2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

School Mission:

Our mission at Liberty Ranch High School is to provide educational opportunities in a safe, positive learning environment for all students empowering them to reach their full potential as productive, responsible citizens.

Student Learning Outcomes (SLO's)

The commitment of Liberty Ranch High School is to promote life-long learning, effective communication, and respect for self and others.

Liberty Ranch High School students are expected to be HAWKS:

H - Healthy Individuals who make healthy, lifestyle decisions and establish positive relationships with others.

A - Academic Achievers who demonstrate a mastery of academic standards through critical thinking, problem-solving, and communication.

W - Well-rounded Citizens who understand global issues, respect diverse cultures, and contribute to the improvement of their school and community.

K - Knowledgeable Citizens who apply learning and 21st Century skills to their daily lives and future experiences.

S - Self-Motivated and persevere through challenges and progress towards their short term and long term goals.

School Motto

Liberty Ranch High School-Instilling PRIDE in our community, one HAWK at a time by Promoting Respect, Integrity, Determination, and Excellence.

Principal's Message:

The voters of California first established the School Accountability Report Card (SARC) in 1988. The Report Card, issued annually for each public school in the state, requires schools to provide our community with information regarding the status of our schools. More importantly, the SARC has become a means for initiating conversations that engage our parents and community in the life and improvement of our schools. As you read through the SARC, you will see that the school is deeply committed to the success of each of our students and supporting them with a rigorous standards-based curriculum through a collaboration of students, parents and staff.

SCHOOL PROFILE

Liberty Ranch High School is located in Sacramento County, just outside the northeast boundary of Galt, California. It serves both a rural and suburban population and was built in response to overcrowding at its sister school, Galt High School, when a building boom began in the 1990's and the early 2000's. Liberty Ranch High School opened on August 18th, 2009. The students enrolling in Liberty Ranch High School come from four different feeder schools from four different districts. These students come from a varied background, from living on farms and dairies, to federally subsidized housing, to homes ranging in a price range well above \$500,000 and reflect the surrounding areas diversity.

2023-24 School Description and Mission Statement

Galt is a growing bedroom community with much of its population traveling to Sacramento, Lodi, or Stockton for employment. The city of Galt was founded in 1869, and while the area economy has been primarily based on agriculture, there has been increased economic expansion. During the last ten years the employment picture has been brightening with increased job opportunities in manufacturing, construction, and retail.

The school follows a traditional school year calendar and serves students in grades 9-12. The majority of our students walk or receive transportation from family and/or friends. Students who attended Arcohe and New Hope receive bus transportation.

A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Permits and Waivers	0.00	0.00
Misassignments	1.40	1.20
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	1.40	1.20

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	0.20	1.30
Total Out-of-Field Teachers	0.20	1.30

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	2.7	3.6
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	4.4	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Galt Joint Union High held a public hearing on September 21, 2023, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a

recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

School Facility Conditions and Planned Improvements

Liberty Ranch High was originally constructed in 2008 and is comprised of 46 classrooms, a gym, a multipurpose room/cafeteria, a library, a staff lounge, and a computer lab. In 2016 the Galt community voted in favor of Measure E, a local school bond which built a new stadium and improved technology infrastructure.

Cleaning Process and Schedule

The principal works daily with the custodial staff of four full-time to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards are available at the district office for review.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and highest priority is given to emergency repairs.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
- 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
- 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. 2022-23 Career Technical Education Programs

It is the goal of the school that students understand the importance of academic subjects and experience how employees apply subject learning to work situations. The school's programs focus on preparing students to think conceptually, communicate effectively, and apply skills in real-world contexts. Curriculum and instructional strategies foster critical thinking, problem solving, leadership, and academic skills.

The district's CTE Advisory Committee is led by Jason Lopez, Director of Student Services. Industries represented on the committee include: agriculture, hospitality, engineering, information technology, and health science.

The following Career Preparation courses are available at the school:

AGRISCIENCE

Biology and Sustainable Agriculture

Chemistry and Agriscience

Advanced Interdisciplinary Science for Sustainable Agriculture

Agriculture Food Science: From Farm to Fork

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Liberty Ranch High School believes that parents are our partners in educating our youth and as such they are involved and encouraged to participate actively in their students' education. Parents and the community are very supportive of the education program at our school. Parents serve on a variety of committees, which include:

- School Site Council
- Liberty Ranch High School's Safety Committee
- Bilingual Advisory Committee
- District Language Advisory Committee
- English Language Advisory Committee
- Athletic Boosters
- GLUE Band Boosters
- Agriculture Advisory Committee
- WASC

Liberty Ranch High School hosts Back to School Night in August and Open House in January of each year. Parents of incoming freshmen are invited to High School/Department Showcase presentations during open house. Parents of athletes are invited to attend fall, winter and/or Spring Sports meetings to learn about expectations for athletes for behavior, to maintain eligibility, and NCAA requirements. Parents of seniors are invited to attend informational meetings in the fall and spring to get information about senior year activities, calendar, and graduation.

Parents are kept informed of current events, programs and students' progress in a variety of ways, including Parent Square, PowerSchool, a school website, school marquee, Canvas, teacher emails, attendance calls, automated phone dialer, and regular student progress reports. In addition, parents may request parent/teacher conferences directly with the teacher or through the Counseling Department.

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact the Liberty Ranch High at 209-744-4250.

2023-24 School Safety Plan

Safety of students and staff is a primary concern of Liberty Ranch High School. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are held regularly throughout the year. The School Site Safety Plan has been implemented and is updated annually each summer; the School Site Safety Committee is comprised of school administration. The plan was last updated in November 2023. Daily monitoring of school grounds before, during, and after school is performed by assigned staff. All visitors must sign in at the school's main office before entering the campus.

The Comprehensive School Safety Plan was developed by the Liberty Ranch High School's Safety Committee in cooperation with local law enforcement in order to comply with Senate Bill 187 of 1997. The plan provides students and staff a means to ensure a safe and orderly learning environment. Components of the Comprehensive School Safety Plan include: Emergency Safety Procedures binders in each classroom; Detailed evacuation plans for fire and other emergencies; Detailed lockdown plans for other emergencies.

Fiscal Year 2022-23 Types of Services Funded

Liberty Ranch High School provides a multitude of services to support the individual success of each student, inside and outside of the classroom. Liberty Ranch High School is invested in the well being of the whole student and the outcome of their personal and academic goals. Some of the many services that we provide in order to support our goals for their growth are:

- After school tutoring is offered three times a week by certificated teachers and instructional assistants.
- Paper tutoring available online 24 hours a day to students.
- Math intervention classes (Math Foundations, IM1A and IM1B) to students who start high school with math deficiencies.
- After-school Flex, which is a program for students who need to recover credits missed during regular instructional hours, or students wishing to retake a course to become A-through-G qualified.
- English Language Development (ELD) classes to support ALL our English Language Learners.

Fiscal Year 2022-23 Types of Services Funded

- Special Education Services: all SPED students are provided the services as determined on their IEP.
- One Eighty Counseling - an additional third-party onsite service for students in crisis or for those that need continuous care and support.
- Academic counseling - each student has an academic counselor that supports their path towards graduation.
- AVID: a program primarily for first-generation college-bound students and open to all other students who seek support to college opportunities and college field trips and experiences.
- AP/Honors: We offer many AP classes and English Honors classes which are open to all students in order to take classes that prepare them for college and potentially allow them to bypass undergraduate credits once in their college.
- Athletics: We offer many sports programs during fall, winter and spring to support students physically.

Professional Development

Galt Joint Union High School District plans, implements, and evaluates professional development opportunities for administrators, teachers, and other staff. Staff members are encouraged to attend district-sponsored training and professional development programs.

Galt Joint Union High School District offers two district-wide staff development days annually; as well as many additional opportunities targeted for specific departments or groups. In addition to four full days of district-wide staff development, twenty five partial days of professional development were offered by the district.

During district-wide staff development days, teachers are offered professional growth opportunities in effective teaching strategies in the classroom. Topics for staff development include: English language development, Universal Design for Learning, academic conversations in the classroom, writing across the curriculum, student-centered problem solving in mathematics, implementing California State Standards and Frameworks, and instructional technology.

Galt Joint Union High School District participates in both the Teacher Induction Program which is a mentoring program for new teachers, and Peer Assistance and Review (PAR), a program that pairs exemplary teachers with others to assist in teaching strategies.

This table displays the number of school days dedicated to staff development and continuous improvement.
