About This School

Mission Statement

Los Amigos is dedicated to empowering the whole child through creative, inclusive instruction that supports academic and social needs.

At Los Amigos, our vision is to:

- Be the heart of Cucamonga, where students, staff, parents, and the community will collaborate to create a positive and productive learning environment.
- Inspire student engagement through meaningful real-life experiences to become productive and empathetic citizens in a changing world.
- Take an innovative 21st-century approach to instruction that redefines and inspires the classroom learning experience.
- Provide an equitable, diverse, and culturally inclusive enriching school experience that nurtures multiple intelligences while embracing inclusion and diversity.

School Description

Los Amigos School, located in the southwestern portion of the City of Rancho Cucamonga, is one of four schools in the Cucamonga School District. Los Amigos serves approximately 600 students from a State Preschool through 5th grade.

Principal's Message

As we embark on another exciting academic year, we are committed to fostering a dynamic learning environment that prepares our students for the challenges and opportunities of the 21st century. In today's rapidly evolving world, the landscape of education is changing, and so is how we approach teaching and learning. Our dedicated team of educators is passionate about providing an innovative and forward-thinking curriculum that equips students with the skills and knowledge necessary for success in the modern world. From embracing cutting-edge technology to encouraging critical thinking and collaboration, we are dedicated to nurturing the next generation of leaders, thinkers, and problem-solvers.

As a staff, we continually develop ways to improve academic learning opportunities for every student. We analyze data, develop instructional strategies, work on refining the curriculum, and participate in professional development. Each educator is equipped and prepared to teach all subjects in a captivating and motivating way. Our staff members are committed to providing every child with a quality, 21st-century education through our Portrait of a Graduate lens. The school and community provide the environment, the opportunity to learn, positive encouragement, and the support necessary to take advantage of these learning opportunities.

We recognize that education is a collaborative effort that extends beyond the classroom walls. Our commitment to partnering with families and the broader community is unwavering. We believe that a strong partnership between home and school is essential for the holistic development of our students. We encourage open communication, involvement, and active participation in your child's educational journey. Together, we can create a supportive network that fosters a sense of belonging and achievement.

Creating a safe and nurturing learning environment is paramount to our mission. We strive to ensure that every student feels valued, respected, and empowered to reach their full potential. Our school is not just a place of academic growth but a community where diversity is celebrated and individual differences are embraced. We provide a secure, engaging space for students to explore, learn, and thrive.

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority, 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Quality, Currency, and Availability of Textbooks and Instructional Materials (School Year 2023-24)

All students are afforded Standards-based quality textbooks and materials. Funds are available for the purchase of consumable texts, additional books, technology support materials, and updates as needed. All students have access to our school library where resources are available to support and augment the school program. Materials such as math manipulatives, core literature, and leveled reading books are also utilized in the instructional program. In addition to the regular core program, our Special Education program is using READ 180, as well as a variety of supplemental research-based intervention programs. All classrooms have access to an LCD Projector, DVD Player, document camera, TV, computer, and the internet.

The Board of Trustees has formally adopted the State recommended content standards for Reading/Language Arts, Mathematics, History/Social Science, Science, and English Language Development. Teachers and parents are provided with a listing of grade-level specific content standards. Standards-aligned and state-adopted instructional materials are provided for all students in all these content areas. These materials are consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education in the core curriculum areas of reading/language arts, mathematics, science, and history-social science. Supplemental instructional materials to support the transition to the Common Core State Standards have been purchased for all grade levels. Professional development, assessment and program monitoring are provided to ensure teachers are effectively using the adopted content standards to guide instruction and to improve student achievement.

This table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school; whether the textbooks and instructional materials are from the most recent adoption (yes/no); and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials. The adoption of the resolution regarding the sufficiency of textbooks and instructional materials for fiscal year 2023-2024 pursuant to Education Code Section 60119 and 60422(b) was done on December 7, 2023 at a Regular Board Meeting.

Specialized Services

Gifted and Talented Students (GATE): are identified twice a year. GATE students are clustered, and teachers differentiate instruction in the classroom to meet their needs. An after-school program and field trips emphasize a STEAM focus for the identified GATE students.

At-Risk Students: are identified using multiple measures and are served in several ways. The intervention team works with each grade level. Students are provided 30-45 minutes of instruction four days a week. During this time, the students receive remedial or enriched instruction from the grade level teachers, the RSP teacher, instructional assistants, and intervention teachers.

English-Language Learners: English language learners are identified on the ELPAC test each year. Students receive 30 minutes of ELD instruction with the classroom teacher. Students who do not meet their targeted growth work with an intervention teacher and instructional aides in a remedial program through either a push-in or pull-out model.

Students with Disabilities: are identified and served by an RSP teacher, an SDC teacher, and instructional assistants who work on their areas of need to meet their IEP goals.

After-School Programs:

- Los Amigos works with our teachers and the City of Rancho Cucamonga to provide after-school enrichment classes for kindergarten – 5th-grade students, including cooking, social-emotional support, sports, technology, coding, podcasts, community service, photography, history, and theater.
- Los Amigos works with our teachers to provide after-school intervention classes for 1st – 5th-grade students, focusing on various foundational language arts and math skills.
- The Think Together Program provides after-school instruction, enrichment, and physical fitness five days a week for grades K-5.

Technology

Every kindergarten through second-grade student has an assigned iPad tablet, and every third through fifth-grade student has an assigned Surface Pro tablet used for daily instruction in their classrooms. Students in grades third through fifth can check out an additional home-use device. All

devices are connected to the internet for research and information. The Internet access is screened through a firewall system monitored by the San Bernardino County Superintendent of Schools. Classrooms have PCs, laptops, printers, document cameras, and projectors. All students and employees who use computers must sign Technology Use Agreements. In addition, students go through technology use and digital citizenship lessons facilitated by their classroom teacher.

School Facilities

School Facility Conditions and Planned Improvements

Los Amigos Elementary School opened on July 1, 1980. The multipurpose room, playground, and front office remodel began in 2011-2012 with a completion date of December 2012. The next phase started in January 2013, replacing 14 existing portable classrooms with 14 permanent classrooms. In addition, the parking lots and surrounding landscaping were also updated. The completion date was August 2014.

Every teacher has adequate classroom space. The playground has been upgraded with new concrete and has a large tetherball, basketball, four-square, and handball area. The grass area is large enough for kickball, soccer, and playing catch. Our equipment is supported by wood chips that cushion a slide, swings, and hanging bars. The staff lounge is located upstairs, where staff has space to eat. The workroom has copiers, laminators, cutting boards, and a die-cut machine.

Cleaning Process and Schedule

We have made a conscientious effort to provide a clean and attractive campus. Students are encouraged to have pride in their school and keep the campus clean. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

The district takes efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the school office or at the District office.

SCHOOL ACCOUNTABILITY REPORT CARD

School Facility Good Repair Status (School Year 2023-24)

To determine the condition of our schools, the district sends experts from the facilities team to inspect them. The facilities team uses a survey, called the Facilities Inspection Tool, issued by the Office of Public School Construction. The latest inspection took place on June 30, 2023. The information from that survey, as outlined below, reflects the condition of our buildings as of the date of the report. Since that time, circumstances may have changed.

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	Vents dirty in more than one room. (Action taken 7/20/23—11/30/23)
Interior: Interior Surfaces	Fair	Pencil sharpener cover missing in one room. Carpet lifting in more than one room. Water damage to sink countertop in one room. Ceiling tiles are missing in one room. Ceiling tiles stained in one room. Hole in linoleum flooring in one room. (Action taken 7/26/23) Formica trim is chipping on countertop in one room (Repaired 9/25/2023).
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	No repairs needed at the time of inspection.
Electrical: Electrical	Good	Light panel out in more than one room. (Action taken 7/20/2023)
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	Faucet has low flow in more than one room. Drinking fountain has low flow. Handle on drinking fountain broken. Faucet leaks at fitting in one room. (Repaired July 2023)
Safety: Fire Safety, Hazardous Materials	Good	No repairs needed at the time of inspection.
Structural: Structural Damage, Roofs	Good	No repairs needed at the time of inspection.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	Key does not turn door lock in one room. (Action taken 7/20/2023)
Overall Rating:	Good 97.59%	

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The most recent inspection took place on June 30, 2023.

Pupil Outcomes

State Priority: Pupil Achievement

- Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
- Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
- California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready: The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parent Involvement

Contact Person: Our Parent Liaison, Valeria Aguilera; ELAC, Silvia Elvis; SSC, Victoria Rigney

Phone Number: (909) 982-8387

Parents are an integral part of student success. Studies show that when parents participate in their children's education, they do better in school. Our parent liaison works hard to recruit volunteers, as does our staff. Parents are also active in monitoring student homework and working collaboratively with teachers to improve the quality of their children's education. Parent involvement is necessary for making our school plan's vision work. In addition, our parents help teach dancing in after-school programs to increase students' opportunities.

SCHOOL ACCOUNTABILITY REPORT CARD

Attendance

Research shows that school achievement correlates highly with school attendance. Lost days mean that students miss out on learning, and schools receive less money, which results in reduced services to the students. Attendance is closely monitored. Programs that reward good attendance and remediate poor attendance include recognition, certificates, our Attendance Recovery Saturday Program, the Student Attendance Review Team, and the County Student Attendance Review Board. The staff, parents, and students at Los Amigos Elementary School are working together to maintain a high attendance percentage.

Continuous growth and refinement of our skills to help students be successful is the most critical thing we can do to improve the achievement levels of all students. Cucamonga School District is committed to providing quality professional development opportunities for all employees certificated and classified, so this can happen. We provide professional development that is part of a comprehensive effort to ensure high levels of learning.

During the 2023-2024 school year, Cucamonga School District Staff Development focuses on 21st Century Learning, the Portrait of a Graduate, Professional Learning Communities, and Common Core State Standards. Teachers are invited to participate in release days involving collaborative learning focused on formative assessment strategies, technology integration, instructional strategies, Common Core State Standards, social-emotional learning, and the building of content knowledge. The site and district coaches provide support in multiple areas, including literacy, math, science, and technology. The Positive Behavioral Intervention System (PBIS) foundation has continued through professional development. Every year, teachers are allowed to select PD training from a list of suggested trainings aligned with the district's vision and Portrait of a Graduate.

School Safety

SB187 Safety Plan

Date the plan was last updated: August 1, 2023

Date the plan was last reviewed with staff: October 6, 2023

The Comprehensive Safe School Plan includes data regarding crime, safe school procedures, and compliance with laws including (1) child abuse reporting, (2) disaster response, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) school-wide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, (9) rules and procedures on school discipline adopted pursuant to Ed Code Sections 35291 and 35291.5, and (10) lockdown procedures. In addition, a copy of the plan is available for inspection by the public at each school.

Cucamonga School District has implemented safety entrances at each of the sites that are designed to limit the number of visitors on campus. All entrance points are checked to ensure they are locked and secured during school hours. Lockdown buttons have also been installed at each of the sites that will direct staff and students to the nearest safe area. Lastly, two visitor management systems will be piloted to ensure visitors aren't listed under the nationwide sex offenders list.

Los Amigos has a safety team that meets monthly to conduct a site walkthrough to survey the campus of any visible safety hazards or violations. This team also reviews the safety plan annually and practices emergency drills monthly.

Discipline

Our goal is to create a productive learning environment for our students. To do this, we must have clear expectations and fair consequences. Behavior that is disruptive or which hurts others will not be tolerated. Los Amigos supports the implementation of PBIS. Second Step curriculum and Common-Sense Media are used in all grades.

Other SARC Information

Average Class Size and Class Size Distribution (Elementary)

The average class size is calculated by dividing the number of students enrolled in classes, excluding special education and a few other minor categories, divided by the number of classes. The following table provides three years of data.

Grade Level	2020-21			2021-22			2022-23		
	Avg. Class Size	Number of Classes*		Avg. Class Size	Number of Classes*		Avg. Class Size	Number of Classes*	
		1-20	21-32		33+	1-20		21-32	33+
Kindergarten	19.0	5	1	17.0	5		18.0	2	4
Grade 1	22.0		4	19.0	5		15.0	5	
Grade 2	24.0		4	23.0		4	17.0	2	4
Grade 3	26.0		4	23.0		4	19.0	1	4
Grade 4	34.0		3	26.0		4	18.0	2	3
Grade 5	37.0		2	26.0		4	19.0	1	4
Other (multi-grade)	8.0	1		18.0	1	2	8.0	3	

*Number of classes indicates how many classes fall into each size category (a range of total students per class).

SCHOOL ACCOUNTABILITY REPORT CARD

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/.

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/.

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
