About This School

Vision

Rancho Cucamonga Middle School challenges its students to achieve their fullest potential as responsible learners and citizens.

Mission Statement

Rancho Cucamonga Middle School commits to preparing students for success today in order to be prepared for tomorrow by instilling pride.

- Promoting a positive and safe learning environment.
- Respecting students, parents, and each other.
- Inspiring critical thinking, creativity, and innovation.
- Demonstrating integrity and good communication skills.
- Encouraging students to rise to the challenge of high expectations.

School Description

Rancho Cucamonga Middle School (RCMS) was established in 1977 and encompasses the communities of both Rancho Cucamonga and Ontario. RCMS services approximately 800 6th, 7th, and 8th-grade students and operates on a modified traditional calendar.

Principal's Message

At Rancho Cucamonga Middle School, we have PRIDE: Positivity, Respect, Integrity, Determination, and Empathy. In addition, we believe in educating the whole child by providing all students a rigorous education in a safe learning environment and nurturing their socio-emotional growth. RCMS has a student-centered enrichment program where students can learn and explore areas such as computer science, theater, music, AVID (Advancement Via Individual Determination), Art, and Spanish, to name a few. We also have during and after-school clubs and activities for our students, such as organized sports, ASB (Associated Student Body), Drill Team, E-Sports and Lions TV.

Additionally, we offer our students a daily intervention and enrichment period called WIN (What I Need). Our parents and community play a vital role in the school's success. The School Site Council provides input and monitors school programs. At RCMS, our assets are our teachers and staff. Our staff is dedicated to the school by serving our students, communicating with parents, and always considering the students' best interests when making decisions.

RCMS is a beautiful school where everyone takes pride in their work. Our students bring a wealth of experiences to our school, and we work with every one of them to help them succeed, grow, and learn. Our teachers are passionate about their work, and our parents and community care about our school. Go Lions!

Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority, 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Quality, Currency, and Availability of Textbooks and Instructional Materials (School Year 2023-24)

All students are afforded Standards-based quality textbooks and materials. Funds are available for the purchase of consumable texts, additional books, technology support materials, and updates as needed. All students have access to our school library where resources are available to support and augment the school program. Materials such as math manipulatives, core literature, and leveled reading books are also utilized in the instructional program. In addition to the regular core program, our Special Education program is using READ 180, as well as a variety of supplemental research-based intervention programs. All classrooms have access to an LCD Projector, DVD Player, document camera, TV, computer, and the internet.

The Board of Trustees has formally adopted the State recommended content standards for Reading/Language Arts, Mathematics, History/Social Science, Science, and English Language Development. Teachers and parents are provided with a listing of grade-level specific content standards. Standards-aligned and state-adopted instructional materials are provided for all students in all these content areas. These materials are consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education in the core curriculum areas of reading/language arts, mathematics, science, and history-social science. Supplemental instructional materials to support the transition to the Common Core State Standards have been purchased for all grade levels. Professional development, assessment and program monitoring are provided to ensure teachers are effectively using the adopted content standards to guide instruction and to improve student achievement.

This table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school; whether the textbooks and instructional materials are from the most recent adoption (yes/no); and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials. The adoption of the resolution regarding the sufficiency of textbooks and instructional materials for fiscal year 2023-2024 pursuant to Education Code Section 60119 and 60422(b) was done on December 7, 2023 at a Regular Board Meeting.

School Facilities

School Facility Good Repair Status (School Year 2023-24)

To determine the condition of our schools, the district sends experts from the facilities team to inspect them. The facilities team uses a survey, called the Facilities Inspection Tool, issued by the Office of Public School Construction. The latest inspection took place on June 29, 2023. The information from that survey, as outlined below, reflects the condition of our buildings as of the date of the report. Since that time, circumstances may have changed.

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	Dirty vent in one room. (Action taken 7/20/23-11/30/23)
Interior: Interior Surfaces	Good	Linoleum flooring is lifting and has holes in one room. Formica trim chipping on the countertop in one room. Damaged ceiling tiles in more than one room. Holes in countertop in one room. Wallpaper is torn in one room. (Repaired August & September 2023)
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	Unsecured items stored too high in more than one room. One room is unkempt. (Action taken 8/30/2023)
Electrical: Electrical	Good	Light panel out in more than one room. Floor outlet covers are missing in more than one room. (Action taken 7/20/2023)
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	One drinking fountain has no flow. Toilet leaks at fittings in one restroom. (Action taken 7/20/2023)
Safety: Fire Safety, Hazardous Materials	Good	Evacuation map is not posted in one room. Paint is peeling on shade structure. (Action taken 9/26/2023)
Structural: Structural Damage, Roofs	Good	Dry rot on building.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	Door closer cover is missing in one room. One door has large gap at the top. Cracks are creating trip hazards. (Action taken September to November 2023)
Overall Rating	Good 96.54%	

School Facility Conditions and Planned Improvements

Rancho Cucamonga Middle School is situated on approximately 14.68 acres near Hermosa Avenue and Feron Boulevard in Rancho Cucamonga, California. The facility was built in 1977 and remodeled and renovated in 1990, 2010, and 2016. Our state-of-the-art Building C was completed in August of 2021 and includes a maker space, an outdoor learning center, and integrated technology in each room. We are currently in the process of renovating building B. Building B will have updated technology, an innovative library, and flexible learning spaces. Building B is expected to be completed by the summer of 2024.

Cleaning Process and Schedule

We have made a conscientious effort to provide a clean and attractive campus. Students are encouraged to have pride in their school and keep the campus clean. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

The district takes efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the school office or at the District office.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The most recent inspection took place on June 29, 2023.

Technology

All classrooms have access to the Internet. The access is screened through a firewall system monitored by the San Bernardino County Superintendent of Schools. All students and employees who use computers must sign Internet Use Agreements. We currently offer a 1:1 computer device program for students who attend Rancho Cucamonga Middle School.

Pupil Outcomes

State Priority: Pupil Achievement

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.

SCHOOL ACCOUNTABILITY REPORT CARD

3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready: The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Double dashes (--) are used in the table to protect student privacy when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Parents are an integral part of student success. Studies show that when parents participate in their children's education, they do better in school. Parents are also active in monitoring student homework and working collaboratively with teachers to improve the quality of their children's education. Parent involvement plays an integral part in making the vision of our school plan work. If you would like to volunteer at the school and/or become involved in the School Site Council or English Language Advisory Council, please get in touch with Monique Vasquez, our Parent Liaison.

School Safety

SB187 Safety Plan

Date the plan was last updated: September 2023

Date the plan was last reviewed with staff: September 2023

The Comprehensive Safe School Plan includes data regarding crime, safe school procedures, and compliance with laws including (1) child abuse reporting, (2) disaster response, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) school-wide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, (9) rules and procedures on school discipline adopted pursuant to Ed Code Sections 35291 and 35291.5, and (10) lockdown procedures. In addition, a copy of the plan is available for inspection by the public at each school.

Rancho Cucamonga Middle School utilizes various strategies and programs to encourage a high level of school safety. The school employs two assistant principals and two campus supervisors to help manage school safety issues that may arise. They also partner with the San Bernardino County Probation department to offer small-group classes to students and provide a full-time probation officer on campus to further support students and families. RCMS students also have access to our district clinical counselor, a full-time psychologist, a contracted counselor through West End Family Services, and a full-time "In-School Solutions" aide. These resources not only help students in times of crisis, but also offer proactive services and support to students.

Rancho Cucamonga Middle School and the Rancho Cucamonga Police Department have a close relationship, and they provide us with a school resource officer. The officer takes part in our discipline assembly by speaking to the students. The officer also cites the students in juvenile traffic court when their behavior warrants the citation. We have a closed campus with before and

after-school supervision. All visitors must check-in and out with the front office before visiting classrooms or leaving. All staff members are visible during passing periods, and many spend time outside during lunch.

Cucamonga School District has implemented safety entrances at each of the sites that are designed to limit the number of visitors on campus. All entrance points are checked to ensure they are locked and secured during school hours. Lockdown buttons have also been installed at each of the sites that will direct staff and students to the nearest safe area. Lastly, two visitor management systems will be piloted to ensure visitors aren't listed under the nationwide sex offenders list.

RCMS has a safety team that meets monthly to conduct a site walkthrough to survey the campus of any visible safety hazards or violations. This team also reviews the safety plan annually and practices emergency drills monthly.

Discipline

Our goal is to create a productive learning environment for our students. To do this, we must have clear expectations and fair consequences. Therefore, we utilize responsibility-centered discipline to help students learn to take responsibility for their behaviors and, thus, create an environment that brings out the best in every student. Additionally, we utilize restorative practices to promote inclusiveness, relationship-building, and problem-solving.

Student Support Services

Our on-site psychologist, district mental health team, and West End Family Services are available daily to help students with emergency psychological needs and those who need special group classes targeting pro-social skills, anger management, divorce, and the death of a loved one. Research shows that school achievement correlates highly with school attendance. Lost days mean schools receive less money, reducing student services. Attendance is closely monitored. RCMS uses programs that reward good attendance and remediate poor attendance, including the Student Attendance Review Team and the County Student Attendance Review Board. The staff, parents, and students at Rancho Cucamonga Middle School are working together to maintain a high attendance percentage. We strive to keep our attendance rate at 95% or better.

Student needs, and a focus on learning ultimately drives the master schedule. Student assessment is an ongoing focus at RCMS on a formal and informal basis. Annually, we review state assessments (CAASPP) to determine students' needs for the upcoming school year. Teachers are given PLC time weekly during the year to analyze student data and monitor and adjust instruction based on student needs. Students are kept informed of their progress regularly. In addition, the staff at RCMS formally conference twice a year with parents to keep them informed of their child's progress and review teacher and state assessments.

SCHOOL ACCOUNTABILITY REPORT CARD

If a student is at risk academically, we offer intervention classes to assist in meeting their academic needs. Students with disabilities are provided access to the core curriculum and can participate and receive support in the general education setting. Teachers offer various after-school intervention and enrichment opportunities to meet the needs of our students. Teachers employ peer tutoring as a strategy to help students within their classrooms. We also utilize an online tutoring platform that students can access in class and at home. All students are afforded equal access to all instructional programs and activities regardless of gender, ethnicity, or disability.

Other Funding (Fiscal Year 2022-23)

Funding is provided from state and federal special programs to supplement the core instructional program provided by the school district. These programs include:

Program	Amount
Restricted Lottery	\$145,053
After School Safety Program (ASES)	2,000
Total	\$147,053

Average Class Size and Class Size Distribution (Secondary)

The average class size is calculated by dividing the number of students enrolled in classes, excluding special education and a few other minor categories, divided by the number of classes. The following table provides three years of data.

Grade Level	2020-21				2021-22				2022-23			
	Avg. Class Size	Number of Classes*			Avg. Class Size	Number of Classes*			Avg. Class Size	Number of Classes*		
		1-20	21-32	33+		1-20	21-32	33+		1-20	21-32	33+
English	21.0	15	19	1	19	20	18		19	18	12	
Mathematics	22.0	14	16	1	19	22	15		22	13	13	
Science	25.0	4	15	1	22	9	15		23	5	14	
Social Science	25.0	3	17		22	9	15		24	4	14	

*Number of classes indicates how many classes fall into each size category (a range of total students per class). At the secondary school level, this information is reported by subject area rather than grade level.

Professional Development

Measure	2021-22	2022-23	2023-24
Number of school days dedicated to Staff Development and Continuous Improvement	130	110	130

Continuous growth and refinement of our skills to help students be successful is the most critical thing we can do to improve the achievement levels of all students. Cucamonga School District is committed to providing quality professional development opportunities for all employees certificated and classified, so this can happen. We provide professional development that is part of a comprehensive effort to ensure high levels of learning.

During the 2023-2024 school year, the focus of Cucamonga School District Staff Development is in the areas of Professional Learning Communities and Common Core State Standards. Teachers are invited to participate in five release days of collaborative learning that focuses on formative assessment strategies, technology integration, instructional strategies, Common Core State Standards, Structured Teacher Planning Time, and building of content knowledge. Lesson study demonstrations and coaching are provided through three subject areas: ELA, Math, and NGSS. The Positive Behavioral Intervention System (PBIS) foundation has also been continued through professional development. This year, teachers are given the opportunity to select PD training from a list of suggested trainings that align with the district's vision.

SCHOOL ACCOUNTABILITY REPORT CARD

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/.

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/.

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
