## 2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

At Dunsmuir Elementary School, we have made a commitment to provide a quality educational program for our students. We are dedicated to ensuring that Dunsmuir Elementary School is a welcoming, stimulating environment where students are actively involved in learning academics as well as positive values.

Dunsmuir Elementary School offers exciting educational opportunities for students in pre-school through eighth grade. Our focus is on the whole child. We offer a rigorous curriculum that is designed to address the Common Core State Standards through daily instruction in mathematics, language arts, history/social studies, science, physical education, reading, and enrichment courses. We not only provide a rigorous Standards-based curriculum, we also ensure that ALL of our students have the following opportunities: use of technology on a daily basis (1:1 Electronic Devices), a comprehensive athletic program, robotics, an enriching after school program, K-8 Watershed curriculum, Project Based Learning/Integrated Projects, Student Centered Learning/Blended Learning, Anti-Bullying curriculum, and field trips with emphases on the arts and outdoor education—just to name a few. Our outdoor classroom provides a healthy environment for students to learn.

Dunsmuir Elementary School offers an educational setting where each student's academic, emotional, social, and developmental needs are addressed in a supportive environment. Our teachers set high academic and behavior expectations and provide a challenging curriculum for all students. Our educational family, which includes teachers, counselors, paraprofessionals, secretarial staff, cooks, bus driver, custodians, and the superintendent/principal, works in partnership with parents and community members to provide an exceptional learning experience for all students. We are fortunate to have community partnerships with the Rotary Club of Dunsmuir, Music by the Mountain, Dunsmuir High School, Great Northern Services, and the Dunsmuir Community Resource Center.

The staff at Dunsmuir Elementary School shares a core belief that every child can learn and that it is our responsibility to provide our students with every opportunity to reach his/her academic potential. Our philosophy is to meet the needs of all children and to facilitate the development of each student's potential. Student academic achievement, combined with the development of personal skills in the arts, technology, leadership, and athletics, are the focus of individual student growth at Dunsmuir Elementary School. We understand that in order for students to be engaged in school, they must have a healthy social/emotional outlook. We have a strong focus in this area. Our sensory room is available to any student who needs a place to regulate their behavior. Our PBIS check-in check-out program supports students to set and achieve academic and behavioral goals. We have a full-time counselor on-site, provides SEL curriculum and incorporates peer group team building.

## 2023-24 School Description and Mission Statement

We feel that it is our responsibility to help our students be confident and creative builders of their future. We work toward an integrated curriculum that reaches across disciplines and age levels; the students are encouraged to meet academic challenges with openness, enthusiasm, and a willingness to solve problems. Older students model behavior and provide tutoring to the younger ones. We believe that in-depth learning, quality instruction, and cultivating individual talents will guide our vision and growth in the future. We aim for an atmosphere of cooperation, with respect for individual differences and community values.

Dunsmuir Elementary School has made continual improvements in our programs by keeping our instructional materials up to date and replacing technology on a regular basis. Educators must teach 21st Century Content in a 21st Century Context using 21st Century Tools, in order to adequately prepare children for their future and bridge the gap between the way students live and the way they learn in schools. With that in mind, Dunsmuir Elementary School has made a commitment to providing our students with the technology base they will require to be successful 21st century learners. Every classroom on our campus is equipped with an inter-active white board (Smart Board). All kindergarten through eighth grade students utilize technology either with an electronic device during their daily instruction.

Our Mission:

- to equip students to read, write, speak, calculate and think with clarity and precision
- to equip students to participate passionately and ethically in the life of the community
- to provide a rigorous hands-on educational experience emphasizing high expectations, learning by doing, character growth, teamwork, and literacy

## About this School

### 2022-23 Student Enrollment by Grade Level

| Grade Level      | Number of Students |
|------------------|--------------------|
| Kindergarten     | 11                 |
| Grade 1          | 16                 |
| Grade 2          | 13                 |
| Grade 3          | 6                  |
| Grade 4          | 9                  |
| Grade 5          | 12                 |
| Grade 6          | 9                  |
| Grade 7          | 12                 |
| Grade 8          | 5                  |
| Total Enrollment | 93                 |

## 2022-23 Student Enrollment by Student Group

| Student Group                   | Percent of Total Enrollment |
|---------------------------------|-----------------------------|
| Female                          | 55.9%                       |
| Male                            | 44.1%                       |
| Asian                           | 4.3%                        |
| Hispanic or Latino              | 18.3%                       |
| Two or More Races               | 11.8%                       |
| White                           | 65.6%                       |
| English Learners                | 1.1%                        |
| Foster Youth                    | 5.4%                        |
| Homeless                        | 8.6%                        |
| Socioeconomically Disadvantaged | 89.2%                       |
| Students with Disabilities      | 7.5%                        |

### A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## 2020-21 Teacher Preparation and Placement

| Authorization/Assignment                                                                               | School Number | School Percent | District Number | District Percent | State Number | State Percent |
|--------------------------------------------------------------------------------------------------------|---------------|----------------|-----------------|------------------|--------------|---------------|
| <b>Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)</b> | 3.40          | 87.47          | 3.40            | 87.47            | 228366.10    | 83.12         |
| <b>Intern Credential Holders Properly Assigned</b>                                                     | 0.00          | 0.00           | 0.00            | 0.00             | 4205.90      | 1.53          |
| <b>Teachers Without Credentials and Misassignments (“ineffective” under ESSA)</b>                      | 0.00          | 0.00           | 0.00            | 0.00             | 11216.70     | 4.08          |
| <b>Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)</b>                         | 0.00          | 0.00           | 0.00            | 0.00             | 12115.80     | 4.41          |
| <b>Unknown</b>                                                                                         | 0.50          | 12.53          | 0.50            | 12.53            | 18854.30     | 6.86          |
| <b>Total Teaching Positions</b>                                                                        | 3.90          | 100.00         | 3.90            | 100.00           | 274759.10    | 100.00        |

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Teacher Preparation and Placement

| Authorization/Assignment                                                                               | School Number | School Percent | District Number | District Percent | State Number | State Percent |
|--------------------------------------------------------------------------------------------------------|---------------|----------------|-----------------|------------------|--------------|---------------|
| <b>Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)</b> | 3.90          | 100.00         | 3.90            | 100.00           | 234405.20    | 84.00         |
| <b>Intern Credential Holders Properly Assigned</b>                                                     | 0.00          | 0.00           | 0.00            | 0.00             | 4853.00      | 1.74          |
| <b>Teachers Without Credentials and Misassignments (“ineffective” under ESSA)</b>                      | 0.00          | 0.00           | 0.00            | 0.00             | 12001.50     | 4.30          |
| <b>Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)</b>                         | 0.00          | 0.00           | 0.00            | 0.00             | 11953.10     | 4.28          |
| <b>Unknown</b>                                                                                         | 0.00          | 0.00           | 0.00            | 0.00             | 15831.90     | 5.67          |
| <b>Total Teaching Positions</b>                                                                        | 3.90          | 100.00         | 3.90            | 100.00           | 279044.80    | 100.00        |

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

### Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

| Authorization/Assignment                                     | 2020-21 | 2021-22 |
|--------------------------------------------------------------|---------|---------|
| <b>Permits and Waivers</b>                                   | 0.00    | 0.00    |
| <b>Misassignments</b>                                        | 0.00    | 0.00    |
| <b>Vacant Positions</b>                                      | 0.00    | 0.00    |
| <b>Total Teachers Without Credentials and Misassignments</b> | 0.00    | 0.00    |

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

### Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

| Indicator                                                     | 2020-21 | 2021-22 |
|---------------------------------------------------------------|---------|---------|
| <b>Credentialed Teachers Authorized on a Permit or Waiver</b> | 0.00    | 0.00    |
| <b>Local Assignment Options</b>                               | 0.00    | 0.00    |
| <b>Total Out-of-Field Teachers</b>                            | 0.00    | 0.00    |

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

### Class Assignments

| Indicator                                                                                                                                                  | 2020-21 | 2021-22 |
|------------------------------------------------------------------------------------------------------------------------------------------------------------|---------|---------|
| <b>Misassignments for English Learners</b><br>(a percentage of all the classes with English learners taught by teachers that are misassigned)              | 0       | 0       |
| <b>No credential, permit or authorization to teach</b><br>(a percentage of all the classes taught by teachers with no record of an authorization to teach) | 0       | 0       |

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

## 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The Dunsmuir Elementary School District held a public hearing in August and determined that sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California are available to all students. All students are given their own individual Standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. All textbooks and instructional materials used within the District are aligned with the California State Content Standards and Frameworks and have been approved by the Board of Education.

Dunsmuir Elementary School sets a high priority upon ensuring sufficient and current textbooks and materials are available to support the school's instructional program as well as provide each student with their own textbooks and materials. Smart Boards (interactive white boards) are located in every classroom and are used daily for classroom instruction. ALL students, kindergarten through eighth grade, use laptops and/or iPads every day for academic instruction. Dunsmuir Elementary School has a 1:1 laptop and/or Ipad device for each student. Dunsmuir Elementary School has an extensive internet/WiFi system which provides wireless access to ALL classrooms and instructional areas on campus.

At Dunsmuir Elementary School art instruction is integrated into the school wide curriculum and student artwork is on display in classrooms and in common areas . Our 4-8 students have an elective opportunity which includes visual arts and performing arts. Our after-school program offers performing arts opportunities to our students.

Dunsmuir Elementary School's library is stocked with educational and recreational books that are available for students to check out.

August 16, 2022 Dunsmuir Elementary School Board approved the textbook and materials for our school.

## School Facility Conditions and Planned Improvements

Dunsmuir Elementary School provides a safe and clean environment for students, staff, and volunteers. Our campus consists of four separate building units connected by open corridors. The school employs one full-time maintenance employee and one part-time custodian who maintain and ensure that classrooms, restrooms and campus grounds are kept safe and clean. A scheduled maintenance plan is followed and all bathrooms, classrooms, and cafeteria are cleaned and/or sanitized daily.

The roof of the gym was patched last year due to some leaks. This year we noticed leaks in the same area and had the roof patched again. Cracks in the playground were filled. A repaving project for both playgrounds is needed. The painting of the exterior buildings continued last summer. Two additional buildings were painted. Our security camera system was updated and extra cameras placed on campus for more visibility.

All classrooms are internet accessible and the school-wide wireless network is able to handle the 40 iPads and 60 laptop computers which are used by our students on a daily basis.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

| Subject                                                      | School<br>2021-22 | School<br>2022-23 | District<br>2021-22 | District<br>2022-23 | State<br>2021-22 | State<br>2022-23 |
|--------------------------------------------------------------|-------------------|-------------------|---------------------|---------------------|------------------|------------------|
| <b>English Language Arts/Literacy</b><br>(grades 3-8 and 11) | 15                | 17                | 15                  | 17                  | 47               | 46               |
| <b>Mathematics</b><br>(grades 3-8 and 11)                    | 12                | 11                | 12                  | 11                  | 33               | 34               |

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

| CAASPP Student Groups                                | CAASPP Total Enrollment | CAASPP Number Tested | CAASPP Percent Tested | CAASPP Percent Not Tested | CAASPP Percent Met or Exceeded |

## 2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

| CAASPP Student Groups                                | CAASPP Total Enrollment | CAASPP Number Tested | CAASPP Percent Tested | CAASPP Percent Not Tested | CAASPP Percent Met or Exceeded |
|------------------------------------------------------|-------------------------|----------------------|-----------------------|---------------------------|--------------------------------|

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

| Subject                                         | School<br>2021-22 | School<br>2022-23 | District<br>2021-22 | District<br>2022-23 | State<br>2021-22 | State<br>2022-23 |

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

| Grade Level | Component 1:<br>Aerobic Capacity | Component 2:<br>Abdominal<br>Strength and<br>Endurance | Component 3:<br>Trunk Extensor<br>and Strength and<br>Flexibility | Component 4:<br>Upper Body<br>Strength and<br>Endurance | Component 5:<br>Flexibility |

| Grade 7     | --                               | --                                                     | --                                                                | --                                                      | --                          |

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2023-24 Opportunities for Parental Involvement

Parent and community involvement is very important to Dunsmuir Elementary School. Parents are encouraged to participate in the decision-making process through monthly SITE council meetings. Parents typically visit and volunteer regularly in our classrooms, chaperone field trips, and athletic events.

Communication with our parents and community is done through Monthly Newsletters, conferences, email, a school Facebook page, and the school web page. We utilize online resources such as the AppTegy App and Class DoJo. These Apps allow teachers and parents to communicate directly. At the beginning of the year we host Back to School night and during the spring we hold Open House. Each event offers dinner and school-wide information is shared and classrooms are open for visitations and to see projects that the students have worked on. We also hold Family Pi Night in March, students and parents are engaged in math activities and all students receive a bag with math activities.

Parents also complete a "Parent Survey" at least once a year where they are encouraged to evaluate all areas of their children's experience and education at Dunsmuir Elementary School. Survey responses are evaluated by SITE Council and School Staff to drive changes for the following school year.

Our front office personnel is in close contact with families to identify needs, assist with attendance, and offer a welcoming environment.

Our Parent Involvement Policy is visible and available for all parents.

## 2022-23 Chronic Absenteeism by Student Group

### C. Engagement

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

### Suspensions and Expulsions

This table displays suspensions and expulsions data.

| Rate        | School 2020-21 | School 2021-22 | School 2022-23 | District 2020-21 | District 2021-22 | District 2022-23 | State 2020-21 | State 2021-22 | State 2022-23 |
|-------------|----------------|----------------|----------------|------------------|------------------|------------------|---------------|---------------|---------------|
| Suspensions | 1.87           | 6.60           | 1.96           | 1.87             | 6.60             | 1.96             | 0.20          | 3.17          | 3.60          |
| Expulsions  | 0.00           | 0.00           | 0.00           | 0.00             | 0.00             | 0.00             | 0.00          | 0.07          | 0.08          |

## 2022-23 Suspensions and Expulsions by Student Group

| Student Group                                 | Suspensions Rate | Expulsions Rate |
|-----------------------------------------------|------------------|-----------------|
| All Students                                  | 1.96             | 0               |

## 2023-24 School Safety Plan

Safety of students and staff is a primary concern of Dunsmuir Elementary School. Teachers and aides supervise students before and after school and during breaks. All visitors to the campus are required to sign-in at the office and display a visitor's sticker at all times. The writing of our school safety plan is an ongoing process. The school is in compliance with all rules and regulations pertaining to hazardous materials and state earthquake standards. Fire drills are held monthly and an earthquake drill is held at least once a year. School wide lock down drills occur at least three times a year. Each fall an evacuation drill is held to practice moving staff and students quickly and safely off campus. We routinely check and update our individual classroom drill and evacuations bags. Monthly site inspections are performed by the principal and maintenance supervisor. Biannual site inspections are conducted by our insurance company and recommendations are addressed in a timely manner.

The Safety Plan Committee, consisting of school administrators, teachers, parents and students, updates Dunsmuir Elementary School's Safety Plan yearly. The Safety Plan covers various safety issues, including drug awareness, bully prevention, harassment policies, student supervision, disaster kits, and emergency procedures. The Safety Plan was last reviewed and discussed with staff in January 2023.

We are a drug-free, Vape-free and smoke-free school. We require all visitors to register at our office and receive identification tags which must be displayed. During the COVID-19 pandemic, all safety requirements from CDPH have been followed as laid out in our school reopening plan.

The phone in each classroom allows immediate access to the office and outside if help or services are needed. All 2nd-8th grade classrooms now lock from the inside in case a "lock down" is required. The preschool, kindergarten and first grade classrooms have been equipped with a system to lock their inside doors to keep intruders from entering in the case of an emergency "lock down". The Dunsmuir Elementary School Staff has had ALICE active shooter training and will utilize the procedures taught in that course to keep our students safe during emergency situations dealing with active shooters or unauthorized persons on campus. Staff has also participated in Stop the Bleed training to learn how to save a life.

## 2023-24 School Safety Plan

The Dunsmuir Elementary School District has instituted PBIS (Positive Behavior Intervention & Support). "Be Safe! Be Responsible! Be Respectful!" As the name implies, the whole school has adopted a systematic process for rewarding students that are doing the right thing and a data-based approach for recording and appropriately following up with those who may struggle to stay on course.

We have two counselors who connect with students on a regular basis. With the COVID-19 pandemic, these counselors have been invaluable in keeping ears and eyes on our students who are more vulnerable. . We have also utilized our local Sheriff's Department to conduct wellness checks on families who we have not been able to connect with during the pandemic.

All staff has been trained on Trauma Informed Practices in order to address behaviors that are associated with trauma that students might have dealt with. Staff believes that students can change behavior and the focus is helping them do this as opposed to "punishing" the child. Discipline incidents are dealt with through utilizing Peace Corners (time-out), refocus sheets, parent contact, student contracts, Restorative Justice, referrals and detentions. We have a Sensory Room which is staffed 4 hours a day for students to go to when they need support regulating behaviors.

### D. Other SARC Information Information Required in the SARC

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

### 2020-21 Elementary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per class). The "Other" category is for multi-grade level classes.

| Grade Level | Average Class Size | Number of Classes with 1-20 Students | Number of Classes with 21-32 Students | Number of Classes with 33+ Students |
|-------------|--------------------|--------------------------------------|---------------------------------------|-------------------------------------|
| K           | 13                 | 1                                    |                                       |                                     |
| 1           | 7                  | 1                                    |                                       |                                     |
| 2           | 10                 | 1                                    |                                       |                                     |
| 3           | 7                  | 1                                    |                                       |                                     |
| 4           | 9                  | 1                                    |                                       |                                     |
| 5           | 10                 | 1                                    |                                       |                                     |
| 6           | 6                  | 1                                    |                                       |                                     |

## 2021-22 Elementary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

| Grade Level | Average Class Size | Number of Classes with 1-20 Students | Number of Classes with 21-32 Students | Number of Classes with 33+ Students |
|-------------|--------------------|--------------------------------------|---------------------------------------|-------------------------------------|
| K           | 15                 | 1                                    |                                       |                                     |
| 1           | 6                  | 2                                    |                                       |                                     |
| 2           | 6                  | 1                                    |                                       |                                     |
| 3           | 11                 | 1                                    |                                       |                                     |
| 4           | 8                  | 1                                    |                                       |                                     |
| 5           | 8                  | 1                                    |                                       |                                     |

## 2022-23 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

| Title                        | Ratio |
|------------------------------|-------|
| Pupils to Academic Counselor | 0     |

## 2022-23 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

| Title                                                         | Number of FTE Assigned to School |
|---------------------------------------------------------------|----------------------------------|
| Counselor (Academic, Social/Behavioral or Career Development) |                                  |
| Library Media Teacher (Librarian)                             |                                  |
| Library Media Services Staff (Paraprofessional)               |                                  |
| Psychologist                                                  |                                  |
| Social Worker                                                 |                                  |
| Nurse                                                         |                                  |
| Speech/Language/Hearing Specialist                            |                                  |
| Resource Specialist (non-teaching)                            |                                  |
| Other                                                         |                                  |

## Fiscal Year 2021-22 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2021-22 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

| Level                                         | Total Expenditures Per Pupil | Expenditures Per Pupil (Restricted) | Expenditures Per Pupil (Unrestricted) | Average Teacher Salary |
|-----------------------------------------------|------------------------------|-------------------------------------|---------------------------------------|------------------------|
| School Site                                   | \$28,800.92                  | \$11,718.84                         | \$17,082.08                           | \$49,991               |
| District                                      | N/A                          | N/A                                 | \$13,006                              | \$49,991               |
| Percent Difference - School Site and District | N/A                          | N/A                                 | 27.1                                  | 0.0                    |
| State                                         | N/A                          | N/A                                 | \$7,607                               | \$75,753               |
| Percent Difference - School Site and State    | N/A                          | N/A                                 | 76.8                                  | -41.0                  |

## Fiscal Year 2022-23 Types of Services Funded

Students attending the after-school program (SAFE) receive homework tutoring and enrichment including robotics/coding, art, maker space, gardening, and cooking.

The figures shown in the table above reflect the direct cost of educational services, excluding food services, facilities acquisitions and construction, and certain other expenditures. These calculations are required by law annually and are compared with other districts statewide. In addition to general fund, state funding, we receive state and federal categorical funding for special programs, which include special education and support programs:

Title I A  
Title II A  
Title II D  
Title IV  
Title 6B  
After School Education and Safety

## Fiscal Year 2021-22 Teacher and Administrative Salaries

This table displays the 2021-22 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

| Category                                      | District Amount | State Average for Districts in Same Category |
|-----------------------------------------------|-----------------|----------------------------------------------|
| Beginning Teacher Salary                      | \$42,236        | \$48,481                                     |
| Mid-Range Teacher Salary                      | \$56,738        | \$73,129                                     |
| Highest Teacher Salary                        | \$68,506        | \$99,406                                     |
| Average Principal Salary (Elementary)         | \$0             | \$117,381                                    |
| Average Principal Salary (Middle)             | \$0             | \$128,158                                    |
| Average Principal Salary (High)               | \$0             |                                              |
| Superintendent Salary                         | \$91,425        | \$138,991                                    |
| Percent of Budget for Teacher Salaries        | 11.72%          | 29.34%                                       |
| Percent of Budget for Administrative Salaries | 5.85%           | 5.99%                                        |

## Professional Development

This table displays the number of school days dedicated to staff development and continuous improvement.

| Subject                                                                         | 2021-22 | 2022-23 | 2023-24 |
|---------------------------------------------------------------------------------|---------|---------|---------|
| Number of school days dedicated to Staff Development and Continuous Improvement | 20      | 20      | 4       |
