Principal's Message

Willow Elementary School is one of seven elementary and middle schools within the San Ysidro School District bordering Tijuana, Mexico. Willow Elementary School serves Transitional Kindergarten (TK) through sixth-grade students. Following our school's mission, staff members will empower learning through technology and utilize technological tools that provide equitable access and support and enhance integrated curricular objectives.

At Willow Elementary School, we strive to enrich all students by providing extracurricular programs that support and enhance the learning experience. Some of the activities offered are: after-school sports, Girls Scouts program, YMCA Before & After School Program and educational field trips. The success of all extracurricular programs is supported by the commitment from teachers, staff, parent volunteers and community stakeholders.

Our school goal is to reclassify as many English Learners as possible before they get to the middle school.

School Mission Statement

The mission of Willow Elementary School is to empower learning through technology and utilize technological tools that provide equitable access and support and enhance integrated curricular objectives. The staff will provide enriched technological experiences that prepare students for a rapidly changing global technological society.

School Vision Statement

A vision of Learning Through Technology.

Parental Involvement

Parents assist the school by volunteering in classrooms and participating in the Parent-Teacher-Student Association (PTSA). Parents are also elected and participate in the School Site Council (SSC) on a regular basis. Parents of English language learners are invited to attend and participate at the regular English Learner Advisory Committee (ELAC).

Parents who wish to participate on Willow Elementary School's leadership teams, school committees and in-school activities, or become volunteers may contact the School Administrative Assistant Mrs. Erika Aviles at (619) 428-2231, extension 3797.

School Safety

The district developed a Comprehensive School Safety Plan in order to comply with Senate Bill 187 of 1997. The plan provides students and staff means to ensure a safe and orderly learning environment. Key elements of the Comprehensive School Safety Plan include child-abuse reporting procedures, teacher notification of dangerous-pupils procedures, disaster-response procedures, procedures for safe entering to and exiting from school, sexual harassment policy, suspension and expulsion policies, dress code and discipline policies.

Willow Elementary School is focused on providing a positive, safe, and secure learning environment for students, staff, parents and the community. The site's comprehensive Safe School Plan addresses safety concerns. Annual drills for earthquakes, fires, lockdowns and bus evacuations are held to meet district requirements. The goals and objectives of our school are to support a learning environment that allows staff to effectively teach and students to actively learn. In addition, we focus on character building through Willow School Positive Behavior Interventions and Supports (PBIS). Furthermore, we analyze our school's physical, social, and cultural environments. The site Safe School Plan is updated annually.

The site Emergency Operations Plan (EOP) includes routine and emergency disaster information. The EOP aligns site emergency operations procedures with the District Emergency Operations Plan.

The school safety plan was last reviewed, updated and discussed with the school faculty in December 2023.

School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

District Mission Statement

The mission of the San Ysidro School District:

Quality education and opportunity for all students to succeed.

District Vision Statement

The San Ysidro School District, in partnership with our teachers and community, is committed to providing a high-quality, multicultural learning environment that promotes academic excellence, social responsibility, and physical and emotional well-being for all students.

Enrollment by Student Group

The total enrollment at the school was 673 students for the 2022-23 school year. The pie chart displays the percentage of students enrolled in each group.

Demographics

Class Size Distribution

The bar graphs display the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Professional Development

All curriculum and instructional improvement activities at San Ysidro School District are aligned to the California Common Core State Standards and frameworks. The district professional-development program provides opportunities for teachers and support staff to implement the district's core curriculum for all students, update subject-area expertise, use data to plan instructional improvement strategies and acquire new instructional strategies for use in the classroom. Additionally, teachers and support staff have the opportunity to participate in conferences, districtwide professional development throughout the year focusing on Common Core State Standards implementation and specific training to support English language learners and students with special needs.

At the site level each year, targeted professional-improvement activities are provided for teachers and support staff that reflect the specific school goals and objectives reflected in the school site plan such as: Professional Learning Community (PLC); Grade Level Collaborations as well as various conferences and workshops, such as Association of California School Administrators (ACSA), Project GLAD training, English Learner Roadmap, Nonviolent Crisis Intervention, Homeless Conference, AVID Institutes, Critical Issues and School Climate Conferences, as well as training sessions for the newly adopted instructional materials (Benchmark Advance/Adelante, Twig Science, McGraw Hill CA IMPACT and CA Inspire).

California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram is the designated PFT for students in California public schools put forth by the State Board of Education. Due to changes to the 2021–22 and 2022–23 PFT administration, only participation results are required for the five fitness areas.

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students participating in each of the five fitness components for the most recent testing period. For more detailed information on the California PFT, please visit www.cde.ca.gov/ta/tg/pf.

Statewide Assessments

Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade 10, 11 or 12).

CAASPP Test Results in Science for All Students

The table below shows the percent of students meeting or exceeding the State standard on the CAASPP—California Science Test (CAST) and the California Alternate Assessment for Science (CAA for Science) for grades 5, 8 and once in high school (i.e., grade 10, 11 or 12).

CAASPP by Student Group: Science, English Language Arts and Mathematics

The tables on the following pages display the percentage of students that met or exceeded state standards in science, English language arts/literacy and mathematics for the school by student groups.

The “percentage met or exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Textbooks and Instructional Materials

San Ysidro School District held a public hearing on September 7, 2023, determining sufficiency of instructional materials at all schools within the district. All schools were found to have sufficient and good-quality textbooks, instructional materials or science lab equipment pursuant to the settlement of Williams v. the State of California.

Students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. All teachers review materials approved for use by the state, and a recommendation is made to the board of trustees by a selection committee composed of teachers and administrators.

School Facility Good Repair Status

The table shows the results of the school's most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. This inspection determines the school facility's good repair status using ratings of good condition, fair condition or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair or poor.

School Facility Good Repair Status		2023-24 School Year
Items Inspected		Repair Status
Systems: Gas leaks, sewer, mechanical systems (heating, ventilation and HVAC)		Good
Interior: Interior surfaces (floors, ceilings, walls and window casings)		Good
Cleanliness: Pest/vermin control, overall cleanliness		Good
Electrical: Electrical systems		Poor
Restrooms/fountains: Restrooms, sinks and drinking fountains		Fair
Safety: Fire safety, emergency systems, hazardous materials		Good
Structural: Structural condition, roofs		Good
External: Windows/doors/gates/fences, playgrounds/school grounds		Good
Overall summary of facility conditions		Good
Date of the most recent FIT report		8/10/2023

Deficiencies and Repairs

The table lists the repairs required for all deficiencies found during the site inspection. Regardless of each item's repair status, all deficiencies are listed. For all items inspected that were found to not be in "good repair," a work-order has been created and maintenance will be done before the end of the 2023-24 school year. Maintenance items will be prioritized so that student safety is not compromised.

Deficiencies and Repairs		2023-24 School Year
Items Inspected		Deficiencies and Action Taken or Planned

School Facilities

Willow Elementary School provides a safe, clean environment for students, staff and volunteers. The present school building opened its doors in September 2009, and consists of 41 classrooms, a multipurpose room, library media center, computer lab and main office building.

The safety of the students and staff is Willow Elementary School's primary concern. All visitors must sign in at the front office and wear identification tags while on school grounds. All volunteers must submit a volunteer application and submit a tuberculosis clearance before they are approved.

Fire and disaster drills are conducted on a monthly basis throughout the school year.

Cleaning Process

The District Governing Board has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed on a daily basis throughout the school year, with emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free. The principal works daily with the custodial staff to develop sanitation schedules that ensure a clean, safe and functional learning environment.

Maintenance and Repair

A scheduled maintenance program is administered by Willow's custodial staff on a regular basis, with heavy maintenance functions occurring during vacation periods. Additionally, a scheduled maintenance program is administered by the San Ysidro School District to ensure that school grounds and facilities remain in excellent repair. A work-order process is used when issues arise that require immediate attention. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received.

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Teacher Preparation and Placement

The teacher data displayed in this SARC is from the 2020-21 and the 2021-22 school years. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included. These tables display the number and percent of teacher authorization/assignment as well as the total number and percent of teaching positions at the school, district and state levels. For questions concerning the assignment of teachers outside their subject area of competence or the credential status of teachers, visit the California Commission on Teacher Credentialing website at <https://www.ctc.ca.gov/>.

Note: The data in these tables is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The data source is the California State Assignment Accountability System (CalSAAS) provided by the Commission on Teacher Credentialing. For information on the CalSAAS, visit the CALPADS web page at <https://www.cde.ca.gov/ds/sp/cl/calpadsupdfdash201.asp>.
