2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Welcome to North Cottonwood School, "Home of the Coyotes." We are pleased to have your family be a part of the Coyote team. North Cottonwood is a "School of Excellence." Our belief is "Whole Child, Whole Community!"

Academic success is a true partnership between the students, parents, and the school staff. Our main areas of emphasis at North Cottonwood School are reading fluency, reading comprehension, and a safe, orderly and prideful environment. Our whole staff is committed to providing a rigorous core curriculum that reflects the California Content Standards. In addition, our staff instructs and emphasizes that our students be STAR. With a visit to our campus or just a conversation with one of our students, it will not take long to realize that North Cottonwood School is truly a school focused developing literate students of high character!

Cottonwood Union School District is located in Shasta County and encompasses 200 square miles along the Shasta-Tehama County Line. Cottonwood Union School District is comprised of two schools, North Cottonwood Elementary School (preschool-4th grade) and West Cottonwood Junior High School (5th grade-8th grade). The schools have consistently earned the reputation for high academic standards, extremely safe, well-disciplined campuses, and a school environment that is conducive to learning and parent participation.

North Cottonwood has an outstanding staff consisting of 26 teachers, 14 instructional aides, 11 special education aides, 3 supervision aides, 2 behavior aides, a librarian, 2 secretaries, a health clerk, 3 custodians, a district psychologist, a school counselor, a vice principal and principal. In addition, the school has a kitchen staff of three that serves both breakfast and lunch. The Cottonwood Union School District Preschool and a Shasta County Office of Education Preschool operate on our campus. Project Share provides afterschool care.

Students at North Cottonwood School are guided by specific rules and classroom expectations that promote respect, communication, empowerment and community. The school's discipline philosophy is based on a community-building approach to education, a partnership between students, parents and the school, and a balance between support and accountability structures. Positive Behavioral Supports and Interventions are provided for all students as well as explicit instruction to address social emotional learning. Coyotes are taught school values via the STAR acronym which represents: "Coyotes always act safely, are trustworthy, accountable, and respectful." Parents and students are informed of discipline policies through the student handbook, principal's newsletters and other notifications. All staff members enforce the school rules in a fair and equitable manner and unacceptable behavior is quickly communicated to parents. A referral system is in place to deal with serious and recurrent student management problems in a timely manner and in-house and/or at home suspension are used to handle aggressive student behavior.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

North Cottonwood School opened its doors in January 2007. It is currently comprised of 31 classrooms, a library, a multi-purpose lab, a staff room, a multipurpose room with a stage, a school office, a playground with three large play structures, a preschool playground, and a large grassy area known as the "quad". A newly completed finished Kindergarten wing were established at the end of the last school year. At the time of publication 100% of all toilets on campus were in working condition.

A team of 2.5 custodians ensures classrooms, restrooms, and campus grounds are kept clean and safe. Cottonwood Union School District administers a scheduled maintenance program to ensure that classrooms and facilities are maintained to a degree of adequacy that provides a suitable learning environment.

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
- 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
- 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	48	47	47	48	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parents and guardians are welcomed partners at North Cottonwood School. North Cottonwood has an active School Site council with parent representatives. Volunteers in classrooms are welcome and must comply with volunteer protocol requirements. Parent participation in parent-teacher conferences through in-person and virtual means, as necessary, are encouraged. All visitors are required to register at the office before entering the campus and sign out upon leaving. A visitor's badge will be issued and must be visibly worn at all times while on campus. Because North Cottonwood School is a closed campus, student visitors will NOT be permitted on campus during regular school hours.

2023-24 School Safety Plan

The School Site Safety Plan was last updated in December, 2023 and is revised and updated annually. The Safety Plan is revised by the Safety Committee, which consists of the Superintendent, site administration, teachers and clerical staff. The school's safety plan includes steps for ensuring student and staff safety during a disaster. Emergency drills are conducted on a regular basis throughout the school year.

North Cottonwood School provides a safe and clean environment for students, staff, and volunteers. The safety of students and staff is a primary concern of Cottonwood Union School District. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards.

Highly visible, organized, and professional adult supervision is provided by teachers, paraprofessionals, and administrative staff to insure the campus is safe and well supervised so all students can achieve social, academic, physical, and moral excellence.

Fiscal Year 2022-23 Types of Services Funded

North Cottonwood School provides a Multi-Tiered System of Support (MTSS) for students to ensure that all students needs including, academic, behavioral, social-emotional, attendance are addressed.

Tier 1: Compressive academic instruction in all content areas as well as academic interventions are provided via the classroom teacher. Student behavioral needs are addressed through school-wide implementation of social-emotional learning with weekly classroom lessons (Second Step), our Positive Behavioral Intervention and Supports Program (PBIS), and Capturing Kids Hearts. Individualized behavioral interventions are provided with collaboration between the classroom teacher and school counselors.

Tier 2: Small group and individual academic and behavioral interventions are developed and implemented via the Student Success Team Process (SST). Additional supports at this level include attendance monitoring and support. Referral to Community Connect for outside student and family services are made for situations beyond the school site scope. Several collaborations with community partners have resulted in programs like the "Backpack Program," that provides a bag of food to go home on weekends for students experiencing economic difficulties.

Tier 3: Special Education supports on site include: speech language services, occupational therapy, resource support and a special day class (SDC). Comprehensive behavioral intervention plan development and monitoring is supported by on-site school psychologists. Students with needs beyond our site resources are referred to additional services/classroom settings via the Special Education Mountain Valley Education JPA.

In addition to academic services, Project Share offers an on-site afterschool program and North students may participate in Running Club and Robotics in the Fall. A county-administered half-day preschool program operates on North's campus as well as a Cottonwood Union School District's full-day preschool program.

Professional Development

Staff members build teaching skills and concepts through participation in conferences and workshops throughout the year.

In addition, staff members are encouraged to attend workshops and conferences. All teachers have the opportunity to participate in district and school sponsored in-service training and in outside training of their own choosing.

Cottonwood Union School District offers two programs to support new and veteran teachers in their classroom skills and to ensure continued professional development. New Teacher Center (NTC), a State-sponsored program, is designed for first and second-year credentialed teachers to provide skills assistance over a two-year period. The district also employs two full-time curriculum coaches (one in English Language Arts and one in Mathematics) to help with staff development and growth.
