Principal's Message

Welcome to Lucerne Valley Elementary School (LVES). We are the only elementary school located in the high-desert community of Lucerne Valley, which is located just south of Barstow, west of Yucca Valley and nestled in the valley just east of Big Bear. Our school is one of the hallmarks of our community with a history that dates back to the one-room schoolhouse. The original school bell sits in front as a reminder of days past and upholding tradition.

Our diverse student population includes not only transitional kindergarten (TK) through grade six, but also preschool programs and a specialized county class. Because we are the sole elementary school in the district, the students come from many backgrounds and socioeconomic levels. There is a unique feel of community and mutual support within the school.

Our school mascot is the eagle, which represents many qualities, including tenacity, leadership and keen vision. LVES promotes Eagle pride. Students and staff generate the intrinsic power of pride in individual and group accomplishments, citizenship and academics.

LVES is a professional learning community (PLC). We work together, share ideas and methodologies, brainstorm, and collaborate in the effort of ensuring optimal learning opportunities for our students; in the process of doing so, it becomes the optimal learning environment for all. Teachers work in both grade-level teams and in vertical leadership teams. All employees on staff share in both the responsibility and the rewards of our student success.

Our focus is on a safe school with staff and students who are responsible and show respect for others and themselves. We have adopted the framework Positive Behavioral Interventions and Supports (PBIS) to help assist our community of learning to encourage and implement positive ways to interact with each other. In this endeavor, we will empower each other for long-term success. Our certificated and classified staff continue to participate in collaborative training and staff development of Restorative Practices so they can use their knowledge to promote community building and positive behavior.

At the beginning of the 2021-22 school year, certificated and classified staff participated in two days of professional development aimed at incorporating the latest safety measures for in-person learning and our certificated personnel strived to develop effective social-emotional learning class models of instruction.

The Lucerne Valley Elementary School Bud Biggs' STEM Lab continues to provide problem-based learning for our students. STEM Lab students have opportunities to be problem solvers, risk takers, critical thinkers and innovators in a controlled environment. By working through a combination of learning strategies they discover the nature of a problem, understand the variables involved and gain a perspective viewpoint of those affected.

Students will be able to participate in hands-on activities that are designed to instill curiosity, and critical thinking, helping students develop the skills needed to be successful in life.

School Mission Statement

Lucerne Valley Elementary School is a community of safe, respectful and responsible citizens.

Working together, we empower each other to achieve academic and social success for all.

Enrollment by Student Group

The total enrollment at the school was 608 students for the 2022-23 school year. The pie chart displays the percentage of students enrolled in each group.

Demographics

2022-23 School Year

School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

District Mission Statement

The Lucerne Valley Unified School District will become a model district in the state of California.

The Lucerne Valley Unified School District will prepare students to be responsible and productive citizens in a continually changing society and instill in them the desire to be a lifelong learner.

Class Size Distribution

The bar graphs display the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Average Class Size

Students with Disabilities	1.10%	0.00%

School Vision Statement

All students will be proficient in State grade-level standards as determined by valid assessment measures. This will be achieved through the use of a highly qualified and trained staff, full implementation of effective curriculum, and research proven interventions under the guidance and support of highly qualified administrators. LVUSD will be a safe, caring, supportive environment for all.

Professional Development

Professional development is an essential factor in effective schools. We are committed to ensuring our staff regularly participates in opportunities to maintain an educational level of excellence. Our instructional program is driven by student data that is consistently examined by administration and staff. It is used throughout our school to make informed decisions about assessment, curriculum, pedagogy and student services.

This essential data identifies student and school needs and progress. As a staff, we are focused on developing strong professional learning communities. Intervention specialists, grade-level teams and the principal meet in small group teams regularly. We have balanced our instructional minutes throughout the week to provide a minimum day for students each Wednesday. The remainder of this day is used for training and collaboration for staff. In addition, we encourage teachers to attend conferences and workshops that promote their professional growth.

Prior and during each school year, there are 3-10 days dedicated to staff development in areas such as technology, writing, math, language and the sciences. These specifically designated days are taught by well-respected professionals in their areas of expertise. In the 2022-23 school year, the focus has been on safety, Common Core State Standards and social-emotional learning.

California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram is the designated PFT for students in California public schools put forth by the State Board of Education. Due to changes to the 2021–22 and 2022–23 PFT administration, only participation results are required for the five fitness areas.

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students participating in each of the five fitness components for the most recent testing period. For more detailed information on the California PFT, please visit www.cde.ca.gov/ta/tg/pf.

California Physical Fitness Test					2022-23 School Year
Percentage of Students Participating In Each Of The Five Fitness Components					
Grade	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
5	95%	100%	93%	93%	96%

Chronic Absenteeism by Student Group

Students Receiving Migrant Education Services	0	0	0	0.00%
Students with Disabilities	95	93	50	53.80%

Types of Services Funded

Services funded by general funds and categorical funds are:

- Regular comprehensive education for all students
- Special education books and instructional supplies for our Specialized Academic Instruction programs
- Library and media center
- Books, instructional materials, computers and related software for our English language learner program
- Tobacco, drug and alcohol prevention programs
- Assemblies, field trips and fifth-grade science camp
- K-3 Class Size Reduction and Quality Education Investment Act (QEIA) based class-size reduction school-wide
- Schoolwide Accelerated Reader program
- After-school program

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Statewide Assessments

Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade 10, 11 or 12).

CAASPP Test Results in Science for All Students

The table below shows the percent of students meeting or exceeding the State standard on the CAASPP—California Science Test (CAST) and the California Alternate Assessment for Science (CAA for Science) for grades 5, 8 and once in high school (i.e., grade 10, 11 or 12).

Percentage of Students Meeting or Exceeding State Standard					Two-Year Data	
	Lucerne Valley ES		Lucerne Valley USD		California	
Subject	21-22	22-23	21-22	22-23	21-22	22-23
Science	14.10%	15.12%	14.00%	10.31%	29.47%	30.29%

CAASPP Test Results in ELA and Mathematics for All Students

The table below shows the percent of students meeting or exceeding the State standards on the California Assessment of Student Performance and Progress (CAASPP) Smarter Balanced Summative Assessments and California Alternate Assessments (CAAs) for English language arts/literacy (ELA) and mathematics for grades 3-8 and 11.

Percentage of Students Meeting or Exceeding State Standard					Two-Year Data	
	Lucerne Valley ES		Lucerne Valley USD		California	
Subject	21-22	22-23	21-22	22-23	21-22	22-23
English language arts/literacy	29%	24%	44%	41%	47%	46%
Mathematics	14%	13%	24%	25%	33%	34%

CAASPP by Student Group: Science, English Language Arts and Mathematics

The tables on the following pages display the percentage of students that met or exceeded state standards in science, English language arts/literacy and mathematics for the school by student groups.

The “percentage met or exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results by Student Group: Science (grade 5)

Percentage of Students Meeting or Exceeding State Standard					2022-23 School Year
Science					
Group	Total Enrollment	Number Tested	Percentage Tested	Percentage Not Tested	Percentage Met or Exceeded

Textbooks and Instructional Materials

All textbooks used in the core curriculum at Lucerne Valley Elementary School are aligned to the California Content Standards and Frameworks. LVUSD follows the state's eight-year textbook-adoption cycle, adopting texts and materials in a given subject every eight years. The process for K-6 adoption begins with the district Curriculum, Instruction and Assessment Committee, which consists of teachers, administrators and parents, looking at material samples and those that have been piloted through the year from the approved list from the California Department of Education. Using a protocol for evaluating materials for rigor and alignment with Common Core State Standards, the committee makes a recommendation for adoption. The process for selecting transitional kindergarten materials begins with the district Curriculum, Instruction and Assessment Committee evaluating materials, upon their determination that the material fits within the curriculum framework, the committee makes a recommendation for local school board adoption. At this point, the public has an opportunity to look at materials and hear the suggestion of that committee and offer opinions and suggestions. Finally, the information is sent to the local governing board for approval.

Textbooks and Instructional Materials List		2023-24 School Year
Subject	Textbook	Adopted
Reading/language arts	Reading: Reach for Reading, National Geographic (TK-6)	2016
Mathematics	Sadlier Math Volumes 1 and 2, Sadlier Oxford (TK-K)	2023
Mathematics	Big Ideas Math: Modeling Real Life Common Core, National Geographic Learning/Cengage Learning (1-6)	2023
Science	Scholastic: My Big World Weekly Reader (TK)	2022
Science	Scholastic: Let's Find Out Weekly Reader (K)	2022
Science	Studies Weekly: Explore Science Weekly Magazine (1-6)	2023
History/social science	California Weekly Magazine, Studies Weekly (1-6)	2023
History/social science	Scholastic: My Big World Weekly Reader (TK)	2022
History/social science	Scholastic: Let's Find Out Weekly Reader (K)	2022

Quality of Textbooks

The following table outlines the criteria required for choosing textbooks and instructional materials.

Quality of Textbooks		2023-24 School Year
Criteria		Yes/No
Are the textbooks adopted from the most recent state-approved or local governing-board-approved list?		★ Yes/No

Parental Involvement

Parental and community involvement is essential, evident and always welcomed. Parents play a vital role at Lucerne Valley Elementary School. There are many opportunities for parent participation. Formal opportunities include participation in the School Site Council (SSC), the LVES Booster Club and parent volunteer work.

Volunteering in the classroom and at school events is encouraged and popular. Of course, communicating frequently with each student's teacher, reviewing homework and papers that are sent home, attending back-to-school night and open-house activities, and participating in parent-teacher conferences are essential ways of strengthening the partnership between home and school.

The 2020-21 school year has been unlike any other, and the community of Lucerne Valley Elementary School continues to stay actively engaged in the best interests of the students.

For more information on how to become involved, please contact office manager Karol Thompson or Principal Joanna Mora at (760) 248-7659.

★ The core materials in use were selected as they best met the needs of our students. Through local review, it was determined these materials are aligned to current standards.

Availability of Textbooks and Instructional Materials

The following lists the percentage of pupils who lack their own assigned textbooks and instructional materials.

Percentage of Students Lacking Materials by Subject	
2023-24 School Year	
Reading/language arts	0%
Mathematics	0%
Science	0%
History/social science	0%
Visual and performing arts	0%
Foreign language	0%
Health	0%

Currency of Textbooks

This table displays the date when the most recent hearing was held to adopt a resolution on the sufficiency of instructional materials.

Currency of Textbooks	
2023-24 School Year	
Data collection date	9/14/2023

Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available at a workstation, and the ability to print documents.

School Facility Good Repair Status

The table shows the results of the school's most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. This inspection determines the school facility's good repair status using ratings of good condition, fair condition or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair or poor. At the time of this school facility inspection, no deficiencies were found.

School Facility Good Repair Status		2023-24 School Year
Items Inspected		Repair Status
Systems: Gas leaks, sewer, mechanical systems (heating, ventilation and HVAC)		Good
Interior: Interior surfaces (floors, ceilings, walls and window casings)		Good
Cleanliness: Pest/vermin control, overall cleanliness		Good
Electrical: Electrical systems		Good
Restrooms/fountains: Restrooms, sinks and drinking fountains		Good
Safety: Fire safety, emergency systems, hazardous materials		Good
Structural: Structural condition, roofs		Good
External: Windows/doors/gates/fences, playgrounds/school grounds		Good
Overall summary of facility conditions		Good
Date of the most recent FIT report		8/31/2023

School Facilities

Lucerne Valley Elementary School provides a safe, clean and functional environment for learning through proper facilities maintenance and campus supervision. Original school buildings were constructed in 1954. Monthly safety inspections and ongoing maintenance ensures school facilities are kept safe, in good working condition, and provide adequate space for students and staff.

Campus improvements in 2022-23:

- Repairs to restrooms
- Painting projects
- Trimming of trees
- Surveillance camera upgrade

Today, the entire school consists of 33 classrooms. This includes one computer lab, a STEM lab, a library, English language learner (ELL) support room, multipurpose room (cafeteria, auditorium and stage) and playground areas (preschool, kindergarten, primary and upper grade). Three classrooms are used for programs provided by outside agencies, including a preschool. Five rooms are used for the After School All Stars Program. Additional rooms on campus are used for a variety of purposes, including intervention, support services, staff and parent involvement.

All of our classrooms and library are networked with internet access, with computers for student use in every room.

All staff share in the supervision of students throughout the day. As students arrive on campus, administrators and campus security staff circulate throughout the campus to monitor student activities. During the lunch period, campus security staff provide supervision in the cafeteria and common gathering areas. When students are dismissed at the end of the day, administrators and teachers are stationed in strategic locations to ensure students leave campus or travel to after-school activities in a safe and orderly manner.

The school site is neat and clean, and the facilities are adequate to meet the needs of the students. New paint and carpeting are installed periodically. A custodial staff works both during and after school as well as some nonstudent days to provide a well-maintained campus. The campus is entirely fenced and kept locked whenever students are present.

To maintain a safe and secure environment, all parents and visitors are required to check in at the school office, obtain and wear a visitor's badge, and then return to the office upon departure.

District and site maintenance staff ensures the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work-order process is used to ensure efficient service and that emergency repairs are given the highest priority. Our school has a team of custodians that clean the campus daily as well as over holidays and school breaks. School safety and cleanliness are the custodians' highest priority and strongly emphasized as a component of the daily routines.

On an annual basis, schools are required by the state to perform a comprehensive inspection and report those findings to the school community. The most recent inspection for Lucerne Valley Elementary School took place on August 31, 2023.

School Safety

The district has a comprehensive district-wide safety plan that stresses emergency preparation. Local law enforcement and fire personnel work closely with the school. The plan is a working document, which will constitute updates and change as needed for its optimal use. One of the school leadership teams, Safe School Leadership Team (SSLT), contributes to revisions and helps to keep the staff updated. Fire, lockdown and earthquake drills are regularly carried out.

Visitors to the campus must sign in at the office before entering school grounds. Gates are locked during all school hours. Emergency evacuation and fire drills occur regularly, and a safety committee is in place to help ensure all necessary components are in place and up-to-date.

All buildings housing students meet Field Act standards. The fire department and the district inspect facilities annually. The safety of students and staff at Lucerne Valley Elementary School is paramount. Every effort is made to ensure every aspect of school safety is reviewed and implemented as appropriate.

Security cameras are in place, and new safety equipment installed is in tandem with the program. The Education Code is adhered to, and a good working relationship with the San Bernardino County Office of Education—for assistance, as needed—is in place.

The district safety plan was most recently reviewed, updated and discussed with school faculty in September 2023.

Teacher Preparation and Placement

The teacher data displayed in this SARC is from the 2020-21 and the 2021-22 school years. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included. These tables display the number and percent of teacher authorization/assignment as well as the total number and percent of teaching positions at the school, district and state levels. For questions concerning the assignment of teachers outside their subject area of competence or the credential status of teachers, visit the California Commission on Teacher Credentialing website at <https://www.ctc.ca.gov/>.

Teacher Preparation and Placement					2020-21 School Year	
Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	18.0	75.0%	119.4	29.3%	228,366.1	83.1%
Intern Credential Holders Properly Assigned	3.0	12.5%	3.0	0.7%	4,205.9	1.5%
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)	2.0	8.3%	8.2	2.0%	11,216.7	4.1%
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)	0.0	0.0%	267.7	65.7%	12,115.8	4.4%
Unknown	1.0	4.2%	8.9	2.2%	18,854.3	6.9%
Total Teaching Positions	24.0	100.0%	407.4	100.0%	274,759.1	100.0%

Teacher Preparation and Placement					2021-22 School Year	
Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	22.0	75.9%	162.8	35.2%	234,405.2	84.0%
Intern Credential Holders Properly Assigned	3.0	10.3%	3.3	0.7%	4,853.0	1.7%
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)	3.0	10.3%	8.5	1.9%	12,001.5	4.3%
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)	0.0	0.0%	274.9	59.5%	11,953.1	4.3%
Unknown	1.0	3.5%	12.4	2.7%	15,831.9	5.7%
Total Teaching Positions	29.0	100.0%	462.1	100.0%	279,044.8	100.0%

Note: The data in these tables is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The data source is the California State Assignment Accountability System (CalSAAS) provided by the Commission on Teacher Credentialing. For information on the CalSAAS, visit the CALPADS web page at <https://www.cde.ca.gov/ds/sp/cl/calpadsupdfdash201.asp>.

For more information on the definitions listed above, refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

Teachers Without Credentials and Misassignments (considered "ineffective" under ESSA)

This table displays the number of authorization/assignments of teachers as well as the total number of teachers without credentials and misassignments at the school level. For questions concerning the permits, waivers, and misassignment of teachers, visit the California Commission on Teacher Credentialing website at <https://www.ctc.ca.gov/>.

Teachers Without Credentials and Misassignments		Two-Year Data	
Authorization/Assignment		2020-21	2021-22
Permits and Waivers		2.0	3.0
Misassignments		0.0	0.0
Vacant Positions		0.0	0.0
Total Teachers Without Credentials and Misassignments		2.0	3.0

Credentialed Teachers Assigned Out-of-Field (considered "out-of-field" under ESSA)

This table displays the number of teachers and the total out-of-field teachers at the school level.

For more information on the definitions listed above, refer to the California Commission on Teacher Credentialing's Administrator's Assignment Manual at <https://www.ctc.ca.gov/credentials/manuals>.

Credentialed Teachers Assigned Out-of-Field		Two-Year Data	
Indicator		2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver		0.0	0.0
Local Assignment Options		0.0	0.0
Total Out-of-Field Teachers		0.0	0.0

Class Assignments

This table displays the number of teachers and the total out-of-field teachers at the school level.

Misassignment and vacant teacher position data should be available in the district's personnel office.

Class Assignments		Two-Year Data	
Indicator		2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)		0.0%	0.0%
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)		0.0%	0.0%

The data source is the California State Assignment Accountability System (CalSAAS) provided by the Commission on Teacher Credentialing. For information on the CalSAAS, visit the CALPADS web page at <https://www.cde.ca.gov/ds/sp/cl/calpadsup-dflash201.asp>.

For more information on the definitions listed above, refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

Academic Counselors and School Support Staff

This table displays information about academic counselors and support staff at the school and their full-time equivalent (FTE).

Ratio of Pupils to Academic Counselors and School Support Staff Data

2022-23 School Year

	Ratio
Pupils to Academic counselors	620:1
Support Staff	FTE
Counselor (academic, social/behavioral or career development)	1.0
Library media teacher (librarian)	0.0
Library media services staff (paraprofessional)	0.0
Psychologist	0.0
Social worker	0.0
Nurse	1.0
Speech/language/hearing specialist	0.0
Resource specialist (nonteaching)	0.0

Financial Data

The financial data displayed in this SARC is from the 2021-22 fiscal year. The most current fiscal information available provided by the state is always two years behind the current school year and one year behind most other data included in this report. For detailed information on school expenditures for all districts in California, see the California Department of Education (CDE) Current Expense of Education & Per-pupil Spending web page at www.cde.ca.gov/ds/fd/ec. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits web page at www.cde.ca.gov/ds/fd/cs. To look up expenditures and salaries for a specific school district, see the Ed-Data website at www.ed-data.org.

District Financial Data

This table displays district teacher and administrative salary information and compares the figures to the state averages for districts of the same type and size based on the salary schedule. Note: The district salary data does not include benefits.

Salary Data		2021-22 Fiscal Year
	Lucerne Valley USD	Similar Sized District
Beginning teacher salary	\$51,750	\$47,615
Midrange teacher salary	\$82,494	\$75,580
Highest teacher salary	\$112,865	\$100,485
Average elementary school principal salary	\$137,053	\$114,066
Average middle school principal salary	\$142,473	\$123,621
Average high school principal salary	\$142,473	\$125,385
Superintendent salary	\$185,221	\$157,977
Teacher salaries: percentage of budget	22.78%	27.82%
Administrative salaries: percentage of budget	4.12%	5.78%

Financial Data Comparison

This table displays the school's per-pupil expenditures from unrestricted sources and the school's average teacher salary and compares it to the district and state data.

Financial Data Comparison		2021-22 Fiscal Year
	Expenditures Per Pupil From Unrestricted Sources	Annual Average Teacher Salary
Lucerne Valley ES	\$1,540	\$68,286
Lucerne Valley USD	\$8,832	\$86,428
California	\$7,607	\$77,993
School and district: percentage difference	-82.6%	-21.0%
School and California: percentage difference	-79.8%	-12.4%

School Financial Data

The following table displays the school's average teacher salary and a breakdown of the school's expenditures per pupil from unrestricted and restricted sources.

School Financial Data	
2021-22 Fiscal Year	
Total expenditures per pupil	\$10,614
Expenditures per pupil from restricted sources	\$9,074
Expenditures per pupil from unrestricted sources	\$1,540
Annual average teacher salary	\$68,286

Expenditures Per Pupil

Supplemental/restricted expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.

Data for this year's SARC was provided by the California Department of Education and school and district offices. For additional information on California schools and districts and comparisons of the school to the district, the county and the state, please visit DataQuest at <http://dq.cde.ca.gov/dataquest>. DataQuest is an online resource that provides reports for accountability, test data, enrollment, graduates, dropouts, course enrollments, staffing and data regarding English learners. Per Education Code Section 35256, each school district shall make hard copies of its annually updated report card available, upon request, on or before February 1.

All data accurate as of January 2024.
