of curriculum standards. Gifted and Talented Education (GATE) and honors students receive accelerated instruction. The Advancement Via Individual Determination (AVID) program is vital in preparing students for college. EXL is an after school program that provide students with tutorial/homework sessions and enrichment activities. EXL is held daily until 6:00 pm and staffed by qualified adult mentors. EHMS has tutoring, as well as various clubs offered after school as well.

Professional Development

Our school and district offer a variety of professional learning opportunities. Workshop topics include California Common Core State Standards, Illuminate, Math Generation, Arbinger, Home Visits, Equity Trainings, EPOCH workshops, Restorative Practices Trainings and workshops for learning academic language strategies for English Learners. Instructional coaches assist teachers in new strategies. EGUSD also offers a variety of training workshops for classified personnel related to their job description. Our school has a weekly early out schedule in which students leave school one hour early on Thursday. Teachers use this time to work in professional learning communities to collaborate, analyze student work, discuss common assessment data results, and identify the most effective instructional practices to meet students' academic needs. This year EHMS has 8 minimum days following progress report time, for teachers to meet with their PLC teams to discuss student outcomes. New teachers who have been teaching less than two years are supported by the district's (BTSA) beginning teacher support program.
