## 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

San Pasqual High School (SPHS), established with spirit and pride in 1972, is located in the San Pasqual Valley of Escondido, California. Home to the Golden Eagles, SPHS has a rich tradition in academics, athletics, and the arts. Celebrating its 50th anniversary in the Escondido community this year, the school is situated on 45.3 acres, providing facilities that meet both educational and extra-curricular needs. The campus includes administrative offices, academic buildings, a gymnasium, a fully functional cafeteria, a multipurpose room, a dance room, sports facilities, several fields, a Learning Center, and a new Wellness Center that opened in the 2022 school year. Enrollment for the 2022-23 school year is around 1950 students, with various educational options available in Escondido for grades 9-12.

SPHS has received honors such as a Silver Medal from the US News and World Report in 2016-2017 and recognition from the Educational Results Partnership (ERP) and the Campaign for Business and Education Excellence (CBEE) in 2016. The school boasts a successful athletic program, earning 58 CIF Championship Titles, 279 League Titles, and 3 State Titles in its 50 years of existence. In the 2021-2022 school year, 39% of the student body participated in athletic programs.

The school focuses on removing financial barriers to college by increasing FAFSA completion rates. Through personalized support, events, and outreach efforts, SPHS has raised FAFSA completion rates from 62%-70%. The school has also partnered with the CARPE network to enhance support for college applications and matching.

SPHS has a strong emphasis on its "CARE" motto, emphasizing Choice Words, Accountability, Respect, and Excellence. The school's Student Learning Outcomes (SLOs) aim for students to be academically prepared, exhibit positive behavior, and be college and career-ready post-graduation. The mission of SPHS is to provide relevant, engaging instruction with high

2023-24 School Description and Mission Statement

expectations, embedded support, and positive behavior models, fostering success during and beyond high school.

The school's instructional focus centers on "Rigor, Relevance, and Relationships" in the classroom. SPHS emphasizes excellence, equity, and exploration in staff professional development, aligning decisions with equity principles and promoting curiosity and wonder in students.

In the 2023-2024 school year, SPHS continues its focus on building positive relationships and connections on campus. The "Wellness Center" and the hiring of an additional social worker underscore the commitment to students' mental health. The school has implemented early interventions for academics and behavior, including a successful peer tutoring program.

Creating a positive school culture is a priority, and SPHS is actively engaged in restorative practices training for the entire staff. The aim is to foster a supportive environment, focusing on building relationships and community, handling disciplinary incidents restoratively, and reducing the number of student referrals for behaviors.

Recent campus upgrades, including new signage, fencing, and modernized entrances, enhance the school's aesthetics. The addition of a state-of-the-art Podcast and Video center provides students with resources for podcast and video courses. SPHS remains dedicated to excellence, equity, exploration, and creating an inviting facility for students and the community.

About this School

2022-23 Student Enrollment by Grade Level

| Grade Level      | Number of Students |
|------------------|--------------------|
| Grade 9          | 433                |
| Grade 10         | 492                |
| Grade 11         | 504                |
| Grade 12         | 507                |
| Total Enrollment | 1,936              |

## 2022-23 Student Enrollment by Student Group

| Student Group                       | Percent of Total Enrollment |
|-------------------------------------|-----------------------------|
| Female                              | 49.8%                       |
| Male                                | 50%                         |
| American Indian or Alaska Native    | 0.2%                        |
| Asian                               | 3.2%                        |
| Black or African American           | 2%                          |
| Filipino                            | 1.3%                        |
| Hispanic or Latino                  | 67.9%                       |
| Native Hawaiian or Pacific Islander | 0.2%                        |
| Two or More Races                   | 1%                          |
| White                               | 23.7%                       |
| English Learners                    | 20.9%                       |
| Foster Youth                        | 0.5%                        |
| Homeless                            | 2.6%                        |
| Migrant                             | 0.1%                        |
| Socioeconomically Disadvantaged     | 74.8%                       |
| Students with Disabilities          | 14.7%                       |

### A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## 2020-21 Teacher Preparation and Placement

| Authorization/Assignment                                                                               | School Number | School Percent | District Number | District Percent | State Number | State Percent |
|--------------------------------------------------------------------------------------------------------|---------------|----------------|-----------------|------------------|--------------|---------------|
| <b>Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)</b> | 70.60         | 78.23          | 306.90          | 71.52            | 228366.10    | 83.12         |
| <b>Intern Credential Holders Properly Assigned</b>                                                     | 1.90          | 2.15           | 6.80            | 1.60             | 4205.90      | 1.53          |
| <b>Teachers Without Credentials and Misassignments (“ineffective” under ESSA)</b>                      | 1.00          | 1.11           | 10.20           | 2.40             | 11216.70     | 4.08          |
| <b>Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)</b>                         | 8.80          | 9.81           | 54.50           | 12.71            | 12115.80     | 4.41          |
| <b>Unknown</b>                                                                                         | 7.80          | 8.70           | 50.50           | 11.77            | 18854.30     | 6.86          |
| <b>Total Teaching Positions</b>                                                                        | 90.30         | 100.00         | 429.10          | 100.00           | 274759.10    | 100.00        |

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Teacher Preparation and Placement

| Authorization/Assignment                                                                               | School Number | School Percent | District Number | District Percent | State Number | State Percent |
|--------------------------------------------------------------------------------------------------------|---------------|----------------|-----------------|------------------|--------------|---------------|
| <b>Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)</b> | 79.10         | 80.53          | 361.50          | 78.04            | 234405.20    | 84.00         |
| <b>Intern Credential Holders Properly Assigned</b>                                                     | 1.80          | 1.83           | 3.90            | 0.85             | 4853.00      | 1.74          |
| <b>Teachers Without Credentials and Misassignments (“ineffective” under ESSA)</b>                      | 1.30          | 1.42           | 11.90           | 2.59             | 12001.50     | 4.30          |
| <b>Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)</b>                         | 5.80          | 5.98           | 40.40           | 8.73             | 11953.10     | 4.28          |
| <b>Unknown</b>                                                                                         | 10.00         | 10.22          | 45.30           | 9.79             | 15831.90     | 5.67          |
| <b>Total Teaching Positions</b>                                                                        | 98.20         | 100.00         | 463.20          | 100.00           | 279044.80    | 100.00        |

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

### Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

| Authorization/Assignment                                     | 2020-21     | 2021-22     |
|--------------------------------------------------------------|-------------|-------------|
| Permits and Waivers                                          | 0.00        | 0.00        |
| Misassignments                                               | 1.00        | 1.30        |
| Vacant Positions                                             | 0.00        | 0.00        |
| <b>Total Teachers Without Credentials and Misassignments</b> | <b>1.00</b> | <b>1.30</b> |

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

### Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

| Indicator                                              | 2020-21     | 2021-22     |
|--------------------------------------------------------|-------------|-------------|
| Credentialed Teachers Authorized on a Permit or Waiver | 0.00        | 1.10        |
| Local Assignment Options                               | 8.80        | 4.60        |
| <b>Total Out-of-Field Teachers</b>                     | <b>8.80</b> | <b>5.80</b> |

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

### Class Assignments

| Indicator                                                                                                                                                  | 2020-21 | 2021-22 |
|------------------------------------------------------------------------------------------------------------------------------------------------------------|---------|---------|
| <b>Misassignments for English Learners</b><br>(a percentage of all the classes with English learners taught by teachers that are misassigned)              | 1.3     | 0.4     |
| <b>No credential, permit or authorization to teach</b><br>(a percentage of all the classes taught by teachers with no record of an authorization to teach) | 1.6     | 0       |

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

## 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Escondido Union High School District sets a high priority upon ensuring that sufficient and current textbooks and materials are available to support instructional programs. Escondido Union High School District held a Public Hearing on September 13, 2022 and determined that each school within the district has sufficient and good quality textbooks, instructional materials, or science lab equipment, pursuant to the settlement of Williams vs. the State of California.

All students, including English Learners, are given their own individual standards-aligned textbooks and/or instructional materials in core subjects and visual and performing arts, for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a review cycle established by the district. Materials considered for adoption are reviewed by committees of teachers, administrators, and parents, and a recommendation is made to the School Board by the Instructional Program Review Committee. All recommended materials are available for parent examination at the district office prior to adoption. The schools also utilize a variety of novels and other instructional materials throughout their curriculum.

The table displays information collected in November 2022 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

| Year and month in which the data were collected |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | November 2022               |                                            |

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

| Subject                                               | School<br>2021-22 | School<br>2022-23 | District<br>2021-22 | District<br>2022-23 | State<br>2021-22 | State<br>2022-23 |
|-------------------------------------------------------|-------------------|-------------------|---------------------|---------------------|------------------|------------------|
| English Language Arts/Literacy<br>(grades 3-8 and 11) | 50                | 67                | 50                  | 55                  | 47               | 46               |
| Mathematics<br>(grades 3-8 and 11)                    | 18                | 23                | 22                  | 22                  | 33               | 34               |

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

| CAASPP Student Groups                                | CAASPP Total Enrollment | CAASPP Number Tested | CAASPP Percent Tested | CAASPP Percent Not Tested | CAASPP Percent Met or Exceeded |
|------------------------------------------------------|-------------------------|----------------------|-----------------------|---------------------------|--------------------------------|

## 2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

| CAASPP Student Groups                                | CAASPP Total Enrollment | CAASPP Number Tested | CAASPP Percent Tested | CAASPP Percent Not Tested | CAASPP Percent Met or Exceeded |

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 Career Technical Education Programs

Career Technical Education Programs

In alignment with California Department of Education, Escondido Union High School District defines career paths as a program of study that involves a multiyear sequence of courses that integrates core academic knowledge with technical and occupational knowledge to provide students with a pathway to postsecondary education and careers. The CTE department collects data on the number of students moving through our local sequences. Some CTE courses, because of the time requirements, internship element and industry standards they meet, may be defined as a sequence within themselves. CTE courses are found throughout our schools. A CTE concentrator is identified locally and is a student who has completed 50 percent of a planned program sequence (in hours or credits) in a state-recognized CTE sequence and is enrolled in the next course in that sequence or has completed 50 percent of a single state-recognized multi-hour course and is enrolled in the second half of that course. Capstone courses are defined as completer based on length of course, sequence, and skill development. The CTE capstone course leads to a certificate/industry skill sheet or license if applicable. The program also provides the student with academic and technical knowledge and skill through integrated academic and technical instruction. The programs prepare students to enter current or emerging careers for further training within the career path for which there is gainful employment. All students are provided practical experiences to pursue post high school employment and gain course work that is A-G compliant.

SPHS offers the following CTE pathways and courses:

- Podcasting, Advanced Podcasting
- Business: Business, Business & Finance
- Culinary, Advanced Culinary
- Graphic Design-Advanced Graphic Design
- Manufacturing Innovation & Advanced Manufacturing Innovation
- Construction 1-Construction 2
- Animal Science-Veterinary Science
- Agri Science-Biology, Chemistry, Physics
- Woods Innovation Advanced Wood Innovation

Students who engage in the pathways find relevance in their studies, are provided an opportunity to apply their academic and industry skills to everyday problems, are taught to think critically, and are required to act professionally. Through the IEP process, special education students may be scheduled into CTE courses. Students are provided the support and necessary curriculum modification as outlined in the IEP. CTE provides extended testing time, extra assignment time and support where appropriate. Since our CTE courses work to integrate and support the academic standards, the students will be exposed to “hands on” activities and participate in solving real life problems. The capacity to serve a “significant” number of students and the degree to which the program attains specific outcomes are assessed yearly. Completion rates, graduation rates, and completion of a sequence are all evaluated yearly. The number of completion certificates issued, and the attainment of specific industry skills is analyzed. Data on attendance is also collected.

2022-23 Career Technical Education (CTE) Participation

| Measure                                                                                                                 | CTE Program Participation |
|-------------------------------------------------------------------------------------------------------------------------|---------------------------|
| Number of Pupils Participating in CTE                                                                                   | 586                       |
| Percent of Pupils that Complete a CTE Program and Earn a High School Diploma                                            | 75.9                      |
| Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education |                           |

## Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

| UC/CSU Course Measure                                                     | Percent |
|---------------------------------------------------------------------------|---------|
| 2022-23 Pupils Enrolled in Courses Required for UC/CSU Admission          | 96.69   |
| 2021-22 Graduates Who Completed All Courses Required for UC/CSU Admission | 40.58   |

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

## 2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

| Grade Level | Component 1:<br>Aerobic Capacity | Component 2:<br>Abdominal<br>Strength and<br>Endurance | Component 3:<br>Trunk Extensor<br>and Strength and<br>Flexibility | Component 4:<br>Upper Body<br>Strength and<br>Endurance | Component 5:<br>Flexibility |
|-------------|----------------------------------|--------------------------------------------------------|-------------------------------------------------------------------|---------------------------------------------------------|-----------------------------|
|-------------|----------------------------------|--------------------------------------------------------|-------------------------------------------------------------------|---------------------------------------------------------|-----------------------------|

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

## 2023-24 Opportunities for Parental Involvement

Parent involvement is an important aspect of the continued success of SPHS. Students and parents can monitor in real-time student progress on StudentVUE and ParentVUE. In addition, parents and students are formally notified of academic progress twice per semester before the final semester grade. Formal grade reports are sent home six times per academic year.

Every teacher has a computer with internet access and a phone and is able to respond to parent emails and phone calls in a timely manner. Translation services are available to teachers from several staff members, with a list of people able to offer translation services sent out each school year via email. SPHS utilizes an automated phone call system to communicate important information about testing, paperwork deadlines, and evening events to parents and guardians. In addition, the SPHS webpage is updated frequently and is a useful tool for parents to learn about activities on campus.

The SPHS bilingual parent liaison works in the Parent Engagement Center. This Parent Engagement Center provides parent education workshops, drug awareness workshops, guest speakers on relevant topics, computer skill building for parents, parent-teen communication workshops, etc. The parent liaison also coordinates events for parents with the district office, such as the parent night produced by the Coalition for a Drug Free Escondido (CDFE) about the dangers of marijuana, alcohol, pills, and other drugs during the teen years.

Coffee with the Principal has continued with an opportunity for the principal and administrative team and counseling team to

## 2023-24 Opportunities for Parental Involvement

share information with parents and receive feedback about programs at SPHS.

The Special Education department reaches out to parents through the Individualized Education Plan (IEP) process. In addition, teachers in the Special Education department invite parents to proactive meetings in advance of problems or difficulties in an effort to promote student academic and behavior success.

Other parent involvement opportunities include:

- Annual Back to School night
- Athletic Boosters
- AVID Parent Club
- English Learner Advisory Committee (ELAC)
- Freshman parent night and orientation
- District level ELAC (DELAC)
- Parent Institute for Quality Education (PIQUE)
- Parent volunteers
- School Site Council
- SPHS Parents Club
- Music Boosters
- Agriculture Boosters
- LCAP Surveys and annual LCAP information nights
- Parent Club Grad Night Committee
- Parent participation in building the 5-Year Tech Plan
- School Site Council
- Coffee with the Principal/Parent Advisory
- 8th Grade Open Campus Parent Night

## C. Engagement

### State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school Dropout Rates;
- High school Graduation Rates; and
- Chronic Absenteeism

### Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

| Indicator              | School<br>2020-21 | School<br>2021-22 | School<br>2022-23 | District<br>2020-21 | District<br>2021-22 | District<br>2022-23 | State<br>2020-21 | State<br>2021-22 | State<br>2022-23 |
|------------------------|-------------------|-------------------|-------------------|---------------------|---------------------|---------------------|------------------|------------------|------------------|
| <b>Dropout Rate</b>    | 5.5               | 4.9               | 5.6               | 6                   | 6.6                 | 7                   | 9.4              | 7.8              | 8.2              |
| <b>Graduation Rate</b> | 92.1              | 90.9              | 89.5              | 86.9                | 87.2                | 88                  | 83.6             | 87               | 86.2             |

## 2022-23 Graduation Rate by Student Group (Four-Year Cohort Rate)

This table displays the 2022-23 graduation rate by student group. For information on the Four-Year Adjusted Cohort Graduation Rate (ACGR), visit the CDE Adjusted Cohort Graduation Rate web page at [www.cde.ca.gov/ds/ad/acgrinfo.asp](http://www.cde.ca.gov/ds/ad/acgrinfo.asp).

| Student Group                                        | Number of Students in Cohort | Number of Cohort Graduates | Cohort Graduation Rate |
|------------------------------------------------------|------------------------------|----------------------------|------------------------|
| <b>All Students</b>                                  | 514                          | 460                        | 89.5                   |

## 2023-24 School Safety Plan

We share a school resource officer through the Escondido Police Department and have seven full-time campus security assistants on campus. Our administrators and staff assist with supervising school grounds. We provide security and supervision at school events. We maintain a closed campus and require all visitors to register with the office through the Raptor system that scans identification cards of all visitors. We review and modify our school safety plan and provide staff training in conjunction with the Police and Fire departments. Our school plan is reviewed annually.

The San Pasqual School Safety plan is reviewed and approved each year. This was reviewed and approved by our School Site Council in November 2022. An emergency plan was developed for a number of situations that may occur. Each staff member is issued a disaster plan book and is given training in its implementation. Each year the entire school practices evacuation procedures many times in conjunction with local and regional emergency response agencies. Fire drills are practiced throughout the year.

Parents are advised to keep in mind: Students may be safer at school than at home in a serious emergency because school buildings are earthquake safe, there is fire-fighting equipment on campus, and the school has plans and specific procedures for dealing with all types of serious emergencies. The safety and welfare of the students is the primary concern in the event of an emergency. In the event of an emergency, a student should be prepared to follow the directions of teachers or staff at the school site, or the bus driver if he or she is on the way to or from school. If a student is traveling by other means when an emergency occurs, they should proceed to school, as this will be the safest place for them to be. Parent cooperation is requested in the following areas: 1. Do not telephone the school. Telephone lines and cell phone capacity will be needed for emergency responders. 2. Do not drive to school. Streets need to be as open as possible for emergency vehicles. 3. Do turn the radio to KKLQ 600 or KCBQ 1170 on the AM dial. Information and directions will be given over the radio. 4. The family reunion area is located at the SPS stadium. In conjunction with the EUHSD disaster preparedness plan, they urge every family to make home emergency plans and preparations.

## 2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

| Subject               | Average Class Size | Number of Classes with 1-22 Students | Number of Classes with 23-32 Students | Number of Classes with 33+ Students |
|-----------------------|--------------------|--------------------------------------|---------------------------------------|-------------------------------------|
| English Language Arts | 24                 | 38                                   | 12                                    | 31                                  |
| Mathematics           | 23                 | 30                                   | 11                                    | 30                                  |
| Science               | 26                 | 21                                   | 13                                    | 21                                  |
| Social Science        | 26                 | 28                                   | 8                                     | 30                                  |

## 2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

| Subject               | Average Class Size | Number of Classes with 1-22 Students | Number of Classes with 23-32 Students | Number of Classes with 33+ Students |

| Science               | 24                 | 20                                   | 27                                    | 10                                  |
| Social Science        | 24                 | 29                                   | 35                                    | 15                                  |

## 2022-23 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

| Title                        | Ratio  |
|------------------------------|--------|
| Pupils to Academic Counselor | 322.67 |

## 2022-23 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

| Title                                                         | Number of FTE Assigned to School |
|---------------------------------------------------------------|----------------------------------|
| Counselor (Academic, Social/Behavioral or Career Development) | 6                                |
| Library Media Teacher (Librarian)                             |                                  |
| Library Media Services Staff (Paraprofessional)               |                                  |
| Psychologist                                                  |                                  |
| Social Worker                                                 | 1                                |
| Nurse                                                         |                                  |
| Speech/Language/Hearing Specialist                            |                                  |
| Resource Specialist (non-teaching)                            |                                  |
| Other                                                         |                                  |

## Fiscal Year 2021-22 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2021-22 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

| Level                                         | Total Expenditures Per Pupil | Expenditures Per Pupil (Restricted) | Expenditures Per Pupil (Unrestricted) | Average Teacher Salary |
|-----------------------------------------------|------------------------------|-------------------------------------|---------------------------------------|------------------------|
| School Site                                   | \$11,345                     | \$2,966                             | \$8,379                               | \$86,249               |
| District                                      | N/A                          | N/A                                 | \$11,941                              | \$86,590               |
| Percent Difference - School Site and District | N/A                          | N/A                                 | -35.1                                 | 1.1                    |
| State                                         | N/A                          | N/A                                 | \$7,607                               | \$97,850               |
| Percent Difference - School Site and State    | N/A                          | N/A                                 | 23.8                                  | -8.7                   |

## Fiscal Year 2022-23 Types of Services Funded

SPHS offers a variety of courses and programs which allow students to enrich their learning. These include Honors classes and Advanced Placement classes, as well as additional online classes offered through the Learning Center and Campus Online. The school ideal is that all enriched courses will offer open enrollment. Some students are actively recruited by teachers and counselors based on their academic skills, past performance, and potential. Counselors meet with students individually every year to review their academic progress and post-secondary goals to guide placement. Counselors meet with seniors four times per year to ensure they have a post-secondary plan. We also have an AVID program on campus.

### Intervention Providers

In order to provide students the necessary supports to ensure academic success, San Pasqual High School has a robust system of intervention services. The school has added many TOSA (Teacher on Special Assignment) sections focusing on academic intervention, a second school social worker, a family parent liaison, and an additional school counselor. These support providers join an intervention team that includes the Family Intervention Team (FIT), the Prevention and Diversion (PAD) program, and Safety Outreach for Students (SOS) program. In addition, we opened a new Wellness Center for students on campus. SPHS also partners with Education Compact to provide Girls Rock and FIT groups to our students as well as The Families First Initiative to address housing concerns. We also partner with local agencies including Palomar Family Counseling, Mental Health Systems, and Elizabeth Hospice to help address the socio-emotional needs of students.

The San Pasqual High School Counseling Department is a comprehensive school counseling program that is aligned with the ASCA National Model. Counselors aim to advocate, lead, collaborate, and act as system change agents for student success. Six school counselors deliver academic, career, and personal/social counseling services in classrooms, small groups, and individual settings to meet the needs of all students, staff and parents in our community. We actively aim to increase academic success by implementing academic enrichment and intervention programs.

The school social work team is comprised of two full-time social workers and three part-time social work interns. The school social workers assist students with academic learning by providing strategic services that identify and address the social-emotional-environmental issues that interfere with the educational process. Our school social workers work with parents/guardians, teachers, school principals/assistant principals, community based resources and district employees to implement strategies that promote students' positive school adjustment. They provide school based counseling services, conduct school based counseling groups, collaborate with outside agencies, conduct home visits, support legislative requirements, assess home, school, personal and community factors, provide behavioral support and consultation to school site staff, assist in functional behavior assessments, assist in management of crisis situations, conduct classroom meetings and classroom presentations, develop programs to address parent participation in school, provide case management, and complete psychosocial assessments to assist in determination of SPED services. In 2022-2023, we have three master's degree level social worker interns that are able to provide individual and group interventions. SPHS has also started a mental health awareness club called Bring Change 2 Mind. This club is student-led to increase the awareness of mental health and reduce the stigma.

## Fiscal Year 2021-22 Teacher and Administrative Salaries

This table displays the 2021-22 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/csl/>.

| Category                                      | District Amount | State Average for Districts in Same Category |
|-----------------------------------------------|-----------------|----------------------------------------------|
| Beginning Teacher Salary                      | \$53,117        | \$57,234                                     |
| Mid-Range Teacher Salary                      | \$80,682        | \$95,467                                     |
| Highest Teacher Salary                        | \$114,003       | \$122,669                                    |
| Average Principal Salary (Elementary)         | \$0             |                                              |
| Average Principal Salary (Middle)             | \$0             | \$153,476                                    |
| Average Principal Salary (High)               | \$151,410       | \$173,198                                    |
| Superintendent Salary                         | \$272,275       | \$277,572                                    |
| Percent of Budget for Teacher Salaries        | 26.92%          | 31.17%                                       |
| Percent of Budget for Administrative Salaries | 5.84%           | 4.46%                                        |

## 2022-23 Advanced Placement (AP) Courses

This table displays the percent of student in AP courses at this school.

|                                   |      |
|-----------------------------------|------|
| Percent of Students in AP Courses | 35.8 |
|-----------------------------------|------|

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

| Subject                                                                                                | Number of AP Courses Offered |

## Professional Development

San Pasqual High School and the Escondido Union High School District are committed to ongoing professional development for staff. Trainings may include site workshops, staff meeting activities, district-led opportunities, conference attendance, and individual mentoring or working with a Teacher on Special Assignment. Professional development offerings are designed with student and staff need and teacher feedback in mind based on current needs. Implementation is supported and monitored in PLC teams, Department meetings, Department Chair meetings, PLC Lead Teacher meetings, all-staff meetings, and via review of surveys and student data in small groups.

Professional Development

In partnership with the EUHSD’s Educational Services department, SPHS continues to support staff through ongoing professional development via the Arc of Learning which includes working closely with site administrators, teacher leaders, and instructional coaches in co-constructing studio cycles in the areas of Social Emotional Learning (SEL), Improvement Science (in PLCs), Design Thinking/Equity Protocol, and Deeper Learning via Studio Cycles.

EUHSD has prioritized the professional learning and instructional material training necessary for successfully improving instructional practice. We have hired highly qualified Content Specialists in critical academic areas (Math, English Language Development, Humanities, and Science), we have focused significant funding and human resources toward developing the arc of professional learning (SEL, Improvement Science (in PLCs), Design Thinking/Equity Protocol, and Deeper Learning via Studio Cycles) appropriate for all classified, certificated and management staff, and we have consistently surveyed and facilitated listening sessions with staff and leadership from each of our content areas in a monthly subject-area council meeting.

Professional Learning Communities

San Pasqual High School teachers work collaboratively in ongoing processes of collective inquiry and action research in order to enhance student learning. Staff meets weekly in Professional Learning Communities (PLCs) comprised of content area or course-alike teams to focus on the Four Essential Questions:

- What do we expect students to learn? (essential standards)
- How will we know they are learning? (common assignments and assessments)
- How will we respond if they do not learn? (systematic interventions)
- How we will extend the learning for students who have demonstrated proficiency? (enrichment)

Teams regularly examine student work samples and data to ensure that students are mastering skills and standards. Team focus is on short-term cycle of inquiry where teachers collaborate to select an area of instructional challenge to address, collect and analyze evidence, develop a change idea, implement and test a change idea, and analyze and discuss change idea impact.

Restorative Practices and PBIS

At professional development days and staff meetings, teachers have learned about restorative practices and techniques and strategies for Positive Behavioral Interventions and Supports (PBIS). Specific topics have included creating a positive classroom culture, establishing classroom and campus expectations, developing restorative responses to classroom behavior, and encouraging school and family communication.

Academic Rigor

SPHS staff has worked with SDCOE for training in developing rigorous tasks for students and examining levels of questions in existing and newly developed assignments and assessments. Site administrators and Content Specialists regularly calibrate classroom instruction expectations in alignment with the Hess Cognitive Rigor Matrix.

Job Specific Professional Development

EUHSD School Counselors engage in professional development appropriate to their job description. Special Education, Security, and Administrative staff receive Proact training appropriate to job requirements. Teachers of Mathematics have participated in integrated mathematics training. Teachers of Science have received training and support with implementation of Next Generation Science Standards. English Language Arts teachers are trained in current Springboard materials and ERWC.

This table displays the number of school days dedicated to staff development and continuous improvement.

| Subject                                                                         | 2021-22 | 2022-23 | 2023-24 |
|---------------------------------------------------------------------------------|---------|---------|---------|
| Number of school days dedicated to Staff Development and Continuous Improvement | 3       | 7       |         |
