

Escalon High School

2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard)

<https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Contact Information

School Name	Escalon High School
Street	1528 East Yosemite Ave.
City, State, Zip	Escalon, CA 95320-1753
Phone Number	(209) 838-7073
Principal	Jason Furtado
Email Address	jfurtado@escalonusd.org
School Website	www.escalonhigh.org
County-District-School (CDS) Code	39685023932308

2023-24 District Contact Information

District Name	Escalon Unified School District
Phone Number	(209) 838-3591
Superintendent	Ricardo Chavez
Email Address	rchavez@escalonusd.org
District Website	www.escalonusd.org

2023-24 School Description and Mission Statement

At Escalon High School, our mission is to ensure that all students are prepared for success in college or their chosen careers. Guided by this mission, Escalon High School's Vision Statement sets lofty expectations for every student. We employ innovative, student-centered instruction that is both relevant and focused on achieving tangible learning results. Our students emerge as socially responsible individuals and effective communicators who not only value learning but also strive for personal excellence. Upon graduation, they leave Escalon High as highly literate, independent critical thinkers equipped with the knowledge, skills, and motivation to achieve economic independence.

Nestled in the heart of the San Joaquin Valley, Escalon is a tranquil rural community with a population of approximately 7,800 residents. The city, Spanish for "stepping stones," was incorporated in 1957. Before the formation of the Escalon Union High School District in 1919, students commuted to Stockton schools via the Tidewater Railroad. In 1967, the district evolved into the Escalon Unified School District, offering a comprehensive educational program that caters to the diverse needs of students across four elementary schools, one charter school, one middle school, one high school, and a credit recovery high school.

2023-24 School Description and Mission Statement

Situated equidistantly between the larger suburban communities of Stockton and Modesto, Escalon boasts a slow-paced, small-town lifestyle amidst a unique rural setting. The community's rich farming history remains evident, with agriculture being the linchpin of the local economy. Known as the "Land of Peaches and Cream," Escalon has a robust dairy sector and various orchard and row crop operations. Against this backdrop, Escalon High draws students from a diverse range of backgrounds, encompassing economic, social, and cultural diversity.

Close to several colleges, major Central Valley cities, the San Francisco Bay Area, the historic Mother Lode Country, and the Sierra Nevada Mountains, Escalon provides students with unique opportunities. Just 20 minutes away from Stockton and less than 20 minutes south of Modesto, the city is in proximity to San Joaquin Delta College, the University of the Pacific, and Modesto Junior College. Furthermore, California State University, Stanislaus, in Turlock, is approximately 40 minutes to the south.

Owing to its small-town character, Escalon High School is a prominent member of the community, receiving support from local service clubs, businesses, and community organizations. This support is evident through scholarships, recognition programs, sponsorships, and volunteering. School activities and events are major community happenings, with the EHS athletic program and the FFA serving as continual sources of pride. The community actively engages through sports, band, and ag boosters.

Escalon High is committed to meeting the diverse needs of its students. A robust college-preparatory program offers eleven Advanced Placement courses and various Career Technical Education (CTE) pathways in Agriculture Science, Agriculture Mechanics, Animal Science, Floral Design, and Public Safety. Special programs, including Special Education Resource classes, SDC classes coordinated by the San Joaquin County SELPA, and a Transition Class directed by the county, cater to specific student requirements. English Language Development classes provide instruction, tutorials, and counseling services.

In addition to comprehensive courses, EHS strives to provide a rich array of intra- and extra-curricular offerings, encompassing athletics, music (including band and jazz band), FFA, Academic Decathlon, Mock Trial, Interact, Key Club, and a wide variety of other clubs. These activities are supported by parent groups, including Escalon Sports Boosters, Escalon Band Boosters, FFA Boosters, English Language Advisory Committee, and School Site Council.

About this School

2022-23 Student Enrollment by Grade Level

Grade Level	Number of Students
Grade 9	211
Grade 10	227
Grade 11	195
Grade 12	179
Total Enrollment	812

2022-23 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	50.1%
Male	49.9%
American Indian or Alaska Native	0.2%
Asian	1.4%
Black or African American	0.1%
Filipino	0.6%
Hispanic or Latino	51.8%
Native Hawaiian or Pacific Islander	0.2%
Two or More Races	2.3%
White	42.9%
English Learners	10.1%
Foster Youth	0.1%
Socioeconomically Disadvantaged	44.5%
Students with Disabilities	10.2%

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	29.80	81.67	118.80	85.72	228366.10	83.12
Intern Credential Holders Properly Assigned	1.00	2.73	2.00	1.44	4205.90	1.53
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	2.90	8.03	8.60	6.23	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	1.60	4.37	4.20	3.07	12115.80	4.41
Unknown	1.10	3.14	4.80	3.53	18854.30	6.86
Total Teaching Positions	36.60	100.00	138.60	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	30.30	82.05	122.00	81.91	234405.20	84.00
Intern Credential Holders Properly Assigned	1.00	2.70	3.90	2.68	4853.00	1.74
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	0.00	0.00	4.60	3.13	12001.50	4.30
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	1.00	2.70	9.60	6.45	11953.10	4.28
Unknown	4.60	12.51	8.60	5.82	15831.90	5.67
Total Teaching Positions	37.00	100.00	149.00	100.00	279044.80	100.00

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	1.20	0.00
Misassignments	1.70	0.00
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	2.90	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.80
Local Assignment Options	1.60	0.20
Total Out-of-Field Teachers	1.60	1.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	7.1	0
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	2.4	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Escalon High School has sufficient textbooks and instructional materials for each student. The textbooks currently in use were adopted by the local governing boards (grades nine through twelve).

Year and month in which the data were collected

January, 2024

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption ?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	Holt: Third and Fourth Course Kate Kinsella's English 3D: Discuss, Describe, Debate To Kill a Mockingbird, Romeo and Juliet, The Hobbit, SpeakNight, Lord of the Flies, Julius Caesar, The Freedom Writers Diary, 1984, Siddhartha, The Crucible, The Help, The Great Gatsby, Fahrenheit 451, Into the Wild, Brave New World, The Awakening, Macbeth, A Doll's House, The Sun Also Rises, Twelfth Night, Scarlet Letter, Waiting for Godot, Readings for Writers, Wadsworth Cengage Learning, 13th edition, The Absolutely True Diary of a Part-time Indian, Catcher in the Rye, The Hate U Give, The Glass Castle	No	0%

School Facility Conditions and Planned Improvements

The current facility was constructed in phases during the early to mid 1950's and has had some upgrades over the years. District maintenance staff works closely with the school's head custodian and administration to make repairs as needed.

Modernization construction began in the classroom buildings in March of 2014. Phase one of this modernization was completed in January of 2015. Phase two started in the the Spring of 2017.

Solar Panel installation was completed in the spring of 2018 at 3 locations: student parking lot, soccer field, and football practice field.

- Modernization of the Gymnasium (including the music building) began in the Spring of 2017 and completed in October of 2017.
- New Greenhouse construction was completed during the Spring of 2020.
- Early Ag Farm facility upgrades discussion started in the Spring of 2017 and are ongoing. Ag farm construction broke ground at the Van Allen property in August of 2017 with the installation and care of an ag farm almond orchard. Construction blueprints of structures and the rest of the facility have been made public. Structure blueprints were submitted to county in December of 2017. This project is currently being funded through public donations and is ongoing.

An all weather track was installed in the fall of 2023 along with perimeter fencing and new turf for the football field. Stadium bathrooms were upgraded with new stalls, flooring, paint, and sinks.

B. Pupil Outcomes	State Priority: Pupil Achievement The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4): Statewide Assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities). The CAASPP System encompasses the following assessments and student participation requirements: Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve). College and Career Ready The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
English Language Arts/Literacy (grades 3-8 and 11)	57	55	44	44	47	46
Mathematics (grades 3-8 and 11)	16	19	29	31	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	192	182	94.79	5.21	55.49

Students Receiving Migrant Education Services	0	0	0	0	0
Students with Disabilities	24	20	83.33	16.67	5.00

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	191	182	95.29	4.71	19.23
Female	100	92	92.00	8.00	23.91
Male	91	90	98.90	1.10	14.44
American Indian or Alaska Native	--	--	--	--	--
Asian	--	--	--	--	--
Black or African American	0	0	0	0	0
Filipino	--	--	--	--	--
Hispanic or Latino	96	91	94.79	5.21	14.29
Native Hawaiian or Pacific Islander	--	--	--	--	--

Foster Youth	--	--	--	--	--
Homeless	0	0	0	0	0
Military	0	0	0	0	0
Socioeconomically Disadvantaged	84	83	98.81	1.19	14.46
Students Receiving Migrant Education Services	0	0	0	0	0
Students with Disabilities	24	22	91.67	8.33	0.00

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
Science (grades 5, 8 and high school)	18.46	16.97	19.80	21.46	29.47	30.29

2022-23 CAASPP Test Results in Science by Student Group

This table displays CAASPP test results in Science by student group for students grades five, eight, and High School. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students	588	555	94.39	5.61	16.97

2022-23 Career Technical Education Programs

As defined in the district LCAP and site SPSA, EHS aims to have 100% of graduating students to have a high degree of workability preparation. CTE pathways offered: Agricultural and Natural Resources, Public Services. The primary CTE representative is the site principal. The CTE Advisory Committee is composed of teachers and local agriculture and first responder businesses/agencies.

Agricultural students have the option of pursuing a range of pathways in ag welding, floral culture, ag science, and animal science. Agriculture courses offered: Ag Mechanics I, Intermediate Ag Mechanics, Advanced Ag Mechanics, Ornamental Floral Culture, Floral I, Floral II, Ag Earth Science, Ag Biology, Ag Chemistry, Animal Science, Vet Science, Ag Leadership. An articulation agreement with MJC exists for the Animal Science Pathway.

Escalon High School offers two Public Services pathways in Emergency Response: EMT and Fire Science. Courses are currently being taught by 2 instructors with industry experience. Courses offered: EMT I, EMT II, Fire Science I, Fire Science II. EHS is partnered with Escalon Police, Escalon Ambulance, and Escalon Fire. An EMT articulation agreement has been made with MJC. An articulation agreement application has been submitted to MJC for Fire Science.

CTE advisory committee and the industries represented:

Charles Lovett - Retired Mechanic/Agriculture and Natural Resources
Robert Swift - Swift Landscaping/Agriculture and Natural Resources
Zack Hogan - Hogan Manufacturing/Agriculture and Natural Resources
Gene Youngblood/Allen Wood - CA Welding/Agriculture and Natural Resources
Gino Farinelli - Retired AG Teacher/Admin/Farmer/Agriculture and Natural Resources
Joe Terra - Retired AG Teacher/Admin/Farmer/Agriculture and Natural Resources
Ken Van Gorkum - Escalon Feed/Agriculture and Natural Resources
Marlies Boyd - MJC Instructor/Agriculture and Natural Resources
Matthew Terra - Eckhart Cold Storage/UC Merced Instructor/Agriculture and Natural Resources
Jennifer Terpstra - Delta College Instructor/Agriculture and Natural Resources
Vanessa Herrera - Escalon Ambulance - Public Services
Larry Madoski - Lathrop/Manteca Fire District - Public Services
Bob Davis - Retired Battalion Chief/Manteca Fire Department - Public Services
Ron Cripe - Director, Regional Fire Training Center/MJC - Public Services

2022-23 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	538
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	42.4
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2022-23 Pupils Enrolled in Courses Required for UC/CSU Admission	96.92
2021-22 Graduates Who Completed All Courses Required for UC/CSU Admission	37.2

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results					
This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.					
Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 5	N/A	N/A	N/A	N/A	N/A
Grade 7	N/A	N/A	N/A	N/A	N/A
Grade 9	99	98.5	98.5	99	99

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement
Escalon High School encourages and values parent involvement, offering a variety of opportunities for active participation. Boosters' clubs dedicated to FFA, Band, and Sports create avenues for parents to engage directly with the programs their students are involved in. In addition to these specialized clubs, annual teacher conferences, Back to School Night, and Open House events provide parents with direct access to insights about their students' educational journeys. For parents seeking valuable information about post-high school programs and scholarships, College Night serves as an essential resource. This event is designed to equip parents with the knowledge needed to guide their students in making informed decisions about their future educational paths. The School Site Council, a dynamic and engaged body, plays a crucial role in implementing new programs and facilitating the WASC accreditation process. Beyond that, it actively contributes to enhancing communication between the school and home, ensuring a collaborative and supportive educational environment. To further enrich the EHS community, parents can also join the English Language Advisory Committee (ELAC). This committee provides a platform for parents to contribute their insights and perspectives, fostering a diverse and inclusive school community. For those interested in committee membership and more details, information can be found at escalonusd.org or by calling (209) 838-7073. Escalon High School values the active involvement of parents and invites them to be an integral part of the school's vibrant community.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2020-21	School 2021-22	School 2022-23	District 2020-21	District 2021-22	District 2022-23	State 2020-21	State 2021-22	State 2022-23
Dropout Rate	2.4	0.6	1.7	4.7	1.9	3.9	9.4	7.8	8.2
Graduation Rate	95.7	98.2	96	93.6	96.7	93.1	83.6	87	86.2

2022-23 Graduation Rate by Student Group (Four-Year Cohort Rate)

This table displays the 2022-23 graduation rate by student group. For information on the Four-Year Adjusted Cohort Graduation Rate (ACGR), visit the CDE Adjusted Cohort Graduation Rate web page at www.cde.ca.gov/ds/ad/acgrinfo.asp.

Student Group	Number of Students in Cohort	Number of Cohort Graduates	Cohort Graduation Rate
All Students	176	169	96.0
Female	92	90	97.8
Male	83	78	94.0
Non-Binary			
American Indian or Alaska Native	0	0	0.00
Asian	--	--	--
Black or African American	0	0	0.00
Filipino	--	--	--

Students Receiving Migrant Education Services	0	0
Students with Disabilities	18.68	1.1

2023-24 School Safety Plan

The school's comprehensive safety plan undergoes an annual review, update, and approval process led by the school safety committee and the EUSD school board. This committee comprises representatives from local law enforcement, certificated employees, classified employees, and site administration. Regular safety inspections are conducted, and necessary corrections are promptly addressed. Mandated fire, earthquake, and lockdown drills are carried out each semester. Before each training session, staff and students receive plan updates during scheduled meetings. Annually, the Safety Plan is subject to board approval.

All staff members actively contribute to fostering a positive school climate that emphasizes respect for diversity and personal and social responsibility. This commitment is reflected in their classroom behavior management plans and interpersonal relationships with students. Teachers communicate these expectations clearly at the beginning of the school year or when a new student joins the class. Additionally, they convey these policies to parents through written communication and verbal discussions at parent conferences, phone conferences, and events such as Back-to-School Night and Open House.

Collaborative relationships have been established among city government, the San Joaquin County Office of Education, local law enforcement, the county probation and juvenile justice system, and community and church organizations. Regular meetings with the Escalon Police Department serve as platforms for sharing information, addressing concerns, discussing potential problems, and determining strategies to resolve safety issues. Local service clubs, including the Escalon Sunrise Rotary, Lions, and Kiwanis clubs, as well as various churches, collaborate with the district to address issues and concerns.

In addition to classroom supervision, students receive supervision during extracurricular activities before, during, and after instructional time. This supervision is provided by law enforcement, site staff, and a campus supervisor. School staff are consistently updated on current issues and informed of potential problems to ensure an ongoing commitment to safety.

The curriculum places a strong emphasis on drug/alcohol prevention and intervention strategies, outlining expectations for

2023-24 School Safety Plan

maintaining a drug-free school environment. Support for recovering students is integrated into the curriculum, and a Peer Interaction Team of trained students offers skits, presentations to elementary students, conflict management sessions, and tutoring sessions. These initiatives provide at-risk students with opportunities to cope with challenges and succeed academically. Special programs and guest presenters are featured during Red Ribbon Week, and biannual Every Fifteen Minutes presentations further reinforce the school's commitment to student well-being.

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	25	10	16	8
Mathematics	18	22	16	3
Science	25	7	10	2
Social Science	18	14	11	4

2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	25	11	20	3
Mathematics	18	22	13	5
Science	22	10	8	3
Social Science	22	14	9	7

2022-23 Secondary Average Class Size and Class Size Distribution

This table displays the 2022-23 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	28	6	9	14
Mathematics	21	16	10	10
Science	23	5	11	0
Social Science	23	12	6	11

2022-23 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	270.67

2022-23 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	3
Library Media Teacher (Librarian)	1
Library Media Services Staff (Paraprofessional)	
Psychologist	1
Social Worker	
Nurse	
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	
Other	1

Fiscal Year 2021-22 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2021-22 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	10,998.23	2,469.38	8,528.85	75,287.56
District	N/A	N/A	8,528.85	\$79,839
Percent Difference - School Site and District	N/A	N/A	0.0	-6.6
State	N/A	N/A	\$7,607	\$81,984
Percent Difference - School Site and State	N/A	N/A	25.6	-5.0

Fiscal Year 2022-23 Types of Services Funded

Escalon High School continues to provide appropriate core instruction (ie Math, ELA, Science and Social Studies) and opportunities for enrichment in a multitude of disciplines (Music, Art, Agriculture, Public Safety, Physical Education). Escalon High School's mission is to ensure all students are college or career ready. It is the goal of Escalon High School to adequately fund all programs with an emphasis on the CTE program in order to give students the hands-on experience they need to effectively learn the skills needed in the workforce. Federal Perkins Grant CTE Incentive Grant, and Agriculture Incentive Grant are used to enhance both Agriculture and Public Safety Pathways. Site/district resources are allocated to departments for enrichment and intervention purposes. EHS teachers are highly qualified professionals with the appropriate credentials for each content area. ELD courses are instructed by trained and qualified teachers with an increased emphasis on progress monitoring of level 1 to level 4 students. Special Education courses are taught by qualified teachers and provided to all students that qualify for special education services. Music, Art, and Foreign Language courses are also offered. The music program has grown from two music course offerings to a diverse list of six course options: Jazz, Guitar, Wind Ensemble, Orchestra, History of Music in the 20th Century, and Choir. To meet the demand of student mental health, EHS now has a full time school psychologist for student support.

Fiscal Year 2021-22 Teacher and Administrative Salaries

This table displays the 2021-22 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary	\$48,986	\$50,875
Mid-Range Teacher Salary	\$74,818	\$79,761
Highest Teacher Salary	\$106,670	\$103,045
Average Principal Salary (Elementary)	\$132,944	\$128,154
Average Principal Salary (Middle)	\$132,944	\$131,774
Average Principal Salary (High)	\$139,937	\$142,676
Superintendent Salary	\$192,989	\$211,462
Percent of Budget for Teacher Salaries	33.05%	30.11%
Percent of Budget for Administrative Salaries	5.15%	5.49%

2022-23 Advanced Placement (AP) Courses

This table displays the percent of student in AP courses at this school.

Percent of Students in AP Courses	10
--	----

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

Subject	Number of AP Courses Offered
Computer Science	0
English	2
Fine and Performing Arts	0
Foreign Language	1
Mathematics	2
Science	2
Social Science	3
Total AP Courses Offered Where there are student course enrollments of at least one student.	10

Professional Development

EUSD and EHS has been very focussed on the PLC process dating back to the summer of 2018. Over half of the staff has attended PLC conferences focussing on best practices that impact student achievement. Professional development days have been devoted to the training and creation of content specific guaranteed standards, anchor standards, and formative/summative assessments. Site budget has allocated monies for additional trainings upon certificated employee request or from site/district recommendations in the form of: workshops, conference attendance, etc. The updated teacher contract has included two collaboration days per month to allow for teacher/teams to enrich instructional practices and to perform content specific student assessment data analysis for instructional purposes and planning.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2021-22	2022-23	2023-24
Number of school days dedicated to Staff Development and Continuous Improvement	2	2	2
