Kindness is our Superpower!

Principal's Message

I would like to thank you for taking the time to explore our School Accountability Report Card (SARC). As principal, I am proud of the La Mirada Elementary School community, which includes our teachers, parents, students, support staff and volunteers. Our school community is committed to nurturing a safe environment that encourages self-confidence, responsibility and innovative thinking, while promoting lifelong learning. These accomplishments are achieved through unified efforts as we embrace the uniqueness of all children. Students are viewed as the foundation for a strong community.

As members of this community, it is our obligation to instill the belief that all students can achieve. It is our responsibility to express that every child must have the opportunity for increased academic achievement. We have created a community where all members see individual students as a whole person and seek out additional information in order to characterize overall success.

Our pledge to the La Mirada community is to continue to seek out experiences, which allow us to continuously grow in a positive manner, all in the best interest of student growth. It is our responsibility to define and reassess strengths and weaknesses within our school, and to continue to make changes accordingly. Our commitment is to tap into a variety of resources that allow us the opportunity to enhance our educational program.

It is the belief of La Mirada Elementary School that students can and will excel in an environment that is tailored to their evolving needs. It is due to this belief that we have been able to successfully develop a comprehensive educational program that celebrates and promotes ethnic and cultural diversity; individuality; and emotional, intellectual, and social eminence. We strive to provide students with not only the support and encouragement to accomplish such feats, but the means to do so as well.

In our longstanding tradition of excellence, we maintain a commitment to our students, parents, community members and staff to provide the best educational experience possible. We renew this commitment yearly in hopes that together, we will continue to improve our effectiveness in educating the students of today, preparing them to become productive citizens of tomorrow. It is in light of this fact that we welcome any suggestions, ideas or comments you may have.

We will continue to challenge ourselves to increase academic achievement. We will continue to reflect on the road toward our success and maintain our persistence to examine the past and the present in order to continue to make positive gains toward the future. We recognize our primary focus for all our students is to assist them in tapping into their individualized efforts and strengths. Our commitment is to band together, celebrate our diligence, and put forth all energies to continue down this path of excellence. Thank you for assisting La Mirada Elementary School in making our students' experience here productive, memorable and enjoyable.

School Mission Statement

La Mirada Elementary School students will soar to meet new challenges and be prepared to meet all of life's opportunities.

The La Mirada school community soars to great heights in educational excellence by providing an equitable, safe, nurturing, and stimulating learning environment that develops responsible, self-directed, and expressive individuals who are contributing members of the community. To reach these heights, all students will participate in an atmosphere of cooperation and trust that creates:

- Acceleration of student achievement
- A balanced curriculum with equal opportunities to learn and excel
- Dignity, respect and esteem for self, one another, and each other's culture and diversity
- Curiosity and motivation for lifelong learning
- Educational opportunities that develop the whole child
- Success-oriented opportunities for parents and the community to participate in the achievement of children

School Vision Statement

La Mirada is a **Learning Community**. We believe that a happy child is a successful one. We are committed to providing a positive, safe and stimulating environment for children to learn, where all are valued. We intend that all children should enjoy their learning, achieve their potential and become independent life-long learners and well-rounded global citizens.

School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

District Mission Statement

The mission of the San Ysidro School District:

Quality education and opportunity for all students to succeed.

District Vision Statement

The San Ysidro School District, in partnership with our teachers and community, is committed to providing a high-quality, multicultural learning environment that promotes academic excellence, social responsibility, and physical and emotional well-being for all students.

Enrollment by Student Group

The total enrollment at the school was 409 students for the 2022-23 school year. The pie chart displays the percentage of students enrolled in each group.

Parental Involvement

Parents assist the school by volunteering in activities and participating in the Parent Teacher Association (PTA). Parents also participate in the School Site Council (SSC) and English Learner Advisory Committee (ELAC).

The community is supportive of the health and well-being of students at La Mirada Elementary School. The San Ysidro School District works with the state's Healthy Start and Even Start programs to provide year-round services to parents and children within the community. Healthy Start services include but are not limited to family and individual counseling and referrals for legal issues, substance abuse, family violence and emergency services. Through Even Start, which focuses on children from birth to age five, the district coordinates services to help parents gain the skills needed to become full partners in the education of their young children. Even Start integrates early-childhood education, adult literacy or adult basic education, and parenting education into a unified family literacy program.

Parents who wish to serve on La Mirada Elementary School's leadership teams may contact the District Parent Advisory Committee (DPAC) representative, Ms. Erika Carrillo at (619)428-4424.

School Safety

The district developed a Comprehensive School Safety Plan in order to comply with Senate Bill 187 of 1997. The plan provides students and staff means to ensure a safe and orderly learning environment. Key elements of the Comprehensive School Safety Plan include child-abuse reporting procedures, teacher notification of dangerous-pupils procedures, disaster-response procedures, procedures for safe entering to and exiting from school, sexual harassment policy, suspension and expulsion policies, dress code and discipline policies.

La Mirada Elementary School places a strong emphasis on safety for students and staff. We review emergency plans frequently. We hold annual training procedures and drills for earthquakes, fire, intruders and bus evacuations according to district requirements. Maintenance staff works with a scheduled preventive program to offset costly repairs. Staff models and reviews safe behaviors and practices with the students regularly. The school safety plan was last reviewed, updated and discussed with the school faculty in December 2023.

"Our pledge to the La Mirada community is to continue to seek out experiences, which allow us to continuously grow in a positive manner, all in the best interest of student growth."

The bar graphs display the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Suspensions and Expulsions

This table shows the school, district, and state suspension and expulsion rates collected between July through June, each full school year respectively. Note: Students are only counted one time, regardless of the number of suspensions.

Professional Development

All curriculum and instructional improvement activities at San Ysidro School District are aligned to the California Common Core State Standards and frameworks. The district professional-development program provides opportunities for teachers and support staff to implement the district's core curriculum for all students, update subject-area expertise, use data to plan instructional improvement strategies and acquire new instructional strategies for use in the classroom. Additionally, teachers and support staff have the opportunity to participate in conferences, districtwide professional development throughout the year focusing on Common Core State Standards implementation and specific training to support English language learners and students with special needs.

At the site level each year, targeted professional-improvement activities are provided for teachers and support staff that reflect the specific school goals and objectives reflected in the school site plan such as: Professional Learning Community (PLC); Grade Level Collaborations as well as various conferences and workshops, such as Association of California School Administrators (ACSA), Project GLAD training, English Learner Roadmap, Nonviolent Crisis Intervention, Homeless Conference, AVID Institutes, Critical Issues and School Climate Conferences, as well as training sessions for the newly adopted instructional materials (Benchmark Advance/Adelante, Twig Science, McGraw Hill CA IMPACT and CA Inspire).

California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram is the designated PFT for students in California public schools put forth by the State Board of Education. Due to changes to the 2021–22 and 2022–23 PFT administration, only participation results are required for the five fitness areas.

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students participating in each of the five fitness components for the most recent testing period. For more detailed information on the California PFT, please visit www.cde.ca.gov/ta/tg/pf.

Statewide Assessments

Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade 10, 11 or 12).

CAASPP Test Results in Science for All Students

The table below shows the percent of students meeting or exceeding the State standard on the CAASPP—California Science Test (CAST) and the California Alternate Assessment for Science (CAA for Science) for grades 5, 8 and once in high school (i.e., grade 10, 11 or 12).

CAASPP by Student Group: Science, English Language Arts and Mathematics

The tables on the following pages display the percentage of students that met or exceeded state standards in science, English language arts/literacy and mathematics for the school by student groups.

The “percentage met or exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Textbooks and Instructional Materials

San Ysidro School District held a public hearing on September 7, 2023, determining sufficiency of instructional materials at all schools within the district. All schools were found to have sufficient and good-quality textbooks, instructional materials or science lab equipment pursuant to the settlement of Williams v. the State of California.

Students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. All teachers review materials approved for use by the state, and a recommendation is made to the board of trustees by a selection committee composed of teachers and administrators.

School Facility Good Repair Status

The table shows the results of the school's most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. This inspection determines the school facility's good repair status using ratings of good condition, fair condition or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair or poor.

School Facility Good Repair Status		2023-24 School Year
Items Inspected		Repair Status
Systems: Gas leaks, sewer, mechanical systems (heating, ventilation and HVAC)		Good
Interior: Interior surfaces (floors, ceilings, walls and window casings)		Good
Cleanliness: Pest/vermin control, overall cleanliness		Good
Electrical: Electrical systems		Fair
Restrooms/fountains: Restrooms, sinks and drinking fountains		Good
Safety: Fire safety, emergency systems, hazardous materials		Good
Structural: Structural condition, roofs		Good
External: Windows/doors/gates/fences, playgrounds/school grounds		Poor
Overall summary of facility conditions		Good
Date of the most recent FIT report		8/11/2023

Deficiencies and Repairs

The table lists the repairs required for all deficiencies found during the site inspection. Regardless of each item's repair status, all deficiencies are listed. For all items inspected that were found to not be in "good repair," a work-order has been created and maintenance will be done before the end of the 2023-24 school year. Maintenance items will be prioritized so that student safety is not compromised.

Deficiencies and Repairs		2023-24 School Year

School Facilities

La Mirada Elementary School provides a safe, clean environment for students, staff and volunteers. The 42,126 square foot campus includes 20 classrooms, originally constructed in 1973, and four relocatable classrooms. The campus also encompasses a cafeteria, library and administrative offices. A turf and sand area, as well as a game court, serve student recreational activities.

The safety of the students and staff is La Mirada Elementary School's primary concern. All visitors must sign in at the front office and wear identification tags while on school grounds. School staff and parent volunteers are on duty during recess, lunch, and before and after school to ensure the safety of all our students. The school's disaster-preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted on a regular basis throughout the school year.

Cleaning Process

The District Governing Board has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed on a daily basis throughout the school year with emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free.

The principal works daily with three custodians to develop sanitation schedules that ensure a clean, safe and functional learning environment.

Maintenance and Repair

A scheduled maintenance program is administered by La Mirada Elementary School's custodial staff on a regular basis, with heavy maintenance functions occurring during vacation periods. Additionally, a scheduled maintenance program is administered by San Ysidro School District to ensure school grounds and facilities remain in excellent repair. A work-order process is used when issues arise that require immediate attention. We give emergency repairs the highest priority; repair requests are completed efficiently and in the order in which they are received. At the time of publication, 100% of the restrooms on campus were in good working order.

La Mirada Modernization

La Mirada went through a modernization during the months of June to August 2017. Renovations were made in classrooms, bathrooms, the multipurpose room, library and offices. La Mirada also received new furniture and computers. The landscape and parking area is also new.

"It is the belief of La Mirada Elementary School that students can and will excel in an environment that is tailored to their evolving needs."

Teacher Preparation and Placement

The teacher data displayed in this SARC is from the 2020-21 and the 2021-22 school years. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included. These tables display the number and percent of teacher authorization/assignment as well as the total number and percent of teaching positions at the school, district and state levels. For questions concerning the assignment of teachers outside their subject area of competence or the credential status of teachers, visit the California Commission on Teacher Credentialing website at <https://www.ctc.ca.gov/>.

Note: The data in these tables is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.
