

California Department of Education School Accountability Report Card

Reported Using Data from the 2023 - 2024 School Year
Published During 2024 - 2025

For: Toby Johnson Middle School

Address: 10099 Franklin High Rd, Elk Grove, CA 95757
Principal: Jennifer Keyport

Phone: 916-714-8181
Grade Span: 7-8

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu>.

School Description and Mission Statement (School Year 2024 - 2025)

Toby Johnson Middle School
Responsible ~ Respectful ~ Safe ~ Kind

Our district's mission is to provide a learning community that challenges ALL students to realize their greatest potential. We find success through Toby's special strengths; including two-year integrated teaching teams that allow students and teachers to loop together for both 7th and 8th grades as well as working in smaller schools within a school. We operate a four-by-four block schedule providing students with both a rigorous academic program as well as an extensive enrichment program. Our high-quality standards-based academic courses, including rigorous Honors classes, give every student the opportunity to stretch when ready while always being supported.

Family and community engagement, clear communication, along with parent support and involvement, continue to be important aspects of success at Toby. This home-school relationship is fostered through: School Site Council, English Learner Advisory Committee (ELAC), Positive Behavioral Interventions & Supports Committee (PBIS), "Loved Ones on the Lawn" lunch days, Back to School Nights, weekly Principal "Paw Print" Newsletters, student clubs, volunteering at school-wide events such as dances, assemblies, rallies, as well as public student performances in arts, athletics, and academic competitions (including our hugely successful Mathletes, Theater, Band, Leadership and Nationally competitive Cyber Patriots team). One of Toby's pillars of connection and communication is the award winning "TJTV First Things First" student-produced daily live news broadcast.

The safety of our campus is our first priority and the discipline policy is strictly enforced while encouraging and teaching positive student behaviors. We are proud of the success of our "Gate to Gate" NO cell phone policy, giving students a healthier environment to avoid unsafe content while increasing skills in how to interact appropriately and directly with one another. The atmosphere at school helps our students to feel safe and supported.

As a former parent of children in the Franklin Region, a former teacher at Toby, and a current resident in this community, I'm proud and committed to keeping Toby Johnson Middle School a student center for health and safety, exploration, academic development, and FUN! ~ GO JAGS!

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Preparation and Placement (School Year 2020 - 2021)

School Facility Conditions and Planned Improvements (School Year 2024 - 2025)

The campus was built in 2002 and has 47 classrooms, eight classroom pods, a multipurpose room with a stage, band room, kitchen classroom, TV production classroom, specialized science wing, two computer labs, and a gym that contains a dance room. The school has extensive fields for physical education including a running track, basketball courts, and a football field. TJMS is on the same property as Franklin High School, separated by fences and the Franklin Community Library, which is the largest in the city serving both schools as well as the local community.

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office. Included is information from the facility survey instrument on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Our school received an "Exemplary" status based on the State's definitions for each of the eight categories evaluated, which is the highest rating possible.

The district's maintenance and grounds departments work with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained. The district utilizes an electronic work order system enabling site administration and custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning, prior to the arrival of staff and students, the custodian inspects the school and the site is cleaned each evening. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary.

The State Deferred Maintenance Program (DMP) was established in 1980 to aid districts in major maintenance projects. Beginning with the 2013-2014 fiscal year and the inception of the Local Control Funding Formula (LCFF) the State has intended for Deferred Maintenance needs and expenses to be included in the District's LCFF allotment. The district continues to fund routine projects previously considered as part of the State's former DMP at levels required by the State and continues to use local resources.

During 2024, facilities improvements included: adding a Scrim at the back of the indoor stage to enhance possible displays projected during theater productions, replacing the sound system in the gym, and repairing the scoreboard in the gym. Site mod requests have been submitted for potential future work, to include; multiple faucets added to the art room sink, replacing the Dance Room floor, replacing the indoor stage floor, adding cement stairs to the outdoor stage to replace the large raised bed, and adding privacy dividers between urinals in the boys' restrooms.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).
- The CAASPP System encompasses the following assessments and student participation requirements:
 1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

[Opportunities for Parental Involvement \(School Year 2024 - 2025\)](#)

There are many ways to become involved with your child's education. We conduct two Back to School Nights, team field trips with parent volunteers, student festivals, "Loved Ones on the Lawn" days, and School Site Council meetings. Parents can also become involved by volunteering for fundraising or student events on campus. For more information on parent involvement opportunities, contact Jody Hill, Student Activities Director, at 916-714-8181 or jehill@egusd.net.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2024 - 2025)

School safety is the highest priority at Toby Johnson Middle School. Our School Site Council reviewed our School Safety Plan in September, 2024. Included in the plan are monitoring practices that not only address student safety during school hours, but before and after school as well. Gates are monitored while open at school start and dismissal and locked during the school day. All visitors sign in when entering our campus and wear identification. An "Emergency Handbook," outlining a plan of action for emergencies such as earthquakes, fires, floods, and chemical spills, is kept in the school office as well as each classroom. The district's Police Services Department works closely with us to provide a secure environment for all students.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Types of Services Funded (Fiscal Year 2023 - 2024)

All students have access to our Honors program and all students have the opportunity to test and qualify for GATE (Gifted and Talented). Through extended day instruction, targeted interventions are provided and available after school. Our Electives Department offers unique Yearbook and TJTV (Broadcast Journalism) programs which provide opportunities for students to exercise creativity and enhance technological skills in newscasting, and graphic design and layout. Our CTE (Career Technical Education) courses prepare students for a variety of high school pathways. In addition to a robust elective program, the school offers more than 30 clubs and after school programs which include Theater, Computer Science, Art, Cyber-Patriots, and Music. Our award-winning marching band competes in high school competitions, and our programs have been aligned with Franklin High School.

Teacher and Administrative Salaries (Fiscal Year 2022 - 2023)

Professional Development

Our school and district offer a variety of professional learning opportunities for teachers, instructional aides, and non-instructional support staff. Teachers take part in professional development programs to increase students' conceptual understanding of mathematics, science, reading, and writing. Our teachers are dedicated to providing the enhanced strategies available through state adopted standards. Special Education teachers and EL teachers have additional opportunities to learn how to best support students with special learning needs. Our school has a weekly late start schedule so departments and teams can meet and coordinate curriculum and instruction. Teachers meet to review student work, make determinations about students' strengths and weaknesses, and plan subsequent instruction to meet students' needs. Paraeducators, school secretaries, office clerks, security, and custodians take classes that relate to their work such as learning new computer skills, and learning to work more efficiently and in ergonomically correct ways. All teachers have the opportunity for two PLC release days for aligning curriculum and all staff take EGUSD courses in Diversity, Equity, and Inclusion.
