

Pathways to College K8
2022–23 School Accountability Report Card
Reported Using Data from the 2022–23 School Year
California Department of Education

Address: 9144 Third Ave.
Hesperia, CA , 92345-3643

Principal: Craig Merrill, Principal

Phone: (760) 949-8002

Grade Span: K-8

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About This School

Craig Merrill, Principal

📍 Principal, Pathways to College K8

About Our School

Mr. Merrill started his career with LAUSD as a Korean bilingual teacher, providing instruction to his 3rd grade Korean students at Hobart Elementary School. He was called on twice to serve as an Instructional Advisor for the Korean/English Dual Language Program, which he helped start back in the 90's. The program is still in operation today.

He took a leave of absence from the District in 2002 to accept an invitation to be a visiting professor at Seoul National University in the department of Korean Language Education. After one year he transferred to Korea Cyber University and taught English language pedagogy while serving as principal of their lab school. Upon his return to the States in 2010, he accepted a position as principal of Global Education Academy, a charter school under LAUSD.

While at Global Education Academy, Mr. Merrill twice petitioned LAUSD for renewal of the petition and was twice successful. He also assisted the school in exiting Program Improvement Status (PI) in the last year of this accountability measure. The school also received the Title I Achievement Award. He also successfully petitioned LAUSD to open two additional charter schools.

In sum, Mr. Merrill has 35 years of experience educating children and has been involved as a charter school leader since 2010. Mr. Merrill joined PTC in February of 2018 and brought his leadership experience to the school to help deliver a quality program and raise academic achievement.

School Description and Mission Statement (School Year 2023–24)

Pathways to College K8 is a classroom-based charter school currently serving 380 students in grades TK-8. 80% of students at PTC are residents of Hesperia and would have otherwise attended schools within Hesperia Unified School District. The remaining 20% of students reside in the surrounding communities of the Victor Valley area. PTC will continue to serve students TK-8 in the high desert area. PTC will accept all students who are residents of California who meet enrollment and attendance/participation requirements for proximate, distance, and/or hybrid learning.

PTC's student population reflects the racial, ethnic, cultural and economic diversity of HUSD and surrounding communities. As such, PTC will continue to attract, enroll and educate students who are classified as low-achieving, economically disadvantaged, at-

promise, and those who may require a smaller setting. These are the students of the high desert area.

The need for a school that serves this population specifically is demonstrated by District and Charter school's demographic data. All schools that PTC students would otherwise have attended present with similar statistics: high levels of low-performing students, homeless/foster youth, and socio-economically disadvantaged. Both District schools and PTC are striving to become schools in which these at-promise students can achieve success.

MISSION

The mission of Pathways to College K8, is to provide all students with a safe and challenging learning environment that emphasizes college preparation. PTC will create a culture that promotes academic growth, social-emotional maturity, and positive behaviors.

VISION

We envision a school that stands apart from others in its ability to influence all who enter its gates in a positive way; a school wherein each student is able to become a life-long learner and productive member of society; a school whose purpose is to develop in every learner a regard for the potential that each of us has.

KEY PROGRAM ELEMENTS

Culture of High Expectations

Pathways to College K8 embraces a culture of high expectations. High Expectations are both the conscious and unconscious anticipations of positive growth held by each stakeholder group at PTC for themselves and for each of the other groups. Of all the possible expectations that any stakeholder group could have for themselves and others at a school, the most important are those that focus on the student as held by the teacher (Hattie, 2017).

Furthermore, because growth in the areas of social emotional learning (SEL), behavior, and academics is interdependent, teachers and staff must have high expectations in each. For example, a student who is emotionally immature will most likely not be able to manage his/her behavior effectively in a classroom setting, will not see the value in obtaining an education, and therefore will not achieve his/her academic potential. Similarly, a student who is not achieving his/her academic growth potential will likely have feelings of self-doubt and discouragement, which can lead to behavior problems. Developing a growth mindset is key to developing a culture of high expectations. As one develops a growth mindset, one is able to acknowledge more fully that growth is

possible for everyone else.

This growth mindset is based on the belief that your basic qualities are things you can cultivate through your efforts. Although people may differ in every which way in their initial talents and aptitudes, interests, or temperaments, everyone can change and grow through application and experience. (Dweck, 2007)

A culture of high expectations is created when stakeholders have positive expectations for their own and others' growth. This is developed and expressed in a number of different ways. What follows are just ten of the many ways in which PTC will develop and promote expectations of student growth.

1. Helping Students to View Challenges as Opportunities
2. Acknowledging and embracing imperfections
3. Differentiating and Valuing Processes for Growth
4. Learning about the Brain's ability to Be Flexible
5. Using the word "Learning" instead of "Failing"
6. Developing a Purpose/Motivation for Growth
7. Celebrating Hard Work that Leads to Growth
8. Avoiding Descriptors Such as "Good Boy" or "Smart Girl"
9. Using the word "Yet" instead of "Can't"
10. Making New Goals When Others Are Accomplished

Methods of communicating these high expectations to students are detailed in the section How Learning Best Occurs. Without high expectations, student learning is minimal.

School Goals

The school has four goals which are derived from the mission and vision statements. These four goals are as follows:

1. PTC will promote academic growth of students.
2. PTC will promote positive behaviors of students.
3. PTC will promote social emotional learning of students.
4. PTC will create a safe, warm and welcoming environment.

Progress Indicators

As a charter school, PTC uses standardized tests approved by the California Department of Education for purposes of charter renewal every 2-5 years. The assessments selected by PTC include the following:

1. California Assessment of Student Performance and Progress (CAASPP)
2. English Language Proficiency Assessments for California (ELPAC)
3. Northwest Evaluation Association's Measures of Academic Progress (NWEA MAP)
4. Amplify's mClass

Metrics for each of these assessments are outlined in the charter petition itself. The overarching goal for each of these assessments is that a preponderance of students is showing growth each year that the assessments are given. These metrics are reported to the board each year in a regularly scheduled board meeting in the fall or winter of the following school year as the data become available. Progress monitored in this way is also reported to the District every two to five years during the renewal process.

Schoolwide Programs

Pathways to College K8 offers a variety of programs that help to achieve the above mentioned four goals. These are described below:

S.M.A.R.T. Club - Pathways to College makes use of its Title I funds to support the hiring of Intervention Aides who operate a pull-out program designed to meet the academic needs of students in ELA and math. Students who need the extra support are taught in small groups throughout the day over six-week periods at which time the groups are reorganized, and then the pull-outs begin again. SMART stands for Skills Mastery and Academic Readiness Training.

After School Tutoring - Pathways to College uses grant monies from the Expanded Learning Opportunities Program to operate an after school tutoring program for students who struggle to meet target growth. Groups consist of 2-4 students maximum and run for 30 minutes after school is over.

Saturday Make and Take Workshops & Field Trips - Using grant monies from the Expanded Learning Opportunities Program, PTC is able to offer all students on a first-come-first-serve basis a Saturday workshop and field trip opportunity on as many as 20 Saturdays throughout the year.

Summer School - Pathways to College offers summer school to students who are prioritized for attendance based on academic need. The program runs for three weeks in the month of June.

SPECIALS - Specials are taught to all students in grades TK-5 by two fully credentialed teachers for up to 35 minutes per day. The subjects taught are P.E. and STEAM, and students participate in one or the other alternately each day of the week.

ELECTIVES - Engaging elective classes are taught to students in grades 6-8. Anywhere

from 6-7 elective classes are offered each semester from which students may choose.

High Desert Athletic League - HDAL, as it is known, is an after school sports program for students in grades 6-8. Students practice various sports and compete with other schools in the high desert. Sports that Pathways to College has competed in include cross-country, basketball, and soccer.

After School Education and Safety Program - ASES, as it is known, is offered to approximately 100 students and operates from 3:15 to 6:00 p.m. daily. The program offers homework help, physical and enrichment activities, and a supper to all enrolled students. The program is free.

The National School Lunch Program - Pathways to College is able to offer all students a free breakfast and lunch each day of the school year.

Positive Behavioral Interventions and Supports (PBIS) - Pathways to College takes a positive approach to managing students behaviors. Students are taught correct behaviors, given the opportunity to practice them, and are incentivized with tokens called CatCash that they can use at the PTC student store once month.

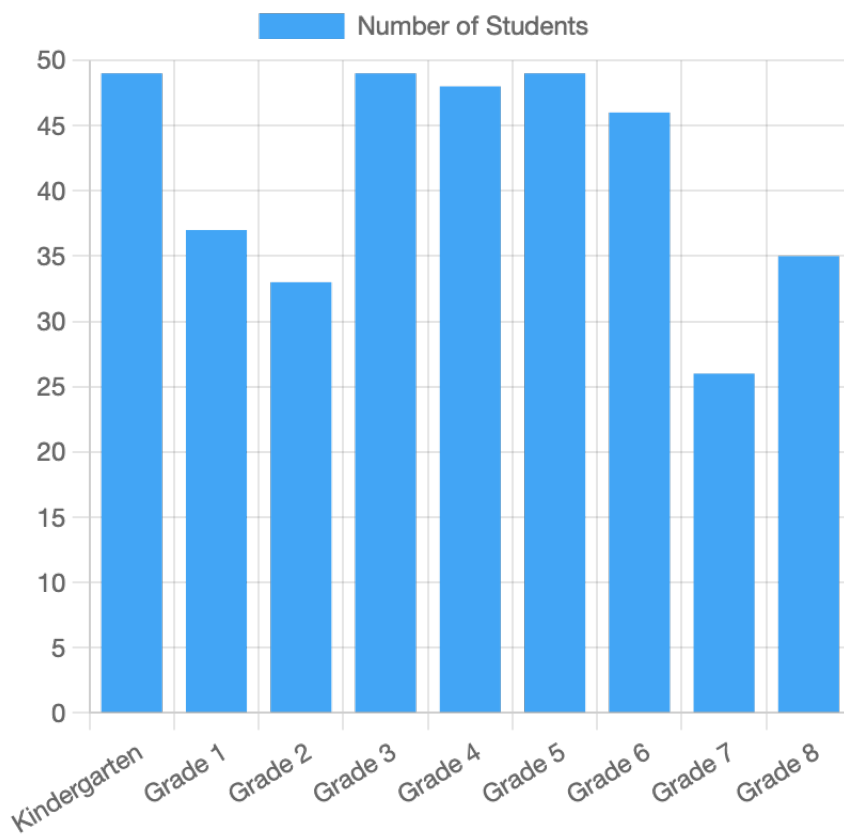

California Integrated Supports Project (CA-ISP) - The CA-ISP is a program sponsored by the California Department of Education to improve application of culturally responsive teaching, restorative justice, and trauma-informed instruction. Pathways to College was selected by the Desert Mountain SELPA to pilot the program in the high desert.

NEW BUILD PROJECT - As Pathways has come to serve an increasing number of students each year, it has become necessary to find another location that better meets the needs of students and staff. Pathways has embarked on an ambitious new build project in Hesperia that will eventually serve upwards of 700 students. The new build is located just three minutes from the current location and ground breaking has already started. The completion date is sometime in the fall of 2024.

Student Enrollment by Grade Level (School Year 2022–23)

Enrollment continues to increase year by year. To meet the demands of the community and to meet the needs of an ever growing school population, PTC has embarked on an ambitious build project which is slated to be completed by the 24/25 school year.

Grade Level	Number of Students
Kindergarten	49
Grade 1	37
Grade 2	33
Grade 3	49
Grade 4	48
Grade 5	49
Grade 6	46
Grade 7	26
Grade 8	35
Total Enrollment	372

Last updated: 1/5/24

Student Enrollment by Student Group (School Year 2022–23)

N/A

Student Group	Percent of Total Enrollment
Female	54.60%
Male	45.40%
Non-Binary	0.00%
American Indian or Alaska Native	0.00%
Asian	0.00%
Black or African American	8.90%
Filipino	0.30%
Hispanic or Latino	79.80%
Native Hawaiian or Pacific Islander	0.00%
Two or More Races	0.30%
White	10.80%

Student Group (Other)	Percent of Total Enrollment
English Learners	26.60%
Foster Youth	2.70%
Homeless	4.00%
Migrant	0.00%
Socioeconomically Disadvantaged	64.80%
Students with Disabilities	13.40%

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Preparation and Placement (School Year 2020–21)

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	13.10	65.60%	855.70	81.59%	228366.10	83.12%
Intern Credential Holders Properly Assigned	3.80	19.25%	19.00	1.81%	4205.90	1.53%
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)	2.50	12.85%	54.00	5.15%	11216.70	4.08%
Credentialed Teachers Assigned Out- of-Field ("out-of-field" under ESSA)	0.00	0.00%	29.10	2.78%	12115.80	4.41%
Unknown/Incomplete/NA	0.40	2.20%	90.80	8.66%	18854.30	6.86%
Total Teaching Positions	20.00	100.00%	1048.80	100.00%	274759.10	100.00%

Pathways to College K8 has made significant progress in hiring and keeping qualified teachers since its inception in 2006. PTC has benefited from District and county oversight and support in hiring, placing, and reporting relevant data.

Note: The data in this table is based on full-time equivalent (FTE) status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2023–24)

Year and month in which the data were collected: August 2023

PTC takes pride in offering all students a copy of each textbook from the most recent local adoption. All materials not from the most recent SBE adoption have been reviewed and found to meet state standards. Any insufficiencies are reported below. All insufficiencies were rectified by September 13, 2023. The dates in parentheses are years of local adoption.

School Facility Conditions and Planned Improvements

Pathways to College K8 currently leases space from its authorizing District, Hesperia Unified School District. Maintenance of the facilities is a joint project. Pathways to College K8 (PTC) has an operations manager who oversees the facility needs of our campus. Repairs and maintenance concerns are either taken care of by PTC staff members or referred to the District who performs major repairs in a timely fashion. PTC's custodial staff members maintain our building and provide scheduled routine maintenance. We take great efforts to ensure that our school is clean, safe, and functional. Food and restroom facilities are cleaned and maintained throughout the day to ensure the health and safety of students and staff.

- **General**

The LEA takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument (Facilities Inspection Tool or FIT) developed by the State of California OPSC. The results of this survey are available on the Internet at www.pathwaysk8.com, at the front office, or by request to the principal by emailing craig.merrill@pathwaysk8.com.

- **Maintenance and Repair**

PTC maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. Major repairs are conveyed to the District from which the property is leased through a work order process as well.

- **New School Construction Project**

Pathways to College is currently engaged in a new build project on a 12 acre site just three minutes from the current location. The site will eventually house upwards of 700 students in grades TK-8. The completion date for the project is currently scheduled for October of 2024.

Last updated: 1/10/24

School Facility Good Repair Status

Despite the age of the buildings at the current location, no extreme deficiencies were observed by the county Williams' team using the FIT instrument. Deficiencies that were observed are reported below with "repair needed and Action taken or planned" comments in the boxes following. Dates in parentheses indicate dates by which time repairs were made. The letter/number preceding the line indicates the building and room number.

Using the **most recently collected** Facility Inspection Tool (FIT) data (or equivalent), provide the following:

- Determination of repair status for systems listed

- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	None.
Interior: Interior Surfaces	Fair	Section 4. Interior Surfaces N1: Carpeting damaged, rippled, or stained (10/23 shampooed carpet) G2: Cabinets or counters are damaged or broken (replaced 10/23)
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation	Fair	Section 5. Overall Cleanliness - G2: Unsecured items are stored too high and pose a safety hazard (remedied 8/29/23) - L1: Unsecured items are stored too high and pose a safety hazard (remedied 8/29/23) - o Deficiency was noted in prior year.
Electrical: Electrical	Good	Section 7. Electrical N1: Improper usage of extension cords or extension/electrical cord trip hazard (remedied 8/29/23)
Restrooms/Fountains: Restrooms, Sinks/Fountains	Fair	Section 8. Restrooms - G2: Toilet is damaged, broken, or clogged (replaced 10/23) - Portable Girls' Restrooms: Sink is not working or functioning properly (replaced 10/23) - o Deficiency was noted in prior year.
Safety: Fire Safety, Hazardous Materials	Good	Section 11. Fire Safety/Hazardous Materials - G2: Cleansers not stored properly (remedied 8/29/23) - L1: Cleansers not stored properly (remedied 8/29/23)

o Deficiency was noted in prior year.		
Structural: Structural Damage, Roofs	Fair	Section 12. Structural Damage • J1: Damage to skirting, siding and/or exterior vents - o Deficiency was noted in prior year. • Library K1: Damage to stairway or ramp - o Deficiency was noted in prior year. • Portable Girls' Restrooms: Damage to stairway or ramp (Repair tickets have been put in to the District; waiting for repairs to be made.)
External: Playground/School Grounds, Windows/Doors/Gates/Fences	Fair	Section 14. Playground/School Grounds • Grounds: Significant cracks, trip hazards, holes or deterioration - o Deficiency was noted in prior year. (Repair tickets have been put in to the District; waiting for repairs to be made.)

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAA] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students
Grades Three through Eight and Grade Eleven taking and completed state-administered assessment
Percentage of Students Meeting or Exceeding the State Standard

PTC has made progress in both ELA and mathematics from the 21/22 school year to the 22/23 school year. In school year 22/23, PTC implemented a small group pull-out program to meet the needs of students struggling with the core academic subjects of ELA and mathematics. The name of the program is SMART Club (Skills Mastery and Academic Readiness Training). It is operated by the intervention aides at each grade level. Students are pulled into small groups for 30-40 minutes a day to focus on skills identified through NWEA MAP testing. Groups are taught in increments of approximately six weeks, after which they are reorganized, and the cycle begins again.

Subject	School 2021– 22	School 2022– 23	District 2021– 22	District 2022– 23	State 2021– 22	State 2022– 23
English Language Arts / Literacy (grades 3-8 and 11)	32%	35%	30%	29%	47%	46%
Mathematics (grades 3-8 and 11)	13%	16%	16%	17%	33%	34%

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

Last updated: 1/8/24

CAASPP Test Results in ELA by Student Group for students taking and completed state-administered assessment
Grades Three through Eight and Grade Eleven (School Year 2022–23)

As can be seen, subgroup results are similar with the exception of those classified as white or special needs whose results are significantly below standard.

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students	256	255	99.61%	0.39%	34.90%
Female	145	144	99.31%	0.69%	37.50%
Male	111	111	100.00%	0.00%	31.53%
American Indian or Alaska Native	0	0	0%	0%	0%
Asian	0	0	0%	0%	0%
Black or African American	19	19	100.00%	0.00%	31.58%

Homeless	12	12	100.00%	0.00%	33.33%
Military	0	0	0%	0%	0%
Socioeconomically Disadvantaged	173	172	99.42%	0.58%	36.63%
Students Receiving Migrant Education Services	0	0	0%	0%	0%
Students with Disabilities	39	39	100.00%	0.00%	10.26%

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Last updated: 1/11/24

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

Opportunities for Parental Involvement (School Year 2023–24)

PTC does its best to include parents in a variety ways.

Partnering with families will occur through communication protocols that include report cards, newsletters, memos, phone calls, zoom and in-person meetings, Coffee and Tea with the Principal, parent trainings, etc. Additionally, parents are included in the Student Success Team (SST) process. Community partnering has occurred and will continue with invitations to outside individuals, organizations, and agencies to provide support as needed.

School Site Council

The School Site Council is a representative body comprised of elected or volunteer members who

represent parents, students, faculty, staff and the local community. School Site Council composition, functioning and responsibilities will follow regulations established by the California Department of Education. The School Site Council will work with school leadership to discuss, develop, review and evaluate school improvement programs and school budgets. The members of the Council are elected by their peers. For example, parents elect the parent representatives and teachers elect teachers.

Over the course of a year, a typical Council objective might consider certain goals of the school and then work with school leadership to evaluate the school's progress toward those goals. In this evaluation, the council might consider school test scores, attendance and discipline records, parent surveys and input from students. The Council may also create plans for improvement in certain academic or operational areas of the school. Plans might involve a new academic program, staff member or parent outreach strategy. For example, a Council objective might be to help raise or re-direct funds to develop a new math program, while another objective might work toward hiring a reading specialist. Yet another Council objective might work toward hiring an additional teacher to reduce class sizes in a particular grade or a parent liaison to get more parents involved at the school.

ELAC/DELAC Committee

Pathways to College shall comply with the provisions of Education Code Section 52176(b) for the establishment and operation of an English Language Advisory Committee (ELAC). If Pathways to College meets the criteria set forth in Education Code Section 52176(a) for the establishment of a District English Language Advisory Committee (DELAC), it shall also establish a DELAC. The English Learner Advisory Committee is composed of the principal, two teachers, and four or more parents whose children are English learners at PTC. The committee is a subcommittee of the PAC and has a separate meeting time and agenda. Members of the ELAC may also be members of the PAC. The ELAC advises the school administration and provides reports to the PTC board on the following:

1. Development of a school plan for education programs and services for English learners.
2. Conducting a school-wide needs assessment.
3. Establishment of school goals, and objectives for programs and services for English learners.
4. Development of a plan to ensure compliance with any applicable teacher and/or teacher aide requirements.
5. Review and comment on the school district reclassification procedures.
6. Review and comment on the written notifications required to be sent to parents and guardians.
7. Review and comment on the development or annual update of the Local Control and Accountability Plan (LCAP).

Additional Methods of Parent Involvement

Pathways to College believes that parent involvement translates into increased student achievement. Pathways to College will encourage, honor, and respect parent voice. Parent

involvement and the inclusion of the parent voice are essential and will be ensured in the following additional ways:

Parent Meetings

School-parent meetings will be held regularly while the school is in session, and more frequently, as necessary, in order to facilitate the communication process between parents and the governing board. We will have monthly standing Coffee and Tea with the Principal meetings and hold additional meetings, as necessary.

Parents will be advised that the administrators and teaching staff are available for additional conferences as needed or as requested by parents. Parents will be encouraged to serve on the School Site Council. Parents will be consulted and advised through meetings and informational bulletins regarding the school's educational programs and student progress on an ongoing basis.

The following is a list of all meetings and activities to which parents are invited. Invitations are sent out through ClassTag, weekly newsletters, and flyers.

- Bi-annual Parent/Teacher conferences
- Coffee and Tea with the Principal • Activities Committee Meetings
- PTC Board Meetings
- SSC Meetings
- ELAC Meetings
- Student Success Team Meetings
- IEP Meetings
- Workshops

Workshops

Pathways to College will provide parent workshops and education classes to help parents feel connected to the school community. The content of these workshops is designed to assist parents in the educational development of their children. The Executive Director/Principal, Assistant Principal, teachers, and staff will maintain open lines of communication at all times with all parents.

Workshop topics may include the following:

- English as a Second Language
- Monitoring the Use of the Internet by your Child
- Child Psychology and Behavior
- Helping Your Child with Homework
- Planning Educational Family Outings
- Planning Your Child's Educational Future (College and Workforce) Surveys

An annual parent survey will be sent home and collected to inform the development of Pathways to College programs for the Local Control Accountability Plan and to obtain a sense of parent and student satisfaction. The results of this survey will be made available to all Pathways to College

stakeholders including parents, Pathways to College staff, the School Site Council, and the Board of Directors.

Volunteer Opportunities

No parent or guardian of a Pathways to College student will ever be required to perform volunteer hours as a condition of their student's attendance at Pathways to College. Parents, however, will be provided many opportunities for volunteering at Pathways to College. Parents may provide service to the school in areas that enhance the educational development of their children. Service opportunities will include but will not be limited to assistance in classrooms, tutoring, supervision, clerical support, supervision of student field trips, and supporting and organizing parent meetings. Parents can determine the type of service they contribute to Pathways to College based on their particular interests, strengths, and availability.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

Chronic Absenteeism by Student Group (School Year 2022–23)

While chronic absenteeism rates have dropped over the 22/23 school year compared to rates for 21/22, the rates are still high and a cause for concern. During the 23/24 school year, PTC has employed various incentive strategies to improve attendance and tardiness rate. The potential effect of these strategies will be seen and reported in next year's SARC.

Student Group	Cumulative Enrollment	Chronic Absenteeism Eligible Enrollment	Chronic Absenteeism Count	Chronic Absenteeism Rate
All Students	430	404	164	40.6%
Female	236	223	92	41.3%
Male	194	181	72	39.8%
Non-Binary	0	0	0	0.0%
American Indian or Alaska Native	0	0	0	0.0%
Asian	0	0	0	0.0%

Socioeconomically Disadvantaged	301	281	130	46.3%
Students Receiving Migrant Education Services	0	0	0	0.0%
Students with Disabilities	58	57	20	35.1%

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Last updated: 1/10/24

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

PTC has implemented a restorative practices model to reduce the need for exclusionary practices. This has helped greatly in reducing the number of suspensions. Additionally, PTC has hired a school counselor to work with students who have behavior and/or social/emotional challenges. A behavior interventionist also supports with behavior challenges and is new for the 23/24 school year.

Rate	School 2020– 21	School 2021– 22	School 2022– 23	District 2020– 21	District 2021– 22	District 2022– 23	State 2020– 21	State 2021– 22	State 2022– 23

Procedure for Background Checks

All employees and contractors of PTC are required to submit to a criminal background check prior to beginning work, as required by Education Code Sections 44237 and 45125.1.

PTC staff shall honor the State of California requirements for periodic tuberculosis (TB) clearance for its employees and school volunteers pursuant to education Code Section 49406. the TB adult risks assessment questionnaire and TB test, when deemed necessary, will be in effect for 4 years.

Immunizations

PTC shall follow all laws and regulations related to legally required immunizations for all entering students pursuant to Health and Safety Code Section 120325-120375, and Title 17 California Code of Regulations Section 6000-6075 and the amendments enacted by SB 277 to ensure a means for the eventual achievement of total immunization of appropriate age groups against childhood diseases. Records of student immunization shall be maintained on campus at all times.

Additional /Requirements

PTC maintains drug, alcohol, vape and smoke free environments.

PTC adheres to Education Code Section 49423 regarding administration of medication in school. Additionally, PTC adheres to Education Code 49450 et seq., regarding vision and hearing screenings, as applicable the grade levels served by PTC.

All employees are mandated child abuse reporters and follow all applicable reporting and training laws, including annual training requirements in accordance with Education Code Section 44691; PTC uses the same policies and procedures use by HUSD. PTC maintains A safety plan drafted specifically to meet the needs of the school site. This plan includes but is not limited to the OSHA policy compliance, fire, flood, earthquake, terrorist threats, and hostage situations and may be submitted for District review. this plan shall include an evaluation plan, and general school safety, injury and illness prevention.

School Safety Plan

Pursuant to Assembly Bill 806, the Charter School has developed its comprehensive school safety plan pursuant to the requirements of AB

806 and the relevant Education Code requirements, including the safety topics listed in subparagraphs Education Code Section 32282(a)(2) (A) – (J), inclusive and shall review and update the plan annually by March 1.

Sexual Harassment

The Charter School is committed to providing a school that is free from discrimination and sexual harassment, as well as any harassment based upon the actual or perceived characteristics of race or ethnicity, religion, creed, color, gender, gender identity, gender expression, nationality, national origin, immigration status, ancestry, ethnic group identification, genetic information, age, medical condition, marital status, sexual orientation, sex and pregnancy, physical or mental disability, childbirth or related medical conditions, military and veteran status, denial of family and medical care leave, immigration status, any other characteristic that is contained in the definition of hate crimes set forth in Penal Code Section 422.55, or on the basis of a person's association with a person or group with one or more of these actual or perceived characteristics, or any other basis protected by federal, state, local law, ordinance or regulation.

Suicide Prevention Policy

Pursuant to the requirements of Ed. Code §215, the Charter School's governing board shall ensure that its policy on pupil suicide prevention in grades 7 to 12, inclusive, was developed in consultation with school and community stakeholders, school-employed mental health professionals, and suicide prevention experts and shall, at a minimum, address procedures relating to suicide prevention, intervention, and postvention, including the needs of high-risk groups, including, but not limited to, all of the following, youth bereaved by suicide, youth with disabilities, mental illness, or substance use disorders, youth experiencing homelessness or in out-of-home settings, such as foster care, lesbian, gay, bisexual, transgender, or questioning youth.

Feminine Hygiene Products

Pursuant to the requirements of Ed. Code §35292.6, the Charter School shall ensure at least 50 percent of the school's restrooms and/or a location easily accessible to students are stocked with feminine hygiene products at all times should the school maintain any combination of classes from grade 6 to grade 12, inclusive, that meets the 40-percent pupil poverty threshold required to operate a schoolwide program pursuant to Section 6314(a)(1) (A) of Title 20 of the United States Code.

Tribal Regalia/Objects of Religious or Cultural Significance

The Charter School shall allow students to wear traditional tribal regalia or items of religious, cultural and tribal significance to school graduation ceremonies held by the charter school and may, under specific circumstances as set forth in the law, limit items that would create a substantial disruption of, or material interference with, the school ceremony.

Public School Fair Debt Collection Act

The Public School Fair Debt Collection Act (Assembly Bill 1974 [2018]) mandates that a pupil can never owe or be billed for a debt owed to a charter school.

Mental Health Services Act

Pursuant to the requirements of Assembly Bill 2022 [2018]), the Charter School will notify pupils and parents or guardians of pupils no less than twice during the school year on how to initiate access to available pupil mental health services on campus or in the community, or both, as provided and shall comply with all other applicable provisions of the Act.

Pregnant and Parenting Students

The Charter School shall comply with all the requirements of Assembly Bill 2289 [2018] providing required protections for pregnant and parenting students, including but not limited to an annual notice to students about their rights in school year welcome packets and independent study packets.

Bullying Prevention

Pursuant to the requirements of Assembly Bill 2291 (2018), the Charter School has adopted and shall maintain procedures for preventing acts of bullying, including cyberbullying, will post specified information on bullying and harassment prevention, and shall make available to certificated school site employees and all other school site employees who have regular interaction with pupils an online training module developed by the California Department of Education regarding bullying and bullying prevention, in accordance with Education Code Sections 234.4, 234.6, and 32283.5.

Human Trafficking

Pursuant to the requirements of Assembly Bill 1861 (2018) and Senate Bill 1104 (2018), the Charter School shall provide information to its students about how social media and mobile device applications are used for human trafficking and shall identify the most appropriate methods of informing parents and guardians of pupils in grades 6-12 of human trafficking prevention resources and implement these methods.

Child Hunger Prevention and Fair Treatment Act

The Charter School shall comply with the requirements of the Child Hunger Prevention and Fair Treatment Act of 2017, and ensure that a pupil whose parent or guardian has unpaid school meal fees is not denied a reimbursable meal of the pupil's choice because of the fact that the pupil's parent or guardian has unpaid meal fees, shall not take action directed at a student to collect unpaid school meal fees.

Hotlines

If the Charter School issues pupil identification cards to students in any of grades 7 to 12, inclusive, it shall ensure to have printed on the identification cards the telephone number for the National Suicide Prevention Lifeline, the National Domestic Violence Hotline and other suicide-prevention and emergency-response telephone numbers, as appropriate.

Migratory Children

The Charter School will allow a pupil who is a migratory child to continue attending their school of origin regardless of any change of residence of the pupil. The Charter School will inform a pupil who is a migratory child and that pupil's parent or guardian of the impact of remaining in the school of origin on the eligibility of that pupil to receive migrant education services.

Emergency Epinephrine

PTC shall provide school nurses or other voluntary, trained personnel with emergency epinephrine auto-injectors of the type required pursuant to Education Code 49414.

(Education Code 49414)

Opioid Antagonist

If PTC chooses to make an opioid antagonist available to persons suffering, or reasonably believed to be suffering, from an opioid overdose, comply with the requirements of Education Code 49414.3, including, but not limited to, providing training to personnel who volunteer to administer the opioid antagonist.

Change of Name or Gender

Upon receipt of government-issued documentation of a change of name or gender or, if such documentation is not available, upon request in accordance with the procedure in Education Code 49070, PTC shall update and reissue a former student's records to include the student's updated legal name or gender. (Education Code 49062.5, 49070)

Immigration Enforcement

PTC shall adopt a policy that is consistent with the model policy developed by the California Attorney General addressing the Charter School's response to immigration enforcement, notify parents/guardians of their children's right to a free public education regardless of immigration status or religious beliefs, prohibit the collection of information or documents regarding the immigration status of students or their family members, and fulfill all requirements of Education Code 234.7.

Freedom of Speech

PTC shall provide students the right to exercise freedom of speech and of the press including, but not limited to, the use of bulletin boards; the distribution of printed materials or petitions; the wearing of buttons, badges, and other insignia; and the right of

expression in official publications and shall adopt rules and regulations in the form of a written publications code that must include reasonable provisions for the time, place, and manner of conducting such activities. (Education Code 48907, 48950)

CONDENSED VERSION OF SAFETY PLAN

CHILD ABUSE REPORTING AND PROCEDURES

All persons who are mandated reporters are required, by law, to report all known or suspected cases of child abuse or neglect. It is not the job of the mandated reporter to determine whether the allegations are valid. If child abuse or neglect is reasonably suspected or if a pupil shares information with a mandated reporter leading him/her to believe abuse or neglect has taken place, the report must be made.

DISASTER PROCEDURES

DUCK, COVER, AND HOLD ON is the action taken during an earthquake to protect students and staff from flying and falling debris. It is appropriate action for earthquakes and explosions. Evacuation is implemented when conditions make it unsafe to remain in the building. The evacuation plan includes procedures on how to assist individuals with disabilities. Lockdown is initiated to protect students and school staff from danger when there is a threat on campus and evacuation is not an option. Shelter in place is a short-term measure implemented when there is a need to isolate students and staff from the outdoor environment to prevent exposure to airborne contaminants. Convert School is implemented during a disaster when a requirement exists for community medical facilities or shelters. If the Red Cross chooses a school as a community shelter, it will arrange shelter set-up.

SUSPENSION AND EXPULSION POLICY

All offenses will be handled in a confidential manner on an individual basis. When disciplinary action is referred to the Executive Director/Principal or designee, the student's parent/guardian will be notified by telephone. A disciplinary report is written that requires the signature of the student, parent/guardian and involved staff. At the discretion of the Executive Director/Principal or designee, a meeting will be held with the student, the parents and involved staff members to discuss ways to improve the student's behavior. However, parents/guardians may at any time request a conference with the Executive Director/Principal or designee to discuss their son/daughter's behavior. Disciplinary action may include suspension for minor acts and expulsion from the school for major offenses. Suspension is intended to remove the student

DRESS CODE AND APPEARANCE

We believe that a student's behavior and attitude are related to his/her appearance. It is

our desire to foster good grooming and good judgment and make sure that all our students feel they are equally important as individual people and not by what brand of clothing they wear. Therefore, at Pathways, we have implemented a uniform policy. This policy is mandatory for all students and no exceptions will be made.

PROCEDURES FOR NOTIFYING TEACHERS ABOUT DANGEROUS STUDENTS

In order to fulfill the requirements made by Education Code 49079 and Welfare and Institutions Code 827 that state teachers must be notified of the reason(s) a student has been suspended.

HARASSMENT POLICY

Pathways to College is an equal opportunity employer, who recruits and hires professional, effective, and skilled personnel. Employees of PTC are hired based on qualifications. Unlawful discrimination or harassment based on race, ethnicity, national origin, gender identity, sex, pregnancy, ancestry, religion, citizenship, marital status, physical disability, mental disability, medical condition, sexual orientation, genetic information, age, or any other characteristic protected by state or federal law is strictly prohibited.

PROCEDURES FOR SAFE INGRESS AND EGRESS FROM SCHOOL

School specific policies exist for drop-off and pick-up related to existing site plan. Depending on method of drop-off or pick-up, these policies are different and may require parent approval i.e. students who walk home. These policies and procedures are explained at the time of enrollment.

?

D. Other SARC information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Average Class Size and Class Size Distribution (Elementary) (School Year 2020–21)

PTC has a maximum class size of 25 for all grades Kinder through 8. Some class sizes are reduced further because of the physical size of the classrooms.

Grade Level	Average Class Size	Number of Classes* 1-20	Number of Classes* 21-32	Number of Classes* 33+
K	15.00	6		
1	22.00	2	2	
2	19.00	4		
3	24.00		4	0
4	16.00	4	2	
5	12.00	3	2	
6	17.00	9	3	
Other**				

* Number of classes indicates how many classes fall into each size category (a range of total students per class).

** "Other" category is for multi-grade level classes.

Average Class Size and Class Size Distribution (Elementary) (School Year 2021–22)

Grade Level	Average Class Size	Number of Classes* 1-20	Number of Classes* 21-32	Number of Classes* 33+
K	11.00	11		
1	13.00	7		
2	19.00	1	6	
3	19.00	4	3	
4	25.00		6	
5	14.00	5	5	
6	12.00	9	5	
Other**				

* Number of classes indicates how many classes fall into each size category (a range of total students per class).

** "Other" category is for multi-grade level classes.

Average Class Size and Class Size Distribution (Elementary) (School Year 2022–23)

Grade Level	Average Class Size	Number of Classes* 1-20	Number of Classes* 21-32	Number of Classes* 33+
K	16.00	9	0	0
1	19.00	3	3	0
2	17.00	3	3	0
3	25.00	0	6	0
4	24.00	0	6	0
5	25.00	0	6	0
6	15.00	14	8	0
Other**	0.00	0	0	0

* Number of classes indicates how many classes fall into each size category (a range of total students per class).

** "Other" category is for multi-grade level classes.

Average Class Size and Class Size Distribution (Secondary) (School Year 2020–21) (HIGH SCHOOL)

PTC has a maximum enrollment of 25 per class.

Subject	Average Class Size	Number of Classes* 1-22	Number of Classes* 23-32	Number of Classes* 33+
English Language Arts	11.00	6		
Mathematics	11.00	5	1	
Science	14.00	4	1	
Social Science	14.00	4	1	

* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Average Class Size and Class Size Distribution (Secondary) (School Year 2021–22) (HIGH SCHOOL)

Subject	Average Class Size	Number of Classes* 1-22	Number of Classes* 23-32	Number of Classes* 33+
English Language Arts	13.00	6		
Mathematics	13.00	4		
Science	18.00	3		
Social Science	17.00	4		

* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Average Class Size and Class Size Distribution (Secondary) (School Year 2022–23) (HIGH SCHOOL)

Subject	Average Class Size	Number of Classes* 1-22	Number of Classes* 23-32	Number of Classes* 33+
English Language Arts	11.00	9	1	0
Mathematics	12.00	5	1	0
Science	20.00	2	1	0
Social Science	17.00	3	1	0

* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Ratio of Pupils to Academic Counselor (School Year 2022–23)

A full-time academic, social/emotional and career readiness counselor was hired for the 23/24 school year.

Title	Ratio
Pupils to Academic Counselor*	373

* One full-time equivalent (FTE) equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time.

Last updated: 1/10/24

Student Support Services Staff (School Year 2022–23)

Title	Number of FTE* Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	1.00
Library Media Teacher (Librarian)	0.00
Library Media Services Staff (Paraprofessional)	0.00
Psychologist	0.00
Social Worker	0.00
Nurse	0.00
Speech/Language/Hearing Specialist	0.00
Resource Specialist (non-teaching)	0.00
Other	1.00

* One full-time equivalent (FTE) equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time.

Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2021–22)

As PTC is a single site charter school, there is no percent difference between District and School. Data for the authorizing District, if perchance this was the intent of the calculation, was not made available to us prior to approving and posting our SARC.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$17650.00	\$7091.00	\$10559.00	\$62713.00
District	N/A	N/A	\$10559.00	\$62713.00
Percent Difference – School Site and District	N/A	N/A	0.00%	0.00%
State	N/A	N/A	\$7606.62	\$90632.00
Percent Difference – School Site and State	N/A	N/A	32.51%	-36.41%

Note: Cells with N/A values do not require data.

Types of Services Funded (Fiscal Year 2022–23)

PTC provided a variety of services for students as enumerated below. These services are in addition to the core program that is offered to all students in grades Kindergarten through 8.

Here are some of the services that were provided to students.

1. After School Program (ASES)
2. SMART Club for skills mastery in ELA and Math.
3. Summer School
4. Saturday Make&Take workshops & field trips
5. After school athletic program (HDAL)
6. After school tutoring
7. Full time Aides for classroom intervention
