2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

# General Information about the School Accountability Report Card (SARC)

## SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

## California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

Robertson Road Elementary is situated in the far west section of the city of Modesto in Stanislaus County. The school is over forty years old and is currently composed of four major buildings and several portable structures. Robertson Road is a traditional school site composed of approximately 303 students from various ethnic backgrounds. Robertson Road also houses 4 Autism Preschool classes on the main campus. There is also a fully functioning Early Childhood Education Center providing full day preschool, Head Start, and enrichment programs for Robertson Road families.

The school is an integral part of the community, providing health and social services for students and families through the Healthy Start program and Golden Valley Clinic.

The site also offers a Healthy Start Program which enables parents to become better educated to assist their own children with their education. This program provides classes for parents in both English and Spanish languages, enabling them to become more involved in their children's education. Our top priorities and goals are Student Achievement, Safety, and Attendance.

It is the aim of Robertson Road School to develop our students' skills, abilities, attitudes, and talents, empowering them to work with others successfully in meeting the challenges of an ever-changing world. It is also the aim of the Robertson Road Elementary School to help all students develop appropriate behavior, self-discipline, decision-making abilities, and respect for others.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

### Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

### 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The Governing Board recognizes that students' educational opportunities are enhanced when they have sufficient access to high-quality textbooks, equipment and other instructional materials for each of the subjects they are studying. To adequately support the Board-approved curriculum, instructional materials must also be up to date. For further information about the selection and adoption of instructional materials at all Modesto City Schools, please reference Board Policies 6161, 6161.1, and 6161.11. All board policies are located at <https://www.mcs4kids.com/district/board/board-policies/board-policies>.

## School Facility Conditions and Planned Improvements

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are included within this report. The results of this survey are available at the district office and on the internet at [mcs4kids.com](http://mcs4kids.com).

1. Before, during, and after school supervision
2. Traffic Patrol
3. Healthy Start
4. After School Education & Safety Program
5. Limited/controlling unauthorized access during day (i.e., entrances, visible signs, fences, procedures for checking in/visitors)
6. School nurse
7. Williams Settlement (textbooks, staff, facilities)
8. Mental Health Clinician/Counseling services
9. Character Education (posters in classrooms, signs posted throughout school, and assemblies recognizing students)
10. Super Star assemblies
11. Updating Site Safety Plan annually and when needed
12. Student Conduct Code
13. Practice lock down drills
14. Monthly fire drills

Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

### Age of School/Buildings:

This school has classrooms, a cafeteria, library, an early childhood ed program, healthy start, even start, and an administration office. The main campus was built in 1967 and opened in 1967.

### Maintenance and Repair:

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service. Emergency repairs are given the highest priority. The school facility is in overall good repair.

### Cleaning Process and Schedule:

The Operations Department has adopted cleaning standards for all schools in the district. A summary of these standards are available at the school office, or at the Maintenance & Operations office. The Operations Department works continuously with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

### Deferred Maintenance:

The District participated in the State School Deferred Maintenance Program, which provided flexible state matching funds to assist school districts with expenditures for major repair or replacement of existing school facilities components. State contributions to this Program ended in the 2012-13 school year. Deferred Maintenance typically includes paving, roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting and floor systems. Carry-over funds for deferred maintenance projects throughout the District in Funds 01 and 14 have been exhausted. The Board has authorized the General Fund (Fund 01) to annually contribute \$2 million to Facility Maintenance (Fund 14) to be used for new construction and maintenance projects throughout the District, \$2 million to Routine Restricted Maintenance (Fund 14) for maintenance projects throughout the District and \$2 million to Facility Improvements (Fund 40) for the District's high schools. Identified needed repairs are weighed against all other District site repairs and the most urgent repairs are addressed first.

Data provided by LEA. Additional information about the condition of the school's facilities may be obtained by speaking with the school principal.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
- 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
- 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2023-24 Opportunities for Parental Involvement

School Advisory Committee/School Site Council provides opportunities for parents to become involved in decision-making opportunities in school-wide programs for students. The School Site Council meets regularly throughout the school year. English Learner Advisory Committee provides opportunities for parents to become an advisory group in the development of the programs for our second language students. Robertson Road offers monthly Second Cup of Coffee meetings for parents to come and give input on school events as well as information on community organizations and services. For committee information and community events see our school website or contact Alejandra Torres (TC II Translator) or Janeli Ramirez (Administrative Assistant) at 574-8404.

Robertson Road also is a Healthy Start Site with an on-site coordinator to provide support services including medical and dental referrals, counseling, case management, resource referrals, food, clothing, shelter, protective services, youth development programs, parenting classes and support groups. For more information contact Carlos Ramirez (Healthy Start Coordinator) at 492-5827.

## 2023-24 School Safety Plan

A Safety/Crisis Plan has been implemented that identifies procedures to follow during an emergency during Distance Learning and in person learning. Regular drills take place to practice these procedures. The Safety/crisis plan includes detailed plans and procedures to keep students and staff safe for: Lock-Down Procedures, Fire Drills, Earthquake Drill Procedures and Bomb Threat Procedures during Distance Learning and in person learning. On a regular basis parents and staff are involved in revising procedures and updating the plan. A staff committee annually reviews the school's safety policies and procedures and makes revisions to the School Safety Plan as necessary. The Robertson Road Safety Plan was reviewed and updated during our safety meeting on October 9, 2023, and was shared with Staff during a staff meeting on November 6, 2023.

## Fiscal Year 2022-23 Types of Services Funded

The Modesto City Schools Local Control and Accountability Plan (LCAP) provides detailed information on actions, services, and expenditures that support and assist students. Actions, services, and expenditures funded through past year LCAPs can be found here: <https://www.mcs4kids.com/o/mcs/page/lcff-and-lcap>. The most recent LCAP can be found here: <https://www.mcs4kids.com/o/mcs/page/lcff-and-lcap>. While the LCAP is designed to support the educational progress of all students, there are specific actions and services principally directed toward meeting the needs of our unduplicated students in closing the achievement gap.

## Professional Development

Professional development in MCS is data driven using research-based best practices to ensure our students receive a guaranteed and viable curriculum in every grade, in every school. We use formative and summative data to drive our instructional decisions and focus for professional development. To this end, we utilize multiple structures to provide high-quality professional development to our staff including: summer training, preservice-days, district wide professional development days, after school workshops, Saturday workshops, substitute-release days, instructional coaching, Induction and intern mentor

Professional Development

programs, Peer Assistance Review (PAR) program, as well as an Administrative Induction Program. For the fourth year, MCS has provided the opportunity for 1% compensation for certificated and management who choose to complete an extra twelve hours of professional development outside of their normal work day. We offer the same incentive for classified, but at a flat rate compensation of \$400 for the first 6 hours and \$400 for the second 6 hours of voluntary professional development hours.

MCS has prioritized our focus on mathematics, literacy across grades and content areas, collaboration, welcoming schools/customer service, English Learners, and building our capacity as professionals. This has been in addition to the needed training in new adoptions, curriculum and standard updates and the like. The professional development is sustained through site administration, district and site level instructional coaches, and intervention specialists. The Curriculum and Instruction & Professional Development Division is tasked with increasing the quality and quantity of professional development provided to classified, certificated, and managers alike.

Coming out of the COVID closures, we have focused our efforts on our Instructional Core:

- Instructional Core Vision: Every student deserves a guaranteed instructional program, not by chance, but by design, including Board-adopted curriculum, researched-based best practices, and authentic relationships and assessments that guide instruction.
- Supporting All Learners: Intentionally planning lessons with consideration for strategies, scaffolds, and interventions that create equitable learning opportunities for all students.
- Board-adopted Curriculum: Intentionally utilizing the currently adopted curriculum to ensure equitable access for all students to rigorous content standards. Understanding how the curriculum design supports students’ progression over time.
- Engaging Students using Language and Literacy: Designing lessons that engage and support all learners by providing daily opportunities to interact with content through reading, writing, listening, and speaking.
- Professional Learning Communities: PLCs are the vehicle we use to guarantee the success of the Instructional Core. Fully engaging in the process of identifying what students need to learn, how it is to be taught, what to do if they don’t reach mastery, and what to do if they excel, with regular review of student formative data to guide instruction.

All learners means every student regardless of gender, socio-economic level, at-risk status, racial, ethnic, or cultural background, exceptional ability, disability, or Limited English Proficiency.
