2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

School Mission:

Galt High School strives to provide a safe and comfortable environment where all students can maximize their own personal potential through rigorous exploration of a variety of pathways to college and career readiness.

Schoolwide Learner Outcomes (SLO's):

GHS Warriors are GALT!

G - Goal-oriented

College and Career Planning; Senior Seminar; AVID; CAASPP scores; percentage of CTE Pathway completers; A-G completion rates.

A - Academic Achievers

Cumulative GPA; SRI score improvement; Honor Roll; AP Exam passage rate; Two/Four-year college acceptance rate.

L - Leaders in the Community

Community service hours; school club participation; volunteering; job shadowing; internships and/or work experience.

T - Technologically Literate

CANVAS/PowerSchool usage; digital citizenship; consuming and producing information ethically and responsibly; media literacy.

Principal's Message:

The voters of California first established the School Accountability Report Card (SARC) in 1988. The Report Card, issued annually for each public school in the state, requires schools to provide our community with information regarding the status of our schools. More importantly, the SARC has become a means for initiating conversations that engage our parents and community in the life and improvement of our schools. As you read through the SARC, you will see that the school is deeply committed to the success of each of our students and supporting them with a rigorous standards-based curriculum through a collaboration of students, parents and staff.

SCHOOL PROFILE

Galt High School is located at the southernmost end of Sacramento County in Galt, California. The city is situated between the state capitol of Sacramento and Stockton in the northern San Joaquin Valley. The economy of the city, which was founded in 1869, experienced rapid growth during the 1990s and early 2000s as a commuter town with many of its inhabitants traveling to Sacramento, Lodi, or Stockton for employment. In spite of the growth, and economic challenges within the community, Galt has

2023-24 School Description and Mission Statement

preserved its safe, “small town” culture with hardworking families who welcome new community members of many ethnicities and who maintain pride in the town’s history.

Opened in 1911, Galt High School (GHS) is the eldest of three high schools in the Galt Joint Union High School District. The district hosts approximately 2,200 students at two comprehensive and one continuation school. New and continuing programs and partnerships of support are available to our students and our community including Adult Education.

A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Permits and Waivers	0.00	0.00
Misassignments	1.10	0.50
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	1.10	0.50

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	1.00	0.80
Total Out-of-Field Teachers	1.00	0.80

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	1.7	1.7
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	6.3	2.1

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Galt Joint Union High held a public hearing on September 21, 2023, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a

recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

School Facility Conditions and Planned Improvements

Galt High School was constructed in 1911 and consists of 89 classrooms, five computer labs, a library, a multi-purpose room, a staff lounge, a two story science building and a student common area.

Cleaning Process and Schedule

Galt High School provides a safe, clean environment for students, staff, and volunteers. The district governing board has adopted cleaning standards for all schools in the district. A team of custodians ensures classrooms, restrooms, and campus grounds are kept clean and safe.

Facility Improvements & Modernization

Completed Projects:

Technology Upgrade: Updated Core Data Center and District Infrastructure to improve performance, reliability, manageability & security of infrastructure and provide wireless access across all sites; included replacement of all fiber and copper cabling across Galt High School campus.

Removed Portables at Galt HS: Demolished 11 abandoned relocatable classrooms (Rooms 98, 98.5, and 99 through 107) at Galt High School.

Core Building Modernization Phase One: Completed first phase of modernization of older core building, install new marquee and upgrade path of travel to be ADA compliant. Buildings included in this phase are ceramics/wood shop, Ag, music and welding/small engine shop. Scope of work included roofing, HVAC, underground utilities and replacement of windows.

School Facility Conditions and Planned Improvements

Grandstands Replacement: Removed and replaced GHS Home Grandstands with permanent grandstands with press box which seats 1800 people and meets all ADA and safety requirements. Project includes fabrication and installation of visitor grandstands which will seat 400 people.

Athletic Field Improvements: Complete GHS stadium complex. Project includes installation of all-weather track, synthetic field, and site improvements.

Science/Biomedical Science Building: Built new two-story science/biomedical building to replace aging portables. The new building measures 16,000 square feet and added 11 new classrooms (including chemistry and biomedical labs).

Agriculture CTE Additions: Addition of an Agri-science classroom, storage room for lab equipment and supplies, a fully functional agricultural processing/testing lab for Agri-science projects and industry trials and addition of ADA compliant restrooms.

Energy Improvements: Installed LED lighting, HVAC systems, and HVAC controls upgrades to improve energy efficiency.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A scheduled maintenance program, as well as a work order process, is administered by Galt Joint Union High School District to ensure that all classrooms and facilities are maintained to provide for good learning.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
- 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
- 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	18	19	21	26	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. 2022-23 Career Technical Education Programs

It is the goal of the school that students understand the importance of academic subjects and experience how employees apply subject learning to work situations. The school's programs focus on preparing students to think conceptually, communicate effectively, and apply skills in real-world contexts. Curriculum and instructional strategies foster critical thinking, problem solving, leadership, and academic skills.

The district's CTE Advisory Committee is led by Jason Lopez, Director of Student Services. Industries represented on the committee include: agriculture, hospitality, engineering and information technology.

The following Career Preparation courses are available at the school:

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parents and the community are very supportive of the education program at our school. The parents and community members of Galt participate in a number of different aspects of the school. Parents and community members serve on advisory committees, booster clubs, and the school site council. Community members often coach FFA judging teams, and community members serve as guest speakers in a variety of classes based on their life experiences and occupations.

Partnerships exist between Galt High School and the community at large. Students in our agriculture mechanics and floral design programs build projects to be used by community members. Galt FFA works with the local Blood Source to hold two blood drives a year open to students and the public. The BEST Academy and Work Experience programs provide opportunities for employment in our community as well as internships at local industry leaders. Our students also gain valuable real world work experience through relationships between our school and local businesses.

Parents who wish to participate in Galt High School's leadership teams, school committees, school activities, or become a volunteer may contact the main office at (209)745-3081.

2023-24 School Safety Plan

Safety of students and staff is a primary concern of Galt High School. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are held regularly throughout the year. The School Site Safety Plan has been implemented and is updated annually each summer; the School Site Safety Committee is comprised of school administration, Galt Police Department and District Staff. The plan was last updated in October 2023. Daily monitoring of school grounds before, during, and after school is performed by assigned staff. All visitors must sign in at the school's main office before entering the campus.

The Comprehensive School Safety Plan was developed by the School Site Council in cooperation with local law enforcement in order to comply with Senate Bill 187 of 1997. The plan provides students and staff a means to ensure a safe and orderly learning environment. Components of the Comprehensive School Safety Plan include: Emergency Safety Procedures binders in each classroom; Detailed evacuation plans for fire and other emergencies; Detailed lockdown plans for other emergencies.

Fiscal Year 2022-23 Types of Services Funded

Galt High School provides a multitude of services to support the individual success of each student, inside and outside of the classroom. Galt High School is invested in the well being of the whole student and the outcome of their personal and academic goals. Some of the many services that we provide in order to support our goals for their growth are:

After school tutoring, three times a week by certificated teachers and instructional assistants.

Paper tutoring, available online 24 hours a day to students.

Math intervention classes (IM1A/B), students are placed in Math classes to support some prior deficiencies.

After School Flex, a program for students who need to recover credits missed during regular instructional hours, or students wishing to obtain a higher GPA.

ELD, English Language Development classes to support ALL our English Language Learners.

Special Education Services, All SPED students are provided the services as determined on their IEP.

One Eighty Counseling, an additional onsite service for students in crisis or for those that need continuous care and support.

Academic Counseling, each student has an academic counselor that supports their path towards graduation.

AVID, A program primarily for first generation college bound students and open to all other students who seek support to college opportunities and college field trips and experiences.

AP/Honors- We offer many AP classes and Honor classes which are open to all students in order to take classes that prepare them for college and potentially allow them to bypass undergraduate credits once in their college.

Athletics- We offer many sports programs during Fall, Winter and Spring to support students physically.

Professional Development

Galt Joint Union High School District plans, implements, and evaluates professional development opportunities for administrators, teachers, and other staff. Staff members are encouraged to attend district-sponsored training and professional development programs.

Galt Joint Union High School District offers two district-wide staff development days annually; as well as many additional opportunities targeted for specific departments or groups. In addition to four full days of district-wide staff development, twenty five partial days of professional development were offered by the district.

During district-wide staff development days, teachers are offered professional growth opportunities in effective teaching strategies in the classroom. Topics for staff development include: English language development, Universal Design for Learning, academic conversations in the classroom, writing across the curriculum, student-centered problem solving in mathematics, implementing California State Standards and Frameworks, and instructional technology.

Galt Joint Union High School District participates in both the Teacher Induction Program which is a mentoring program for new teachers, and Peer Assistance and Review (PAR), a program that pairs exemplary teachers with others to assist in teaching strategies.

This table displays the number of school days dedicated to staff development and continuous improvement.
