

Montera Elementary School
2022-2023 School Accountability Report Card
(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Montera takes great pride in presenting two distinctive educational programs: the Dual Language Immersion-Mandarin Classes and the Inclusion Classes. Pioneering the educational landscape in San Bernardino County, our Dual Immersion Mandarin program stands as the foremost initiative of its kind. Employing a 50/50 language model within a fun yet challenging learning environment, we purposefully guide our Montera Scholars to master grade-level standards, fostering biliteracy and bicultural proficiency in Mandarin and English.

2023-24 School Description and Mission Statement

Simultaneously, our Inclusion PK-2nd program orchestrates a supportive framework for student development through a robust collaboration between a General Education Teacher and an Educational Specialist. Embracing inclusionary practices and sophisticated instructional strategies, we diligently cater to the diverse needs of each student.

At Montera Elementary, our diverse staff employs effective, research-based practices that increase student engagement. Our focus lies on data-driven strategies and instruction, and we take pride in fostering a collaborative community of empowered learners. Within this community, we emphasize cultivating values such as safety, responsibility, and respect while steadfastly nurturing a collective commitment to college, career, and life readiness on a global level. Go Montera Eagles!

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Ontario-Montclair School Board approved several curricular adoptions that we implement here at Montera elementary. Our State Preschool, Special Day Class Preschool, and Transitional Kinder classes use Big Day by Houghton-Mifflin-Harcourt and supplement with Eureka. Our TK-K Special Day Classes use Wonders Works, Eureka, California Inspire Science, and California Vistas. Our Mandarin Dual Immersion uses Wonders, Better Immersion, Eureka, California Inspire, and California Vistas. General Education K-6th implements Wonders, Eureka, California Inspire, California Vistas, or World Interactive.

School Facility Conditions and Planned Improvements

Montera school site consists of 16 permanent classrooms, the main office, a library, an intervention lab, and a multipurpose room attached to a serving kitchen where students are served breakfast and lunch. Montera has retained 16 portable classrooms, two of which house a morning and afternoon Preschool. There are no current or planned facility improvements. All classrooms have Internet access and are equipped with student computers. All teachers have a laptop computer and a network printer in their classroom. The school has laptop carts for all grades.

Montera's campus is fenced and secured. Access is granted to all students thirty minutes prior to and thirty minutes after school. After morning arrival, access to the campus is limited through the front office. All visitors must check in via the district's Raptor System, where they will receive a printed badge that must be worn at all times while on campus. All Preschool parents must drop their students off in the classroom as the program requires sign-in and out daily.

Teachers and proctors supervise students on the playground during scheduled breaks throughout the school day. LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California OPSC. The results of this survey are available at the school office. Two full-time and one part-time custodian implement the cleaning standards as set by the district. The Head Custodian works with the Principal to develop a cleaning schedule that ensures a clean, safe environment that is kept in good repair. The report on this inspection was forwarded to the Superintendent of Schools. No corrections were required, as reflected elsewhere in this report. On an annual basis, the San Bernardino County Superintendent of Schools conducts Williams visits to monitor school sites to evaluate the sufficiency of instructional materials and to ensure that school site facilities are in good repair. Our Facility Inspection was conducted on December 12, 2023. No extreme or good repair deficiencies were observed.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	28	37	26	30	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Montera is dedicated to actively involving parents in their children's education through organized, ongoing, and timely engagement. Our open campus policy encourages parent volunteers in and outside the classroom. Annually, parents are invited to participate in decision-making through our governing board, School Site Council, and district advisory committees. The administration team holds three yearly meetings with parents of Title 1, English Language Learners, Special Education, and GATE students, fostering collaboration on school programs and activities to address unique needs within our learning community. This partnership is crucial for our continuous improvement in meeting diverse student needs.

Additionally, Montera emphasizes home-to-school connections through events such as Back to School Night, Open House, and parent conferences, ensuring parents stay informed about their child's progress, expectations, and available support. Family-focused events create opportunities for building lasting memories. Parent engagement extends to crucial meetings like Student Support Team, Student Attendance Review Team, and Individual Education Plan meetings, where collaborative strategies are devised to meet individual student needs. Montera parents play a central role in celebrating student success during the Student of the Month and Trimester Awards Assembly, where outstanding achievements are recognized and honored. For further details on parent involvement, please contact the front office at 909-445-1062.

2023-24 School Safety Plan

Montera Elementary places the utmost importance on ensuring the safety of our students. To achieve this goal, the School Site Council at Montera engages in an annual collaborative effort to develop a comprehensive School Safety Plan. This council is comprised of representatives from all key stakeholders, including parents, teachers, classified staff, and administration. The most recent adoption of the safety plan took place in February 2022.

Throughout the year, stakeholders actively participate in the review of the Safety Plan during designated staff and parent meetings. This collective effort ensures that the entire learning community is well-informed and prepared for various safety scenarios. Additionally, the school staff conducts regular safety discussions on a monthly basis.

To further enhance preparedness, both students and staff engage in practice drills, including fire, earthquake, and lock-down exercises, held twice a month. Looking ahead, administrators, teachers, classified staff, and parents are collaboratively working on updating the 2023 Safety Plan. This plan encompasses crucial information such as emergency contact numbers, the location of emergency supplies, and detailed disaster preparedness procedures. The commitment to ongoing collaboration and proactive measures underscores our dedication to maintaining a secure and resilient educational environment at Montera Elementary.

Fiscal Year 2022-23 Types of Services Funded

Montera School allocates categorical funds to support staffing needs and programs specifically tailored for the underachieving student population. The school's Multi-Tiered System of Support Team (MTSS) orchestrates case management and Student Success Team (SST) meetings, addressing students either exceeding or struggling to meet grade-level standards. This team, comprised of students, parents, referring teachers, Outreach Consultants, and School Administrators, focuses on individual student needs, particularly in academics and behavior. The administrative staff actively monitors student progress through various assessments, coordinating the implementation of supplemental school programs to cater to both accelerating and underachieving students. Montera School boasts a dedicated team, including a full-time Coach, ELOP Teacher on Assignment, Data Teacher on Assignment, Intervention Teacher, and instructional aides, collaborating with teachers to enhance student achievement. Students benefit from numerous intervention and enrichment opportunities provided during and after school hours, including small group sessions targeting identified needs. To address social-emotional needs, the Outreach Consultant offers services such as counseling, case management, basic needs, and housing resources.

On-site extracurricular activities cater to TK-6th-grade students, encompassing sports, academic tutoring, second language opportunities, music, Student Council, GATE club, and arts and crafts, offering diverse enrichment activities. Furthermore, Montera encourages student participation in district-sponsored events such as Math Pentathlon, Chess Tournament, Spelling Bee, Poetry Day, and Sports Tournaments. The school maintains a dedicated library with a part-time Library/Media Aide, providing students access to books and resources. Additionally, Montera collaborates with an afterschool program, extending services until six in the evening, through a partnership with Student Hires, ensuring a safe and enriching academic environment for all participating families.

Professional Development

Montara Elementary in Ontario-Montclair School District provides extensive opportunities for professional development. The OMSD Learning and Teaching Division provides professional development in all academic areas, visual and performing arts, social-emotional learning, positive behavior supports as well as the delivery of instruction. In addition, the district offers quality, ongoing professional development to all teachers by grade level, content area, and individual preference.

Montera's focus for professional development this year is on Effective Instructional Strategies, emphasizing Common Core readiness and Writing through Gradual Release using KAGAN strategies, Learning Targets and Depth of Knowledge activities. Montera selected its professional development focus based on the district's vision and the most recent SBAC and I-Ready Data. In addition, the staff meets three times a month on our Tuesday minimum day and by grade level in Professional Learning Communities to improve our professional practices.

Professional Development

Weekly feedback from the Principal and Assitant Principal and coaching opportunities by the site's instructional coach supports teachers in the mastery of site initiatives and curriculum implementation and ensures all students master content standards.

Students from Kinder to sixth grade utilize Universal Access coring in English Language Arts class for 45 - 90 minutes daily. Additionally, we provide on-site professional development to our teachers on alternate Tuesdays. Paraprofessionals and non-instructional staff are provided training opportunities through the district office and the school site. We focus on understanding positive student interactions and emphasize positive reinforcement, safety, responsibility, and respect.

District-level professional development includes workshop sessions and classroom support for beginning teachers (BTSA), courses for teachers working towards their teaching credentials, support for veteran teachers through the Peer Assistance and Review program (PAR), technology training and classroom support, leadership development for administrators, compliance workshops, and a variety of job-specific and mandated training for classified employees. In addition, OMSD has several sustained initiatives, including MTTS, PBIS, UDL, ECRI, SEL, and Restorative Practices.
