## Principal's Message

As principal of Lucerne Valley Middle/High School, I would like to thank you for taking the time to read about our school! We focus on preparing our students for college and careers. Lucerne Valley Unified School District provides educational services to the city of Lucerne Valley and the surrounding areas within San Bernardino County. The vision, purpose, and goal of all stakeholders within the Lucerne Valley Middle/High School community is to provide a program that is rigorous and relevant for students as they prepare to enter the challenges of college, career, and life beyond high school while providing them with 21st century skills essential to success beyond high school. We, the educational community of Lucerne Valley Middle/High School, are also committed to the learning growth and advancement of every student. The progress indicator evidence and data are provided by English Language Proficiency Assessments for California (ELPAC), Smarter Balanced Assessment Consortium (SBAC), single assessments, course grades, promotion rates and on-time graduation rates. These indicators are reviewed at various intervals throughout the school year in order to evaluate programs and affect needed changes.

Lucerne Valley Middle/High School is fortunate to offer a wide range of educational programs serving the diversified needs of our student population. Included within these programs are Advancement Via Individual Determination (AVID), Specialized Academic Instruction, Study Skills courses, Online Schools Personalized Learning Platform and Career Technical Education (CTE). In addition, the site and district offer staff development designed to train and prepare teachers for the diversity of our students, such as Data Team (Illuminate) training, AVID training, Professional Learning Communities and New Teacher Training (two additional training days).

The school site has also begun expansion of the use of our AVID tutoring center to target instruction for identified low-performing students and will be staffed by certificated personnel and AVID college tutors representing a cross section of departments. Furthermore, all stakeholders support improved student learning as well as ensuring that all students acquire the 21st century skills needed to ensure success after high school. It is my pleasure to welcome you once again, to Lucerne Valley Middle/High School's Annual School Accountability Report Card (SARC). In accordance with Proposition 98, all schools within California are required to issue an annual SARC report, fulfilling the state and federal disclosure requirements. Parents and guardians will find valuable information pertaining to our academic achievement, a professional and caring staff, (highly qualified teachers), curricular programs, instructional materials, safety procedures, classroom environment, and condition of our site and facilities.

Lucerne Valley Middle/High School shares a principal and support staff. Lucerne Valley High School has an established CTE program with college and career pathways. Future Farmers of America (FFA) is the most established program at Lucerne Valley High School. In this school year, we are in year three of AVID implementation. We introduced the Cadet Corps program to our middle/high school students. All science courses from grades 10-12 are A-G approved.

For the 2022-23 school year, we will be dedicated to bringing the most engaging and enriching curriculum to our students in a distance learning model until we are able to have in-person instruction.

## School Mission Statement

The mission of Lucerne Valley Middle/High School is to provide an appropriate educational program and learning environment that will effectively meet the educational needs of its students and help its students be globally competitive for work and postsecondary education and prepared for life in the 21st century.

## School Vision Statement

Lucerne Valley Middle/High School will prepare students to be ethical, responsible, productive citizens who pursue the careers and higher education they desire.

## Parental Involvement

Parents have many opportunities to become involved in their child's overall educational program:

- Parents are invited to orientation and back to school night
- Parents and guardians are encouraged to volunteer in classrooms
- The School Site Council (SSC) consists of parents and representatives from the local business community, students and staff
- There are separate advisory committees for our Associated Student Body (ASB) programs

Because there is only one secondary school in Lucerne Valley, many certificated and classified staff members have children who attend the facility. This lends itself to direct involvement.

For more information on how to become involved at the school, please contact Jason Story at (760) 248-2124.

## School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

## District Mission Statement

The Lucerne Valley Unified School District will become a model district in the state of California.

The Lucerne Valley Unified School District will prepare students to be responsible and productive citizens in a continually changing society and instill in them the desire to be a lifelong learner.

## Enrollment by Student Group - Lucerne Valley MS

The total enrollment at the school was 137 students for the 2022-23 school year. The pie chart displays the percentage of students enrolled in each group.

### Demographics

2022-23 School Year

## Class Size Distribution - Lucerne Valley MS

The bar graph displays the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

## Professional Development

Professional development is an essential factor in effective schools. We are committed to ensuring our staff regularly participates in opportunities to maintain an educational level of excellence. Our instructional program is driven by student data that is consistently examined by administration and staff. It is used throughout our school to make informed decisions about assessment, curriculum, pedagogy and student services.

This essential data identifies student and school needs and progress. As a staff, we are focused on developing strong professional learning communities. Intervention specialists, grade-level teams and the principal meet in small group teams regularly. We have balanced our instructional minutes throughout the week to provide a minimum day for students each Wednesday. The remainder of this day is used for training and collaboration for staff. In addition, we encourage teachers to attend conferences and workshops that promote their professional growth.

Prior and during each school year, there are 3-10 days dedicated to staff development in areas such as technology, writing, math, language and the sciences. These specifically designated days are taught by well-respected professionals in their areas of expertise. In the 2022-23 school year, the focus has been on safety, Common Core State Standards and social-emotional learning.

### Professional Development Days

#### Number of school days dedicated to staff development and continuous improvement

| <b>2022-23</b> | 7 |
| <b>2023-24</b> | 6 |

## California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

## California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram is the designated PFT for students in California public schools put forth by the State Board of Education. Due to changes to the 2021–22 and 2022–23 PFT administration, only participation results are required for the five fitness areas.

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students participating in each of the five fitness components for the most recent testing period. For more detailed information on the California PFT, please visit [www.cde.ca.gov/ta/tg/pf](http://www.cde.ca.gov/ta/tg/pf).

| California Physical Fitness Test                                            |                  |                                  |                                             |                                   | 2021-22 School Year |

## Statewide Assessments

**Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade 10, 11 or 12).

## CAASPP Test Results in Science for All Students

The table below shows the percent of students meeting or exceeding the State standard on the CAASPP—California Science Test (CAST) and the California Alternate Assessment for Science (CAA for Science) for grades 5, 8 and once in high school (i.e., grade 10, 11 or 12).

| Percentage of Students Meeting or Exceeding State Standard |                    |        | Two-Year Data     |        |
|------------------------------------------------------------|--------------------|--------|-------------------|--------|

## CAASPP by Student Group: Science, English Language Arts and Mathematics

The tables on the following pages display the percentage of students that met or exceeded state standards in science, English language arts/literacy and mathematics for the school by student groups.

The "percentage met or exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## CAASPP Test Results by Student Group: Science (grade 8) - Lucerne Valley MS

❖ Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## Graduation and Dropout Rates

This table displays the graduation and dropout rates for the most recent three-year period for which data is available. The four-year adjusted cohort graduation rate is the number of students who graduate in four years with a regular high school diploma divided by the number of students who form the adjusted cohort for the graduating class. From the beginning of grade 9 (or the earliest high school grade), students who are entering that grade for the first time form a cohort that is "adjusted" by adding any students who subsequently transfer into the cohort and subtracting any students who subsequently transfer out.

| Graduation and Dropout Rates |                 |        |        | Three-Year Data |        |        |
|------------------------------|-----------------|--------|--------|-----------------|--------|--------|
|                              | Graduation Rate |        |        | Dropout Rate    |        |        |
|                              | 20-21           | 21-22  | 22-23  | 20-21           | 21-22  | 22-23  |
| Lucerne Valley HS            | 91.10%          | 86.40% | 88.70% | 6.70%           | 11.40% | 7.50%  |
| Lucerne Valley USD           | 42.10%          | 46.20% | 46.50% | 21.00%          | 21.00% | 15.20% |
| California                   | 83.60%          | 87.00% | 86.20% | 9.40%           | 7.80%  | 8.20%  |

## Graduation Rate by Student Group (Four-Year Cohort Rate)

| Graduation Rate by Student Group              |                              |                            | 2022-23 School Year    |
|-----------------------------------------------|------------------------------|----------------------------|------------------------|
| Student Group                                 | Number of Students in Cohort | Number of Cohort Graduates | Cohort Graduation Rate |

## Advanced Placement Courses

The following is a list of Advanced Placement (AP) courses offered where there are student course enrollments of at least one student.

| Advanced Placement Courses                    |    |
|-----------------------------------------------|----|
| 2022-23 School Year                           |    |
| Percentage of students enrolled in AP courses | 0% |
| Number of AP courses offered at the school    | 0  |
| Number of AP Courses Offered                  |    |
| Computer science                              | 0  |
| English                                       | 0  |
| Fine and performing arts                      | 0  |
| Foreign language                              | 0  |
| Mathematics                                   | 0  |
| Science                                       | 0  |
| Social science                                | 0  |

## Courses for University of California (UC) and/or California State University (CSU) Admission

The table displays two measures related to the school's courses that are required for University of California and California State University admission for the most recent year for which data is available. For more detailed information, visit <http://dq.cde.ca.gov/dataquest>. For general admissions requirements, please visit the UC Admissions Information web page at <http://admission.universityofcalifornia.edu>. For admission, application and fee information, see the CSU web page at [www.calstate.edu/admission/admission.shtml](http://www.calstate.edu/admission/admission.shtml).

| UC/CSU Admission                                                                           |         |
|--------------------------------------------------------------------------------------------|---------|
| Lucerne Valley HS                                                                          |         |
| 2021-22 and 2022-23 School Years                                                           |         |
| Percentage of students enrolled in courses required for UC/CSU admission in 2022-23        | 100.00% |
| Percentage of graduates who completed all courses required for UC/CSU admission in 2021-22 | 15.79%  |

## Textbooks and Instructional Materials

All textbooks used in the core curriculum at Lucerne Valley Middle/High School are aligned to the California Content Standards and Frameworks. The process for adoption begins with the district Curriculum, Instruction and Assessment Committee, which consists of teachers, administrators and parents, looking at material samples and those that have been piloted through the year from the approved list from the California Department of Education. Using a protocol for evaluating materials for rigor and alignment with Common Core State Standards, the committee makes a recommendation for adoption. At this point, the public has an opportunity to look at materials and hear the suggestion of that committee and offer opinions and suggestions. Finally, the information is sent to the local governing board for approval.

English language arts and history materials currently being used are from a local governing-board-approved list and are aligned to meet the needs of our students. Our English language arts and History materials undergo a process of review by site administrators and teachers to ensure a sufficient alignment exists between them and the competencies our students are required to master. All students, including English learners, have access to state standards-based textbooks for all of their core subjects for use at home and in the classroom, as well as access to a computer-based program to assist in English language arts, math and language acquisition.

| Textbooks and Instructional Materials List |                                                                                                                                      | 2023-24 School Year |

## Availability of Textbooks and Instructional Materials

The following lists the percentage of pupils who lack their own assigned textbooks and instructional materials.

| Percentage of Students Lacking Materials by Subject |    |
|-----------------------------------------------------|----|
| 2023-24 School Year                                 |    |
| Reading/language arts                               | 0% |
| Mathematics                                         | 0% |
| Science                                             | 0% |
| History/social science                              | 0% |
| Visual and performing arts                          | 0% |
| Foreign language                                    | 0% |
| Health                                              | 0% |
| Science laboratory equipment                        | 0% |

## Currency of Textbooks

This table displays the date when the most recent hearing was held to adopt a resolution on the sufficiency of instructional materials.

| Currency of Textbooks |           |
|-----------------------|-----------|
| 2023-24 School Year   |           |
| Data collection date  | 9/14/2023 |

## Quality of Textbooks

The following table outlines the criteria required for choosing textbooks and instructional materials.

| Quality of Textbooks                                                                                  |          |
|-------------------------------------------------------------------------------------------------------|----------|
| 2023-24 School Year                                                                                   |          |
| Criteria                                                                                              | Yes/No   |
| Are the textbooks adopted from the most recent state-approved or local governing-board-approved list? | ★ Yes/No |

★ The core materials in use were selected as they best met the needs of our students. Through local review, it was determined these materials are aligned to current standards.

| Spanish                                    | Realidades 1, Pearson (8-12)                                | 2014                |
| Spanish                                    | Realidades 2, Pearson (9-12)                                | 2014                |
| Spanish                                    | Avancemos: Level 3, Houghton Mifflin Harcourt (9-12)        | 2021                |
| Spanish                                    | Avancemos: Level 4, Houghton Mifflin Harcourt (9-12)        | 2021                |

## Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## Career Technical Education Programs

At Lucerne Valley High School, we are fortunate to have a variety of CTE courses: Auto, Marketing, Medical Core, Restaurant Occupations, Bakery, Agricultural Earth Science, Animal Productions, Agricultural Mechanics, Agricultural Fabrications, Agricultural Biology, Horticulture, Agricultural Leadership and Public Safety. All of these classes have pacing guides and lesson plans that incorporate both CTE and California standards. Our CTE teachers collaborate on a regular basis with core teachers to articulate content and provide our students with real-world, practical, hands-on materials and skills that they can use to improve their academics and career-technical skills essential to a well-rounded education.

Students on our campus benefit from various workshops and college presentations that are provided throughout the year. We have a fully equipped computer lab to facilitate LVHS students who are involved in CTE courses. The computer lab is in place to prepare our graduates with the necessary technical skills to demonstrate computer competency as stated in our schoolwide learning goals. Students who are enrolled in the ROP Restaurant Occupation and Bakery classes have the opportunity to obtain their California Food Handlers card. Eligible students also have support with transitions through a workability program.

At LVHS, our goal is for students to be college and career ready upon graduation. Prior to graduation, all students will have completed a minimum of one CTE course. Our CTE courses allow students to obtain certification upon successful completion of their 180-hour course. Various programs, like Food Occupation course, also provide students with a food handler's permit, enabling our students to be a step ahead of other entry-level applicants in the job market.

Melissa Cook-Rodriguez is the primary ROP representative.

## Types of Services Funded

Services funded by general funds and categorical funds are:

- Regular comprehensive education for all students
- Special education books and instructional supplies for our Specialized Academic Instruction programs
- Library and media center
- Books, instructional materials, computers and related software for our English language learner program
- Tobacco, drug and alcohol prevention programs
- Assemblies, field trips and fifth-grade science camp
- K-3 Class Size Reduction and Quality Education Investment Act (QEIA) based class-size reduction school-wide
- Schoolwide Accelerated Reader program
- After-school program

## Career Technical Education Participation

This table displays information about participation in the school's Career Technical Education (CTE) programs.

| Career Technical Education Data                                                                                          |        |
|--------------------------------------------------------------------------------------------------------------------------|--------|
| Lucerne Valley HS                                                                                                        |        |
| 2022-23 Participation                                                                                                    |        |
| Number of pupils participating in a CTE program                                                                          | 227    |
| Percentage of pupils who completed a CTE program and earned a high school diploma                                        | 20.00% |
| Percentage of CTE courses that are sequenced or articulated between a school and institutions of postsecondary education | 0.00%  |

## School Facility Good Repair Status

The table shows the results of the school's most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. This inspection determines the school facility's good repair status using ratings of good condition, fair condition or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair or poor. At the time of this school facility inspection, no deficiencies were found.

| School Facility Good Repair Status                                                   |               | 2023-24 School Year |
|--------------------------------------------------------------------------------------|---------------|---------------------|
| Items Inspected                                                                      | Repair Status |                     |
| <b>Systems:</b> Gas leaks, sewer, mechanical systems (heating, ventilation and HVAC) | Good          |                     |
| <b>Interior:</b> Interior surfaces (floors, ceilings, walls and window casings)      | Good          |                     |
| <b>Cleanliness:</b> Pest/vermin control, overall cleanliness                         | Good          |                     |
| <b>Electrical:</b> Electrical systems                                                | Good          |                     |
| <b>Restrooms/fountains:</b> Restrooms, sinks and drinking fountains                  | Good          |                     |
| <b>Safety:</b> Fire safety, emergency systems, hazardous materials                   | Good          |                     |
| <b>Structural:</b> Structural condition, roofs                                       | Good          |                     |
| <b>External:</b> Windows/doors/gates/fences, playgrounds/school grounds              | Good          |                     |
| <b>Overall summary of facility conditions</b>                                        | Good          |                     |
| <b>Date of the most recent FIT report</b>                                            | 8/31/2023     |                     |

## School Facilities

Lucerne Valley Middle/High School provides a safe, clean and functional environment for learning through proper facilities maintenance and campus supervision. The high school opened in 1992, and eight middle school rooms were added in the 1998-99 school year. Monthly safety inspections and ongoing maintenance ensures school facilities are kept safe, in good working condition, and provide adequate space for students and staff.

Campus improvements in 2022-23:

- Media Center improvements
- Painting projects
- Repairs to restrooms
- Surveillance camera upgrade
- Trimming of trees

All classrooms are connected to the internet, and one or more computers and printers are in each room for teacher and student use. All classrooms are networked through a central technology system that allows each teacher to complete daily attendance and grade reporting on the computer in their room.

All staff share in the supervision of students throughout the day. As students arrive on campus each morning, administrators and campus security staff circulate throughout the campus to monitor student activities. During the lunch period, campus security staff provide supervision in the cafeteria and outdoor eating locations. When students are dismissed at the end of the day, administrators and teachers are stationed in strategic locations to ensure students leave campus or travel to after-school activities in a safe and orderly manner.

The school site is neat and clean, and the facilities are adequate to meet the needs of the students. New paint and carpeting are installed periodically. A custodial staff member works both during and after school as well as some nonstudent days to provide a well-maintained campus. The campus is entirely fenced and kept locked whenever students are present.

To maintain a safe and secure environment, all parents and visitors are required to check in at the school office, obtain and wear a visitor's badge, and then return to the office upon departure.

District and site maintenance staff ensures the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work-order process is used to ensure efficient service and that emergency repairs are given the highest priority. Our school has a team of custodians that clean the campus daily as well as over holidays and school breaks.

School safety and cleanliness are the custodians' highest priority and strongly emphasized as a component of the daily routines.

On an annual basis, schools are required by the state to perform a comprehensive inspection and report those findings to the school community. The most recent inspection for Lucerne Valley Middle/High School took place on August 31, 2023.

## School Safety

Our school safety plan is organized according to the guidelines of Senate Bill 187. Because we are a single site, it is a grade 7-12 plan that covers the following:

- The assessment of the California school crime report
- Safe school strategies and programs that include disaster preparedness, schoolwide dress code, campus safety and student code of conduct
- Child-abuse reporting procedures
- Disaster-response procedures
- Suspension and expulsion
- Procedures for notifying teachers of dangerous pupils
- Sexual-harassment policy
- Procedures for safe ingress to and egress from school
- Rules and procedures for a safe and orderly learning environment
- Rules and procedures for student discipline
- Periodic disaster and fire drills
- Protocol for major disasters—earthquakes, fires, active shooters, etc.
- Staff roles in the event of a major emergency
- Evacuation procedures

The school safety plan was last reviewed, updated and discussed with the school faculty in September 2023.

## Teacher Preparation and Placement

The teacher data displayed in this SARC is from the 2020-21 and the 2021-22 school years. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included. These tables display the number and percent of teacher authorization/assignment as well as the total number and percent of teaching positions at the school, district and state levels. For questions concerning the assignment of teachers outside their subject area of competence or the credential status of teachers, visit the California Commission on Teacher Credentialing website at <https://www.ctc.ca.gov/>.

| Teacher Preparation and Placement                                                                      |             |              |             |              |                 |                  | 2020-21 School Year |               |

Note: The data in these tables is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The data source is the California State Assignment Accountability System (CalSAAS) provided by the Commission on Teacher Credentialing. For information on the CalSAAS, visit the CALPADS web page at <https://www.cde.ca.gov/ds/sp/cl/calpadsupdfash201.asp>.

For more information on the definitions listed above, refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

## Teachers Without Credentials and Misassignments (considered "ineffective" under ESSA)

This table displays the number of authorization/assignments of teachers as well as the total number of teachers without credentials and misassignments at the school level. For questions concerning the permits, waivers, and misassignment of teachers, visit the California Commission on Teacher Credentialing website at <https://www.ctc.ca.gov/>.

| Teachers Without Credentials and Misassignments              |                   |         | Two-Year Data     |         |
|--------------------------------------------------------------|-------------------|---------|-------------------|---------|
| Authorization/Assignment                                     | Lucerne Valley MS |         | Lucerne Valley HS |         |
|                                                              | 2020-21           | 2021-22 | 2020-21           | 2021-22 |
| Permits and Waivers                                          | 0.8               | 0.0     | 0.8               | 0.3     |
| Misassignments                                               | 2.3               | 2.5     | 1.5               | 1.2     |

## Academic Counselors and School Support Staff

This table displays information about academic counselors and support staff at the school and their full-time equivalent (FTE).

### Ratio of Pupils to Academic Counselors and School Support Staff Data

#### 2022-23 School Year

|                                                               | Ratio      |
|---------------------------------------------------------------|------------|
| <b>Pupils to Academic counselors</b>                          | 217:1      |
| <b>Support Staff</b>                                          | <b>FTE</b> |
| Counselor (academic, social/behavioral or career development) | 2.0        |
| Library media teacher (librarian)                             | 0.0        |
| Library media services staff (paraprofessional)               | 1.0        |
| Psychologist                                                  | 0.0        |
| Social worker                                                 | 0.0        |
| Nurse                                                         | 0.6        |
| Speech/language/hearing specialist                            | 0.0        |
| Resource specialist (nonteaching)                             | 0.0        |

## Financial Data

The financial data displayed in this SARC is from the 2021-22 fiscal year. The most current fiscal information available provided by the state is always two years behind the current school year and one year behind most other data included in this report. For detailed information on school expenditures for all districts in California, see the California Department of Education (CDE) Current Expense of Education & Per-pupil Spending web page at [www.cde.ca.gov/ds/fd/ec](http://www.cde.ca.gov/ds/fd/ec). For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits web page at [www.cde.ca.gov/ds/fd/cs](http://www.cde.ca.gov/ds/fd/cs). To look up expenditures and salaries for a specific school district, see the Ed-Data website at [www.ed-data.org](http://www.ed-data.org).

## District Financial Data

This table displays district teacher and administrative salary information and compares the figures to the state averages for districts of the same type and size based on the salary schedule. Note: The district salary data does not include benefits.

| Salary Data                                   |                    | 2021-22 Fiscal Year    |
|-----------------------------------------------|--------------------|------------------------|
|                                               | Lucerne Valley USD | Similar Sized District |
| Beginning teacher salary                      | \$51,750           | \$47,615               |
| Midrange teacher salary                       | \$82,494           | \$75,580               |
| Highest teacher salary                        | \$112,865          | \$100,485              |
| Average elementary school principal salary    | \$137,053          | \$114,066              |
| Average middle school principal salary        | \$142,473          | \$123,621              |
| Average high school principal salary          | \$142,473          | \$125,385              |
| Superintendent salary                         | \$185,221          | \$157,977              |
| Teacher salaries: percentage of budget        | 22.78%             | 27.82%                 |
| Administrative salaries: percentage of budget | 4.12%              | 5.78%                  |

## Financial Data Comparison

This table displays the school's per-pupil expenditures from unrestricted sources and the school's average teacher salary and compares it to the district and state data.

| Financial Data Comparison                    |                                                  | 2021-22 Fiscal Year           |
|----------------------------------------------|--------------------------------------------------|-------------------------------|
|                                              | Expenditures Per Pupil From Unrestricted Sources | Annual Average Teacher Salary |
| Lucerne Valley MS/HS                         | \$4,562                                          | \$79,255                      |
| Lucerne Valley USD                           | \$8,832                                          | \$86,428                      |
| California                                   | \$7,607                                          | \$77,993                      |
| School and district: percentage difference   | -48.3%                                           | -8.3%                         |
| School and California: percentage difference | -40.0%                                           | +1.6%                         |

## School Financial Data

The following table displays the school's average teacher salary and a breakdown of the school's expenditures per pupil from unrestricted and restricted sources.

| School Financial Data                            |          |
|--------------------------------------------------|----------|
| 2021-22 Fiscal Year                              |          |
| Total expenditures per pupil                     | \$17,057 |
| Expenditures per pupil from restricted sources   | \$12,496 |
| Expenditures per pupil from unrestricted sources | \$4,562  |
| Annual average teacher salary                    | \$79,255 |

## Expenditures Per Pupil

Supplemental/restricted expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.

## School Accountability Report Card

PUBLISHED BY:

**SIA** School  
Innovations  
& Achievement  
[www.sia-us.com](http://www.sia-us.com) | 800.487.9234

Data for this year's SARC was provided by the California Department of Education and school and district offices. For additional information on California schools and districts and comparisons of the school to the district, the county and the state, please visit DataQuest at <http://dq.cde.ca.gov/dataquest>. DataQuest is an online resource that provides reports for accountability, test data, enrollment, graduates, dropouts, course enrollments, staffing and data regarding English learners. Per Education Code Section 35256, each school district shall make hard copies of its annually updated report card available, upon request, on or before February 1.

All data accurate as of January 2024.
