

# Keiller Leadership Academy's Alternate/Second Shift

## 2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

Keiller Leadership Academy (KLA) is a public charter school in the Skyline neighborhood of San Diego California. KLA educates approximately 600 predominantly neighborhood children who are elementary and middle school students in grades Transitional Kindergarten (TK) through Eighth grade. The Montessori approach is used as a framework alongside the California Common Core Standards for the academic development of grades TK through 8. As a Leadership academy, the REACH values of Respect, Enthusiasm, Achievement Citizenship and Hard Work are emphasized to nurture students towards independence, accountability and leadership as they strive to achieve proficiency in the California Common Core Standards. The Mission of KLA is to create student leaders who value quality education and embrace their role as a contributing members of our diverse community.

About this School

| 2022-23 Student Enrollment by Grade Level |                    |
|-------------------------------------------|--------------------|
| Grade Level                               | Number of Students |
| Kindergarten                              | 67                 |
| Grade 1                                   | 46                 |
| Grade 2                                   | 50                 |
| Grade 3                                   | 61                 |
| Grade 4                                   | 53                 |
| Grade 5                                   | 72                 |
| Grade 6                                   | 69                 |
| Grade 7                                   | 86                 |
| Grade 8                                   | 99                 |
| Total Enrollment                          | 603                |

| 2022-23 Student Enrollment by Student Group |                             |
|---------------------------------------------|-----------------------------|
| Student Group                               | Percent of Total Enrollment |
| Female                                      | 48.3%                       |
| Male                                        | 51.7%                       |
| Asian                                       | 2.3%                        |
| Black or African American                   | 8.6%                        |
| Filipino                                    | 3.8%                        |
| Hispanic or Latino                          | 79.3%                       |
| Native Hawaiian or Pacific Islander         | 0.5%                        |
| Two or More Races                           | 1.7%                        |
| White                                       | 3.8%                        |
| English Learners                            | 41%                         |
| Homeless                                    | 10%                         |
| Socioeconomically Disadvantaged             | 85.2%                       |
| Students with Disabilities                  | 10%                         |

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## 2020-21 Teacher Preparation and Placement

| Authorization/Assignment                                                                               | School Number | School Percent | District Number | District Percent | State Number | State Percent |
|--------------------------------------------------------------------------------------------------------|---------------|----------------|-----------------|------------------|--------------|---------------|
| <b>Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)</b> | 25.00         | 62.57          | 5313.50         | 88.64            | 228366.10    | 83.12         |
| <b>Intern Credential Holders Properly Assigned</b>                                                     | 0.00          | 0.00           | 51.00           | 0.85             | 4205.90      | 1.53          |
| <b>Teachers Without Credentials and Misassignments (“ineffective” under ESSA)</b>                      | 6.80          | 17.08          | 191.10          | 3.19             | 11216.70     | 4.08          |
| <b>Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)</b>                         | 3.00          | 7.50           | 194.90          | 3.25             | 12115.80     | 4.41          |
| <b>Unknown</b>                                                                                         | 5.10          | 12.83          | 243.90          | 4.07             | 18854.30     | 6.86          |
| <b>Total Teaching Positions</b>                                                                        | 39.90         | 100.00         | 5994.60         | 100.00           | 274759.10    | 100.00        |

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Teacher Preparation and Placement

| Authorization/Assignment                                                                               | School Number | School Percent | District Number | District Percent | State Number | State Percent |
|--------------------------------------------------------------------------------------------------------|---------------|----------------|-----------------|------------------|--------------|---------------|
| <b>Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)</b> | 27.10         | 71.61          | 5336.60         | 88.47            | 234405.20    | 84.00         |
| <b>Intern Credential Holders Properly Assigned</b>                                                     | 0.60          | 1.58           | 66.90           | 1.11             | 4853.00      | 1.74          |
| <b>Teachers Without Credentials and Misassignments (“ineffective” under ESSA)</b>                      | 3.20          | 8.62           | 219.20          | 3.64             | 12001.50     | 4.30          |
| <b>Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)</b>                         | 6.40          | 16.87          | 219.20          | 3.63             | 11953.10     | 4.28          |
| <b>Unknown</b>                                                                                         | 0.40          | 1.29           | 189.70          | 3.15             | 15831.90     | 5.67          |
| <b>Total Teaching Positions</b>                                                                        | 37.90         | 100.00         | 6031.80         | 100.00           | 279044.80    | 100.00        |

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

### Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

| Authorization/Assignment                                     | 2020-21     | 2021-22     |
|--------------------------------------------------------------|-------------|-------------|
| Permits and Waivers                                          | 0.00        | 1.00        |
| Misassignments                                               | 6.80        | 2.20        |
| Vacant Positions                                             | 0.00        | 0.00        |
| <b>Total Teachers Without Credentials and Misassignments</b> | <b>6.80</b> | <b>3.20</b> |

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

### Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

| Indicator                                              | 2020-21     | 2021-22     |
|--------------------------------------------------------|-------------|-------------|
| Credentialed Teachers Authorized on a Permit or Waiver | 3.00        | 3.00        |
| Local Assignment Options                               | 0.00        | 3.40        |
| <b>Total Out-of-Field Teachers</b>                     | <b>3.00</b> | <b>6.40</b> |

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

### Class Assignments

| Indicator                                                                                                                                                  | 2020-21 | 2021-22 |
|------------------------------------------------------------------------------------------------------------------------------------------------------------|---------|---------|
| <b>Misassignments for English Learners</b><br>(a percentage of all the classes with English learners taught by teachers that are misassigned)              | 27.3    | 11.8    |
| <b>No credential, permit or authorization to teach</b><br>(a percentage of all the classes taught by teachers with no record of an authorization to teach) | 5.2     | 0.8     |

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at

<https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

### 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

KLA Primary grades TK through 5 use textbook adoptions that are appropriate by grade level. Secondary grades six, seven and eight also use textbook adoptions that are grade level appropriate.

## School Facility Conditions and Planned Improvements

Phase 1 of Prop Z Construction has been completed with a new two-story classroom building, new hardscape areas and landscaping. Other upgrades include renovation of student bathrooms and the addition of filtered water filling stations at each student drinking fountain. New ADA compliant ramps were installed in classroom areas that were difficult to get to in the past. The auditorium was renovated with new flooring and air conditioning. Given the downturn in the economy it is not certain as to whether many of the proposed phases will happen due to a lack of funding, however, a new shade structure is proposed in the amphitheater area as well as the replacement of all exterior old wood doors; replacement of exterior lights and fixtures with high efficiency models; upgrade of the current playground and an addition of another playground for kindergarten. Proposed interior work includes; a remodel of the staff lounge kitchenette to include cabinets.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

| Subject                                                      | School<br>2021-22 | School<br>2022-23 | District<br>2021-22 | District<br>2022-23 | State<br>2021-22 | State<br>2022-23 |
|--------------------------------------------------------------|-------------------|-------------------|---------------------|---------------------|------------------|------------------|
| <b>English Language Arts/Literacy</b><br>(grades 3-8 and 11) | 44                | 48                | 51                  | 52                  | 47               | 46               |
| <b>Mathematics</b><br>(grades 3-8 and 11)                    | 23                | 25                | 39                  | 40                  | 33               | 34               |

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

| CAASPP Student Groups                                | CAASPP Total Enrollment | CAASPP Number Tested | CAASPP Percent Tested | CAASPP Percent Not Tested | CAASPP Percent Met or Exceeded |

## 2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

| CAASPP Student Groups                                | CAASPP Total Enrollment | CAASPP Number Tested | CAASPP Percent Tested | CAASPP Percent Not Tested | CAASPP Percent Met or Exceeded |

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2022-23 CAASPP Test Results in Science by Student Group

This table displays CAASPP test results in Science by student group for students grades five, eight, and High School. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**C. Engagement**

**State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

| 2023-24 Opportunities for Parental Involvement                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| KLA is committed to developing opportunities for parents to be involved. Parents are encouraged and welcome to be active partners in their child’s education and to share responsibility and accountability for their child’s academic performance and achievement. On-sight parent volunteer opportunities are orchestrated by KLA’s parent involvement director, Ms. Eva Contreras, who leads the Parent Volunteer Team (PVT). Parents are invited to participate in school committees such as the SSC and ELAC, and additional parent-focused classes are provided by different KLA departments each year. Parents are welcomed on campus on specified volunteer days to support in many ways. Parents actively attend parent/teacher conferences and student-led conferences with teachers annually. |

## 2022-23 Chronic Absenteeism by Student Group

| Student Group                                 | Cumulative Enrollment | Chronic Absenteeism Eligible Enrollment | Chronic Absenteeism Count | Chronic Absenteeism Rate |
|-----------------------------------------------|-----------------------|-----------------------------------------|---------------------------|--------------------------|
| All Students                                  | 630                   | 618                                     | 190                       | 30.7                     |
| Female                                        | 303                   | 298                                     | 95                        | 31.9                     |

## 2023-24 School Safety Plan

Keiller Leadership Academy's safety plan vision is centered on creating a distraction-free teaching and learning environment, where safety is a priority in and around the KLA community. KLA's Comprehensive School Safety Plan assesses school safety and ensures that strategies and programs provide and maintain a high level of safety throughout the campus.

There are a variety of key elements to the safety plan. KLA has procedures set up for the reporting of child abuse, sexual harassment, hate crimes, and acts of bullying and cyber-bullying. Another key element is, in order to promote student safety, improve the learning environment, counter the influence of gangs, and minimize disruption from KLA's instructional program, the parents and staff decided to implement guidelines for a "Student Dress" policy. Students are required to adhere to the KLA Uniform Policy. In order to have a safe and orderly school environment that is conducive to learning, KLA has adopted three components. The first component is that all KLA students will be leaders by following the KLA rules throughout the school day. The KLA rules are built around the focus being on "KLA Leaders Follow the KLA Way." The second component is that KLA will follow the Restorative Justice Model when helping teachers to continue to build relationships with their students. And the third component is that KLA has Campus Security Team Members. Another key element is that KLA has a school discipline manual which has the conduct code procedures. KLA has suspension, expulsion, and mandatory expulsion guidelines which it follows. Keiller Leadership Academy is prepared for different types of emergencies, such as an armed assault on campus, animal disturbance, pandemic, etc. Administration, teachers, instructional aides, support staff, campus security team members, and students work together to prevent, prepare, and respond to emergency situations. School staff and students participate in regular emergency-preparedness drills (i.e. Fire, Disaster, Lockdown, Active Shooter, AED, etc.) and response trainings. Procedures have been put in place for ensuring that students and staff arrive safely to and from school. KLA staff patrols and monitors students and traffic before and after school and outside of the gates, while administrative personnel are located inside and outside the gates to maintain safety once students arrive or prior to departing school grounds. Adult supervision is provided in the classrooms and outside throughout the campus, during recess and lunch, during passing periods for secondary students and between classrooms for primary students.

2023-24 School Safety Plan

KLA's school safety plan is updated annually by the School Safety Planning Committee and the School Site Council. For the 2022 - 2023 school year, it was approved by the School Site Council on March 15, 2023. For the 2023 - 2024 school year, it was approved by the School Site Council on February 21, 2024. The KLA Board discussed and reviewed the safety plan on February 20, 2024. The safety plan was also last reviewed with law enforcement and the fire authority in August 2023. During parent orientations on August 17, 2023 and August 18, 2023, the KLA safety plan was discussed and reviewed. Parents and some student representatives were able to provide input during these parent orientations. Staff also discussed and reviewed the safety plan on October 11, 2023 before KLA's participation in The Great California ShakeOut. A copy of the KLA's Comprehensive School Safety Plan can be found on the Keiller Leadership Academy's website and in the front office.

D. Other SARC Information

Information Required in the SARC

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2020-21 Elementary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

| Grade Level | Average Class Size | Number of Classes with 1-20 Students | Number of Classes with 21-32 Students | Number of Classes with 33+ Students |
|-------------|--------------------|--------------------------------------|---------------------------------------|-------------------------------------|
| K           | 19                 | 11                                   |                                       | 1                                   |
| 1           | 20                 |                                      | 11                                    | 1                                   |
| 2           | 26                 |                                      | 10                                    | 2                                   |
| 3           | 25                 | 5                                    | 11                                    | 2                                   |
| 4           | 31                 |                                      | 10                                    | 2                                   |
| 5           | 26                 |                                      | 15                                    | 3                                   |
| 6           | 20                 | 11                                   | 18                                    | 2                                   |

## 2021-22 Elementary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per class). The "Other" category is for multi-grade level classes.

| Grade Level | Average Class Size | Number of Classes with 1-20 Students | Number of Classes with 21-32 Students | Number of Classes with 33+ Students |
|-------------|--------------------|--------------------------------------|---------------------------------------|-------------------------------------|
| K           | 19                 | 29                                   | 1                                     |                                     |
| 1           | 20                 | 9                                    | 9                                     |                                     |

## 2022-23 Elementary Average Class Size and Class Size Distribution

This table displays the 2022-23 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per class). The "Other" category is for multi-grade level classes.

| Grade Level | Average Class Size | Number of Classes with 1-20 Students | Number of Classes with 21-32 Students | Number of Classes with 33+ Students |
|-------------|--------------------|--------------------------------------|---------------------------------------|-------------------------------------|
| K           | 17                 | 3                                    | 1                                     | 0                                   |
| 1           | 23                 | 0                                    | 2                                     | 0                                   |
| 2           | 25                 | 0                                    | 2                                     | 0                                   |
| 3           | 20                 | 2                                    | 1                                     | 0                                   |
| 4           | 16                 | 6                                    | 4                                     | 0                                   |
| 5           | 20                 | 5                                    | 4                                     | 1                                   |
| 6           | 13                 | 24                                   | 7                                     | 0                                   |
| Other       | 11                 | 1                                    | 0                                     | 0                                   |

## 2022-23 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

| Title                        | Ratio |
|------------------------------|-------|
| Pupils to Academic Counselor | 301.5 |

## 2022-23 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

| Title                                                         | Number of FTE Assigned to School |
|---------------------------------------------------------------|----------------------------------|
| Counselor (Academic, Social/Behavioral or Career Development) | 2                                |
| Library Media Teacher (Librarian)                             |                                  |
| Library Media Services Staff (Paraprofessional)               |                                  |
| Psychologist                                                  | 1                                |
| Social Worker                                                 | 1                                |
| Nurse                                                         |                                  |
| Speech/Language/Hearing Specialist                            | 1                                |
| Resource Specialist (non-teaching)                            |                                  |
| Other                                                         | 5.2                              |

## Fiscal Year 2021-22 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2021-22 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

| Level                                         | Total Expenditures Per Pupil | Expenditures Per Pupil (Restricted) | Expenditures Per Pupil (Unrestricted) | Average Teacher Salary |
|-----------------------------------------------|------------------------------|-------------------------------------|---------------------------------------|------------------------|
| School Site                                   | \$13,325                     | \$3,999                             | 9,325                                 | \$75,176.91            |
| District                                      | N/A                          | N/A                                 |                                       | \$90,641               |
| Percent Difference - School Site and District | N/A                          | N/A                                 |                                       | -18.7                  |
| State                                         | N/A                          | N/A                                 | \$7,607                               | \$87,885               |
| Percent Difference - School Site and State    | N/A                          | N/A                                 | 20.3                                  | -15.6                  |

## Fiscal Year 2022-23 Types of Services Funded

The school's general fund includes monies for:

- General operations—salaries, benefits, services, materials, and support to the general education
- Special Education—programs offering appropriate, individualized instruction to students with special needs
- Special projects—monies from agencies (federal or state) earmarked for specific programs/projects or services (TK, ELOP, Title funds, etc.)
- Maintenance and operations

The administration prepares an instructional budget based on enrollment, programs, and formulas set by the KLA Board of Directors policy, state law, agreements with employees, and guidelines of outside funding sources.

## Fiscal Year 2021-22 Teacher and Administrative Salaries

This table displays the 2021-22 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

| Category                                      | District Amount | State Average for Districts in Same Category |
|-----------------------------------------------|-----------------|----------------------------------------------|
| Beginning Teacher Salary                      | \$50,743        | \$55,550                                     |
| Mid-Range Teacher Salary                      | \$77,105        | \$80,703                                     |
| Highest Teacher Salary                        | \$107,402       | \$109,418                                    |
| Average Principal Salary (Elementary)         | \$145,885       | \$137,703                                    |
| Average Principal Salary (Middle)             | \$151,051       | \$143,760                                    |
| Average Principal Salary (High)               | \$164,119       | \$159,021                                    |
| Superintendent Salary                         | \$375,000       | \$319,443                                    |
| Percent of Budget for Teacher Salaries        | 32.34%          | 30.35%                                       |
| Percent of Budget for Administrative Salaries | 4.66%           | 4.87%                                        |

## Professional Development

The Instructional Leadership Team (ILT) identifies a school-wide focus each year for professional development and determines areas of individual need for school programs such as Special Education and English Language Acquisition as well as the school-wide focus in math. Throughout the year, teachers collaborate and participate in professional learning activities that use best practices and shared problem solving strategies. Teachers are provided with useful data that allows them to understand the needs of their students so they can adjust and improve teaching and learning. Academic directors and content area coaches provide ongoing training as needed and staff are released for professional development as prescribed by the ILT.

This table displays the number of school days dedicated to staff development and continuous improvement.

| Subject                                                                         | 2021-22 | 2022-23 | 2023-24 |
|---------------------------------------------------------------------------------|---------|---------|---------|
| Number of school days dedicated to Staff Development and Continuous Improvement | 6       | 7       | 7       |
