## 2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

## General Information about the School Accountability Report Card (SARC)

### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

## California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

Del Lago Academy Campus of Applied Science first opened its doors to 9th and 10th graders in the fall of 2013. This high school located in Escondido, California (San Diego County) is built around a village model and serves approximately 800 scholars in grades 9 - 12. Del Lago Academy was designed around a core academic program that engages scholars in real-world learning in order to prepare them better for success in college and career.

## 2023-24 School Description and Mission Statement

Del Lago Academy has highlighted four overarching goals for bringing college and career relevance to high school scholars:

- Bring relevance to the daily curriculum in all content areas
- Develop habits of work
- Foster college and career exposure and exploration
- Expand scholars' social networks and access to opportunities

Bridging the school-to-work connection for scholars also benefits local industries in the surrounding community. The relationships built between industry professionals and scholars orient our scholars toward corporate culture. These relationships also encourage scholars to develop industry-specific skills which will ultimately lead to the creation of a stronger workforce.

**MISSION:** Preparing future scholars, innovators, and world citizens. Scholars with the academic skills required for postsecondary and global workforce success. Innovators who create solutions to local and global problems through empathy, creativity, and collaboration. World Citizens who are respectful, responsible, ethical, and compassionate.

### CORE BELIEFS:

- **PERSONALIZATION:** We believe learning is a social process and relationships are important. Scholars that are known as individuals, challenged intellectually, respected, supported, and connected to their learning will be successful.
- **AUTHENTIC LEARNING EXPERIENCES:** We believe scholars who are challenged intellectually by actively exploring real-world problems value their learning and are motivated to succeed.
- **AN ETHIC OF EXCELLENCE:** We believe scholars immersed in a school and community culture that fosters excellence will value their own accomplishments and strive for academic and social excellence.
- **SKILLED PROFESSIONAL TEACHERS:** We believe skilled teachers understand that scholars learn in different ways. They know a great deal about the learning process, and they use this knowledge to make the content accessible for diverse learners and support the learning process.

## About this School

### 2022-23 Student Enrollment by Grade Level

| Grade Level      | Number of Students |
|------------------|--------------------|
| Grade 9          | 213                |
| Grade 10         | 202                |
| Grade 11         | 184                |
| Grade 12         | 178                |
| Total Enrollment | 777                |

## 2022-23 Student Enrollment by Student Group

| Student Group                    | Percent of Total Enrollment |
|----------------------------------|-----------------------------|
| Female                           | 53.4%                       |
| Male                             | 46.6%                       |
| American Indian or Alaska Native | 0.5%                        |
| Asian                            | 5.4%                        |
| Black or African American        | 1.9%                        |
| Filipino                         | 2.8%                        |
| Hispanic or Latino               | 68.7%                       |
| Two or More Races                | 0.5%                        |
| White                            | 19.7%                       |
| English Learners                 | 11.6%                       |
| Foster Youth                     | 0.3%                        |
| Homeless                         | 0.9%                        |
| Migrant                          | 0.6%                        |
| Socioeconomically Disadvantaged  | 72.5%                       |
| Students with Disabilities       | 9.5%                        |

### A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## 2020-21 Teacher Preparation and Placement

| Authorization/Assignment                                                                               | School Number | School Percent | District Number | District Percent | State Number | State Percent |
|--------------------------------------------------------------------------------------------------------|---------------|----------------|-----------------|------------------|--------------|---------------|
| <b>Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)</b> | 30.10         | 93.48          | 306.90          | 71.52            | 228366.10    | 83.12         |
| <b>Intern Credential Holders Properly Assigned</b>                                                     | 0.00          | 0.00           | 6.80            | 1.60             | 4205.90      | 1.53          |
| <b>Teachers Without Credentials and Misassignments (“ineffective” under ESSA)</b>                      | 0.00          | 0.00           | 10.20           | 2.40             | 11216.70     | 4.08          |
| <b>Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)</b>                         | 0.30          | 1.02           | 54.50           | 12.71            | 12115.80     | 4.41          |
| <b>Unknown</b>                                                                                         | 1.70          | 5.47           | 50.50           | 11.77            | 18854.30     | 6.86          |
| <b>Total Teaching Positions</b>                                                                        | 32.20         | 100.00         | 429.10          | 100.00           | 274759.10    | 100.00        |

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Teacher Preparation and Placement

| Authorization/Assignment                                                                               | School Number | School Percent | District Number | District Percent | State Number | State Percent |
|--------------------------------------------------------------------------------------------------------|---------------|----------------|-----------------|------------------|--------------|---------------|
| <b>Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)</b> | 28.90         | 89.20          | 361.50          | 78.04            | 234405.20    | 84.00         |
| <b>Intern Credential Holders Properly Assigned</b>                                                     | 0.00          | 0.00           | 3.90            | 0.85             | 4853.00      | 1.74          |
| <b>Teachers Without Credentials and Misassignments (“ineffective” under ESSA)</b>                      | 1.20          | 3.98           | 11.90           | 2.59             | 12001.50     | 4.30          |
| <b>Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)</b>                         | 0.20          | 0.62           | 40.40           | 8.73             | 11953.10     | 4.28          |
| <b>Unknown</b>                                                                                         | 1.90          | 6.14           | 45.30           | 9.79             | 15831.90     | 5.67          |
| <b>Total Teaching Positions</b>                                                                        | 32.40         | 100.00         | 463.20          | 100.00           | 279044.80    | 100.00        |

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

### Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

| Authorization/Assignment                                     | 2020-21 | 2021-22 |
|--------------------------------------------------------------|---------|---------|
| Permits and Waivers                                          | 0.00    | 0.00    |
| Misassignments                                               | 0.00    | 1.20    |
| Vacant Positions                                             | 0.00    | 0.00    |
| <b>Total Teachers Without Credentials and Misassignments</b> | 0.00    | 1.20    |

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

### Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

| Indicator                                              | 2020-21 | 2021-22 |
|--------------------------------------------------------|---------|---------|
| Credentialed Teachers Authorized on a Permit or Waiver | 0.00    | 0.00    |
| Local Assignment Options                               | 0.30    | 0.20    |
| <b>Total Out-of-Field Teachers</b>                     | 0.30    | 0.20    |

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

### Class Assignments

| Indicator                                                                                                                                                  | 2020-21 | 2021-22 |
|------------------------------------------------------------------------------------------------------------------------------------------------------------|---------|---------|
| <b>Misassignments for English Learners</b><br>(a percentage of all the classes with English learners taught by teachers that are misassigned)              | 0       | 3.7     |
| <b>No credential, permit or authorization to teach</b><br>(a percentage of all the classes taught by teachers with no record of an authorization to teach) | 0       | 0       |

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

## 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The Escondido Union High School District places a significant emphasis on ensuring that instructional programs are well-supported with current textbooks and materials. A Public Hearing held on September 12, 2023, affirmed that each school within the district possesses sufficient and high-quality textbooks, instructional materials, and science lab equipment, aligning with the settlement of Williams vs. the State of California.

To ensure accessibility, all students, including English Learners, are provided with individual standards-aligned textbooks and/or instructional materials in core subjects and visual and performing arts. These resources are intended for both classroom use and to be taken home.

The district follows a systematic review cycle for the adoption of textbooks and supplementary materials. Committees comprising teachers, administrators, and parents meticulously review materials under consideration, and recommendations are subsequently presented to the School Board by the Instructional Program Review Committee. Prior to adoption, all recommended materials are made available for parent examination at the district office. Additionally, schools incorporate a diverse array of novels and instructional materials throughout their curriculum.

The table presented in September 2023 provides information on the quality, currency, and availability of standards-aligned textbooks and instructional materials used at the school. This data reflects the district's commitment to providing students with the necessary tools for a comprehensive and contemporary education.

Year and month in which the data were collected

September 2023

B. Pupil Outcomes

**State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

**Statewide Assessments**  
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
- Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
- California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

**College and Career Ready**  
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

| Subject                                               | School<br>2021-22 | School<br>2022-23 | District<br>2021-22 | District<br>2022-23 | State<br>2021-22 | State<br>2022-23 |
|-------------------------------------------------------|-------------------|-------------------|---------------------|---------------------|------------------|------------------|

| Mathematics<br>(grades 3-8 and 11)                    | 28                | 29                | 22                  | 22                  | 33               | 34               |

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

| CAASPP Student Groups                                | CAASPP Total Enrollment | CAASPP Number Tested | CAASPP Percent Tested | CAASPP Percent Not Tested | CAASPP Percent Met or Exceeded |

## 2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

| CAASPP Student Groups                                | CAASPP Total Enrollment | CAASPP Number Tested | CAASPP Percent Tested | CAASPP Percent Not Tested | CAASPP Percent Met or Exceeded |

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2022-23 Career Technical Education Programs

### Career Technical Education Programs

In alignment with California Department of Education, Escondido Union High School District defines career paths as a program of study that involves a multiyear sequence of courses that integrates core academic knowledge with technical and occupational knowledge to provide students with a pathway to postsecondary education and careers. The CTE department collects data on the number of students moving through our local sequences. Some CTE courses, because of the time requirements, internship element and industry standards they meet, may be defined as a sequence within themselves. CTE courses are found throughout our schools. A CTE concentrator is identified locally and is a student who has completed 50 percent of a planned program sequence (in hours or credits) in a state-recognized CTE sequence and is enrolled in the next course in that sequence or has completed 50 percent of a single state-recognized multi-hour course and is enrolled in the second half of that course. Capstone courses are defined as completer based on length of course, sequence, and skill development. The CTE capstone course leads to a certificate/industry skill sheet or license if applicable. The program also provides the student with academic and technical knowledge and skill through integrated academic and technical instruction. The programs prepare students to enter current or emerging careers for further training within the career path for which there is gainful employment. All students are provided practical experiences to pursue post high school employment and gain course work that is A-G compliant.

DLA offers the following CTE pathways and courses:

Principles of Design I

Principles of Design II

Students who engage in the pathways find relevance in their studies, are provided an opportunity to apply their academic and industry skills to everyday problems, are taught to think critically, and are required to act professionally. Through the IEP process, special education students may be scheduled into CTE courses. Students are provided the support and necessary curriculum modification as outlined in the IEP. CTE provides extended testing time, extra assignment time and support where appropriate. Since our CTE courses work to integrate and support the academic standards, the students will be exposed to “hands-on” activities and participate in solving real life problems. The capacity to serve a “significant” number of students and the degree to which the program attains specific outcomes are assessed yearly. Completion rates, graduation rates, and completion of a sequence are all evaluated yearly. The number of completion certificates issued, and the attainment of specific industry skills is analyzed. Data on attendance is also collected.

## 2022-23 Career Technical Education (CTE) Participation

| Measure                                                                                                                 | CTE Program Participation |
|-------------------------------------------------------------------------------------------------------------------------|---------------------------|
| Number of Pupils Participating in CTE                                                                                   | 206                       |
| Percent of Pupils that Complete a CTE Program and Earn a High School Diploma                                            | 0.7                       |
| Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education |                           |

## Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

| UC/CSU Course Measure                                                     | Percent |
|---------------------------------------------------------------------------|---------|
| 2022-23 Pupils Enrolled in Courses Required for UC/CSU Admission          | 99.87   |
| 2021-22 Graduates Who Completed All Courses Required for UC/CSU Admission | 90.58   |

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2023-24 Opportunities for Parental Involvement

Del Lago Academy provides a supportive environment to our parents/guardians and students to facilitate high student achievement. Families routinely receive information about academic content standards and their children's progress towards meeting those standards in several ways. School information is written in both Spanish and English. Our largest parent organization, ELAC, regularly hosts monthly meetings with counselors, and administrators present to inform parents about such topics as standards and assessment and social and emotional development issues. Monthly parent meetings known as Dialogue with Del Lago are held monthly, and presentations are made in both Spanish and English. Content teachers also discuss student progress with parents and guardians.

All parents and guardians belong to the Del Lago Academy Foundation (DLAF). The purpose and goals of the DLAF are to:

- Support the mission of Del Lago Academy to prepare the students of Del Lago Academy to be future Scholars, Innovators, and World Citizens.
- Enhance the quality of education by providing additional resources and funds to Del Lago Academy.
- Promote a combined effort and support among District Administrators, Del Lago Academy staff members, students, parents/guardians, and community members.
- Support educational programs and/or extracurricular programs such as, but not limited to, athletic teams, debate teams, and musical groups.
- Encourage member participation in school activities.
- Facilitate communication between home and school, and between the DLA Foundation.
- Promote the recognition of Del Lago Academy in the community.

## C. Engagement

### State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school Dropout Rates;
- High school Graduation Rates; and
- Chronic Absenteeism

#### Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

| Indicator              | School 2020-21 | School 2021-22 | School 2022-23 | District 2020-21 | District 2021-22 | District 2022-23 | State 2020-21 | State 2021-22 | State 2022-23 |
|------------------------|----------------|----------------|----------------|------------------|------------------|------------------|---------------|---------------|---------------|
| <b>Dropout Rate</b>    | 0.5            | 0.5            | 2.2            | 6                | 6.6              | 7                | 9.4           | 7.8           | 8.2           |
| <b>Graduation Rate</b> | 99             | 99             | 97.8           | 86.9             | 87.2             | 88               | 83.6          | 87            | 86.2          |

#### 2022-23 Graduation Rate by Student Group (Four-Year Cohort Rate)

This table displays the 2022-23 graduation rate by student group. For information on the Four-Year Adjusted Cohort Graduation Rate (ACGR), visit the CDE Adjusted Cohort Graduation Rate web page at [www.cde.ca.gov/ds/ad/acgrinfo.asp](http://www.cde.ca.gov/ds/ad/acgrinfo.asp).

| Student Group                                        | Number of Students in Cohort | Number of Cohort Graduates | Cohort Graduation Rate |
|------------------------------------------------------|------------------------------|----------------------------|------------------------|
| <b>All Students</b>                                  | 180                          | 176                        | 97.8                   |

## 2023-24 School Safety Plan

The Escondido Union High School District (EUHSD) is committed to maintaining a safe and secure environment across all its schools, employing full-time school resource officers through the Escondido Police Department. Campus security personnel are present at each school to contribute to the overall safety and respectfulness of the campus. Administrators and staff actively participate in supervising school grounds, and security and supervision are provided at all school events. The district enforces a closed campus policy, requiring all visitors to register with the office for enhanced security measures.

School safety is a top priority, and the district collaborates with law enforcement, regularly reviewing and modifying school safety plans. Full-time school resource officers contribute to ensuring a safe and respectful environment. The safety plan for Del Lago Academy (DLA) was reviewed in November 2022 with DLA staff and stakeholders. An emergency plan was developed for various situations, and each staff member is equipped with a disaster plan book and receives training on its implementation. The school conducts regular evacuation drills in collaboration with local and regional emergency response agencies, along with routine fire drills throughout the year.

Parents are provided with essential information regarding student safety during emergencies. The school emphasizes that students may be safer at school than at home in a serious emergency due to earthquake-safe buildings, on-campus firefighting equipment, and well-defined plans and procedures for various emergencies. The safety and welfare of students remain the primary concern in the event of an emergency.

In case of an emergency, students are instructed to follow the directions of teachers, staff, or bus drivers. Parents are requested to cooperate by refraining from calling the school to keep phone lines open for emergency responders, avoiding driving to school to ensure open streets for emergency vehicles, and tuning in to designated radio stations for information and directions. The family reunion area is specified as the DLA field.

In alignment with the Escondido Union High School District Disaster Preparedness Plan, families are encouraged to create

## 2023-24 School Safety Plan

home emergency plans and make necessary preparations. This collaborative and proactive approach to safety underscores the district's commitment to ensuring the well-being of students, staff, and the entire school community.

## 2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

| Subject               | Average Class Size | Number of Classes with 1-22 Students | Number of Classes with 23-32 Students | Number of Classes with 33+ Students |
|-----------------------|--------------------|--------------------------------------|---------------------------------------|-------------------------------------|
| English Language Arts | 33                 |                                      | 11                                    | 13                                  |
| Mathematics           | 33                 | 1                                    | 9                                     | 14                                  |
| Science               | 24                 | 11                                   | 7                                     | 8                                   |
| Social Science        | 33                 |                                      | 8                                     | 11                                  |

## 2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

| Subject               | Average Class Size | Number of Classes with 1-22 Students | Number of Classes with 23-32 Students | Number of Classes with 33+ Students |
|-----------------------|--------------------|--------------------------------------|---------------------------------------|-------------------------------------|
| English Language Arts | 33                 |                                      | 10                                    | 14                                  |

| Social Science        | 31                 | 0                                    | 15                                    | 11                                  |

## 2022-23 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

| Title                               | Ratio |
|-------------------------------------|-------|
| <b>Pupils to Academic Counselor</b> | 388.5 |

## 2022-23 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

| Title                                                                | Number of FTE Assigned to School |
|----------------------------------------------------------------------|----------------------------------|
| <b>Counselor (Academic, Social/Behavioral or Career Development)</b> | 2                                |
| <b>Library Media Teacher (Librarian)</b>                             |                                  |
| <b>Library Media Services Staff (Paraprofessional)</b>               |                                  |
| <b>Psychologist</b>                                                  |                                  |
| <b>Social Worker</b>                                                 | 1                                |
| <b>Nurse</b>                                                         |                                  |
| <b>Speech/Language/Hearing Specialist</b>                            |                                  |
| <b>Resource Specialist (non-teaching)</b>                            |                                  |
| <b>Other</b>                                                         | 3.6                              |

## Fiscal Year 2021-22 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2021-22 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

| Level                                                | Total Expenditures Per Pupil | Expenditures Per Pupil (Restricted) | Expenditures Per Pupil (Unrestricted) | Average Teacher Salary |
|------------------------------------------------------|------------------------------|-------------------------------------|---------------------------------------|------------------------|
| <b>School Site</b>                                   | \$11,353                     | \$1,606                             | \$9,747                               | \$78,019               |
| <b>District</b>                                      | N/A                          | N/A                                 | \$11,941                              | \$86,590               |
| <b>Percent Difference - School Site and District</b> | N/A                          | N/A                                 | -20.2                                 | -9.0                   |
| <b>State</b>                                         | N/A                          | N/A                                 | \$7,607                               | \$97,850               |

## Fiscal Year 2022-23 Types of Services Funded

The bell schedule at Del Lago is somewhat different than at the comprehensive high schools. To start, school begins later in the morning (8:30 am), because adolescents need their sleep! School also ends later in the day (3:24 pm on Monday and Friday, and 3:32 p.m. Tuesday through Thursday). There are just four core class periods during the school day, plus lunch. This is what is known as a 4x4 schedule. These core courses meet for approximately 80 minutes a day. The longer class periods allow teachers time to use different modes of instruction and give attention to students who may be struggling with the content. On Tuesday through Thursday the class periods are slightly shorter to account for time in an X-Block (elective) or advisory class. One main advantage of the 4x4 schedule is that “teacher load” is much smaller than that of teachers in other high schools. Although class size at Del Lago will remain about the same, teachers only teach three core classes a day, plus an advisory and X-Block. Therefore, teachers only have responsibility for the academic work of approximately 110 students. This means that teachers have more time to focus on and individually work with every scholar under his or her care.

### SINGLE PATHWAY

Del Lago offers what is known as a “single pathway” curriculum. In this curriculum, all scholars are enrolled in the same coursework at each grade level. Research and experience have shown that mixing students up by gender, race, cultural background and ability levels encourages learning among both the stronger and weaker students in any given content area. The different perspectives that scholars bring to such a diverse classroom create a rich, open learning environment, which has the potential to bring out the best in everyone when managed skillfully. Some classes may be broken down into ability groups for different projects, but there is no “tracking” at Del Lago. Teachers develop their own lesson plans, projects and materials to give students “multiple points of entry” to the curriculum. For example, teachers will utilize different modes of instruction such as lecture, project-based learning, small group discussion, individual research and writing so that every scholar finds a way to engage with the material. The “single pathway” curriculum is designed to incorporate all the coursework/credits scholars will need to meet the UC/CSU A – G Requirements. In other words, every scholar that successfully completes the curriculum will be eligible for entrance into any four-year university.

### IT TAKES A VILLAGE

At Del Lago Academy, one of our core beliefs involves personalization. Scholars at Del Lago Academy will be respected, supported, connected, and known as individuals. One structure to support this personalization is the village model of learning. Each scholar will be in a village of about one hundred students that share the same core teachers and support staff. Collaboration time for teachers is built into the schedule so that teachers can discuss the best way to support each scholar in their village. Core content teachers, administrators, social workers/counselors, and special education teachers will participate in village meetings to ensure a well-rounded plan for the social and academic welfare of each scholar in the village. In addition to building relationships with staff, the village system allows scholars to nurture relationships of mutual respect and support with classmates.

### OFF-CAMPUS LEARNING EXPERIENCES & INTERNSHIP

As part of the “School to College and Career Program”, our scholars will be participating in off-campus learning experiences beginning in the 9th grade year and progressing through the 12th grade year. These experiences may include industry tours, seminars, job shadows, and internships. These activities bring relevance to the school curriculum and are an essential component of the educational program at DLA. We consider participation in these activities to be a tremendous student opportunity, responsibility, and privilege. At times, scholars may be placed in sensitive professional settings, such as the hospital or a biotechnology company. Our professional partners work closely with us to provide our scholars with rigorous and relevant educational experiences, and their expectation is that scholars will adhere to all rules and procedures established at the off-campus sites. In addition, our scholars will be representing Del Lago Academy when traveling off-site and are always expected to comply with all school rules and behavior expectations. When off-campus, scholars are required to wear their Del Lago collared shirt, provided by the school.

## Fiscal Year 2021-22 Teacher and Administrative Salaries

This table displays the 2021-22 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

| Category                                      | District Amount | State Average for Districts in Same Category |
|-----------------------------------------------|-----------------|----------------------------------------------|
| Beginning Teacher Salary                      | \$53,117        | \$57,234                                     |
| Mid-Range Teacher Salary                      | \$80,682        | \$95,467                                     |
| Highest Teacher Salary                        | \$114,003       | \$122,669                                    |
| Average Principal Salary (Elementary)         | \$0             |                                              |
| Average Principal Salary (Middle)             | \$0             | \$153,476                                    |
| Average Principal Salary (High)               | \$151,410       | \$173,198                                    |
| Superintendent Salary                         | \$272,275       | \$277,572                                    |
| Percent of Budget for Teacher Salaries        | 26.92%          | 31.17%                                       |
| Percent of Budget for Administrative Salaries | 5.84%           | 4.46%                                        |

## 2022-23 Advanced Placement (AP) Courses

This table displays the percent of student in AP courses at this school.

|                                   |      |
|-----------------------------------|------|
| Percent of Students in AP Courses | 22.9 |
|-----------------------------------|------|

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

| Subject                                                                                                | Number of AP Courses Offered |

## Professional Development

DLA staff meet collaboratively one Monday each month from 8:30 am - 10:47 am. The DLA professional learning initiatives for the 2023/2024 school year include:

1. Examining Best Assessment Practices
2. Cultural Proficiency
3. Literacy (writing across the curriculum)

Professional Development

- 4. Best Practices for Meeting the Needs of English Learners (Designated and Integrated ELD)
- 5. Restorative Practices

Staff routinely examine the DLA mission and core values to maintain our commitments to high quality teaching and learning and to the social-emotional well-being of our scholars.

The metrics used to routinely assess progress include both internal and external metrics (but are not limited to):

- a. Attendance data
- b. Student discipline data
- c. Academic grade data
- d. EL reclassification data
- e. ELPAC data
- f. Standardized testing data
- g. Meeting attendance

Teachers are routinely supported through whole group and small group PL sessions, Studio Cycles, conference attendance, individual monitoring, school workshops, and in class coaching (through the support of the DLA Mathematics and Intervention TOSAs).

This table displays the number of school days dedicated to staff development and continuous improvement.

| Subject                                                                         | 2021-22 | 2022-23 | 2023-24 |
|---------------------------------------------------------------------------------|---------|---------|---------|
| Number of school days dedicated to Staff Development and Continuous Improvement | 3       | 7       |         |
