2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Foothill Elementary opened in September of 1956 and has educated generations of students. Foothill continues to hold a special place in the Saratoga community with a veteran staff of caring teachers and a warm and welcoming family community. Today, the school serves over 300 students in TK-5th grade, including specialized instruction classes in Kindergarten through 5th grade. Foothill Elementary is a model of inclusive education and all of our staff contribute to the success of our students. Foothill Elementary was recognized as a California Distinguished School in 2023. This accomplishment is due to the hard work of our amazing students, staff and school community.

Foothill Elementary School provides a warm, stimulating environment where students are actively involved in learning academics and positive values. Students receive a challenging curriculum based on Common Core State Standards, including Eureka Math and the Lucy Calkins Units of Study Reading and Writing curriculum, supplemented by the Foundations Phonics curriculum for Kindergarten through 2nd grade. Students utilize the Savvas Social Studies and Twig Science curriculum. Our Makerspace and Science labs allow students to engage in hands-on learning through Next Generation Science Standards. Additionally, students receive instruction in physical education and music classes.

Ongoing evaluation of student progress and achievement helps us refine the instructional program so students can achieve academic proficiency. Students in Kindergarten through fifth grade complete I-Ready testing and this data helps teachers provide targeted instruction. These results, along with quarterly Data Talks and COST meetings enable staff to provide additional support or enrichment opportunities for academics and behavioral needs in the classroom.

Foothill Elementary supports positive values through Positive Behavioral Intervention and Supports (PBIS) which include Be Respectful, Be Accountable, and Be Safe. Students and classes that exemplify these practices, along with monthly character traits such as Gratitude or Respecting Differences, earn Dolphin Splash Awards and/or a Dolphin Class Award at our monthly assembly. We partner with our Foothill Parent-Teacher Association (PTA), Saratoga Education Foundation (SEF) and Project Cornerstone to provide enrichment opportunities, community events, Science and Makerspace labs, art programs, library, and character education.

At Foothill Elementary we are "All In" with our community, staff and students and committed to providing the best educational program possible for Foothill Elementary School's students. We work together to provide an enriching learning experience and a strong community feel for students and the community.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2020-21 Teacher Preparation and Placement

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All instructional materials in the core curriculum of Saratoga Union School District are aligned with the California Content Standards and Frameworks. SUSD adheres to the CA Education Code and AB 1246, which gives school districts freedom, decision-making, and choice in selecting instructional materials, and requires implementing the California Common Core State Standards, equal access to current curriculum materials, change in the adoption cycle; local school districts can choose their adoption review process, and classroom teachers will be a major contributor in local adoption processes.

SUSD students have access to standards-based instructional materials, as per EC Section 60119(c)(1), which states that sufficient textbooks or instructional materials mean "each pupil, including English Learners, has a standards-aligned textbook or instructional materials, or both, to use in class and to take home. This paragraph does not require two sets of textbooks or instructional materials for each pupil." This specifically applies to four subject areas: reading/language arts, mathematics, science, and history-social science.

A Public Hearing for 2023-2024 Sufficiency or Insufficiency of Textbooks and Instructional Materials was opened on September 2023 and closed in October 2023, as required by Education Code 60119. The purpose of the public hearing is to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution 452.9-17, which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

School Facility Conditions and Planned Improvements

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Foothill Elementary School's original facilities were built in 1956; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority.

Various improvements are needed throughout the year as identified. The exterior of the school was repainted in the summer of 2020. One-touch faucets were installed in all bathrooms in 2020, hand sanitizers in all classrooms, the school office and in the multi-purpose rooms, and all HVAC filters were changed to MERV 13 filters to address COVID19 safety measures. The playground areas were re-striped in 2021. In the summer of 2023, the school's asphalt was repaired and replaced campus-wide. Future projects include replacement of the school's roofs in the summer of 2025 or 2026 as funding allows.

Annual inspections and tests were completed for the fire alarm/sprinkler/hydrant, fire extinguishers, post indicator valve and backflow, elevator and stage lifts, kitchen hoods and fire systems, bathroom hardware, and preventative maintenance on sewers. Weed abatement and pest control is monitored and performed. Every room receives deep cleaning in the summer. Preventative maintenance is performed on all HVAC units. Playgrounds are inspected annually and any necessary repairs are completed and new sand is applied. A new safety gate was installed at the Lacey Avenue entrance to limit public access to the school grounds while school is in session.

Every morning before school begins, the day custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One Day custodian and one evening custodian are assigned to Foothill Elementary School. The day custodian is responsible for general grounds maintenance, cleaning the restrooms, multi-purpose room, trash removal, and preparing the school for opening. The evening custodian is responsible for cleaning the classrooms and trash removal.

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	86	87	88	88	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement
At Foothill Elementary, parents have many ways to get involved in their child's school experience. Parents who have been cleared to volunteer through SUSD can volunteer on-site by assisting with classroom administrative needs (copying, assembling classroom materials, etc.), as a Project Cornerstone Reader, Playground Pals Bus Stop volunteers, and lunch recess yard volunteer. Additional volunteer opportunities include chaperoning field trips, volunteering with enrichment programs such as Math League, Robotics and the Foothill Musical, or coordinating classroom activities as a room parent. Parents are also able to be involved with school initiatives by joining PTA, DELAC, and by serving on our School Site Council, in addition to district-led initiatives.

2023-24 School Safety Plan

The Comprehensive School Site Safety Plan (CSSP) was developed for each school in SUSD in collaboration with school staff, School Site Council, the SUSD emergency planning committee, local agencies (sheriff, fire department, and city government), and active involvement from the district office. Components of this plan include information assessing the current status of school crime committed on the school campus and at school-related functions, strategies, and programs that provide or maintain a high level of school safety, procedures for complying with existing laws related to school safety, including child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy.

The school's most recent safety plan was reviewed, updated, and discussed with staff annually at the beginning of the school year. The most current copy of the school plan is available in the school office for public review. For additional information on school safety programs, policies, procedures, and how you may become involved, please get in touch with the school principal.

The 2023/2024 Foothill Comprehensive School Safety Plan is focused on three main goals: campus safety in regards to safe ingress and egress of visitors as well as identifying overall campus safety needs, establishing updated school and student discipline policy including trauma-informed practices and restorative justice, and continued implementation of SEL programs.

Fiscal Year 2022-23 Types of Services Funded

Supplemental financial support for our students comes from:

- Each school site's Parent-Teacher Association
- One-Time Discretionary Funds
- Education Protection Account
- Lottery: Instructional Materials
- Other Local: Locally defined (Parcel Tax and Saratoga Education Foundation)
- Special Education
- Federal Funds (Title I, Title II, Title III English Learner, Title IV)

These funds are used to supplement our general education, early literacy, technology, visual and performing arts, elementary physical education programs, as well as support for students with social, emotional or academic difficulties. We have counseling support to assist with social and behavioral counseling intervention. We also use supplemental funds for additional staff, teacher training and support materials.

Professional Development

Saratoga Union School District’s major areas of focus for staff development were selected based on student achievement data, teacher leadership information, curriculum adoption, and alignment with state curriculum initiatives. SUSD has developed a comprehensive curriculum framework to align professional development and curriculum implementation.

Professional learning focus areas in 2023-2024 are:

Health and Safety:

- * Mandatory health and safety training (Bullying: Recognition and Response; Bloodborne Pathogen Exposure Prevention; Sexual Misconduct; Sexual Harassment; Mandated Reporter: Child Abuse and Neglect)
- * Annual mandatory AED (automated external defibrillator) and EpiPen training for all SUSD staff
- * First Aid and CPR training (two-year certification; training is provided annually)
- * Suicide awareness and prevention, gender equity and inclusivity, and comprehensive sexuality education
- * Seizure protocol

Content Standards, Pedagogy, and Curriculum:

- * Next Generation Science Standards implementation (RMS science teachers)
- * ReadingWriting Workshop (Elementary)
- * Foundations - phonics/phonemic awareness (Elementary)
- *Orton-Gillingham strategies
- * MakerSpace and project-based learning(based on our EdTech Plan-ISTE Standards)
- * Strategies to support English learners
- *Trauma-informed care

Special Education:

- *Specialized training in a curriculum designed to meet the needs of students with disabilities, including students with dyslexia (Orton-Gillingham)
- *Assistive technology and tools for universal access
- *Classified training to support students with independence and advocacy
- *Supporting parent engagement in the IEP process
- *Mental health training, including strategies for students needing support
- *Guidance on legal issues and compliance training

The SUSD District Leadership Team’s (DLT) purpose is to provide a vehicle for teacher input on district decisions, specifically to 1) ensure and facilitate articulation among school sites, grade levels, departments, etc., and 2) Establish long- and short-term professional development goals (content and timelines), based upon district goals and administrator, teacher and/or student need. Elementary grade and middle school department-level representatives on the DLT and Leadership meet to align professional development to content standards, assessed student performance and professional needs.
