2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

STANISLAUS UNION ELEMENTARY SCHOOL DISTRICT'S (SUSD) MISSION STATEMENT

The mission of the Stanislaus Union Elementary School District as the premier district of choice in partnership with the community is to ensure the ultimate educational experience for all children.

District Governing Board Goals

1. Enhance practices and programs with a focus on instruction of effective Common Core State Standards (CCSS) for quality learning by all students.

(a) Ensure students are prepared for the rigor and relevance of the 21st Century Skills.

- Collaboration
- Communication
- Critical thinking/problem solving
- Creativity

(b) Collaborate with all stakeholders through the District Curriculum Leadership Teams to design and establish District-wide Professional Development

supporting CCSS implementation.

(c) Continue to refine and align current and ongoing assessments to improve rigorous instruction for a wide range of academic

2023-24 School Description and Mission Statement

abilities.

(d) Ensure that deployment of interventions, mentors, other researched based instructional strategies and funds are working toward all students' academic

plans.

2. Continue to prioritize writing and provide consistent expectations aligned with CCSS at all school sites.

3. Provide and enhance site support and develop community/business partnerships for Visual and Performing Arts.

4. Continue to optimize across all curriculum domains, the use of technology resources for students, teachers and school sites as written in the district

technology plan.

5. Increase community/school engagement through technology as well as extend technology for communication and education.

6. Update and promote wellness curriculum relevant to the whole child, i.e. nutrition, child development, bullying, social and peer interactions, substance abuse

prevention, and family support services.

JOSEPHINE CHRYSLER ELEMENTARY SCHOOL'S MISSION STATEMENT

"The Mission of Chrysler Elementary School is to ensure that all students are educated at high levels to become lifelong learners.

JOSEPHINE CHRYSLER ELEMENTARY SCHOOL'S SINGLE PLAN FOR STUDENT ACHIEVEMENT (SPSA)

Goal #1: Provide a guaranteed and viable curriculum using daily effective instruction and monitoring, including opportunities for a broad course of study, interventions, and enrichment by highly qualified teachers to ensure each student, and all subgroups, demonstrate success with the full implementation of Common Core academic content standards.

Goal #2: Expand opportunities to increase parental involvement, collaboration, and partnerships with families and the larger community to support the district initiatives.

Goal #3: Provide education and supports to promote character traits and a healthy lifestyle necessary for students' academic and social success by maintaining proactive measures that include safe and welcoming campuses that promote a positive and productive learning environment, strong attendance, meaningful relationships, and shared accountability.

"THE HOME OF THE CHAMPION UNIVERSITY-BOUND SCHOLARS!"

Josephine Chrysler Elementary School is considered our community's second home and together we form the Chrysler Family. Chrysler serves students in grades Transitional Kindergarten (TK) through sixth grade. Our family consists of beautifully diverse parents, eager scholars, highly qualified teachers, Para-Professionals, dedicated office managers, hardworking custodial team members, progressive school site and district level administrative leaders. Our team has the utmost respect for all of our Chrysler family members, highest level of expectations for every single one of our scholars, and provides the highest quality of service to our community.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Josephine Chrysler Elementary School is committed to providing all students with textbooks and instructional materials in all core subject areas from grades K-6. At the beginning of the year, Josephine Chrysler Elementary School was randomly visited by the Stanislaus County Office of Education Williams Act Visitation Team to ensure that every single scholar has the most recent adoptions of essential, core textbooks and instructional materials. Josephine Chrysler received a "no insufficiencies reported" in the most recent Williams Visit Report, which means that 0% of scholars lacked any core subject textbooks/instructional materials.

Curriculum for core subjects is continuously reviewed by the Assistant Superintendent of Curriculum and Instruction and the social/emotional curriculum for Positive Behavior Interventions and Supports is reviewed by the Assistant Superintendent of Student Services. Core subject curriculum is also evaluated by district level committees including the Instruction Council, Math Council, English Language Arts Council, Gifted and Talented Education Advisory Committee, Health and Wellness Committee, Visual and Performing Arts Committee, Wellness Committee, and the District English Learner Parent Advisory Committee.

TEXTBOOKS AND INSTRUCTIONAL MATERIALS USED IN CORE SUBJECTS DURING THE 2021-2022 English Language Arts and (Designated) English Language Development:

Grades K-6: Benchmark Advance (Benchmark Education Company, 2016)

Mathematics:

Grades K-6: Eureka Math Modules (Great Minds, 2016)

Science:

Grade TK: My Big World, Lets Find Out, and Science Spin (Scholastic, 2017)

Grade K-6: Bring Science Alive! Exploring Science Practices (Teachers' Curriculum Institute, 2015)

History/ Social Science:

Grades K-6: Studies Weekly (Studies Weekly 2018)

Health:

Grades 4-5: The Puberty Workshop (Human Relations Media, 2012)

Grade 6: Puberty Talk (Health Connected, 2017)

TEXTBOOKS AND INSTRUCTIONAL MATERIALS USED TO SUPPORT READING SKILLS DURING THE 2021-2022 SCHOOL YEAR

Reading Intervention Programs:

Grades K-3: "95 Percent Group" (95 Percent Group Inc., 2009-2010);

Grades 4-6: "Read 180" (Scholastic Inc., 2009)

Transitional Kindergarten Teachers have developed district wide curriculum based on essential skills that scholars will need in order to successfully transition into Kindergarten.

TEXTBOOKS AND INSTRUCTIONAL MATERIALS USED TO SUPPORT SOCIAL AND EMOTIONAL SKILLS DURING THE 2021-2022 SCHOOL YEAR

Social and Emotional Skills PBIS Resources:

Grades K-2: Strong Start: A Social and Emotional Learning Curriculum (Brookes Publishing, 2nd Edition, 2016)

Grades 3-5: Strong Kids: A Social and Emotional Learning Curriculum (Brookes Publishing, 2nd Edition, 2016)

Grades 6-8: Strong Kids: A Social and Emotional Learning Curriculum (Brookes Publishing, 2nd Edition, 2016)

The social emotional books were highly recommended by the Positive Behavior and Supports (PBIS) coalition as the most effective resources to provide Tier 2 interventions and support.

School Facility Conditions and Planned Improvements

SCHOOL SAFETY AND CLEANLINESS IS A PRIORITY AT JOSEPHINE CHRYSLER ELEMENTARY SCHOOL

The Stanislaus Union Elementary School District makes great efforts to ensure that all schools are clean, safe, and functional. District maintenance staff and school site custodial staff ensure that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The last FIT report which was conducted in December 2022 by the Stanislaus Office of Education reported our facilities to be in "good" condition in all areas.

SCHOOL BUILDING HISTORY

Josephine Chrysler Elementary School opened in 1961. The "A wing" was built in 1960. Additions were constructed in 1961, 1962 and the multipurpose room in 1965. A new multipurpose room was built in 1992, and reconstruction on a wing was completed in 1994. Currently there are 37 classrooms, several small office spaces, a multipurpose room, a library, and an administration building.

SCHOOL SITE CLEANLINESS

Providing a clean learning and working environment is a district and school site priority. The Principal works daily with the custodial staff to develop priorities that ensure that the health and safety of all who enter our school are taken care of. This includes, but not limited to: roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, floor systems, and quality of cleanliness.

SCHOOL SITE MAINTENANCE AND REPAIRS

In the 2009-2010 school year the flooring was replaced in rooms 40 and 45. During the 2011-2012 school year maintenance and repairs included bathrooms being updated, office and staff room carpeting, installation of gutters, and two playground drinking fountains. Maintenance projects during the 2012-13 school year include bathroom renovations, installation new drinking fountains, all buildings painted, all wooden fencing replaced and a new door in the front office. Maintenance projects during the 2013-14 school year include bathroom renovations and classroom and library carpeting. In 2014-2015 school year, a canopy was built from building A to B and from building B to C in order to help keep students dry during the rainy season. In 2016-2017 torrential downfall unrooted at least six trees which caused damage to the fence by room 42. This was repaired soon after. In 2017 a local community organization donated and replaced all fallen trees and added a more trees in the intermediate and primary playgrounds to provide more shade for scholars during those hot summer days.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement
PARENT INVOLVEMENT OPPORTUNITIES AVAILABLE TO ALL OF OUR SCHOLARS AND FAMILIES
The entire team at Josephine Chrysler Elementary School invites all of our wonderful families to become involved in our Champion University-Bound Scholars education. Back to School Night Back to School Night is dedicated to our families meeting their new teacher and hearing the expectations of the new grade level. Classroom Volunteering We highly encourage our families to volunteer in their son/daughter's classroom to support student learning and achievement. We ask interested volunteers to call the office to contact the teacher to set up a time to volunteer. Parents' time and energy is greatly appreciated! When a family member plans to be in the classroom on a frequent basis the law requires the family member to complete a Tuberculosis (TB) test and provide a document signed by the examining physician. If a volunteer is not in the classroom for prolonged times and does not have frequent contact with students a test may not necessary. Please check with our school nurse for verification. Parent Advisory Meetings on Title I, Title III Programs including DELAC, ELs, and LCAP Family members from all school sites meet to discuss important topics that impact student learning. District English Learner Advisory Committee Members focus on issues impacting English Learners and ways to improve student attendance and any

family member may attend a parent LCAP advisory meeting to provide input to our Superintendent and Assistant Superintendents on how to continue meeting our Local Control Area Plan goals. Please stop by our school office or visit the district office for dates and times.

Parent Cafes

Josephine Chrysler holds periodic Parent Cafés. The goals of the Parents' Cafe is for families to build community with their fellow neighbors, discuss topics of interest specific to the community, and unite to inform one another of the local resources that are available.

Parent-Teacher Conferences Week

Parent-Teacher Conferences are held the week of September 20-24, 2022. The purpose is to discuss our scholars' strengths, concerns, interventions attempted, progress made, and create school-home action plan to support our scholar.

School Site Council (SSC) and English Learner Advisory Committee (ELAC)

Parents and community members of Josephine Chrysler CUBS are encouraged to attend our quarterly SSC and/or ELAC meetings. The SSC annually reviews and updates Josephine Chrysler Elementary School's Single Plan for Student Achievement (SPSA) including proposed expenditure of funds allocated to the school and provide feedback on important topics that impact learning. The ELAC is a committee comprised of parents, staff, and community members specifically designated to advise school officials on English Learner program services and ways to make parents aware of the importance of regular school attendance. The SSC ensures that funding is being allocated correctly, receives input from all stakeholders, and represent their stakeholder group by voting on items that impact student learning.

County Science Olympiad Competition

The Science Olympiad competition is geared towards to all scholars, especially those who enjoy science and love the thrill of competing. Scholars compete against students from other schools in the Stanislaus County in Turlock, California. Josephine Chrysler has one lead teacher who coordinates the entire event and encourages parents to participate as coaches for an event. In 2022-2023 Josephine Chrysler had two teams that participated in eight events and took medals in three of them. Clearly, Josephine Chrysler scholars love science and winning! Our scholars' success is a reflection of our amazing coordinator, teacher/parent volunteers, and our dedicated scholars! All scholars in grades four through sixth have attended an assembly in November to start recruiting our next winning team! Go Cubs!

SUSD Governing Board Meetings

Families and district team members are encouraged to attend monthly Governing Board Meetings which are held at the district office on the second Thursday of each month at the Stanislaus Union Elementary School District located at 2410 Janna Avenue, Modesto, CA 95350 Room 11 in Building C starting at 7pm. If you are unable to attend you may access the agenda online on the district website at <https://www.stanunion.k12.ca.us/> and click on "Click here for Board Meeting Agendas".

Title I, Parent Involvement Annual Meeting, and PBIS Overview

To ensure that parents/guardians are consulted and participate in the planning, design, implementation and evaluation of Title I programs, Josephine Chrysler Elementary School holds its annual Title I/ Parent Involvement meeting one hour before the start of Back to School Night. During the 2022-2023 school year the meeting was held on Thursday, August 4, 2022. The presentation included information about Title I Federal funds and Title I rights, as well as showcase the many parent involvement opportunities available to our families at Josephine Chrysler Elementary School.

2023-24 School Safety Plan

SAFETY IS OUR PRIORITY!

Josephine Chrysler Elementary School is proud to provide a safe, clean, and caring learning environment for all scholars. One daytime and two evening custodians perform essential cleaning and maintenance operations in each classroom and building space, everyday. Our district maintenance team also support with major repairs to help keep our school safe for all. An established safety program provides regular monitoring and inspection of all facilities and grounds for safety by the District's Maintenance and Operations Director.

2023-24 School Safety Plan

There are 11 sections to the plan: (1) Introduction; (2) Current Status; (3) Child Abuse; (4) Disaster Procedures; (5) District Policy; (6) Teacher Notification; (7) Sexual Harassment; (8) Dress Code; (9) Safe Ingress/Egress; (10) Safe and Orderly Environment; and (11) Discipline. The most recent Site Safety Plan was reviewed and approved by School Site Council and reviewed with staff in September 2023. The updated Site Safety Plan will be approved by the board in March 2024.

The site safety program provides regular monitoring and inspection of all facilities and grounds for safety by the District Risk Manager. The site is continually implementing improvements for security in an effort to fully secure the campus. In conjunction with the district and local law enforcement the groundwork was laid on protocols and procedures concerning this possible emergency crisis. The entire staff will be trained in October on safety protocols when there is a dangerous intruder on campus. This training is called, "Run, Hide, Fight." At the conclusion of this training, Chrysler Elementary School is planning on reviewing the safety plan with the committee and district administration to better align procedures.

Professional Development

JOSEPHINE CHRYSLER ELEMENTARY SCHOOL PROFESSIONAL DEVELOPMENT

Professional Development is a key factor in teacher effectiveness, retention, and overall fulfillment of their responsibility. An effective process for staff development and curriculum improvement is planned and implemented annually at Josephine Chrysler Elementary School. Professional Development is primarily funded by federal Title II funds.

All teachers and Paraprofessionals have met the NCLB requirements as a highly qualified staff. The district is providing support through instructional coaches, GATE Identification, district grade level meetings once per month, visual learning, and utilization of components of the CAASPP (State Testing) on interim assessment usage and training.

Professional Development

In the last 3 school years, classroom teachers and other school personnel participated in a variety of staff development activities. The activities included professional development days under the guidance of the district's Assistant Superintendent of Curriculum & Instruction.

The staff focused on adopted curriculum resources, such as Benchmark ELA and Eureka Math programs. In addition, the staff participate in on-going Professional Learning Communities and Response to Intervention practices.

To support these endeavors, the site has on-going professional coaching to support the school and grade-level team in implementation through the use of consultants.

The Assistant Superintendent of Curriculum and Instruction along with the support of three instructional coaches have provided effective district-based Professional Development opportunities in Designated and Integrated English Language Development, Eureka Math, and Benchmark Advance. Additionally, training on the district's newly adopted curriculum Bring Science Alive! was conducted. Josephine Chrysler staff members are also participating in Positive Intervention and Supports (PBIS) training to create positive interventions for all students based on a three tiered system.

Professional Development at Josephine Chrysler Elementary School is provided to Teachers every Monday a Certificated Team Meeting is scheduled. Primary foci include learning from team members who attend district level committees, Designated and Integrated ELD using Guided Language Acquisition Design (GLAD) strategies, Depth and Complexity Training, Proact Training, Response to Intervention Institutes, Professional Learning Communities Institutes, PBIS training by committee members, and technology integration by our School Site Support Technician.
