2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Brittan School is a rural Pre-K-8 school providing services for approximately 498 students, 37.4% of who participate in the free or reduced lunch program. Brittan has an attendance rate of approximately 94.03%.

All students in Jump Start to Kindergarten through eighth grade are using State adopted mathematics and reading/language arts instructional programs. Our philosophy that guides the reading and math curriculum is based on differentiated instruction. Teaching the same concepts and skills in many different ways provides both reinforcement and allows the curriculum to correspond to the learning strengths of each child.

Academic performance and a safe and orderly environment are standards strongly supported by the entire staff and the School Board. Budget, staffing and program decisions reflect these priorities. The student-teacher ratio does not exceed 25 to 1 in grades Transitional Kindergarten through third and an average of 27 to 1 in grades four through eight. All students in grades 7-8 have 6 periods taught by teachers with either a single subject credential or a supplemental credential. The school offers an extensive on-site library, one to one Chromebooks, response to intervention specialists in Math/Reading and paraprofessionals to assist in classrooms.

The entire certificated staff has worked together to design an extensive research based coordinated curriculum that defines basic skills, proficiency standards and student performance levels for all grades; in all subjects. The Brittan School Board supports continued professional development programs as a priority to improve overall effectiveness in all areas.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.50
Misassignments	0.60	1.50
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	0.60	2.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	0.00	0.60
Total Out-of-Field Teachers	0.00	0.60

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	2.9	10.1
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	1.2	0.8

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

School Facility Conditions and Planned Improvements

Brittan Elementary provides a safe, clean environment for students, staff and volunteers. All classrooms are up to date and provide adequate space for students and staff. A team of three full-time and two part-time custodians ensures classrooms; rest rooms and campus grounds are kept clean and safe. A scheduled maintenance program is administered by the Brittan Elementary School District to ensure that all classrooms and facilities are maintained to provide a quality learning environment. The Administration has aggressively pursued grants and other funding for modernization of the school.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	31	25	31	25	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parents and the community are very supportive of the education program at Brittan Elementary. Parents and community members assist the school with participation in school activities including the following:

- Classroom assistance
- Room parents
- Multi-cultural activities
- Outdoor educational program
- Library assistance
- Assisting with computers
- Special class programs
- Fall Carnival
- Fine Arts
- Visual Arts
- Family Literacy Night
- Music Program

Numerous programs and activities are enriched through funds generated by the Brittan Parents Activity Club (BPAC) sponsored events and fund raisers. All parents are encouraged to become members. Parents or community members who wish to participate in Brittan Elementary leadership teams, school committees, school activities, or become volunteers may contact the school at 530-822-5155

2023-24 School Safety Plan

Safety of students and staff is a primary concern of Brittan Elementary. The school is always in compliance with all laws, rules and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety Plan is reviewed and updated annually by members of the School Site Council. All revisions are communicated to the staff. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted on a regular basis throughout the school year. The Catapult program is now the districts primary safety communication system.

Fiscal Year 2022-23 Types of Services Funded

Most of our funds cover salaries, benefits and instructional materials. General fund money contributes to the transportation program. Our childcare program is self-supporting. Class size Reduction funds support smaller class sizes. We receive funds from State and Federal programs, grants, donations, and BPAC (Parents Club).

Brittan School is a school-wide Title 1 school and all services are provided to all students in order to meet the challenging State Standards. Title I services are provided to all highly-qualified teachers and paraprofessionals.

The District utilizes traditional testing (standardized tests) and non-traditional (benchmark assessments) to identify students areas of need and growth. Additional programs offered at Brittan School include art, and music.

Brittan offers county operated Resource Specialist Program (RSP) and Speech and Language Services. Additional special education services are offered at other school sites through county operated programs. The district strives to meet the needs of all school aged children within the district.

Professional Development

Brittan School has developed a Professional Development Plan so that all staff members are provided time for training. The ongoing training is provided on pre-service days and monthly minimum days.

Trainings included the following topics:

- Professional Learning Communities
- Common Core Standards aligned to our Essential Standards in Reading and Math
- Vertical and horizontal alignment of curriculum
- Response to Intervention in Reading and Math
- iReady
- Positive Behavior Intervention Strategies
- Creating both summative, formative and benchmark assessments

Frequent data collection was done and used to monitor growth and change instruction as needed.
