

Valley Continuation High School

2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Contact Information

School Name	Valley Continuation High School
Street	410 North Hidden Trails Rd.
City, State, Zip	Escondido, CA 92027
Phone Number	(760) 291-2240

County-District-School (CDS) Code	37681063732054

2023-24 District Contact Information

District Name	Escondido Union High School District
Phone Number	(760) 291-3200
Superintendent	Jon Peterson
Email Address	JPeterson@euhsd.org
District Website	https://www.euhsd.org/

2023-24 School Description and Mission Statement

Valley High School, nestled in the eastern section of Escondido and part of the Escondido Union High School District, is a continuation high school that takes pride in being the Graduation Station. Fully accredited by the Western Association of Schools and Colleges, Valley High is also recognized as a California Model Continuation School.

Our school community at Valley High is committed to providing a safe and respectful learning environment within the confines of a highly supportive small school setting. We emphasize fostering a school culture that nurtures a strong sense of belonging and personal responsibility.

Restorative practices play a central role in our approach, guiding us in building community, managing conflicts, repairing harm, and strengthening relationships on campus. These practices contribute to creating a welcoming atmosphere, ensuring that every student feels connected and valued. We recognize the significance of meaningful relationships in fostering student learning, and the ongoing creation of a positive school culture remains a primary focus at Valley High School.

With a dedicated team of 17 teachers, a full-time counselor, and two full-time social workers, Valley High offers a range of extracurricular opportunities, clubs, and engaging activities through our after-school ASSETS program and a competitive intramural program, allowing students to proudly represent Valley High in the community.

The award-winning Responsibility Training Program (RTP) is a cornerstone of our approach. All new Grizzlies undergo this program, which not only guides them through navigating school but also emphasizes respecting oneself and others, developing problem-solving skills, and learning how to manage anger and conflict during the teenage years.

Valley High School adheres to the California Common Core Standards in its curriculum, maintaining the same expectations of rigor as the comprehensive high schools in the district. Additionally, all students are enrolled in AVID to ensure continuous support and exposure to various post-high school opportunities, including colleges and trade schools.

Our overarching vision at Valley Continuation High School is encapsulated in the phrase "Learning for All, Whatever It Takes." We are dedicated to making connections, building relationships, and ensuring that each student reaches their full potential, excelling academically and achieving their goals.

2023-24 School Description and Mission Statement

About this School

2022-23 Student Enrollment by Grade Level

Grade Level	Number of Students
Grade 10	9
Grade 11	94
Grade 12	174
Total Enrollment	277

2022-23 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	36.1%
Male	63.9%
American Indian or Alaska Native	0.4%
Asian	0.4%
Black or African American	1.8%
Filipino	0.7%
Hispanic or Latino	89.9%
White	6.1%
English Learners	35%
Foster Youth	0.7%
Homeless	10.5%
Migrant	0.4%
Socioeconomically Disadvantaged	92.1%
Students with Disabilities	11.9%

A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	10.30	70.33	306.90	71.52	228366.10	83.12
Intern Credential Holders Properly Assigned	0.00	0.00	6.80	1.60	4205.90	1.53
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)	0.00	0.00	10.20	2.40	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)	3.30	22.85	54.50	12.71	12115.80	4.41
Unknown	1.00	6.82	50.50	11.77	18854.30	6.86
Total Teaching Positions	14.60	100.00	429.10	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	11.50	72.74	361.50	78.04	234405.20	84.00
Intern Credential Holders Properly Assigned	0.00	0.00	3.90	0.85	4853.00	1.74
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)	0.20	1.26	11.90	2.59	12001.50	4.30
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)	3.30	20.88	40.40	8.73	11953.10	4.28
Unknown	0.80	5.05	45.30	9.79	15831.90	5.67
Total Teaching Positions	15.80	100.00	463.20	100.00	279044.80	100.00

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.00
Misassignments	0.00	0.20
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	0.00	0.20

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.60	0.00
Local Assignment Options	2.70	3.30
Total Out-of-Field Teachers	3.30	3.30

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	1.5
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The Escondido Union High School District places a high priority on ensuring that instructional programs are well-supported with up-to-date textbooks, technology, and materials. A Public Hearing on September 12, 2023, reaffirmed that each school within the district possesses sufficient and high-quality textbooks, instructional materials, and science lab equipment, aligning with the settlement of Williams vs. the State of California.

To guarantee access to resources, all students, including English Learners, are provided with individual standards-aligned textbooks and/or instructional materials in core subjects, as well as visual and performing arts. These resources are intended for both classroom use and to be taken home. The district follows a well-established review cycle for the adoption of textbooks and supplementary materials. Committees comprising teachers, administrators, and parents carefully review the materials under consideration, and recommendations are subsequently presented to the School Board by the Instructional Program Review Committee. Before adoption, all recommended materials are made available for parent examination at the district office. Additionally, schools incorporate a diverse array of novels and instructional materials throughout their curriculum.

As of November 2023, a table has been compiled, presenting information on the quality, currency, and availability of standards-aligned textbooks and instructional materials used at the school. This data reflects the district's commitment to providing students with the necessary tools for a comprehensive and contemporary education.

Year and month in which the data were collected

September 2023

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption ?	Percent Students Lacking Own Assigned Copy

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
- 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
- 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
English Language Arts/Literacy (grades 3-8 and 11)	8	6	50	55	47	46
Mathematics (grades 3-8 and 11)	0	0	22	22	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	167	158	94.61	5.39	5.70
Female	60	58	96.67	3.33	6.90
Male	107	100	93.46	6.54	5.00
American Indian or Alaska Native	0	0	0	0	0

Native Hawaiian or Pacific Islander	0	0	0	0	0
Two or More Races	--	--	--	--	--
White	11	11	100.00	0.00	18.18
English Learners	57	53	92.98	7.02	0.00
Foster Youth	0	0	0	0	0
Homeless	--	--	--	--	--
Military	0	0	0	0	0
Socioeconomically Disadvantaged	145	137	94.48	5.52	5.84
Students Receiving Migrant Education Services	0	0	0	0	0
Students with Disabilities	11	11	100.00	0.00	0.00

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	174	167	95.98	4.02	0.00
Female	64	63	98.44	1.56	0.00
Male	110	104	94.55	5.45	0.00
American Indian or Alaska Native	0	0	0	0	0
Asian	0	0	0	0	0
Black or African American	--	--	--	--	--
Filipino	--	--	--	--	--
Hispanic or Latino	157	150	95.54	4.46	0.00
Native Hawaiian or Pacific Islander	0	0	0	0	0

Foster Youth	0	0	0	0	0
Homeless	--	--	--	--	--
Military	0	0	0	0	0
Socioeconomically Disadvantaged	151	145	96.03	3.97	0.00
Students Receiving Migrant Education Services	0	0	0	0	0
Students with Disabilities	11	11	100.00	0.00	0.00

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
Science (grades 5, 8 and high school)	3.60	3.10	19.75	20.35	29.47	30.29

2022-23 CAASPP Test Results in Science by Student Group

This table displays CAASPP test results in Science by student group for students grades five, eight, and High School. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students	143	129	90.21	9.79	3.10

Students with Disabilities	19	19	100.00	0.00	0.00

2022-23 Career Technical Education Programs

Career Technical Education Programs

In alignment with the California Department of Education, Escondido Union High School District defines career paths as a program of study that involves a multiyear sequence of courses that integrates core academic knowledge with technical and occupational knowledge to provide students with a pathway to postsecondary education and careers. The CTE department collects data on the number of students moving through our local sequences. Some CTE courses, because of the time requirements, internship element, and industry standards they meet, may be defined as a sequence within themselves.

CTE courses are found throughout our schools. A CTE concentrator is identified locally and is a student who has completed 50 percent of a planned program sequence (in hours or credits) in a state-recognized CTE sequence and is enrolled in the next course in that sequence or has completed 50 percent of a single state-recognized multi-hour course and is enrolled in the second half of that course. Capstone courses are defined as completers based on the length of the course, sequence, and skill development. The CTE capstone course leads to a certificate/industry skill sheet or license if applicable. The program also provides the student with academic, and technical knowledge, and skills through integrated academic and technical instruction. The programs prepare students to enter current or emerging careers for further training within the career path for which there is gainful employment. All students are provided practical experiences to pursue post-high school employment and gain coursework that is A-G compliant.

VHS offers the following CTE pathways and courses:

Career Pathway-Concentration Class-Capstone Class

Graphic Production Technologies 1A/1B

Advanced Graphic Production Technologies 2A/2B

Students who engage in the pathways find relevance in their studies, are provided an opportunity to apply their academic and industry skills to everyday problems, are taught to think critically, and are required to act professionally. Through the IEP process, special education students may be scheduled into CTE courses. Students are provided the support and necessary curriculum modification as outlined in the IEP. CTE provides extended testing time, extra assignment time, and support where appropriate. Since our CTE courses work to integrate and support academic standards, the students will be exposed to “hands-on” activities and participate in solving real-life problems. The capacity to serve a “significant” number of students and the degree to which the program attains specific outcomes are assessed yearly. Completion rates, graduation rates, and completion of a sequence are all evaluated yearly. The number of completion certificates issued, and the attainment of specific industry skills are analyzed. Data on attendance is also collected.

2022-23 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	158
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2022-23 Pupils Enrolled in Courses Required for UC/CSU Admission	72.92
2021-22 Graduates Who Completed All Courses Required for UC/CSU Admission	0

2022-23 California Physical Fitness Test Results					
This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.					
Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility

2023-24 Opportunities for Parental Involvement
Valley High School (VHS) is dedicated to creating a supportive environment for parents and students to facilitate high student achievement. Multiple avenues are utilized to keep families informed about academic content standards and their student's progress, with information provided in both Spanish and English. The largest parent organization, ELAC, conducts monthly meetings alongside counselors and administrators to discuss topics such as state standards, assessments, college opportunities, and social and emotional development. Teachers also review student progress with parents every third and sixth week, while the academic counselor meets with students twice a quarter to monitor their progress. Within a highly supportive school setting, VHS fosters a safe and respectful learning environment, emphasizing a strong sense of belonging and personal responsibility through restorative practices. With a quarter system allowing students to earn 90 or more credits in a school year, VHS actively employs restorative practices to develop a sense of community, manage conflicts, repair harm, and build relationships on campus. The dedicated staff includes 17 teachers, a full-time bilingual counselor, two full-time bilingual social workers, a bilingual parent liaison, and a bilingual assessment technician. VHS provides numerous extra-curricular opportunities, student clubs, and interactive activities through the 21st Century After School Safety and Enrichment for Teens (ASSETs) program. A competitive intramural program allows students to represent the school in athletic competitions throughout the community. The Responsibility Training Program (RTP) guides new students in navigating their high school journey, emphasizing respect, problem-solving skills, and conflict management. The school offers a curriculum aligned with the California Common Core Standards and upholds the same expectations of rigor as other comprehensive high schools in the district. The Advancement Via Individual Determination (AVID) program is offered to all students, supporting them in gaining acceptance into local community colleges and successfully transferring to university settings. AVID also exposes students to local colleges, universities, and trade schools. VHS is committed to active communication and engagement with parents as partners in education. Parents have numerous opportunities to be involved, attending classes, workshops, and various events organized by the Parent Liaison and Social Worker team. Surveys are conducted to determine the schedule for English Learner Advisory Committee (ELAC) meetings, and stakeholders, including students, provide input through meetings, forums, and surveys related to the Local Control and Accountability Plan (LCAP). School Site Council meetings, student-led forums, and Title I meetings further facilitate

2023-24 Opportunities for Parental Involvement

communication and collaboration between the school and parents. All information shared during these meetings is conveyed to the district Cabinet and the Board of Education. VHS remains committed to actively involving all Educational Partners in the education of its students.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school Dropout Rates;
- High school Graduation Rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2020-21	School 2021-22	School 2022-23	District 2020-21	District 2021-22	District 2022-23	State 2020-21	State 2021-22	State 2022-23
Dropout Rate	21.1	26.4	20.3	6	6.6	7	9.4	7.8	8.2
Graduation Rate	44	52.8	62.7	86.9	87.2	88	83.6	87	86.2

2022-23 Graduation Rate by Student Group (Four-Year Cohort Rate)

This table displays the 2022-23 graduation rate by student group. For information on the Four-Year Adjusted Cohort Graduation Rate (ACGR), visit the CDE Adjusted Cohort Graduation Rate web page at www.cde.ca.gov/ds/ad/acgrinfo.asp.

Student Group	Number of Students in Cohort	Number of Cohort Graduates	Cohort Graduation Rate
All Students	158	99	62.7

Socioeconomically Disadvantaged	14.96	0
Students Receiving Migrant Education Services	0	0
Students with Disabilities	26	0

2023-24 School Safety Plan

Valley Continuation High School prioritizes the safety and security of its students, staff, and visitors through a comprehensive approach to campus supervision and emergency preparedness.

Currently, the school is supported by two campus supervisors, and administrators and staff actively contribute to the supervision of school grounds. Security and supervision are extended to all school events. VHS maintains a closed campus, requiring all visitors to register through the Raptor Visitor Management system. An annual review of the school safety plan is conducted, and staff receives training on safety protocols from the Escondido Police and Fire Departments.

The most recent School Safety Plan, reviewed in November 2022, includes an emergency plan for various situations. Staff members are issued a disaster plan book, both in digital and physical formats, and undergo training on its implementation. Regular drills, including evacuation and fire drills, are practiced throughout the year, ensuring preparedness in collaboration with local and regional emergency response agencies.

Parents are informed about the school's safety measures, emphasizing that students may be safer at school than at home during emergencies due to the earthquake-safe structures, on-campus firefighting equipment, and comprehensive emergency procedures. In the event of an emergency, students are expected to follow the directions of teachers, staff, or bus drivers. Parents are requested to refrain from calling the school during emergencies to keep phone lines open for responders, avoid driving to school to maintain open streets for emergency vehicles, and tune in to designated radio stations for information and directions.

The family reunion area during emergencies is specified to be at Francis Ryan Park or the Escondido High School Stadium, depending on the situation. In alignment with the Escondido Union High School District Disaster Preparedness Plan, families are encouraged to establish home emergency plans and preparations.

2023-24 School Safety Plan

By adhering to these safety protocols and fostering a culture of preparedness, Valley Continuation High School remains committed to ensuring the well-being and security of its school community in any emergency situation.

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	17	8		
Mathematics	17	9		
Science	17	8		
Social Science	19	5		

2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	17	8	1	
Mathematics	16	7		
Science	14	8		
Social Science	17	8		

2022-23 Secondary Average Class Size and Class Size Distribution

This table displays the 2022-23 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	19	9	1	0
Mathematics	18	7	0	0
Science	15	6	0	0
Social Science	16	11	0	0

2022-23 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	277

2022-23 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	1
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	
Social Worker	
Nurse	
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)

Fiscal Year 2021-22 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2021-22 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$17,699	\$3,477	\$14,222	\$87,414
District	N/A	N/A	\$11,941	\$86,590
Percent Difference - School Site and District	N/A	N/A	17.4	2.4
State	N/A	N/A	\$7,607	\$97,850
Percent Difference - School Site and State	N/A	N/A	73.3	-7.4

Fiscal Year 2022-23 Types of Services Funded

Valley High School's teachers and staff are deeply committed to ensuring the academic success of every student and fostering a safe and productive learning environment. Recognizing the unique nature of an alternative education high school, the entire staff is dedicated to identifying and addressing the individual needs of each student. The school has developed specialized educational programs geared towards equipping students with the skills and tools necessary for both fostering creativity and building a solid educational foundation.

At Valley High School, the core belief is that every student can learn, and mastery is achievable within a climate of support and high expectations. The school places emphasis on personal safety and growth, the development of pro-social skills, fundamental skills acquisition, integrated technology, and a standards-based curriculum. Valley High School perceives the community as a valuable resource, considers staff as coaches and providers of support services, and views students as active participants in both work and learning.

The general operations of the school encompass a range of areas, including salaries, benefits, services, materials, and support for general education. Specific initiatives such as tutoring services for at-risk students or those seeking additional support, special education offerings providing individualized instruction to students with additional learning needs, and the Targeted Instructional Improvement Program are all integral components. This program includes staff salaries, benefits, services, materials, and support geared towards graduation improvement and overall student success.

Valley High School is committed to addressing various aspects of student well-being, including interventions, attendance management, and socio-emotional needs. This involves the development of systems and protocols to address student behavior, provide emotional and mental wellness support, and enhance graduation rates by addressing chronic absenteeism.

Additionally, the school allocates resources for maintenance and operations to ensure a conducive and well-maintained physical environment. Through these diverse efforts, Valley High School aims to create a comprehensive and supportive educational experience for all its students.

Fiscal Year 2021-22 Teacher and Administrative Salaries

This table displays the 2021-22 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary	\$53,117	\$57,234
Mid-Range Teacher Salary	\$80,682	\$95,467
Highest Teacher Salary	\$114,003	\$122,669
Average Principal Salary (Elementary)	\$0	
Average Principal Salary (Middle)	\$0	\$153,476
Average Principal Salary (High)	\$151,410	\$173,198
Superintendent Salary	\$272,275	\$277,572
Percent of Budget for Teacher Salaries	26.92%	31.17%
Percent of Budget for Administrative Salaries	5.84%	4.46%

2022-23 Advanced Placement (AP) Courses

This table displays the percent of student in AP courses at this school.

Percent of Students in AP Courses	0
--	---

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

Subject	Number of AP Courses Offered
Computer Science	0
English	0
Fine and Performing Arts	0
Foreign Language	0
Mathematics	0
Science	0
Social Science	0
Total AP Courses Offered Where there are student course enrollments of at least one student.	0

Professional Development

PLC Structures:

The district is committed to facilitating collaborative efforts among teacher teams to enhance instructional practices within courses of study, aiming to improve student support in key improvement areas with measurable checks for understanding. A Teacher on Special Assignment (TOSA) plays a pivotal role in supporting teacher teams through data analysis, fostering the development of collaborative planning that incorporates high-yield instructional practices informed by timely assessments for learning. These practices are intended to refine pedagogy and enhance student learning outcomes.

Teams engage in the collection of common assessment data reflecting higher-order thinking skills every three and six weeks of each quarter. During PLC meetings, teams utilize data protocols to reflect on how students met defined teaching focuses for the week or unit. Additionally, teachers evaluate student writing results using a common rubric. The initial PLC meeting in Week 1 establishes the focus for the upcoming 6-week teaching and learning cycle, while the Week 6-8 meeting centers on the analysis of student work, attendance, behavior, and credit completion progress. Further PLC meetings during the inquiry cycle may occur as needed for reflection on student assessment data. District and site leads actively support and participate in these teacher inquiry cycles, with opportunities for one day of summer planning addressing key priorities: student academic self-monitoring, overall academic improvement, and restorative practices.

Instruction:

At VHS, staff PLC collaboration time serves as a critical platform for teacher group interaction and increased buy-in. Innovate Ed CSI Cohorts lesson plan and design, specifically focusing on Depth of Knowledge (DOK 3) professional development, has led to improvements based on teacher feedback and PLC lead feedback. Goals include continued enhancement of lesson plan design, assessments, and DOK 3 tasks development, aligning with the district's Arc of Learning design. Teachers are actively working on fostering engagement, fun, love of learning, and curiosity in lesson planning, especially targeting "at-promise" students.

Structures:

The MTSS and Restorative Practices facilitator, district Social Worker, and VHS admin team are dedicated to obtaining data promptly. This data is utilized to identify students suitable for VHS and to progress monitor seniors and 5th-year seniors. The quarter system and increased credit opportunities for students with 90 or more credits per year are emphasized, with students

Professional Development

openly sharing and advocating for their progress. The school admin and counselor have revamped the Responsibility Training Program (RTP) Academy to provide support and enhance credit opportunities for new students. The master schedule allows flexibility with traditional five-period days or six-period days, depending on student graduation plans.

Teachers collaborate on the development and update of the Connections curriculum for the upcoming school year. Regular grade input into the Student Information System (SIS), issuance of progress reports and report cards, and a focus on student self-monitoring contribute to student advocacy for the number of credits and awareness of their progress.

The TOSA for Data collaborates with the MTSS to implement immediate/timely academic interventions in the upcoming school year. An attendance team, supported by the Data TOSA and district MTSS team, uses data reports for parent contact, addressing absenteeism, and progress monitoring. The school invests time in restorative practices, dedicating at least one day each month to review, learn, and practice restorative strategies. Weekly restorative scripts, provided by the district MTSS/Restorative Practice Trainer and the VHS social worker/admin team, support school-wide implementation. The school actively engages in social media and has revamped its online presence with a new website, providing updated information for families.

This table displays the number of school days dedicated to staff development and continuous improvement.
