2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

Park Side School
ELEMENTARY (K-4)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Park Side provides an academically rigorous, 21st-century learning experience through an inquiry-based instructional program. Students are provided with opportunities to use and develop their creative and critical thinking skills and to understand their roles as active members of their community. Through the dynamic combination of knowledge building, the teaching of higher-order thinking skills, and a commitment toward the development of a global perspective, we enable our students to leave Park Side as life-long learners. Park Side School provides an environment where staff, students, parents, and the community work together to encourage a hunger for knowledge. Park Side students become responsible participants in our culturally diverse, democratic society.

Park Side Elementary School has maintained an unwavering commitment to providing students with a rich, broad academic foundation on which to build successful futures. Excellence in the core academic subjects is paramount, while dedication to the integration of the sciences, the arts, and physical education is essential for a well-rounded curriculum. Progress toward mastery of academic standards is monitored through a variety of formative assessments. Data collected from various measures are used by teachers to improve teaching practices and differentiate for the needs of individual students.

Park Side implements a social-emotional curriculum called TOOLBOX that is designed to build community and citizenship through a common language based on personal awareness. TOOLBOX is a nationally recognized program that develops resiliency in children while encouraging empathy for others. Additionally, students are recognized for demonstrating "Tiger Traits," including Teamwork, Integrity, Good Citizenship, Empathy, and Responsibility. Park Side staff believes that all students have the ability to learn and are committed to providing programs and conditions that ensure success. Curriculum and instruction are consistent with the Common Core State Standards and reflect current research on best practices for effective instruction. The implementation of fine arts and technology enhance instruction.

In addition to the standards-based curriculum, Park Side offers a robust gardening program and comprehensive music classes. The staff strives to maintain strong partnerships with parents, community groups, and civic organizations that support students' social endeavors, personal growth, and academic success. Park Side is committed to promoting a safe and supportive educational environment that addresses children's individual needs while challenging all students to realize their full potential.

The district is committed to providing the following:

- 1) A comprehensive educational program that meets the needs of all students through diverse instructional practices

2023-24 School Description and Mission Statement

- 2) A rigorous standards-based curriculum that is articulated through the grade levels and measured by formative assessments
- 3) Services to students that promote character development, citizenship, positive personal relationships, and healthy lifestyles
- 4) A state-of-the-art facility that encourages pride among its stakeholders, including classrooms that support the educational program and ensure the safety of all students
- 5) A genuine partnership with parents and the community
- 6) A highly trained, collaborative, and committed staff
- 7) Effective leadership, demonstrated by the Board of Trustees and administrative team, that empowers Park Side's dedicated staff

Our Mission:

As a progressive district that is an integral part of its engaged and diverse community, Sebastopol Union School District graduates all of its students as globally-minded citizens, critical and creative thinkers, skilled collaborators, and fully-engaged learners who achieve academic excellence and are socially and emotionally resilient; we accomplish this with inspired teaching of a rigorous and meaningful curriculum in a dynamic learning environment where we support and challenge every student in partnership with families and community.

A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements

1. The stairs in the school garden were inspected for damage and rot. They will be reinforced and replaced as needed.
3. Ceiling leaks have been mitigated through the replacement of the Park Side roof in the summer of 2019
2. All HVAC units have been replaced and a solar array is completed creating a new shaded outdoor eating space.
4. A new TK enclosed, age appropriate playground has been installed
5. A new play structure was erected on the Park Side upper playground

The facility grounds needed general cleanup, mowing, and maintenance after a warm summer season. General facility grounds maintenance was completed prior to the beginning of school.

Restructuring of the district's maintenance department has allowed for a facilities maintenance and repair plan to be developed and implemented. Several facilities walk-throughs by the maintenance team and district and site administration provided the information needed to prioritize the maintenance and repair projects, placing issues that impact health and safety at the top of the list. A close examination was given to the doors, walls, floors, ceilings, carpets, windows, and working hardware. All areas of each classroom were inspected, including the closets and storage areas, ceilings, vents, and water fountains. We looked for evidence of leaks, discolored walls, or ceiling tiles. Ventilation and heating filters were replaced. All the school bathrooms were inspected, examining the pipes and hardware, walls, windows, and floors. The tiled walls were sound, as were the partitions and plumbing. The school inspections included the Library, Multi-Purpose Room/cafeteria, and the storage sheds used to house playground equipment. All of the outside facilities were inspected, including the perimeter fences, gates, and locks. In addition, each roof was inspected, swept clean of debris and accumulated branches and leaves, then checked closely for cracks and wear.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Opportunities for Parental Involvement – Most Recent Year: Park Side School is supported on a continual basis by a network of parent volunteers who assist teachers and staff both in and out of the classroom. Park Side holds many family events throughout the year, which encourage involvement including Halloween Carnival, Craft and Cocoa Book Exchange, Dance Night and more. The Sebastopol Education Foundation (SEF) is also a vital part of Park Side's parent participation program. Throughout the year, SEF's volunteers work tirelessly, raising funds to sponsor many activities and programs for Park Side School. The School Site Council provides ongoing support to Park Side by organizing family activities and fundraisers. Park Side always welcomes and appreciates our community of parent volunteers. The ELAC (English Language Advisory Council), comprised of parents of students who are learning English as a second language, meet on a regular basis to discuss the needs and programs that serve English learners. Additionally, the council provides insight into the impact that linguistic and cultural differences may have on learning and creates opportunities for the entire school population to benefit from the riches that we may enjoy because we are fortunate enough to live in a culturally diverse community.

2023-24 School Safety Plan

Park Side's School Safety Plan is designed to positively support the health and safety of school employees, students, and the community. The Safety Plan is designed to serve as a quick reference manual to help all employees become familiar with the proper procedures, telephone numbers, and forms to deal with all types of emergencies. The plan is reviewed yearly, and training is provided to all the certificated and classified staff in order to prepare for an emergency response to medical emergencies, bomb threats, natural disasters, and crisis procedures.

The School and District provide safety in-service opportunities, conduct annual site inspections, review safety suggestions, review hazard reporting, report to School Board annually on the status of repairs, and address compliance issues. Park Side adheres closely to all State and Federal regulations that relate to student and employee health and safety issues. The District utilizes the Parent Square parent communication system to get messages to families ranging from routine information to school emergency closures.

Fiscal Year 2022-23 Types of Services Funded

Park Side offers student counseling and intervention services through its counseling staff, school psychologist, and Rainbow House. Academic intervention in reading and math for at-risk students is provided by a Reading Specialist/ELD and Intervention/ELD TOSA. The library at Park Side is an excellent resource for students to obtain reference materials for class assignments as well as books for their reading enjoyment. Our school librarian ensures that the most current materials are available to our students. The Park Side School Garden provides opportunities for environmental education and to study the relationship between agriculture and community that distinguishes this area. The Garden Project was recently enhanced. Park Side School is also equipped with a regulation baseball field, which is also used after- school throughout the year by community sports organizations. A partnership between the Sonoma County Bicycle Coalition, the City of Sebastopol, and the Sebastopol Union School District teaches students about bicycle and pedestrian safety, as well as the health benefits to individuals and to the environment of walking or bicycling to school. Park Side Elementary School is very fortunate to be the recipient of additional educational funding through grants provided by SEF, (Sebastopol Education Foundation), Parcel Tax dollars, and Sebastopol Education Foundation (SEF) fundraising as well as ongoing donations from our community in support of our enrichment programs.

Professional Development

The primary focus for Professional Development most recently has been on Universal Design for Learning (UDL) guided by the work of Catlin Tucker and our TOSA. As a result of the pandemic, the prior year focused on the Social-Emotional Health and Wellness of students, families, and staff. The District staff participated and an ACES training that included a presentation by Dr. Burke-Harris. We have also reviewed and implemented Character Strong curriculum for our students and continue to benefit from teacher collaboration across grade levels.

Prior years and continued efforts have focused on our instructional practices by linking them to Common Core Standards based on data results and the integration of instructional technology in the classroom. Teachers continue to receive training in the development of our Response to Intervention Program, in the implementation of instructional strategies that effectively support English Learners, in analyzing student achievement data as a means of determining how best to differentiate instruction, and in implementing common assessments for monitoring academic progress in English Language Arts and Math as well as the Common Core.
