2022-23 School Accountability Report Card

Published January 2024

Principal's Message

Dear Santa Ynez Valley Union High School Students, Parents and Community,

I invite you to explore Santa Ynez High School's Annual School Accountability Report Card, which provides valuable information about our school's instructional programs, academic achievement, classroom materials, school safety, facilities, and staff. Understanding our educational program, student achievement, and curriculum development can assist both our school and the community in ongoing program improvement.

Santa Ynez High School is focused on providing all students with the opportunity to achieve. We accommodate individual learning styles while maintaining high, obtainable, expectations for students. Santa Ynez High School is quite proud of its rigorous academic programs, strong vocational programs, great athletic programs, and extensive extracurricular activities that actively engage all students and provide a well-rounded educational experience.

Staff and parents work together to create a learning environment that promotes academic and social development, teaches responsibility and pride, and models learning as a lifelong adventure. We are excited about our school and welcome all to join in our efforts to create successful, responsible citizens.

Andrew Alvidrez
Interim Principal

District & School Description

The Santa Ynez Valley Union High School District is located in the Santa Ynez Valley, 30 miles north of the city of Santa Barbara. Established in 1896, the district is the primary provider of secondary education to the Santa Ynez Valley, serving students from the Ballard, Buellton, College, Los Olivos, Solvang, and Vista del Mar elementary school districts.

The Santa Ynez Valley Union High School District is proud of its fine tradition of excellence in secondary education. Educational programs offered by the district include a comprehensive high school and a continuation high school. All programs are situated on the beautiful Santa Ynez Valley Union High School campus, which also serves as a focal point for community events. The district is committed to ensuring the academic success of all students and leaving no child behind by offering a variety of programs to meet students' individual needs, such as advanced placement classes, vocational education, English language development, and special education.

Santa Ynez Valley Union High School serves students in grades nine through twelve and follows a traditional calendar. At the beginning of the 2022-23 school year, 847 students were enrolled, including 0.2% foster youth, 0.5% homeless youth, 11.8% in special education, 3.9% English learners (students who either are in the process of learning English or who have recently become proficient in English) and 30.1% in the free and reduced lunch program.

Mission Statement

Provide a rigorous and broad academic experience, supported by a rich set of career technical and extracurricular options, so that every student graduates with the skills to pursue, and succeed in, his or her choice of post-secondary endeavors.

Vision Statement

The Santa Ynez Valley Union High School District will graduate the finest, best prepared young men and women, of excellent character, anywhere in the world.

Core Values

Excellence: We relentlessly pursue excellence in all academic and organizational endeavors.

Integrity: We believe that no accomplishment has value which has not been completed with integrity.

Opportunity: We believe that all students should have the opportunity to discover and develop their unique strengths.

Community: We are better as a community than we are as individuals in our pursuit of excellence.

Innovation: We embrace a culture that celebrates ingenuity and inspires intellectual exploration.

Local Control Accountability Plan (LCAP)

As part of the Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP).

The SARC provides the following information relevant to the State priority: Basic (Priority 1)

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- School facilities are maintained in good repair

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4)

- Statewide assessments (i.e., California Assessment of Student Performance and Progress (CAASPP) System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments (CAAs) for English language arts/literacy (ELA) and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical sequences or programs of student.

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8)

- Pupil outcomes in the subject area of physical education

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3)

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5)

- High school dropout rates; and
- High school graduation rates

The SARC provides the following information relevant to the State priority: School Climate (Priority 6)

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Parent Involvement

Parents are encouraged to get involved in their child's school environment either by volunteering to support school activities, participating in a decision-making group, joining the PTSA and/or Boosters, or simply attending school events.

Parents stay informed of upcoming events and school activities through daily bulletins, monthly online newsletter, email, letters, progress reports, school marquee, school website, online Pirate's Daily Bulletin, Aeries Portal, Parent Square, and the Canvas Learning Management System through Parent Observer accounts. Contact the school principal's office at

The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

Double dashes (--) appear in the table when the number of students is ten or fewer, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who receive scores.

Student Achievement

California Assessment of Student Performance and Progress (CAASPP)

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

Physical Fitness

In the spring of each year, Santa Ynez Valley Union High School is required by the state to administer a physical fitness test to all students in ninth grade. The physical fitness test (PFT) for students in California schools is the FITNESSGRAM®. The main goal of the test is to help students in starting life-long habits of regular physical activity.

The FITNESSGRAM® has six parts, though California currently requires five parts be completed annually, that show a level of fitness that offer a degree of defense against diseases that come from inactivity. The test results can be used by students, teachers, and parents. Comparative District and state results can be found at the CDE's web site www.cde.ca.gov/ta/tg/pf/.

School Facilities & Safety

School Facilities

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Santa Ynez Valley Union High School's original facilities were built in 1936; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff.

District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority.

Every morning before school begins, the Maintenance & Operations Manager inspects facilities for safety hazards or

other conditions that need attention prior to students and staff entering school grounds. Four maintenance staff, two groundskeepers, and six custodians are assigned to Santa Ynez Valley Union High School. The maintenance & grounds staff are responsible for:

- General grounds maintenance
- Lunch area setup/cleanup
- Restroom cleaning
- Trash removal

Restrooms are checked frequently throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Classroom cleaning
- Common use area cleaning
- Office area cleaning
- Restroom cleaning

The Superintendent, Principal, Maintenance & Operations Manager, and Business Manager communicate with maintenance/grounds and custodial staff daily concerning maintenance and school safety issues.

Campus Supervision

As students arrive on campus each morning, during breaks, and after school each day, administrators, a School Resource Deputy, and three campus supervisors monitor student activities throughout the campus buildings and grounds.

Santa Ynez Valley Union High School is a closed campus. During school hours, visitors are required to check in at the front office with a valid state issued ID to be scanned through the Raptor system, obtain and wear a Raptor system provided sticker, and return to the front office upon departure.

School Site Safety Plan

The Comprehensive School Site Safety Plan was originally developed for Santa Ynez Valley Union High School in collaboration with local agencies and district administration to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. Santa Ynez Valley Union High School's most current school site safety plan was reviewed, updated and shared with school staff in January 2024.

Facilities Inspection

The district's maintenance department inspects Santa Ynez Valley Union High on an annual basis in accordance with Education Code §17592.72(c)(1). Santa Ynez Valley Union High uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place in January 24-27, 2024. No emergency repairs were needed and no unsafe conditions were found. During fiscal year 2023-24, at the time of the inspection all restrooms were fully functional and available for student use at the time of the inspection.

Classroom Environment

Discipline & Climate for Learning

Santa Ynez Valley Union High School's discipline policies are based upon a schoolwide discipline plan, which is used as a guide to develop school rules, develop behavior management programs, promote responsibility, promote respect, and minimize classroom disruptions. Teachers clearly identify and explain behavior expectations to their students and discuss consequences for poor or disruptive behavior in the classroom. Santa Ynez Valley Union High School employs a progressive approach in managing students who make poor choices in behavior, do not follow school rules, or are disruptive in the classroom.

In the 2022-23 school year, a full-time Health & Wellness Coordinator and a vice principal that oversees counseling, discipline, and MTSS were employed and worked to develop and implement a tiered intervention system that supports students who struggle in academics and/or behaviors. This addition has been invaluable during distance and hybrid learning in helping to connect students to campus and provide for the increased need of mental health supports.

Dropouts & Graduation Rates

Santa Ynez Valley Union High School's teachers and administrative staff practice the early identification and intervention on behalf of students who exhibit warning signs and/or behavioral traits that may lead to dropping out of school. Intervention strategies used to promote attendance and reduce dropout rates include parent conferences, SARB meetings, Independent study, Edgenuity credit recovery, counseling, letters sent home, referral to an alternative high school setting, and administrators and the School Resource Deputy conducting home visits as needed for chronically absent students. Understanding that the needs of each student are different, administrators,

Chronic Absenteeism

The following chart identifies the chronic absenteeism rates by student group for Santa Ynez Valley Union High School for the 2022-23 school year. A "chronic absentee" has been defined in EC Section 60901(c)(1) as "a pupil who is absent on 10 percent or more of the school days in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays."

Curriculum & Instruction

Instructional Materials

All textbooks used in the core curriculum at Santa Ynez Valley Union High School District are aligned to the California State Standards, California State Standards as appropriate by discipline. All standards-based instructional materials are approved by the district's Governing Board. The district follows the State Board of Education's adoption cycle for core content materials and for textbook adoptions in foreign language, visual and performing arts, and health.

On Tuesday, September 12, 2023, the Santa Ynez Valley Union High School District held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The adopted resolution 2023/2024-1 certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts, (3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and (4) sufficient laboratory science equipment was available for science laboratory classes offered in grades 9-12 inclusive.

Staff Development

All training and curriculum development activities at Santa Ynez Valley Union High revolve around the California State Standards. During the 2021-22, 2022-23, and 2023-24 school years, Santa Ynez Valley Union High held staff development days devoted to:

2021-22 Training:

- Professional Learning Communities (Developing PLCs within structures through Solution Tree Consulting)

2022-23 Training:

- Project-Based Learning (PBL)
- Technology Integration

2023-24 Training:

- CPI Training (Mental Wellness)
- Special Education Training

Decisions concerning selection of staff development activities are performed by the principal and an instructional leadership team of four teachers using tools such as the District Strategic Plan, state assessment results and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels.

The Instructional Leadership Team supports professional development on flex days/early release days every Monday. The Instructional Leadership Team also assists in the development and support of Professional Learning Communities, and they support teachers on technology.

Santa Ynez Valley Union High School offers professional development throughout the year on weekly early release days on Mondays. One early release day per month is devoted to a faculty meeting, two early release day per month are devoted to department meetings and PLC activities, and the remaining early release days per month are devoted to staff development.

Santa Ynez Valley Union High offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

School Leadership

Leadership is a responsibility shared among the administrative team, school staff, and parents. The administrative team is comprised of the principal, two vice principals, an MTSS/PBIS Coordinator, Health & Wellness Coordinator, ASB Director, and the Athletic Director who work closely as a team to fulfill the many responsibilities associated with an effective high school. Principal Michael Niehoff is responsible for the day-to-day operations of the school, overall instructional program, and supervision of certificated staff.

Santa Ynez Valley Union High School's Principal's Council is a collaborative of administrative staff, department chairs, and the independent study coordinator. Once a month, the leadership team focuses on schoolwide issues, planning staff development, and other topics related to the instructional and operational components of the school.

College Preparations & Career Readiness

Advanced Placement

In 2022-23 Santa Ynez Valley Union High School offered advanced placement courses for those students seeking to qualify for college credit. Sophomores, juniors, and seniors achieving a score of three, four, or five on the final AP exams qualify for college credit at most of the nation's colleges.

Admission Requirements for California Public Universities

University of California

Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for university-level work. For general admission requirements, please visit the University of California Website at <http://www.universityofcalifornia.edu/admissions/general.html>.

California State University

Admission requirements for the California State University (CSU) use three factors to determine eligibility. They are specific high school courses; grades/scores in specified courses and graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses utilize local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For general admissions requirements, please visit the California State University Website at <http://www.calstate.edu/admission/>.

Career Readiness

Students in grades nine through twelve receive counseling from school personnel regarding career paths and courses of study. During their freshman year, students meet with the counselor to discuss their four-year academic plan and are introduced to Santa Ynez Valley Union High's technical and career education programs; the counselor meets at least once a year with each student to follow-up on their progress in meeting graduation requirements and career objectives. All career and technical education (CTE) courses comply with state-adopted content standards and are integrated into the student's four-year academic plan as elective courses. Santa Ynez Valley Union High offers the following programs that promote leadership, develop job-related skills, provide on-the-job experience, and increase interest in school:

- Work Experience
- Workability
- Career Pathways

Individual student assessment of work readiness skills takes place through:

- End of course exams
- Completion of course-required projects
- Classroom observation

Work experience students are partnered with local employers that provide on-the-job training and mentoring for students 16 years of age or older. Work experience students receive guidance and supervision designed to ensure maximum educational benefit from part-time job placement. For more information, students should contact the counselor.

Workability provides work experience opportunities outside the school day that meet the students' interests and aptitudes while providing real-world job experience prior to graduation. The program is available to all students with disabilities who have an Individualized Education Plan.

During the 2022-23 school year, Santa Ynez Valley Union High offered the following career technical education programs as elective courses:

- Advanced Agricultural Mechanics/ Welding
- Advanced Automotive
- Advanced Video Production/ Filmmaking

- Ag Earth Science
- Beginning Theatre
- CAD Drafting A, B, C
- Chemistry & Agriscience
- Drafting
- Entrepreneurial Math
- Environmental Science
- Intro to Auto
- Kinesiology, Sports Medicine
- Livestock Management I, II, III (spring & summer)
- Multimedia
- Restaurant & Advanced Restaurant
- Sports Medicine
- Vet Science

The Career Technical Education Program table in this report shows the total number of students enrolled in the district's vocational education courses. For more information on career technical programs, contact the high school's guidance center or the state's career technical website at <http://www.cde.ca.gov/ci/ct>.

Professional Staff

Counseling & Support Services Staff

Santa Ynez Valley Union High provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Santa Ynez Valley Union High's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

District Expenditures

Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state.

Expenditures Per Student

For the 2021-22 school year, Santa Ynez Valley Union High School District spent an average of \$18,005 of total general funds to educate each student (based on 2021-22 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report (1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and (2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and <http://www.cde.ca.gov/ds/fd/cs/>. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

SARC Data

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about Santa Ynez Valley Union High School and comparisons of the school to the district and the county. DataQuest is a dynamic system that provides reports for school accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation and the ability to print documents.

Disclosure

The statistical information disclosed in this report is obtained from the California Department of Education and the Santa Ynez Valley Union High School District. At the time of publication, this report met all SARC-related state and federal requirements, using the most current data available. Data to prepare the instructional materials sections and the school facilities section was acquired in January 2024.
