

## California Department of Education School Accountability Report Card

Reported Using Data from the 2023 - 2024 School Year  
Published During 2024 - 2025

**For: Katherine L. Albani Middle School**

**Address:** 9140 Bradshaw Rd, Elk Grove, CA 95624  
**Principal:** Christopher Rauschenfels

**Phone:** 916-686-5210  
**Grade Span:** 7-8

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

### Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu>.

### School Description and Mission Statement (School Year 2024 - 2025)

Katherine L. Albani Middle School  
Our Motto: Be Safe, Be Responsible, Be Respectful - Be Your Best!

As a nationally recognized "School to Watch," Katherine L. Albani Middle School truly provides a unique and incredible educational experience for children - from the safety of the campus, to the warmth of the learning environment, to the rigor and breadth of the instructional programs. All aspects of the school contribute to providing children with the skills they need to be successful learners.

Our district's mission is to provide a learning community that challenges ALL students to realize their greatest potential. Examples of our success in implementing the district's mission include our practice of mastery learning, which focuses on teacher feedback and student work revision towards 80% mastery of standards. In addition, we have enhanced parent/school communication through the use of Synergy ParentVue/StudentVue, a web-based program that allows parents, students, and school personnel to communicate daily regarding student assignments and performance. Parents may also view videos, complete surveys, and provide input through our school website, <http://kams.egusd.net/>

Parent support and involvement continue to be important aspects of the success of Katherine L. Albani Middle School. This support is given, recognized, and appreciated in many different ways. Parents participate in School Site Council, English Learner Advisory Committee (ELAC), Positive Behavioral Interventions & Supports Committee (PBIS), Coffee at KAMS, Community Equity Partnership Meetings, assisting in the library and volunteering at school-wide events such as dances, assemblies, and rallies. Parents also support student success by providing space, time, and encouragement for daily homework, and by sending a clear message that education and regular school attendance are important to the family.

Because student safety is our first priority, the behavior expectations are clearly communicated and strictly enforced. We emphasize responsible and respectful behavior. At KAMS, students are safe, seen, heard, understood, valued, and part of a global community.

Chris Rauschenfels, Principal

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## School Facility Conditions and Planned Improvements (School Year 2024 - 2025)

Katherine L. Albani Middle School, also known as KAMS, has been open since 2005. The school has 51 classroom spaces, computer lab, multipurpose room, gymnasium with locker rooms, dance room, band/music room, outdoor & indoor stage, shared library with the high school, student services building and an administration building. The campus also consists of a blacktop area with multiple basketball courts, a track, and a large field area for physical education instruction as well as after school sports.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work with the school site custodial team to ensure school buildings, classrooms, and grounds are maintained at exceptional levels to provide a safe and functional environment for all students. The district utilizes an electronic work order system enabling site administration and custodians to communicate maintenance needs, repairs, or necessary projects. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

In November 2016, voters residing within EGUSD overwhelmingly voted to pass Measure M, the District's first ever general obligation school facilities bond measure, which provided funds for upgrades to LED lighting in the gymnasium and/or multi-purpose room at Katherine L. Albani Middle School. Recently we were fortunate to have our shade structure installed in our quad, which accommodates many tables for outdoor dining.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).
- The CAASPP System encompasses the following assessments and student participation requirements:
  1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
  2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
  3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### [Opportunities for Parental Involvement \(School Year 2024 - 2025\)](#)

Parents are an integral part of our learning community. Some opportunities for engagement include Community Equity Partnership, School Site Council, English Learner Advisory Committee (ELAC), Falcon Family Lunches, Back to School Night, and Open House. Additionally, parents volunteer on campus with athletic events, dances, rallies, field trips, fundraising, and in the library. Please contact School Secretary Cheryl Russell at 916-686-5120 to find out more about volunteering on campus.

**State Priority: School Climate**

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### [School Safety Plan \(School Year 2024 - 2025\)](#)

Our district is committed to providing a safe, secure environment for learning. Each Fall staff, students, and parents review and discuss pertinent student discipline and safety data as part of the School Site Council. Recommendations and revisions to the Comprehensive School Safety Plan (CSSP) are submitted to the Board of Education each March. The School Safety Plan was updated with our School Site Council and staff in September 2024. Random, periodic school safety inspections are conducted by the County of Sacramento. The district's Police Services Department works closely with our school site to provide a safe, secure environment for all students. Our campus supervisors and administrative team provide before and after school supervision. Visitors to KAMS are required to check in before entering our campus.

### Types of Services Funded (Fiscal Year 2023 - 2024)

Katherine L. Albiani Middle School provides a wide range of specialized programs to meet the individual learning needs of our students. We have a full complement of honors courses and accelerated math classes. Intensive math and English instruction are available to all students performing below proficiency. We also have an Academic Intervention program to assist students who qualify for special education services. The Achievement Via Individual Determination (AVID) program is offered to students who are interested in developing the skills necessary for college preparatory courses in high school. In addition, our students have a wide variety of enrichment opportunities.

## Professional Development

KAMS remains dedicated to meeting the needs of every student and eliminating the achievement gap through culturally responsive instruction, developing positive student relationships, and planning lessons that students can relate to their daily life. We focus on formative assessment & feedback in order to improve outcome for our students. Ongoing training with instructional coaches, administration and experienced teachers help to move our school in a positive direction. Early Out Mondays provide staff with an hour each week for Professional Learning Communities (PLCs) to review student work, identify strengths and weaknesses, create common assessments, and develop action plans for improving teacher and student performance. KAMS teachers engage in department release days and vertical articulation with our eight feeder elementary schools and high school.
