

California Department of Education School Accountability Report Card

Reported Using Data from the 2023 - 2024 School Year
Published During 2024 - 2025

For: John Ehrhardt Elementary

Address: 8900 Old Creek Dr, Elk Grove, CA 95758
Principal: Marianne Williams

Phone: 916-684-7259
Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu>.

School Description and Mission Statement (School Year 2024 - 2025)

Dear Families,

I am honored to be the proud principal of John Ehrhardt Elementary School. John Ehrhardt Elementary School has had the privilege of educating students in this community for more than three decades. At John Ehrhardt Elementary School, we strive to create a culture of excellence, effective instructional practices, trust, accountability, and community involvement. We provide a focused and highly academic educational experience designed to meet the individual learning needs of all students so they may meet grade-level standards and beyond. Effective instructional practice includes communicating learning targets, student engagement, providing feedback, using formative assessments, and analyzing student data to inform instruction. Our teachers seek to create and maintain a learning environment of warmth and support as they work to build community within the classroom.

John Ehrhardt is an AVID (Advancement Via Individual Determination) certified school. Our mission is to close the opportunity gap by preparing all students for college, career, and life readiness and success in a global society. We are also dedicated to developing citizens who will make a positive contribution to our diverse society. We resolve to accomplish this by developing life-long, independent learners and thinkers, through ongoing communication and collaboration with families.

In addition to academic excellence, the safety, and well-being of our staff and students are our top priorities. We have established schoolwide expectations as part of Positive Behavioral Interventions and Supports (PBIS). Systems are in place that promote a positive school environment for all students. Students are encouraged to be safe, respectful, and responsible. In 2024, John Ehrhardt was awarded a Silver medal for our PBIS implementation.

Parent involvement also supports the success of students at John Ehrhardt Elementary. Some parents serve on school committees and help plan programs and policies, others serve as classroom volunteers and field trip chaperones. Our Parent Teacher Organization (PTO) is active and supports our school by planning family engagement activities, and academic enrichment for students. Parents also partner with us by providing space, time, and encouragement for daily homework and ensuring regular school attendance.

Sincerely,
Marianne Williams
Principal
John Ehrhardt Elementary School

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (School Year 2024 - 2025)

Our school has 38 classrooms which also include our four Level 2 Self-contained Classrooms, a multipurpose room, a library, one computer lab, a Learning Center, an academic intervention classroom, and an administration building. The main campus was built in 1991. Additions were constructed in 2000 and 2008.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district makes great efforts to ensure that all schools are clean, safe, and functional. Daily, the custodial team provides maintenance from 6:30 am - 10:00 pm. During these hours the school facilities are thoroughly cleaned, the classrooms are inspected, the playground is maintained, and the restrooms are checked hourly. District maintenance staff ensures that the repairs necessary to keep the school in good working order are completed promptly. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office or the district Facilities Department.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

During the Summer of 2024, John Ehrhardt Elementary campus was "refreshed" with classroom upgrades which included deep cleaning, flooring replacement, lighting upgrades, and acoustical ceiling tile replacement. In addition to the classroom upgrades, the flooring in the multi-purpose room was replaced, and the campus exterior was repainted.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).
- The CAASPP System encompasses the following assessments and student participation requirements:
 1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

[Opportunities for Parental Involvement \(School Year 2024 - 2025\)](#)

There are several ways to become involved with your child's education. We invite parents to join our PTO which is active and greatly enriches our community through on-campus support and fundraising. The School Site Council and ELAC, comprised of teachers and parents develop the annual LCAP plan. Our PBIS team also includes a parent representative. Many guardians, parents, and grandparents volunteer in our classrooms daily. For more information on volunteering, please contact our principal, Ms. Williams at mcwillia@egusd.net.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2024 - 2025)

At John Ehrhardt, we are committed to providing a safe, secure environment for learning. The Comprehensive Safe School Plan was updated, revised, and reviewed with Staff annually. An "Emergency Handbook", outlining a plan of action for emergencies such as earthquakes, fires, floods, intruders, and chemical spills, is kept in the school office. Teachers have been provided with an emergency backpack stocked with emergency supplies. Drills practicing appropriate responses to fire, and earthquake, evacuations are held regularly. The district's Safety and Security department works closely with our school site to provide a safe, secure environment for all students. We provide adult supervision 15 minutes before and after school and during all recesses. All visitors are required to sign in at the front office and wear badges while on campus. All gates are locked during school hours.

Types of Services Funded (Fiscal Year 2023 - 2024)

We have highly qualified teachers and paraprofessionals to assist students with special learning needs including autistic students and students with multiple disabilities. We have four self-contained classes on our campus. Our Learning Center staff serves special education students who need additional support to meet academic standards. Additionally, our two Academic Intervention Teachers provide targeted support in reading and math to identified students working below grade level. Gifted and accelerated students participate in accelerated learning within the classroom and an after-school extended day program. We partner with ASSIST for afterschool homework assistance and enrichment activities. Ehrhardt also has a strong student leadership program where students plan school spirit days, and community service projects and support PBIS, character education, and other school events.

Professional Development

Our school and district offer a variety of professional learning opportunities for the 2024-2025 including but not limited to the areas of Diversity, Equity, and Inclusion, our board-adopted curriculum Reading Wonders, EnVision, Amplify Science and Impact (Social Studies/History), and the framework High-Quality Instruction. Additionally, the teachers at John Ehrhardt received training on AVID strategies, the Social Emotional Learning Curriculum, Character Strong, and professional learning to support building strong connections with students, families, and other staff members. Each week, our grade-level teams also meet to refine their instructional practice based on student data. Special education teachers are provided numerous opportunities to learn how to best meet the needs of students with learning disabilities. New teachers, who have been teaching for fewer than two years, are supported by the district's beginning teacher program. They meet weekly with an experienced mentor to discuss their successes and challenges and new ideas for their classrooms. Finally, the district offers a variety of classes for support staff. Instructional aides, school secretaries, office clerks, and custodians may take classes relating to their work.
