

California Department of Education School Accountability Report Card

Reported Using Data from the 2023 - 2024 School Year
Published During 2024 - 2025

For: Elizabeth Pinkerton Middle School

Address: 8365 Whitelock Pkwy, Elk Grove, CA 95757
Principal: Kimberlee Wallace

Phone: 916-683-7680
Grade Span: 7-8

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu>.

School Description and Mission Statement (School Year 2024 - 2025)

Elizabeth Pinkerton Middle School is a nationally recognized "School to Watch" and is also a 2015 State of California Gold Ribbon School. The staff at EPMS is committed to providing academic excellence delivered in the context of smaller learning communities. Our middle school is divided into five interdisciplinary teams, each staffed with six teachers who serve approximately 220 students. Each team is composed of two Humanities teachers, one Math teacher, one Physical Education teacher, one Bridge teacher, and one Science teacher who work as a team to meet the needs of their students. This is a tremendous benefit to our students and parents because it makes a larger school feel smaller and provides for a strong support system for students.

Our district's mission is to provide a learning community that challenges ALL students to realize their greatest potential. Our success in implementing our district's mission can be evidenced through the success of EPMS students. More students have access to honors courses than ever before and through the implementation of the Common Core, ALL students receive a rigorous curriculum.

Parent support and involvement is critical to the success of our students. The key to academic excellence is to have all stakeholders working together for the benefit of the student.

School safety is a priority and the discipline policy is strictly enforced. We expect EPMS students to Be Safe, Be Respectful, and Be Responsible while on campus. Students receive weekly Advocacy lessons to assist them in various aspects of being a successful student and person. We strive to create a positive and nurturing environment for our students.

We are committed to helping all of our students grow both academically and socially. We set high expectations for academic achievement but also provide needed scaffolds and support to help students meet their goals. We also recognize that middle school can be a challenging time with regard to socialization and positive peer to peer interactions. Students are taught social-emotional skills and strategies to help navigate these challenges. Our goal is to create a safe, accessible learning environment for all students.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (School Year 2024 - 2025)

Elizabeth Pinkerton Middle School was housed on the Cosumnes Oaks High School Campus starting in 2008. In March of 2010, Elizabeth Pinkerton students entered their new school. We house two computer labs, each with thirty-six computers. All of our forty-six classrooms and the gymnasium have Wi-Fi. EPMS shares a library with Cosumnes Oaks High School. The multi-purpose room also has a fully functional stage. In September 2021 we added a shade structure in our quad to provide for shade and shelter for our students.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work together with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at exceptional levels. The district utilizes the latest electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, or at the district office.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

At this time, we have no school facilities projects in the works.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).
- The CAASPP System encompasses the following assessments and student participation requirements:
 1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

[Opportunities for Parental Involvement \(School Year 2024 - 2025\)](#)

We encourage families to be involved in their child's education. We have a variety of activities throughout the year designed to welcome parents and families onto our campus. Bring Your Parents to Lunch Week occurs twice per year. In addition to our Incoming 7th grade Night and Back to School Night events, we also offer Parent Empowerment workshops and Chats with the Principal and counselors. For more information on becoming involved at our school, contact our principal, Kimberlee Wallace, at (916) 683-7680.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2024 - 2025)

Student safety is important to us at Elizabeth Pinkerton Middle School. An "Emergency Preparedness Handbook and Procedures", outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills, is kept in the school office. All visitors must check-in in Student Services and provide identification before entering campus. Campus supervisors, administrators, and on-duty teachers monitor students before and after school. Our School Safety Plan was reviewed in August 2024, updated as needed, shared with our staff in September, and shared with our School Site Council in November. Random, periodic school safety inspections are conducted by the County of Sacramento. The District's Safety and Security Department works closely with our school site to provide a safe, secure environment for all students.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Types of Services Funded (Fiscal Year 2023 - 2024)

At Elizabeth Pinkerton Middle School, we have a highly qualified staff who assists students with their learning needs. Honors courses are offered in Humanities, Math, and Bridge. Additionally, students have an opportunity to sign up for elective courses that include a variety of options related to career and technical education. We continue to offer an Extended Day program for extra support from a teacher. Our teaming and looping model creates an environment of a school within a school and allows for a strong support network for our students and their families.

Teacher and Administrative Salaries (Fiscal Year 2022 - 2023)

Professional Development

Our teachers and staff are dedicated to improving their skills to better meet the needs of ALL students. During the 2024-2025 school year, we will focus on the following: continuing our professional learning communities, continuing our work on developing common formative assessments and analyzing the data to inform instruction, developing learning targets for all essential skills, providing interventions for students who do not meet the essential skills, and analyzing our culturally responsive culture. Additionally, staff will participate in professional development focusing on building positive relationships with students and families and establishing community in the classroom through connection strategies.
