2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Mission Statement

CalPac's mission is to support and encourage all students to relentlessly pursue their life goals by providing an accessible, inclusive, and personalized learning community.

Vision Statement

California Pacific Charter Schools, in partnership with our community, will:

- Foster an enriching school environment to nurture individuals academically, socially, and emotionally so that they are equipped to tackle academic challenges and become productive, responsible, ethical, creative, and compassionate members of society.
- Forge strong, positive connections with students so they can build confidence, achieve independence, meet current and future challenges, develop social awareness, civic responsibility, and personal growth.
- Provide our graduates with a foundation that will enable them to be college and career prepared and to succeed in their post secondary endeavors.

Our Core Values:

CALPAC C.A.R.E.S.

COMMUNITY: We believe in a community of stakeholders who provide a supportive and inclusive environment to build student confidence and success.

ACCESSIBLE: We believe each student is unique and deserves a flexible and personalized learning program to meet their individual needs.

RIGOROUS: We believe in hiring highly qualified teachers and staff and providing rigorous and relevant curriculum designed for a community of diverse learners.

ENGAGING: We believe in empowering well-rounded and innovative students to develop 21st century skills and to engage fully in a global society.

2023-24 School Description and Mission Statement

SUPPORTIVE: We believe in supporting the whole student through allocation of resources, frequent guidance, empathy, compassion, and encouragement to help them reach their full potential.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Permits and Waivers	0.00	0.00
Misassignments	0.20	0.00
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	0.20	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.70	1.00
Local Assignment Options	7.30	12.20
Total Out-of-Field Teachers	8.10	13.30

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	15.4	1.2
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

California Pacific Charter Schools purchases online curriculum from industry leading companies (Edgenuity and Accelerate), which are Common Core state standard aligned and A-G approved. In 2021, California Pacific Charter—San Diego did an extensive curriculum review of the major online vendors and determined that Edgenuity was the best fit for grades 6-12 and Accelerate was the best fit for grades TK-5. A robust rubric was developed by the selection committee, which included all education partners. For more information, current course lists and video demonstration, please visit the links below.

100% of students have access to the online content by a school provided device. The school provides a Chromebook to each student enrolled and a hotspot to students who need access to the internet.

K-8 students have access to supplementary curriculum including Renaissance STAR, Freckle, Reading Eggs, Mystery Science, SORA reading library, Lexia, BrainPOP, and more.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	26	21	41	40	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

2022-23 Career Technical Education Programs

California Pacific Charter is focused on aligning the CTE program with the 11 Elements of a High-Quality CTE Program, academic state standards and meeting the individual needs of our diverse student population. The school offers pathways in Business, Digital Media Arts, and Education. The following courses are offered:

Introduction to CTE
CTE Business Management 1 (A-G approved)
CTE Business Management 2
CTE Design, Visual & Media Arts 1
CTE Design, Visual & Media Arts 2
CTE Careers in Education (A-G approved)

Courses include job shadowing and internship opportunities with monthly presentations from industry representatives. CPC-SD is committed to the CTE program and plans to continue to develop and launch new classes and CTE Pathways in future school years.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

California Pacific Charter—San Diego strongly encourages and desires parents to actively engage with the school to give input and collaboratively partner with teachers and administration to positively impact student achievement and their educational experience at the school. The School Site Council that meets quarterly to provide input on the operations of the school. Additionally, surveys are disseminated throughout the year to gather feedback on various programs and school climate. Parents/guardians are encouraged to call or email the school with their ideas and suggestions on ways to improve the school and programs. For more information on how to become involved at the school, please contact Christine Feher, Superintendent, at cfeher@cal-pacs.org.

2023-24 School Safety Plan

The Comprehensive School Safety Plan is developed in collaboration with the School Site Council to ensure the health and safety of pupils and staff. The plan is annually evaluated and amended, as needed, by the Board of Directors to ensure proper implementation. The disaster plan has been prepared in compliance with California Administrative Code, Title V, Ed Code Section 560 and CA Govt Code 8607. The school safety plan was last reviewed and discussed with the school faculty in January 2024. Each year as part of training, teachers and staff review the safety plan at the beginning of the year. The safety plan may be viewed or provided upon request.

Professional Development

Each year, our programs host professional development for all staff before the start of the school year. Topics include best practices in a personalized learning and/or virtual setting, student information system navigation, learning management system usage, human resources policies, instructional strategies, learning styles, personalized learning methodologies, goal setting aligned with the professional standards of practice, etc. Topics are presented by peers, vendors or education professionals. CalPac launched a professional development platform in Alludo where staff can seek out training asynchronously in a variety of areas from systems management, education technology, soft skills, and much more.

Professional Development

In addition to yearly professional development for all staff, opportunities are provided throughout the year for certificated staff to attend conferences and seminars that build the knowledge and skills necessary to pursue our mission and Student Learning Outcomes (SLOs). Some examples of other professional development are:

- Charter Schools Development Center (CSDC) Conference
- California Charter Schools Association (CCSA) Conference
- Aplus+ Personalized Learning
- Advancement Via Individual Determination (AVID) Summer Institute
- Common Core Speaker Series
- College Board AP training
- Counselor UC and California State University conferences
- American School Counselor Association (ASCA) workshops and courses for administrators

Additional professional development is held throughout the year during staff meetings, and through our Professional Learning Communities (PLCs) to review data; drive initiatives; and stay current with our curriculum, initiatives and best practices as well as the following:

Department leads field questions from teachers pertaining to job duties and conduct periodic professional development webinars and/or online training for staff members.

Staff members are encouraged to browse our professional development resources, including training videos and instructional documents put together by the department leads.

Finally, staff members are assigned training via SafeSchools, an online platform supplying prerecorded safety training and quizzes. Topics include:

- Sexual harassment
- Blood-borne pathogens
- Mandated reporting

All staff are expected to complete these assignments within the first 90 days of employment, or the initial date of a continuing employee’s contract, and periodically over the course of their employment in accordance with state law.

This table displays the number of school days dedicated to staff development and continuous improvement.
