

Prescott Junior High School

2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Contact Information

School Name	Prescott Junior High School
Street	2243 West Rumble Road
City, State, Zip	Modesto, CA 95350
Phone Number	(209) 529-9892
Principal	Lorena Souza
Email Address	lsouza@stanunion.k12.ca.us
School Website	https://www.stanunion.k12.ca.us/PJH
County-District-School (CDS) Code	50-71282-6067250

2023-24 District Contact Information

District Name	Stanislaus Union School District
Phone Number	(209) 529-9546
Superintendent	Shannon Sanford
Email Address	ssanford@stanunion.k12.ca.us
District Website	www.stanunion.k12.ca.us

2023-24 School Description and Mission Statement

District Mission - The mission of the Stanislaus Union School District as the premier district of choice in partnership with the community is to ensure the ultimate educational experience for all children.

District Governing Board Goals

1. Enhance practices and programs with a focus on instruction of effective Common Core State Standards (CCSS) for quality

2023-24 School Description and Mission Statement

learning by all students.

(a) Ensure students are prepared for the rigor and relevance of the 21st Century Skills.

- Collaboration
- Communication
- Critical thinking/problem solving
- Creativity

(b) Collaborate with all stakeholders through the District Curriculum Leadership Teams to design and establish District-wide Professional Development supporting CCSS implementation.

(c) Continue to refine and align current and ongoing assessments to improve rigorous instruction for a wide range of academic abilities.

(d) Ensure that deployment of interventions, mentors, other researched based instructional strategies and funds are working toward all students' academic plans.

2. Continue to prioritize writing and provide consistent expectations aligned with CCSS at all school sites.

3. Provide and enhance site support and develop community/business partnerships for Visual and Performing Arts.

4. Continue to optimize across all curriculum domains, the use of technology resources for students, teachers and school sites as written in the district technology plan.

5. Increase community/school engagement through technology as well as extend technology for communication and education.

6. Update and promote wellness curriculum relevant to the whole child, i.e. nutrition, child development, bullying, social and peer interactions, substance abuse prevention, and family support services.

School Mission - To achieve EXCELLENCE and build positive lasting change in the lives of ALL of our students, staff, families and communities.

School Vision - We will guide students so that they are prepared to advance their academic, athletic, and social skills in high school and beyond.

Prescott Junior High School operates as a comprehensive educational institution catering to seventh and eighth-grade students. Annually, the school produces a School Accountability Report Card (SARC) containing crucial information, including:

- 1) Contact details for the school
- 2) Contact details for the district
- 3) Mission statement
- 4) Opportunities for parental involvement
- 5) School safety plan
- 6) Results of school facilities inspections and repair status
- 7) Teacher credentials and misassignments
- 8) Support staff
- 9) Textbooks and instructional materials
- 10) Expenditures per pupil
- 11) Types of services funded
- 12) Professional development

The 2023 - 2024 enrollment is 713 pupils.

Program Descriptions

School Based Coordinated Program (SBCP)

Title I, Title II, Title III, and Special Education programs are included in the School-Based Coordinated Program (SBCP). These programs provide all students, including English Learners (EL), Gifted and Talented (GATE), and Special Education students with a rich variety of supplemental materials, equipment, activities and/or personnel. The School Plan describes Title I, Title II, and Title III, and methods for each program's evaluation. The School Site Council (SSC) oversees the development and implementation of the school site plan.

Academic Adviser

A full-time academic adviser is employed to help students with academic needs, conflict resolution and emotional support.

2023-24 School Description and Mission Statement

Student Success Team (SST)

The Student Success Team convenes upon receiving referrals from either the administration or the academic adviser. The purpose of these meetings is to deliberate on the unique requirements of students referred by staff or parents. Comprising a site administrator, teachers, and the school academic advisor, the team endeavors to pinpoint potential obstacles hindering the student's success. Subsequently, they offer suggestions to parents and teachers, aiming to address the specific needs of the student. In certain cases, the team may propose gathering more information about the student before making recommendations or suggest referring the student for Special Education or 504 eligibility.

English Learners Program (EL)

The philosophy of the English Learner (EL) program is rooted in providing an intensive English-Language Development Program for all English learners, aiming to enable their academic and social development to the fullest extent. Aligned with the EL Roadmap Policy adopted by the California State Board of Education on July 12, 2017, the program is built upon four key principles:

1. ****Assets-Oriented and Needs-Responsive Schools:****

Pre-schools and schools demonstrate responsiveness to diverse EL strengths, needs, and identities. They foster socio-emotional health and development, valuing and building upon the cultural and linguistic assets that students bring to their education. The programs emphasize safe and affirming school climates, and educators actively engage in building strong family, community, and school partnerships.

2. ****Intellectual Quality of Instruction and Meaningful Access:****

English learners are immersed in intellectually rich, developmentally appropriate learning experiences promoting high levels of English proficiency. These experiences integrate language development, literacy, and content learning. Meaningful access is facilitated through native language instruction and scaffolding. ELs have access to a standards-based and relevant curriculum to develop proficiency in English and other languages.

3. ****System Conditions that Support Effectiveness:****

Every level of the school system is equipped with leaders and educators knowledgeable about and responsive to the strengths and needs of English learners. Valid assessments and data systems inform instruction and continuous improvement. Resources and tiered support are provided to ensure strong programs and build the capacity of teachers and staff to meet the needs of English learners.

4. ****Alignment and Articulation Within and Across Systems:****

English learners experience a coherent, articulated, and aligned set of practices and pathways across educational segments. This continuity begins with a strong foundation in early childhood and extends through reclassification, graduation, and higher education. The pathways foster skills, language(s), literacy, and knowledge necessary for college- and career-readiness in a global, diverse, multilingual 21st-century world.

****EL Program Goals:****

1. Comprehend spoken English.
2. Communicate ideas orally in English.
3. Read and comprehend in English for success within the regular program.
4. Write in English using correct grammar and vocabulary.
5. Share cultural background through classroom/school activities to enhance self-worth.

All English learners not reclassified enroll in English Language Development (ELD) classes alongside benchmark ELA classes. Reclassified students' progress in the core program is regularly monitored, and long-term English learners (LTEs) receive coaching and support for re-designation. Teachers hold Cross-cultural Language and Academic Development (CLAD), SB1969, or SB395 certificates. Bilingual paraprofessionals assist in providing ELD instruction. Services undergo review by the School Site Council, the principal, and the English Learner Parents Advisory Committee (ELPAC).

English learners receive designated ELD from appropriately trained teachers, with integrated ELD instruction occurring regularly in content area classes. Cooperation between the classroom teacher and EL staff is crucial to ensure appropriate instruction. Trained EL paraprofessionals support teachers and students across core subjects: ELA, Social Studies, Math, and Science.

Professional Development

During the 2023-24 academic year, teachers are engaged in professional development centered on the latest research-based instructional practices, Response to Intervention, and the implementation of the Common Core State Standards. Ongoing

2023-24 School Description and Mission Statement

professional development is also in progress, emphasizing the creation of an effective professional learning community. During monthly professional learning team meetings, teachers collaborate with a consultant, focusing on the four essential questions. Additionally, educators are actively constructing units based on essential standards within their chosen content areas.

Honors Courses

Prescott provides Honors classes in ELA, Math, Science, and Social Studies to cater to the requirements of High Achieving and GATE students. Alongside these honors courses, we offer Pre Algebra in 7th grade and Algebra in 8th grade. Students who successfully complete Algebra at Prescott are exempt from taking it in high school.

Elective Courses

Prescott Junior High School offers a wide array of elective courses that include Educational Technology, PLTW, Yearbook, Conversational Spanish, Spanish 1, e-journalism, Leadership, Drama, Band, Orchestra, and Art.

Every year, Prescott students participate in Academic Pentathlon, Science Olympiad, Spelling Bee, and National History Day competitions organized by the Stanislaus County Office of Education. Our students have won top prizes in all of these competitions.

California Junior Scholastic Federation (CJSF)

Our CJSF students participate in various community service activities and they organize and attend educational field trips.

Special Education

Special Education students at Prescott receive instructional services tailored to their Individualized Education Plan (IEP). Collaboration among specialists, staff, and classroom teachers ensures the provision of an optimal program in the least restrictive environment. In the 2023-2024 academic year, Prescott has introduced a co-teaching model within the resource program, where resource program students are integrated into regular classrooms based on their IEPs. They are also enrolled in resource classes as outlined in their IEP. Testing services are administered by the school psychologist, speech therapist, and resource specialist.

The District extends psychological, speech, and adapted physical education services. Two Resource Specialists (RS) and two instructional paraprofessionals cater to students with specific needs. Additionally, the District operates two Learning Handicapped Special Day Classes (SDC) at Prescott, staffed with two SDC teachers and two instructional paraprofessionals. Oversight and coordination of all site special education services fall under the purview of the school principal and vice-principal.

Beyond specialized instruction, Special Day Class students seamlessly integrate into the regular program, assigned to appropriate classes as specified in their IEPs. Enrichment opportunities abound for SDC students during the advisory period, including participation in elective courses, field trips, and other enrichment activities.

Special Education is included in the School-Based Coordinated Program.

Non-identified Special Needs students may be selected to receive supplemental assistance from special education staff through teacher referrals to a student study team or a classroom teacher, special education teacher and site administration. Priority will be given to those non-identified students with the greatest risk of not meeting grade level standards in language arts and/or mathematics. Supplemental assistance may be in a pull-out or classroom setting and include one-on-one or small group instruction.

Centralized Services

Centralized services, consisting of the Assistant Superintendent for Curriculum and Instruction, the Assistant Superintendent for Student Services, one Program Specialist, and two Administrative Assistants, offer the following support: advising school site personnel on state and federal program matters, providing expertise on legal information, and, when required, meeting the requirements for the development and/or revision of district applications and written school plans. These services also extend to assisting site administrators, staff, and parents with program review coordination and processes, encompassing compliance, internal evaluations, and quality assessments.

Students who are identified as in the low socio-economic subgroup will receive primarily indirect services.

The school site's technology plan was developed based on the District's Master Plan for Educational Technology. Aligned with this plan, Prescott's technology strategy aims to integrate technology into the curriculum for the enhancement of student achievement. It also emphasizes providing professional development opportunities for staff members. Prescott has established internal connectivity and ensures wireless Internet access in every classroom. This technological infrastructure has enabled the

2023-24 School Description and Mission Statement

school to pursue an ambitious program, incorporating technology as a regular component of the instructional program. The district upholds digital citizenship and literacy standards, taught by all teachers according to their respective departments or grade levels.

Prescott continues to bolster its technology capacity and has achieved a 1:1 ratio with Chromebooks. Students now possess their devices, carrying them between school and home daily. All classrooms are equipped with essential tools, including laptop computers, speakers, a document camera, an LCD projector, and a 55" flat screen. Internet capabilities have facilitated the use of an online attendance and grading program, enhancing communication with parents about their child's progress. The implementation of a district-wide automated call-home system further improves student communication. Ongoing efforts involve the utilization of web-based programs to augment curriculum and enhance intervention, with various stages of implementation currently in progress.

Funding for technology is facilitated through the LCFF in Prescott's LCAP, encompassing a digital device initiative and an annual refresh budget.

After School Athletics -

Prescott boasts a robust After School Athletics program offering various opportunities for student participation, including girls' volleyball, boys' and girls' flag football, boys' and girls' basketball, boys' and girls' track, and boys' and girls' wrestling. The school adheres to a no-cut policy, ensuring that all interested and eligible students have the chance to participate. Emphasizing character development and sportsmanship, these values are integral themes within the after-school athletic program. Funding sources for the program may include contributions from the Parents' Club and the District. Additional fundraising activities or donations are often required to fully implement and support the program.

Homework Policy -

Prescott School has a homework policy in place. Homework is viewed as a necessary part of students' learning. A copy of the policy is given to parents, and it is also in student planners. Homework must also be connected to the curriculum and is to be graded if assigned.

Parent Involvement Policy -

Parents are strongly encouraged to actively engage in their child's educational journey through various avenues. They play a vital role in supporting fundraising initiatives for special student activities, such as field trips. Parental involvement is facilitated through organizations like the Parents' Club, Parent Advisory Committees, School Site Council, and English Learners' Parents Advisory Committee, offering parents a direct voice in planning and implementing the school program.

Numerous avenues, such as newsletters, Back-to-School Night, Parent-Teacher Conferences, and Open House, provide additional opportunities for parents to participate, fostering their connection with the school and gaining insights into school programs and their child's educational progress. To ensure effective communication, interpreters are available for all parent meetings, and notices are disseminated in both Spanish and English. Written forms of the Grade Level Standards are provided and explained to all interested parents during regularly scheduled conferences.

Teacher Recruitment

It is the policy of Stanislaus Union School District to seek out, hire and support highly qualified teachers in every classroom. Recruitment efforts include online job postings, recruitment fairs throughout the area and extensive newspaper ads. All other provisions of Public Law 107-110 are in compliance.

About this School

2022-23 Student Enrollment by Grade Level

Grade Level	Number of Students
Grade 7	366
Grade 8	346
Total Enrollment	713

2022-23 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	48%
Male	51.8%
American Indian or Alaska Native	0.5%
Asian	10.3%
Black or African American	2.8%
Filipino	0.5%
Hispanic or Latino	57.9%
Native Hawaiian or Pacific Islander	1.4%
Two or More Races	4.1%
White	17.6%
English Learners	17.1%
Foster Youth	0.4%
Homeless	5%
Migrant	0.1%
Socioeconomically Disadvantaged	77.5%
Students with Disabilities	9.1%

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	20.50	58.80	139.50	83.58	228366.10	83.12
Intern Credential Holders Properly Assigned	0.00	0.00	8.00	4.79	4205.90	1.53
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	1.80	5.23	4.80	2.89	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	0.00	0.00	1.00	0.60	12115.80	4.41
Unknown	12.50	35.91	13.50	8.13	18854.30	6.86
Total Teaching Positions	35.00	100.00	167.00	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	27.40	75.05	153.50	88.26	234405.20	84.00
Intern Credential Holders Properly Assigned	1.50	4.21	7.50	4.33	4853.00	1.74
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	2.00	5.46	4.30	2.47	12001.50	4.30
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	4.80	13.11	4.80	2.76	11953.10	4.28
Unknown	0.70	2.10	3.70	2.17	15831.90	5.67
Total Teaching Positions	36.60	100.00	174.00	100.00	279044.80	100.00

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.00
Misassignments	1.80	2.00
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	1.80	2.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	1.30
Local Assignment Options	0.00	3.40
Total Out-of-Field Teachers	0.00	4.80

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	6.7	6.9
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The Stanislaus Union School District is dedicated to offering comprehensive and challenging courses from Kindergarten to 8th grade. A key focus is on mastering fundamental Common Core Standards and skills in the primary grades (K-3), with a subsequent emphasis on aligning and instructing Common Core State Standards in the intermediate grade levels (4-8). The curriculum for all subjects and grade levels undergoes continuous review to equip students with the necessary skills for opportunities in the 21st Century Job Market.

The Curriculum and Instruction Department caters to all learners, collaborating with staff to choose textbooks and supplementary materials supporting language arts, mathematics, science/health, social science, and the arts. Exceptional learners, including those with disabilities, highly able students, and English language learners, receive support from the department. Furthermore, staff development is tailored to assist all staff in various curriculum areas.

Annual Common Core Professional Development sessions are conducted to enhance the rigor of students' critical thinking through high-quality instruction across the entire district.

Year and month in which the data were collected

December 2021

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption ?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	7th & 8th Grades: McGraw Hill. Study Sync - 2017 7th & 8th Grades: Houghton Mifflin Harcourt Language Live (Tier 3 Intervention) - 2022	Yes	0%
Mathematics	7th & 8th Grades: Eureka Math, 2013 7th Grade Envision Math: Pre Algebra 8th Grade Envision Math: Algebra	Yes	0%
Science	7th & 8th Grade: Teachers Curriculum Institute, TCI 2019	Yes	0%
History-Social Science	7th Grade: National Geographic World History, Medieval to Early Modern Times - 2018 8th Grade: National Geographic US History American Stories: Beginnings to World War I - 2018	Yes	0%
Foreign Language	7th & 8th Grades: Prentice Hall, Realidades 1 - 2014	Yes	0%
Health	Grade 7 – Health Connected, Teen Talk 2016	Yes	0%

School Facility Conditions and Planned Improvements

The district consistently conducts regular inspections of site facilities. Annually, the Board undertakes a campus tour to verify that all facilities adhere to the district's standards of excellence. Additionally, local fire officials conduct routine inspections to ensure the facility's safety and compliance with State standards for fire safety. Recent inspections have yielded positive results. Continuous inspections are carried out by staff, and any issues identified are promptly referred to the Maintenance Department for immediate inspection and resolution.

Custodial staff ensures daily cleanliness of the grounds, including restrooms, cafeteria, and the media center. Students, including those in the school's Leadership Class, actively contribute by frequently picking up litter to complement the custodial efforts. In the summer of 2023, two science labs were relocated to rooms 9 and 19, creating additional space. The school year 2023-2024 witnessed a refreshing of the foyer and the gym with new paint.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
- 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
- 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
English Language Arts/Literacy (grades 3-8 and 11)	39	37	40	39	47	46
Mathematics (grades 3-8 and 11)	23	23	30	30	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	745	673	90.34	9.66	37.27

Students with Disabilities	62	59	95.16	4.84	8.62

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	746	695	93.16	6.84	22.97
Female	360	330	91.67	8.33	20.73
Male	385	365	94.81	5.19	25.00
American Indian or Alaska Native	--	--	--	--	--
Asian	77	75	97.40	2.60	42.67
Black or African American	20	16	80.00	20.00	6.25
Filipino	--	--	--	--	--
Hispanic or Latino	431	399	92.58	7.42	15.48
Native Hawaiian or Pacific Islander	--	--	--	--	--
Two or More Races	70	66	94.29	5.71	28.13
White	129	121	93.80	6.20	35.54
English Learners	136	131	96.32	3.68	1.53

Students Receiving Migrant Education Services	--	--	--	--	--
Students with Disabilities	62	55	88.71	11.29	5.45

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
Science (grades 5, 8 and high school)	25.57	27.39	26.47	25.36	29.47	30.29

2022-23 CAASPP Test Results in Science by Student Group

This table displays CAASPP test results in Science by student group for students grades five, eight, and High School. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students	396	387	97.73	2.27	27.39
Female	196	189	96.43	3.57	26.98

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results					
This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.					
Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 7	92.6%	92.6%	92.6%	92.6%	92.6%

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement
Prescott Junior High School extends a warm welcome and is dedicated to fostering parent involvement in the educational journeys of their children. Numerous avenues are available for parents to engage, including Back-to-School Night, parent conferences (fall/spring), School Site Council, English Learner Advisory Committee, Parents' Club, Student Store, District committees, Open House, and attendance at various academic and athletic events. The Parents' Club plays a pivotal role in raising substantial funds to support enrichment activities and programs for students. To stay informed about their student's progress in all classes, parents can log on to the interactive software, Aeries.net. This platform allows them to monitor homework, communicate with teachers through email, Google Classrooms, and telephone. The Academic Advisor conducts training sessions for parents on software usage, guiding them through navigation. This software has proven to be a valuable tool in involving parents in their children's education. Additionally, teachers and administrators maintain regular communication with parents via email and phone, addressing various issues concerning their children and seeking parental input on crucial decisions related to their children's education.

2022-23 Chronic Absenteeism by Student Group

Student Group	Cumulative Enrollment	Chronic Absenteeism Eligible Enrollment	Chronic Absenteeism Count	Chronic Absenteeism Rate
All Students	785	773	153	19.8
Female	378	372	63	16.9
Male	406	400	90	22.5
Non-Binary	1	1	0	0.0
American Indian or Alaska Native	4	4	2	50.0
Asian	79	79	7	8.9
Black or African American	25	24	6	25.0

Native Hawaiian or Pacific Islander	10	10	0	0.0
Two or More Races	31	31	9	29.0
White	137	135	20	14.8
English Learners	152	148	34	23.0
Foster Youth	4	4	1	25.0
Homeless	40	39	8	20.5
Socioeconomically Disadvantaged	618	608	138	22.7
Students Receiving Migrant Education Services	1	1	0	0.0
Students with Disabilities	71	70	22	31.4

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data.

Rate	School 2020-21	School 2021-22	School 2022-23	District 2020-21	District 2021-22	District 2022-23	State 2020-21	State 2021-22	State 2022-23
Suspensions	0.92	6.84	12.23	0.44	2.20	3.35	0.20	3.17	3.60
Expulsions	0.00	0.49	1.02	0.00	0.14	0.22	0.00	0.07	0.08

2022-23 Suspensions and Expulsions by Student Group

Student Group	Suspensions Rate	Expulsions Rate
All Students	12.23	1.02
Female	8.99	0.53
Male	15.27	1.48
Non-Binary		
American Indian or Alaska Native	0	0
Asian	3.8	0
Black or African American	24	4
Filipino	0	0

Native Hawaiian or Pacific Islander	0	0
Two or More Races	9.68	0
White	10.95	0.73
English Learners	13.16	1.97
Foster Youth	0	0
Homeless	17.5	2.5
Socioeconomically Disadvantaged	14.4	1.29
Students Receiving Migrant Education Services	0	0
Students with Disabilities	19.72	2.82

2023-24 School Safety Plan

Prescott Junior High School has embraced a Safety Plan that undergoes an annual review and revision process led by a dedicated Safety Committee and the School Site Council. These committees convene a minimum of four times a year to assess whether any immediate addendums are required for the safety plan. The Safety Committee, consisting of the principal, vice principal, teacher representatives, classified employees, local law enforcement, parents, and students, collaborates to review and approve the latest plan. The comprehensive plan comprises sixteen sections, covering various aspects such as emergency response actions, incident response team coordination, shelter in place procedures, and more.

The finalized safety plan undergoes scrutiny and approval from key entities, including the School Site Council, Site Leadership Team, PBIS Team, and the SUSD School Board. Additionally, several members of Prescott Junior High School have actively participated in Active Shooter Trainings at various elementary schools and the junior high school, collaborating with Modesto City Police. This drill has proven beneficial in preparing the district and school for potential emergencies. Subsequent to the Active Shooter Training, all staff engaged in discussions during a faculty meeting to enhance campus safety and emergency preparedness. Safety proposals and operations will be regular agenda items during Prescott Monday faculty meetings, ensuring that all faculty and staff are well-versed in procedures and prepared for any emergency scenarios.

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	26	6	24	1
Mathematics	25	5	22	1
Science	26	3	23	1
Social Science	26	5	20	2

2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	25	12	23	
Mathematics	24	13	18	
Science	26	9	20	
Social Science	26	11	18	

2022-23 Secondary Average Class Size and Class Size Distribution

This table displays the 2022-23 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	24	10	23	0
Mathematics	24	13	16	0
Science	27	1	25	0
Social Science	27	3	22	1

2022-23 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	739

2022-23 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	1
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	0.5
Social Worker	
Nurse	
Speech/Language/Hearing Specialist	0.2
Resource Specialist (non-teaching)	
Other	

Fiscal Year 2021-22 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2021-22 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$15,519	\$6,296	\$9,223	\$85,520
District	N/A	N/A	\$9,590	\$85,853
Percent Difference - School Site and District	N/A	N/A	-3.9	-0.4
State	N/A	N/A	\$7,607	\$88,288
Percent Difference - School Site and State	N/A	N/A	19.2	-3.2

Fiscal Year 2022-23 Types of Services Funded

Supplemental services aimed at aiding limited English proficiency students are partially financed through Economic Impact Aid (EIA) funds. A School Violence and Safety grant has contributed to covering the expenses of a campus supervisor. Title I, II, III, Lottery, and LCAP funds are utilized for direct instructional support for students.

For the 2020-21 academic year, the allocation of funds is as follows:

- ****Title I:**** Funding for professional development, collaboration days, consultants, instructional supplies, student planners, and digital technology.
- ****Title I Parent Involvement:**** Funds dedicated to supporting parent activities and involvement.
- ****Title II:**** Allocation for the professional development of teachers, with a focus on Response to Intervention training, utilizing data for effective instruction, and aligning with Common Core State Standards through curriculum, common formative assessments, Professional Learning Communities, and EL instruction strategies.
- ****Title III:**** Funds designated for professional development to assist teachers in effectively serving the educational needs of EL students.
- ****TUPE:**** Utilization of funds for various activities promoting anti-tobacco awareness among students.
- ****Site:**** Allocated funds to support student academic achievement and school operations, covering expenses such as promotion ceremony materials, outside services for the ceremony, postage, postage machine lease, academic achievement awards, PBIS awards, instructional materials, office materials, toner, and copy machine agreements.
- ****LCAP:**** Funds used for providing materials and supplies for academic intervention, library and PE materials, teacher training in digital devices.
- ****Lottery:**** Funding for instructional materials, supplementary instructional materials, student academic achievement awards, and office materials and supplies.

Fiscal Year 2021-22 Teacher and Administrative Salaries

This table displays the 2021-22 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary	\$58,567	\$54,046
Mid-Range Teacher Salary	\$89,507	\$84,515
Highest Teacher Salary	\$106,598	\$110,867
Average Principal Salary (Elementary)	\$134,727	\$136,841
Average Principal Salary (Middle)	\$146,503	\$141,477
Average Principal Salary (High)	NA	\$137,985
Superintendent Salary	\$200,100	\$217,473
Percent of Budget for Teacher Salaries	34%	32.43%
Percent of Budget for Administrative Salaries	4%.	5.62%

Professional Development

Prescott teachers actively engage in district-wide professional development, encompassing Response to Intervention (RTI) and effective instruction. Some educators have further enriched their knowledge by attending Solution Tree's Response to Intervention and Professional Learning Conferences. These conferences have proven instrumental in providing tools and support aligned with our overarching goal of ensuring every student achieves high levels of academic success.

In the aftermath of Professional Learning Community (PLC) trainings, our teachers persistently refine their learning outcomes and success criteria. To facilitate this ongoing process, we have instituted weekly 60-minute PLC sessions every Wednesday, coinciding with early student release. During these collaborative sessions, our teachers focus on several key areas, including:

- Engaging in Professional Learning Communities
- Implementing Response to Intervention strategies
- Developing and designing targeted interventions
- Curriculum design and calibration
- Data analysis, particularly in terms of student achievement
- Professional collaboration time to formulate and analyze SMART Goals
- Designing and developing Common Formative Assessments

Additionally, beyond districtwide initiatives, the site actively participates in monthly training sessions facilitated by a consultant. She collaborates with each content area to select essential standards, build units centered around these standards, create common formative and summative assessments, and utilize data for both intervention and enrichment purposes.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2021-22	2022-23	2023-24
Number of school days dedicated to Staff Development and Continuous Improvement	4	6	20
