

Natomas Charter School

2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Contact Information

School Name	Natomas Charter School
Street	4600 Blackrock Drive
City, State, Zip	Sacramento, California 95835
Phone Number	916-928-5353
Principal	Joe Wood, Ed.D.
Email Address	jwood@natomascharter.org
School Website	www.natomascharter.org
County-District-School (CDS) Code	34 75283 3430659

2023-24 District Contact Information

District Name	Natomas Charter School
Phone Number	916-928-5353
Superintendent	Joe Wood, Ed.D.
Email Address	jwood@natomascharter.org
District Website	www.natomascharter.org

2023-24 School Description and Mission Statement

Natomas Charter School Overview

Authorized in 1993, Natomas Charter School (NCS) is the 19th charter to be numbered in the state of California. NCS was a school created from "the ground up" to serve a diverse number of students in the Natomas Unified School District and the surrounding Sacramento area. During its 30 years of operations, NCS has grown from 80 students to nearly 1,900 students in five innovative academies that span TK-12th grades. All NCS academies provide students the opportunity to develop unique interests, uncover hidden talents, experience satisfaction in accomplishments, gain a sense of responsibility, and pursue education as a way of life through educational programs tailored to their own specific needs. Today, Natomas Charter School is considered one of the most reputable public charter schools in California and has distinguished itself both at the state and national levels.

All NCS Academies have the following distinguishing characteristics as established in the NCS charter:

- ** High Academic Expectations
- ** Active "Real-Life" Learning
- ** Parental Involvement
- ** Differential Academic Plans
- ** Community Involvement

NATOMAS CHARTER ACADEMIC & ARTS DISTINCTIONS

Bronze Award (Top 10% of High Schools in the Nation), US News and World Report
Region's 25 Smartest High Schools (NCS ranked #16 based on SATs), Sacramento Business Journal
Top 10 High Schools in Region with Highest College Admissions Rate for Class of 2019, Sacramento Bee

California Distinguished School 2007 and 2013
California Exemplary Arts Award 2013
Civics Learning Award of Merit 2014, 2016, 2020
California Gold Ribbon School 2015
Region's #1 Ranked High School, Sacramento Business Journal
California Honor Roll School 2015, 2016, 2017, 2018, 2019
Rita Moreno Award for Best High School Musical 2022
One Voice Arts Ambassador Program – Turkey, China, and Costa Rica
Vocal Ensemble 1st Place Reno Jazz Festival 2019 and Best Overall Vocal Group Folsom Jazz Festival 2020
Percussion Ensemble, Orchestra, Jazz Band Excellent and Superior festival ratings 2017, 2018, 2019, 2022
Support Music Merit Award – National Association of Music Merchants 2020
NCS PFAA students named California Arts Scholars and recognized by the California State Summer School for the Arts and Herb Alpert Foundation as Emerging Young Artist Scholars 2021

About this School

2022-23 Student Enrollment by Grade Level

Grade Level	Number of Students
Kindergarten	141
Grade 1	111
Grade 2	106
Grade 3	108
Grade 4	117
Grade 5	110
Grade 6	210
Grade 7	206
Grade 8	218
Grade 9	148
Grade 10	129
Grade 11	147
Grade 12	118
Total Enrollment	1,869

2022-23 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	57.6%
Male	42.4%
American Indian or Alaska Native	0.1%
Asian	17.1%
Black or African American	9.3%
Filipino	5.8%
Hispanic or Latino	29.6%
Native Hawaiian or Pacific Islander	0.5%
Two or More Races	13.9%
White	20.2%
English Learners	7.3%
Foster Youth	0.1%
Homeless	0.5%
Socioeconomically Disadvantaged	21.9%
Students with Disabilities	10%

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	70.70	79.57	641.30	88.41	228366.10	83.12
Intern Credential Holders Properly Assigned	1.60	1.80	10.30	1.42	4205.90	1.53
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	13.30	15.00	39.50	5.45	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	2.00	2.25	11.50	1.59	12115.80	4.41
Unknown	1.20	1.37	22.60	3.12	18854.30	6.86
Total Teaching Positions	88.80	100.00	725.40	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	67.50	79.40	637.70	85.72	234405.20	84.00
Intern Credential Holders Properly Assigned	3.60	4.23	15.40	2.08	4853.00	1.74
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	8.50	10.02	60.00	8.07	12001.50	4.30
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	2.30	2.74	7.70	1.03	11953.10	4.28
Unknown	3.00	3.59	23.00	3.09	15831.90	5.67
Total Teaching Positions	85.00	100.00	743.90	100.00	279044.80	100.00

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.00
Misassignments	13.30	8.50
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	13.30	8.50

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	1.00	0.00
Local Assignment Options	1.00	2.30
Total Out-of-Field Teachers	2.00	2.30

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	19.3	12
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	4.3	1.3

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The curriculum for Natomas Charter School consists of the concepts, content goals, and skills instruction reflected in the California State Standards and Frameworks in language arts, science, math, social science, world language, visual and performing arts, technology and physical education. The context in which these skills are developed are cultivated through an array of teacher-designed curricula and purchased instructional materials, along with a variety of instructional delivery methods. Students are challenged as active learners, and the curriculum encourages discovery and addresses students with a variety of skill levels.

Natomas Charter School has made significant investments in ensuring all students have access to textbooks and instructional materials. These investments have included purchasing Chromebooks for all students to access on site and at home if needed, purchasing digital subscriptions to instructional materials, implementing video conferencing services, along with take-home print materials. The school continues to partner with families to ensure students have internet access at home and access to all instructional materials in the event of extended illness and other absences through short-term independent study.

Year and month in which the data were collected

September 2022

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption ?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	All students have required learning materials.	Yes	0
Mathematics	All students have required learning materials.	Yes	0
Science	All students have required learning materials.	Yes	0
History-Social Science	All students have required learning materials.	Yes	0
Foreign Language	All students have required learning materials.	Yes	0
Health	All students have required learning materials.	Yes	0
Visual and Performing Arts	All students have required learning materials.	Yes	0

School Facility Conditions and Planned Improvements

Natomas Charter School has three campuses located in different neighborhoods in Natomas. Both the Blackrock and Star Academy campuses are owned by Natomas Unified School District and Natomas Charter School partners with the district to ensure these campuses are modern, well-maintained, and clean. Over the past twenty years, the school and district have worked together to design, modernize, and update these campuses through a series of financial projects including charter school facility grants and community school bonds. Natomas Charter School pays a 2% oversight and facilities use fee annually to ensure these campuses are maintained. The school's third campus, the PACT academy campus, is owned by Natomas Charter School and the school independently maintains this campus.

Natomas Charter School has been on its current Blackrock campus located in the Natomas Park neighborhood since September 2000. This campus houses the majority of the school's middle and high school student populations in three of the school's academies - Leading Edge Academy (LE), Performing and Fine Arts Academy (PFAA), and Early College Academy (ECA). Several modifications have been made to the campus over the past two decades, including the addition of multiple buildings and structures to the campus to enhance the environment and learning opportunities for students. These include several more modular classroom buildings, additional science labs for middle school students, a small arts gallery, an additional workspace and classroom space for ECA, a large covered outdoor eating area next to the cafeteria, a state-of-the-art performing arts theatre, and a school gymnasium. A new set of middle and high school classrooms, a physical education room, a renovated student services space, and a new set of music classrooms. Additional gating to increase student safety were added to this site through various financial and operational partnerships between Natomas USD and Natomas Charter School.

Natomas Charter School's site-based TK-5 program, Star Academy, is located on campus in the Natomas Crossing neighborhood, approximately 2.2 miles from the Blackrock campus. The Star Academy campus was built specifically for the academy during the 2016-2017 school year. This campus includes a multipurpose room, school library and library media center, administration building, grade-level common "hub" spaces and extensive playground space.

The PACT program is located in a commercial building in the Natomas Pointe Plaza approximately 2.0 miles from the NCS Blackrock campus. This building was purchased and developed by Natomas Charter School specifically for the PACT program during the 2019-2020 school year. While the campus is a still relatively new building, Natomas Charter School allocates funds to ensure the deferred maintenance for this facility.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
English Language Arts/Literacy (grades 3-8 and 11)	64	66	46	44	47	46
Mathematics (grades 3-8 and 11)	42	42	30	30	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	1109	1098	99.01	0.99	66.30
Female	629	619	98.41	1.59	68.66

Students Receiving Migrant Education Services	--	--	--	--	--
Students with Disabilities	107	106	99.07	0.93	33.02

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	1109	1097	98.92	1.08	42.52

Students with Disabilities	107	106	99.07	0.93	15.09

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
Science (grades 5, 8 and high school)	46.10	47.42	19.80	24.45	29.47	30.29

2022-23 CAASPP Test Results in Science by Student Group

This table displays CAASPP test results in Science by student group for students grades five, eight, and High School. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded

Military	0	0	0	0	0
Socioeconomically Disadvantaged	149	149	100.00	0.00	38.26
Students Receiving Migrant Education Services	--	--	--	--	--
Students with Disabilities	57	56	98.25	1.75	8.93

2022-23 Career Technical Education Programs

Natomas Charter School has aligned its current arts courses with the Arts, Media and Entertainment Career and Technical Education Pathway. Below are the program sequences offered by the school in each area.

Visual/Commercial Art

- * Introduction to Visual/Commercial Art
- * Advanced Visual/Commercial Art

Media Arts

- * Introduction to Graphic Design
- * Advanced Graphic Design

Dance

- * Introduction to Dance/Choreography
- * Intermediate Dance/Choreography
- * Advanced Dance/Choreography

Music

- * Introduction to Professional Music
- * Intermediate Professional Music
- * Advanced Professional Music

Acting/Theatre

- * Introduction to Professional Theatre
- * Intermediate Professional Theatre
- * Advanced Professional Theatre

Stagecraft

- * Introduction to Stage Technology
- * Advanced Stage Technology

Game Design

- * Introduction to Game Design
- * Intermediate Game Design
- * Advanced Game Design

2022-23 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	671
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	98.9
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	100

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2022-23 Pupils Enrolled in Courses Required for UC/CSU Admission	100
2021-22 Graduates Who Completed All Courses Required for UC/CSU Admission	80.67

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 5	100%	100%	100%	100%	100%
Grade 7	97.1%	98.6%	98.6%	98.6%	98.6%
Grade 9	95.9%	97.0%	97.2%	97.2%	97.2%

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Natomas Charter School is founded on the belief that active parental involvement in the school is a key component to student success. Because the charter's mission is to provide unique learning experiences to its students, the school encourages families to be active partners in the educational process through many activities including volunteering in classrooms, chaperoning field trips and school events, as well as supporting students with their homework and classwork outside of school. Active volunteering is one the school's strengths. Families in Star Academy, Leading Edge, PFAA, and ECA are encouraged to volunteer 30 hours each school year and families in PACT are encouraged to volunteer 10 hours per school year in addition to their homeschooling duties. In most school years, families contribute over 20,000 documented volunteer hours. All academies share that actual volunteer hours exceeded the numbers reported because not all parents "log" their hours with the school. Parent representatives from the NCS Academies sit as voting members of the Natomas Charter Board of Directors. Parents are engaged in additional committees such as the Inclusive Education Parent Committee and the English Learner Advisory Committee (ELAC).

2023-24 Opportunities for Parental Involvement

Across all five academies, families are engaged through both formal and informal partnership groups with the school. These include the academy parent organizations, Star Academy Network of Volunteers at Star (NOVAS), Leading Edge Active Parents (LEAP), PFAA Parents for the Arts (P4A), and ECA Parent Involvement Committee (EPIC). At PACT, due to the nature of home-schooling, parents are directly involved in the daily learning activities of their children. PACT families have an online social media group, KOURT, where families can share ideas for learning experiences, set up social events such as park meetups and outings, solicit advice from other homeschooling families, and receive information about PACT-sponsored events and activities. At ECA, families are encouraged to attend monthly advisor meetings and regularly visit the campus as part of a welcome orientation, coffee with the principal, and community breakfast events.

Regular email updates along with the school's learning management system (Schoology) provide parents access to all class content and individual information regarding student academic progress. Additionally, the family partnership groups have developed email lists to inform each other about school activities and parent participation events, such as parent and class meetings. Parents are invited to attend quarterly English Learner Advisory Committee (ELAC) to discuss supporting their students, share feedback, and learn about the State Seal of Biliteracy. Typically, many parents can be located on campus during any given day at Natomas Charter School, assisting the office, working in the classroom, directing traffic, monitoring the campus and/or coordinating or setting up school events. All involved in the school believe active participation by the parents of students in all five academies is an integral element in the growth and health of Natomas Charter School. Over the years, NCS parents have been active partners with the administration, staff and students in helping to make the school what it is today.

Parent support is reflected in the strong academic progress students are making in benchmark assessments and course grades throughout the school year. Any parents who need additional support or are interested in taking a more active role in their student's education are encouraged to contact their student's classroom teacher and academy principal. Current email addresses and contact information can be found in our school staff directories posted at <https://www.natomascharter.org>

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2020-21	School 2021-22	School 2022-23	District 2020-21	District 2021-22	District 2022-23	State 2020-21	State 2021-22	State 2022-23
Dropout Rate	0	1.6	0.8	1.6	1.5	2	9.4	7.8	8.2
Graduation Rate	98.3	96	97.5	95.3	96.1	94.3	83.6	87	86.2

2022-23 Graduation Rate by Student Group (Four-Year Cohort Rate)

This table displays the 2022-23 graduation rate by student group. For information on the Four-Year Adjusted Cohort Graduation Rate (ACGR), visit the CDE Adjusted Cohort Graduation Rate web page at www.cde.ca.gov/ds/ad/acgrinfo.asp.

Student Group	Number of Students in Cohort	Number of Cohort Graduates	Cohort Graduation Rate
All Students	119	116	97.5
Female	70	68	97.1
Male	48	47	97.9
Non-Binary			
American Indian or Alaska Native	0	0	0.00
Asian	14	13	92.9
Black or African American	--	--	--
Filipino	--	--	--
Hispanic or Latino	36	36	100.0

Homeless	0	0
Socioeconomically Disadvantaged	0.77	0
Students Receiving Migrant Education Services	0	0
Students with Disabilities	1.4	0

2023-24 School Safety Plan

Natomas Charter School's Comprehensive Safety Plan is continuously updated as needed and follows the recommendations outlined in California Education Code Sections 32280-32289, which provide the key elements of the plan. The Comprehensive Safety Plan is reviewed and updated annually by a School Safety Committee. The School Safety Committee consists of teachers, staff, administrators, parents, and students representing each of the school's five academies. The Comprehensive Safety Plan was last reviewed and approved by the Natomas Charter School Board at its February 2023 Meeting and will be reviewed in February 2024. The School Safety Committee regularly meets with students, staff, and faculty to review all elements of the safety plan. All staff and faculty receive formal training on the school safety plan at least annually. Our current safety plan can be found at <https://www.natomascharter.org/accountability>

D. Other SARC Information Information Required in the SARC

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2020-21 Elementary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
K	12	7	5	
1	10	8	4	
2	10	8	4	
3	9	9	4	
4	11	8	3	
5	10	9	3	
6	21	22	40	4
Other	4	1		

2021-22 Elementary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
K	13	6	5	
1	11	6	4	
2	10	7	4	
3	10	7	3	
4	12	6	3	
5	13	6	3	
6	21	18	39	3
Other	26		1	

2022-23 Elementary Average Class Size and Class Size Distribution

This table displays the 2022-23 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
K	13	6	5	
1	11	6	4	
2	10	7	4	
3	10	7	3	
4	12	6	3	
5	13	6	3	
6	21	18	39	1
Other	26		1	

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	25	8	21	1
Mathematics	25	10	15	3
Science	26	7	16	1
Social Science	27	4	21	1

2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	25	6	9	1
Mathematics	25	8	18	1
Science	27	7	13	2
Social Science	27	3	21	1

2022-23 Secondary Average Class Size and Class Size Distribution

This table displays the 2022-23 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	25	7	21	2
Mathematics	26	6	20	1
Science	26	4	19	0
Social Science	27	5	19	1

2022-23 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	339.82

2022-23 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	5.5
Library Media Teacher (Librarian)	2
Library Media Services Staff (Paraprofessional)	1
Psychologist	3
Social Worker	0
Nurse	1
Speech/Language/Hearing Specialist	3
Resource Specialist (non-teaching)	0
Other	6.8

Fiscal Year 2021-22 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2021-22 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$11,203	\$3,380	\$7,823	\$62,906
District	N/A	N/A	\$8,835	\$77,358
Percent Difference - School Site and District	N/A	N/A	-12.2	-20.6
State	N/A	N/A	\$7,607	\$87,362
Percent Difference - School Site and State	N/A	N/A	17.2	-32.5

Fiscal Year 2022-23 Types of Services Funded

Natomas Charter School provides academic support classes as after school homework tutoring as well as a variety of enrichment activities and classes to support academic progress and enhance engagement. NCS also has a variety of peer mentoring programs to support students. Over the past seven years, NCS has hired additional paraprofessionals to provide academic support and increased the percentage of social/emotional and academic counselors. During the 2019-20 school year Natomas Charter School started its own fully independent, in-house special education program. This included hiring all new special education staff and developing supports for students with individualized education plans. Along with all other schools in California and across the nation, NCS continues to work hard to ensure all positions are staffed with fully qualified and credentialed candidates. This includes partnering with local schools or education and credential programs.

Fiscal Year 2021-22 Teacher and Administrative Salaries

This table displays the 2021-22 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary	\$49,074	\$54,190
Mid-Range Teacher Salary	\$70,926	\$85,111
Highest Teacher Salary	\$102,749	\$104,999
Average Principal Salary (Elementary)	\$129,524	\$132,492
Average Principal Salary (Middle)	\$130,027	\$140,987
Average Principal Salary (High)	\$140,679	\$153,884
Superintendent Salary	\$330,455	\$255,503
Percent of Budget for Teacher Salaries	34.69%	32.09%
Percent of Budget for Administrative Salaries	6.33%	5.25%

2022-23 Advanced Placement (AP) Courses

This table displays the percent of student in AP courses at this school.

Percent of Students in AP Courses	1
--	---

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

Subject	Number of AP Courses Offered
Computer Science	0
English	0
Fine and Performing Arts	0
Foreign Language	0
Mathematics	1
Science	0
Social Science	0
Total AP Courses Offered Where there are student course enrollments of at least one student.	1

Professional Development

Since its inception, Natomas Charter School (NCS) has prided itself on being a “teacher-initiated” charter in which teachers take on the responsibility and accountability for creating and directing curriculum in their own classrooms to best meet student needs. In fact, each academy was purposefully created to be a small learning community for students as well as teachers. Moreover, teachers from each academy also have access to the collective materials, resources and curriculum from teachers in other academies. From the 2019-20 through 2022-23 school years, professional development has focused on Multi-Tiered Systems of Support (MTSS) by creating structures and building skills for all instructional staff in the areas of academic support and differentiation, social-emotional learning, and behavioral support strategies. During the 2021-22 school year, this focus on MTSS transitioned to examining student progress through deepening our understanding of Professional Learning Communities (PLCs). Teachers and staff are also engaged in an online MTSS course provided through the Orange County Office of Education as part of a MTSS Model School Grant NCS received in May 2021. This online course provides training and materials to assist all staff in developing skills to support our diverse student population with a focus on Universal Design for Learning, culturally relevant instruction, and data-informed practices. The staff also engaged in training on diversity, equity, and inclusion (DEI) with a local expert throughout the year in addition to a team of staff that lead DEI work at the school. Annually staff are provided opportunities for professional development in strategies for building a positive culture (Responsive Classroom), supporting EL students (GLAD), and continued support and training in specific curricula (i.e. ERWC, CPM, Ready Classroom, etc.).

Teachers in each academy regularly engage in professional learning communities (PLCs) to review assessment data, grades, and other measures of academic learning to identify gaps and to develop strategies and programs to support student learning and raise student achievement. Teachers new to the profession as well as teachers new to the school receive one-on-one support from mentor teachers and peer coaching and support. As funding allows, NCS allocates \$500 to each teacher annually for professional development to be used at each person's discretion. These funds have been used by teachers and administrators for attending workshops and conferences as well as for hiring substitutes to observe other teachers and to plan in grade-level/department teams.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2021-22	2022-23	2023-24
Number of school days dedicated to Staff Development and Continuous Improvement	8	8	8
