

Escondido High School

2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Contact Information

School Name	Escondido High School
Street	1535 North Broadway
City, State, Zip	Escondido
Phone Number	7602914000
Principal	Jason Jacobs
Email Address	JJacobs@euhsd.org
School Website	https://www.ehscougars.com/
County-District-School (CDS) Code	37681063732062

2023-24 District Contact Information

District Name	Escondido Union High School District
Phone Number	(760) 291-3200
Superintendent	Jon Peterson
Email Address	Jpeterson@euhsd.org
District Website	https://www.euhsd.org/

2023-24 School Description and Mission Statement

For over a hundred years, Escondido Union High School District (EUHSD) has been a source of inspiration and support for students, helping them reach their goals. Whether in classrooms, libraries, or sports fields, students at Escondido, Orange Glen, San Pasqual, Valley, and Del Lago Academy have diverse opportunities to learn and excel. With over 7,400 students, EUHSD is dedicated to public education.

Escondido High School (EHS), established in 1894, is the oldest school in EUHSD. Located in Escondido, a vibrant city with a rich history, EHS collaborates with parents, the community, and local businesses to prepare students for success. With nearly 1,900 students, EHS offers a nurturing environment for grades 9-12, emphasizing academic success, community involvement, and a variety of interests.

EHS, the second oldest high school in San Diego County, has a modern campus with upgraded facilities, including a Learning Center and auxiliary gymnasium. The school embraces a broad range of programs, from a flourishing farm and agriculture program to cutting-edge labs in woodshop, graphic design, culinary arts, and more. The Visual and Performing Arts (VAPA) programs cover photography, dance, choir, and various art forms.

The Advanced Placement program at EHS offers over 21 courses for a challenging academic experience. The school boasts a vibrant extracurricular environment with 30 clubs, after-school programs, and academic support initiatives. Inclusivity is a priority, encouraging students to participate in 30 different sports at novice, Junior Varsity, and Varsity levels. Unique offerings include the Dual Language Immersion Program and Dual Enrollment courses with Palomar Community College, allowing students to earn college credits alongside graduation credits.

2023-24 School Description and Mission Statement

Escondido High School is more than an institution; it's a thriving community where students are encouraged and supported to achieve their dreams. The school's vision is to improve student learning through quality programs, high expectations, and caring support. The mission is to empower students to become lifelong learners and responsible citizens, embodied in the motto: Loyal, Strong, and True.

About this School

2022-23 Student Enrollment by Grade Level

Grade Level	Number of Students
Grade 9	407
Grade 10	497
Grade 11	481
Grade 12	513
Total Enrollment	1,898

2022-23 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	47.5%
Male	52.5%
American Indian or Alaska Native	0.5%
Asian	2.7%
Black or African American	1.6%
Filipino	2.2%
Hispanic or Latino	80.6%
Native Hawaiian or Pacific Islander	0.1%
Two or More Races	0.5%
White	11.7%
English Learners	24.9%
Foster Youth	0.3%
Homeless	2.4%
Migrant	0.5%
Socioeconomically Disadvantaged	87.6%
Students with Disabilities	19.9%

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	65.80	66.52	306.90	71.52	228366.10	83.12
Intern Credential Holders Properly Assigned	1.10	1.17	6.80	1.60	4205.90	1.53
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	5.80	5.92	10.20	2.40	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	11.20	11.38	54.50	12.71	12115.80	4.41
Unknown	14.80	14.99	50.50	11.77	18854.30	6.86
Total Teaching Positions	99.00	100.00	429.10	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	82.40	78.50	361.50	78.04	234405.20	84.00
Intern Credential Holders Properly Assigned	0.00	0.00	3.90	0.85	4853.00	1.74
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	4.30	4.16	11.90	2.59	12001.50	4.30
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	7.90	7.54	40.40	8.73	11953.10	4.28
Unknown	10.20	9.79	45.30	9.79	15831.90	5.67
Total Teaching Positions	105.00	100.00	463.20	100.00	279044.80	100.00

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.00
Misassignments	5.80	4.30
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	5.80	4.30

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.70
Local Assignment Options	11.20	7.10
Total Out-of-Field Teachers	11.20	7.90

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	7.5	4.7
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	1.8	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Escondido Union High School District sets a high priority upon ensuring that sufficient and current textbooks and materials are available to support instructional programs. Escondido Union High School District held a Public Hearing on September 12, 2023 and determined that each school within the district has sufficient and good quality textbooks, instructional materials, or science lab equipment, pursuant to the settlement of Williams vs. the State of California.

All students, including English Learners, are given their own individual standards-aligned textbooks and/or instructional materials in core subjects and visual and performing arts, for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a review cycle established by the district. Materials considered for adoption are reviewed by committees of teachers, administrators, and parents, and a recommendation is made to the School Board by the Instructional Program Review Committee. All recommended materials are available for parent examination at the district office prior to adoption. The schools also utilize a variety of novels and other instructional materials throughout their curriculum.

The table displays information collected in September 2023 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

Year and month in which the data were collected

September 2023

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption ?	Percent Students Lacking Own Assigned Copy

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
English Language Arts/Literacy (grades 3-8 and 11)	46	56	50	55	47	46
Mathematics (grades 3-8 and 11)	14	11	22	22	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	447	433	96.87	3.13	56.25

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded

Students Receiving Migrant Education Services	--	--	--	--	--
Students with Disabilities	82	80	97.56	2.44	2.56

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 Career Technical Education Programs

Career Technical Education Programs

In alignment with California Department of Education, Escondido Union High School District defines career paths as a program of study that involves a multiyear sequence of courses that integrates core academic knowledge with technical and occupational knowledge to provide students with a pathway to postsecondary education and careers. The CTE department collects data on the number of students moving through our local sequences. Some CTE courses, because of the time requirements, internship element and industry standards they meet, may be defined as a sequence within themselves. CTE courses are found throughout our schools. A CTE concentrator is identified locally and is a student who has completed 50 percent of a planned program sequence (in hours or credits) in a state-recognized CTE sequence and is enrolled in the next course in that sequence or has completed 50 percent of a single state-recognized multi-hour course and is enrolled in the second half of that course. Capstone courses are defined as completer based on length of course, sequence, and skill development. The CTE capstone course leads to a certificate/industry skill sheet or license if applicable. The program also provides the student with academic and technical knowledge and skill through integrated academic and technical instruction. The programs prepare students to enter current or emerging careers for further training within the career path for which there is gainful employment. All students are provided practical experiences to pursue post high school employment and gain course work that is A-G compliant.

EHS offers the following CTE pathways and courses:

Agriculture Engineering 1, Agriculture Engineering 2
Agricultural Business, Marketing and Leadership, Agricultural Economics, Agricultural Government
Animal Science, Veterinary Science
Art and History Floral-Advance Floral
Agri Science: Biology, Chemistry, Physics
Graphic Design-Advanced Graphic Design
Video, Advanced Video
Wood 1-Wood 2
Culinary Arts & Food Science-Advanced Culinary Arts
Auto Technology 1-Auto Technology 2

Students who engage in the pathways find relevance in their studies, are provided an opportunity to apply their academic and industry skills to everyday problems, are taught to think critically, and are required to act professionally. Through the IEP process, special education students may be scheduled into CTE courses. Students are provided the support and necessary curriculum modification as outlined in the IEP. CTE provides extended testing time, extra assignment time and support where appropriate. Since our CTE courses work to integrate and support the academic standards, the students will be exposed to “hands on” activities and participate in solving real life problems. The capacity to serve a “significant” number of students and the degree to which the program attains specific outcomes are assessed yearly. Completion rates, graduation rates, and completion of a sequence are all evaluated yearly. The number of completion certificates issued, and the attainment of specific industry skills is analyzed. Data on attendance is also collected.

2022-23 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	779
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	55.6
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2022-23 Pupils Enrolled in Courses Required for UC/CSU Admission	93.73
2021-22 Graduates Who Completed All Courses Required for UC/CSU Admission	48.32

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 5	N/A	N/A	N/A	N/A	N/A
Grade 7	N/A	N/A	N/A	N/A	N/A
Grade 9	56.4%	60.0%	61.4%	60.0%	62.6%

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Escondido High School takes pride in fostering a nurturing environment for our students and their families, dedicated to enhancing student achievement. We maintain transparent communication channels, ensuring families are well-informed about academic content standards and their child's progress throughout the year. To facilitate this, we provide four progress reports and two report cards annually, offering a comprehensive overview of each student's academic journey.

To further engage families, we offer multiple avenues for communication. Our ParentVUE phone app enables parents to monitor their child's progress conveniently. Information is disseminated via text, email, and phone messages, available in both Spanish and English. The ehscougars.com website, accessible in 100 languages, includes a dedicated section for family resources.

Our esteemed parent organization, ELAC, conducts regular monthly meetings, bringing together parents, counselors, and

2023-24 Opportunities for Parental Involvement

administrators. These sessions cover essential topics, including standards, assessments, and social and emotional development. We value parental input and host forums where parents can ask questions and provide feedback.

Additionally, our bilingual parent liaison maintains close communication through monthly newsletters, Coffee with Administration gatherings, Lunch and Learn events, and evening parent workshops. These sessions cover various subjects, such as effective ways to monitor student learning in platforms like Canvas or ParentVUE, community resources, and strategies to support teenagers.

Our engaged parent community actively participates in organizing booster organizations for athletics and music. EUHSD ensures regular updates reach families in their preferred language through social media, mail, email, phone, and text messages, keeping them informed about district news.

Escondido High School opens its doors annually for events like our Pumpkin Fest, Steak Fry, Back to School Night, enabling families to meet teachers, explore programs, sports, and clubs, and attend workshops led by school counselors. We host a STEM night event, fostering excitement for science, technology, engineering, and mathematics among students and families. Moreover, our School Site Council, inclusive of parent and student representatives, actively contributes to school initiatives.

Our commitment to building a strong community extends to alumni, with the Cougar Athletic Club and an annual alumni reunion, bringing together graduates from various years. Escondido High School thrives on this collaborative spirit, ensuring that every family is a vital part of our shared educational journey.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school Dropout Rates;
- High school Graduation Rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2020-21	School 2021-22	School 2022-23	District 2020-21	District 2021-22	District 2022-23	State 2020-21	State 2021-22	State 2022-23
Dropout Rate	6.5	8.9	8.7	6	6.6	7	9.4	7.8	8.2
Graduation Rate	86	84.8	85.1	86.9	87.2	88	83.6	87	86.2

2022-23 Graduation Rate by Student Group (Four-Year Cohort Rate)

This table displays the 2022-23 graduation rate by student group. For information on the Four-Year Adjusted Cohort Graduation Rate (ACGR), visit the CDE Adjusted Cohort Graduation Rate web page at www.cde.ca.gov/ds/ad/acgrinfo.asp.

Student Group	Number of Students in Cohort	Number of Cohort Graduates	Cohort Graduation Rate
All Students	469	399	85.1

Students Receiving Migrant Education Services	14.29	0
Students with Disabilities	12.75	0.25

2023-24 School Safety Plan

The Escondido Union High School District prioritizes the safety and security of our students and staff through a comprehensive approach to emergency preparedness. We collaborate with the Escondido Police Department, employing dedicated school resource officers and six full-time campus supervision assistants. Additionally, our administrators and staff actively participate in overseeing school grounds and ensuring a safe environment during all school events.

To maintain a secure campus, we enforce a closed campus policy and require all visitors to register with the office, ensuring that our school community remains protected. We conduct a thorough annual review of our school safety plan, collaborating closely with the Escondido Police and Fire Departments. Staff members receive regular training, equipped with disaster plan books and trained in their effective implementation.

We prioritize proactive emergency preparedness by conducting regular drills, including evacuation procedures and fire drills. These practices involve coordination with local and regional emergency response agencies, ensuring that our students and staff are well-prepared for any situation.

In the event of a serious emergency, parents can find reassurance in the fact that our school buildings are earthquake safe, equipped with fire-fighting equipment, and have detailed plans and procedures for various emergencies. Our dedicated staff prioritize the safety and welfare of our students. During emergencies, students are expected to follow the directions of teachers, staff, or bus drivers to ensure their safety.

We appreciate the cooperation of parents in vital areas such as refraining from calling the school, keeping streets clear for emergency vehicles by avoiding driving to school, and tuning in to local radio stations KKLQ 600 or KCBQ 1170 on the AM dial for important information and directions. In case of emergencies, the family reunion area is established at Wilson Stadium on the EHS campus, ensuring a centralized and secure location for reunification.

2023-24 School Safety Plan

We encourage every family to proactively prepare by creating home emergency plans, aligning with the Escondido Union High School District Disaster Preparedness Plan. Through collective effort and preparedness, we strive to maintain a safe and secure learning environment for all.

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	23	40	17	24
Mathematics	19	49	17	19
Science	23	31	8	13
Social Science	21	34	19	14

2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	26	30	34	22
Mathematics	19	50	30	12
Science	26	19	22	15
Social Science	25	27	20	19

2022-23 Secondary Average Class Size and Class Size Distribution

This table displays the 2022-23 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	25	33	35	19
Mathematics	18	55	39	7
Science	24	21	23	7
Social Science	24	28	30	10

2022-23 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	316.33

2022-23 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	6
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	
Social Worker	1
Nurse	
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	
Other	

Fiscal Year 2021-22 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2021-22 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$12,048	\$3,615	\$8,433	\$87,148
District	N/A	N/A	\$11,941	\$86,590
Percent Difference - School Site and District	N/A	N/A	-34.4	2.1
State	N/A	N/A	\$7,607	\$97,850
Percent Difference - School Site and State	N/A	N/A	24.5	-7.7

Fiscal Year 2022-23 Types of Services Funded

Escondido High School (EHS) offers a diverse range of courses and programs to enhance students' educational experiences. This includes Honors classes in English, optional Honors credit in Math courses, and a comprehensive selection of Advanced Placement classes across various departments. The school provides online classes for both advancement and remediation, as well as a full-time online Independent Study program through the on-campus Learning Center.

The school employs various intervention providers to support student needs, including a school social worker, a school psychologist, a bilingual family liaison, and six school counselors. Collaborating with community resources, EHS facilitates access to intervention teams such as the Family Intervention Team (FIT), the Prevention and Diversion (PAD) program, and Safety Outreach for Students (SOS) program.

EHS features Grade 9 and 10 Academies, involving six Teachers on Special Assignment (TOSAs) dedicated to coordinating supports and interventions for students in these grades. The counseling department at EHS operates as a comprehensive school counseling program, aligned with the ASCA National Model. The counseling team assists students with academic, career, and personal/social needs through various delivery methods.

English Learners at EHS receive core instruction in all content areas, including English Language Development (ELD). Specially designed academic instruction in English, bilingual instructional aides, and small class sizes support English Learners in their academic progress. Special Education services are tailored to individual student needs and may include interpreters, trained aides, special day class placement, case managers, collaborative teacher placement, and access to a sensory room.

The school offers Advancement via Individual Determination (AVID) courses during the school day to prepare students for college eligibility and success, supported by trained tutors. The Student Support Team (SST) process is utilized to identify, monitor, and provide interventions for students at risk, involving collaboration among various stakeholders.

EHS benefits from additional funded positions to support students, including a College and Career Technician, Library Media Technician, a Student Health Office staffed by a full-time and part-time Student Health Care Specialist, and an Athletic Director to coordinate on-campus sports teams. As a Title 1 school, EHS receives supplemental federal funding to further support its students. The comprehensive approach to education at EHS underscores its commitment to meeting the diverse needs of all students.

Fiscal Year 2021-22 Teacher and Administrative Salaries

This table displays the 2021-22 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary	\$53,117	\$57,234
Mid-Range Teacher Salary	\$80,682	\$95,467
Highest Teacher Salary	\$114,003	\$122,669
Average Principal Salary (Elementary)	\$0	
Average Principal Salary (Middle)	\$0	\$153,476
Average Principal Salary (High)	\$151,410	\$173,198
Superintendent Salary	\$272,275	\$277,572
Percent of Budget for Teacher Salaries	26.92%	31.17%
Percent of Budget for Administrative Salaries	5.84%	4.46%

2022-23 Advanced Placement (AP) Courses

This table displays the percent of student in AP courses at this school.

Percent of Students in AP Courses	31.6
--	------

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

Subject	Number of AP Courses Offered
Computer Science	4
English	8
Fine and Performing Arts	2
Foreign Language	3
Mathematics	5
Science	4
Social Science	16
Total AP Courses Offered Where there are student course enrollments of at least one student.	42

Professional Development

Escondido High School (EHS) and the Escondido Union High School District (EUHSD) are dedicated to continuous professional development for their staff. This includes various training methods such as site workshops, staff meetings, district-led sessions, conference participation, and individual mentoring. The professional development programs are crafted based on input from teachers, student needs, and current requirements. Implementation is monitored through various forums, including PLC teams, department meetings, and surveys.

In collaboration with EUHSD's Educational Services department, EHS supports staff through ongoing professional development using the Arc of Learning framework. This involves working closely with administrators, teacher leaders, and instructional coaches to construct studio cycles in areas like Social Emotional Learning (SEL), Improvement Science, Design Thinking/Equity Protocol, and Deeper Learning.

EUHSD has prioritized professional learning and instructional material training by hiring Content Specialists in critical academic areas, directing resources toward professional learning in various domains, and regularly engaging staff through surveys and listening sessions.

Professional Learning Communities (PLCs) are integral to EHS, where teachers collaborate weekly in content-specific teams to address essential questions related to student learning. These include expectations, assessment methods, interventions, and enrichment strategies. The focus is on a short-term cycle of inquiry to address instructional challenges.

Restorative Practices and Positive Behavioral Interventions and Supports (PBIS) are emphasized in professional development sessions. Teachers learn about creating positive classroom cultures, setting expectations, implementing restorative responses, and fostering communication between school and family.

For academic rigor, EHS staff collaborates with the San Diego County Office of Education (SDCOE) to develop rigorous tasks and assess question levels in assignments. Administrators and Content Specialists ensure alignment with the Hess Cognitive Rigor Matrix.

Job-specific professional development is provided, with counselors, special education, security, and administrative staff receiving training relevant to their roles. Mathematics and science teachers undergo specific training, and English Language Arts teachers are equipped with the latest materials and methodologies.

Professional Development

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2021-22	2022-23	2023-24
Number of school days dedicated to Staff Development and Continuous Improvement	3	7
