2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

District Mission- The mission of the Stanislaus Union School District as the premier district of choice in partnership with the community is to ensure the ultimate educational experience for all children.

The District's goals are: 1) Enhance practices and programs with a focus on instruction of effective State Standards for quality learning by all students; 2) Continue to prioritize writing and provide consistent expectations aligned with state standards at all school sites; 3) Provide and enhance site support and develop community/business partnerships for Visual and Performing Arts; 4) Continue to optimize across all curricular domains, the use of technology resources for students, teachers and school sites as written in the District Technology Plan; 5) Increase community/school engagement through technology as well as extend technology for communication and education; 6) Update and promote wellness curriculum relevant to the whole child, i.e. nutrition, child development, bullying, social and peer interactions, substance abuse prevention, and family support services.

School Mission: At Agnes Baptist, we ensure that all students learn at high levels.

School Vision: The Agnes Baptist Elementary School educational community creates a challenging learning environment that establishes high expectations for academic success, providing opportunities for enrichment, intervention, and remediation. In addition, we develop the whole child - academically, physically, socially, and emotionally. Our educational community confronts and embraces challenges with confidence and resilience, while fostering a lifelong passion for learning. Our school is recognized and respected in the community for collaboration, innovation, and academic growth. We believe that all children can and will learn if given enough time and targeted support. As such, our vision is to continue to develop and perfect our Response to Intervention System of supports for all of our students through the work our teachers and support staff are doing as a Professional Learning Community.

School Description: The information included in this School Accountability Report Card for Agnes Baptist School is based on data from the 2022-2023 school year. Agnes Baptist Elementary School houses Transitional Kindergarten through Sixth (6th) Grade. It is a mixed socio-economic, suburban school. Agnes Baptist Elementary School offers a variety of programs, such as Gifted and Talented Education (GATE), Special Education, After School Programs and Title I programs to address specific needs of all students. The parent community is actively involved in the education process.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.50	0.00
Misassignments	1.00	1.00
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	1.50	1.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	0.00	0.00
Total Out-of-Field Teachers	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	1.8	1.4
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	16.9	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

School Facility Conditions and Planned Improvements

Agnes Baptist Elementary School believes that to build a positive school culture the school site must be safe, clean, and functional. The site receives feedback from community members through its website, surveys, personal contact, SSC, ELAC, and parents club meetings in regard to the condition and needs of the site. The information gathered is to ensure that the site is well maintained, clean, safe, and in proper working order.

The District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the District uses a facility survey instrument developed by the State of California Office of Public School construction. The results of this survey will be available at the school office, at the District Office, or on the internet at <http://www.opsc.dgs.ca.gov/>. Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe and functional learning environment.

The school opened in 1990. The school has 30 classrooms, a multipurpose room, a library and an administration building. The main campus was built in 1990. Six portable classrooms were added in 2001 and two new portables were added in the fall of 2013. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. Providing a clean learning environment is a district priority. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

The District participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. The District recently updated play structures on site.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
- 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
- 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	56	51	30	30	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results					
This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement
Agnes Baptist Elementary School is committed to encouraging parental involvement. Numerous opportunities are available for parents to get involved with our school community including: Back to School Night, Parent Teacher Conferences, Open House, Annual Title I Parent Meeting, School Site Council, English Learner Advisory Committee, Parent Club events, grade level field trips, Individualized Education Plan meetings, Student Study Team meetings, volunteering in the classroom, and family centered activities (Read to Succeed, Family Reading Night, Book Fairs, Winter Store, All Star Store, Jog-a-thon, etc.). These opportunities allow parents a direct voice in the educational opportunities and lend a voice in the implementation of the school wide program. Further involvement is offered through the establishment and monitoring of the school mission and values. This includes but is not limited to surveys, open forums, and informational meetings to allow input and feedback as the process begins to set the climate and culture of Agnes Baptist Elementary. The district sponsors further events such as the Science Fair, District Book Fair, and school board meetings. These events provide parents the opportunity to share in the educational activities of their students. The district further offers parents the opportunity to be involved in district committees, making the availability of the district bilingual liaison for district and site events, providing translation services for all documentation sent home to families, providing blackboard connect messages to all families concerning district and site information, and providing training to staff and others when the needs arise. Agnes Baptist Elementary will continue to host family nights again. Agnes Baptist Elementary staff held a very successful Family Art Night at the beginning of the year and have plans to hold a Family STEM night and a Family Reading night before the end of the year.

2023-24 School Safety Plan

Agnes Baptist Elementary School has an adopted safety plan that is reviewed and revised annually. The plan was developed by a committee comprised of the administration as well as representatives from the teaching and classified staff. The plan was further reviewed by a team of district administration to include common language and procedures within the district. There are 11 sections to the plan: (1) Introduction; (2) Current Status; (3) Child Abuse; (4) Disaster Procedures; (5) District Policy; (6) Teacher Notification; (7) Sexual Harassment; (8) Dress Code; (9) Safe Ingress/Egress; (10) Safe and Orderly Environment; and (11) Discipline. The most recent update to the Safety Plan was completed in October 2023. The final safety plan will be approved by the SUSD school board in March 2023.

The site safety program provides regular monitoring and inspection of all facilities and grounds for safety by the District Risk Manager. The site is continually implementing improvements for security in an effort to fully secure the campus. The has site participated with the district on a joint task force concerning emergency procedures and protocols (active shooter scenario) and has the protocols and procedures concerning this possible emergency crisis. For example, the staff was trained on safety protocols when there is a dangerous intruder on campus. This training is called, "Run, Hide, Fight." Agnes Baptist Elementary School continues to review the safety plan with the committee and district administration to better align procedures in an on-going process.
