SIERRA HIGH SCHOOL

PRINCIPAL'S MESSAGE

It is recognized by the Fillmore Unified School District that not all students have the same needs when it comes to learning environments. Some students and families need the option of a continuation program to best suit their individual situation. Sierra High School (SHS) is committed to providing every student with the 21st century skills necessary to be college and career ready through the creating an engaging and caring school community. Sierra High School, home of the Warriors, is a continuation high school located in Fillmore, California serving approximately 77 students ages 16 - 18. Students who attend SHS are credit deficient, want to accelerate, or are not successful in a traditional comprehensive high school.

Students at SHS are required to earn 230 credits to graduate, the same number as the comprehensive high school in our district, Fillmore High School (FHS). However, students earn credits at a more rapid pace because SHS is on a quarter system. Students can potentially earn 25 credits a quarter and 100 credits per year as opposed to 60 per year at the comprehensive high school.

Sierra students have the option to take additional online classes through Cyber High. The students also take dual-credit course, Career Technical Education classes, and band offered after the Sierra school day ends, across the street at Fillmore High School. All online and dual-credit courses meet the A-G eligibility criteria. Sierra High School's school day is from 8:30 am until 1:25 pm and class sizes do not exceed 20 students. The low student-to-teacher ratio allows teachers to provide more individualized instruction and cooperative learning strategies. The faculty and staff get to know each and every single student to ensure that they are in a successful and supportive environment.

At SHS, we collaborate with parents and families to support their child's education, ensuring students are better prepared for their futures. Our staff has been praised by the district office, outside agencies, and other schools for their exemplary work implementing Positive Behavioral Interventions and Supports (PBIS) system-wide. Student safety is a top priority at SHS and we challenge students to become successful members of our community.

Blanca Mendieta, Principal
Sierra High School

DISTRICT & SCHOOL DESCRIPTION

Fillmore Unified School District

Fillmore Unified School District is located in the city of Fillmore which was founded over one hundred years ago and is currently home to almost 17,000 residents. It is set in the middle of citrus and avocado groves of inland Ventura County and was founded in 1888 and incorporated in 1914. The district is comprised of four elementary schools, one middle school, one independent study school, one comprehensive high school, and one alternative high school. In 2022-23, Fillmore Unified School District had a total enrollment of 3,811 students including 14% in special education, 23.6% English Learners, 1.2% migrant, 0.1% were identified as foster youth, 5.4% were identified as homeless, and 78.8% economically disadvantaged.

District Mission Statement

We develop high performing students who are engaged and productive members of society.

Sierra High School

Sierra High School serves students in grades nine through twelve following a traditional calendar. At the beginning of the 2022-23 school year, 75 students were enrolled, including 8% in special education, 12% qualifying for English Language Learner support, 8% homeless, 1.3% migrant, and 94.7% qualifying for free or reduced price lunch.

Student Enrollment by Student Group and Grade Level 2022-23			
Student Group	%	Grade Level	#
Female	49.3%	Grade 10	1
Male	50.7%	Grade 11	15
Non-Binary	0.0%	Grade 12	59

White	1.3%		
English Learners	12.0%		
Foster Youth	0.0%		
Homeless	8.0%		
Migrant	1.3%		
Socioeconomically Disadvantaged	94.7%	Total Enrollment	75
Students with Disabilities	8.0%		

School Mission Statement

The primary purpose of Sierra High School is to provide a quality education for students who have not experienced success in the comprehensive high school program. This education is provided in a climate designed to foster a sense of community where students can experience, within a small school setting, personal recognition, academic success, and positive identification in a structured yet flexible environment.

School Vision Statement

Each individual student will receive the high-quality care and instruction that ensures all students will attain the highest level of academic knowledge and the personal skills that promote fulfilling lives and careers which contribute to civic and economic progress in our community.

LOCAL CONTROL

ACCOUNTABILITY PLAN (LCAP)

As part of the Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP).

The SARC provides the following information relevant to the State priority: Basic (Priority 1)

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- School facilities are maintained in good repair

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4)

- Statewide assessments (i.e., California Assessment of Student Performance and Progress (CAASPP) System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments (CAAs) for English language arts/literacy (ELA) and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS) for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the

University of California and the California State University, or career technical sequences or programs of student.

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8)

- Pupil outcomes in the subject area of physical education

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3)

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5)

- High school dropout rates; and
- High school graduation rates

The SARC provides the following information relevant to the State priority: School Climate (Priority 6)

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

California Assessment of Student Performance and Progress Test Results in Science All Students

Percentage of Students Meeting or Exceeding the State Standards

	SHS		FUSD		CA	
	21-22	22-23	21-22	22-23	21-22	22-23
Science (Grades 5, 8, & 10)	5.71	5.21	16.05	15.87	29.47	28.72

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

Double dashes (--) appear in the table when the number of students is ten or fewer, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who receive scores.

CAASPP Test Results in Science by Student Group (Grades 5, 8 & High School)

2022-23

	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded

Students Receiving Migrant Education Services					
Students with Disabilities	14	14	100%	0%	0.00%

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

PARENT INVOLVEMENT

Parents are encouraged to get involved in their child's learning environment by assisting at school events, participating in a decision-making group, or attending school events. Parents stay informed on upcoming events and school activities through Q Parent Connection, the school website, the school marquee, school newsletters, flyers, and ParentSquare automated phone/text/email messages. Contact the principal for more information on how to become involved in your child's learning environment.

Opportunities to Volunteer

- Chaperone School Activities
- Fundraising Events

Committees

- Behavior & Discipline Committee
- School Site Council

School Activities

- Back to School Orientation
- Monthly Family Engagement Activity
- Open House
- Family Conferences
- Family Education Workshops
- Quarterly Assemblies

STUDENT ACHIEVEMENT

Physical Fitness

In the spring of each year, all high schools are required by the state to administer a physical fitness test to all students in ninth grade; however, Sierra High School is a grade 10-12 site only and therefore no data is reported. The physical fitness test (PFT) for students in California schools is the FITNESSGRAM®. The main goal of the test is to help students in starting life-long habits of regular physical activity.

The FITNESSGRAM® has six parts, though California currently requires five parts be completed annually, that show a level of fitness that offer a degree of defense against diseases that come from inactivity. The test results can be used by students, teachers, and parents. Comparative District and state results can be found at the CDE's web site www.cde.ca.gov/ta/tg/pf/.

California Assessment of Student Performance and Progress (CAASPP)

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be located on California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

California Assessment of Student Performance and Progress Test Results in English Language Arts/Literacy (ELA) and Mathematics in Grade Eleven

Percentage of Students Meeting or Exceeding the State Standards

	SHS		FUSD		CA	
	21-22	22-23	21-22	22-23	21-22	22-23
English-Language Arts/Literacy	19.15	20	25	26	47	46
Mathematics	0	2	14	15	33	34

Note: Double dashes (--) appear in the table when the number of students is ten or fewer, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA & Mathematics by Student Group (Grades 3-8) 2022-23

	English Language Arts/Literacy					Mathematics

Students with Disabilities	--	--	--	--	--	--	--	--	--	--

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or fewer, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

SCHOOL FACILITIES & MAINTENANCE

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Sierra High School's original facilities were built in 2010; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. During the 2022-23 school year, an outdoor table and new shade structure was installed and new landscaping was completed at the school site.

Campus Description	
Year Built	2010
Acreage	10
Bldg. Square Footage	10252
	Quantity
# of Permanent Classrooms	4
# of Portable Classrooms	1
# of Restrooms (student use)	2 sets
Administrative Offices	1
Staff Work Room/Lounge	1
ASB Room	1
Library/Media/Multipurpose Room	1

Facilities Maintenance

District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority.

Every morning before school begins, staff inspect facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One part-time afternoon custodian is assigned to Sierra High School and is responsible for cleaning of the following:

- Restrooms
- Event Setup/Cleanup
- General Cleaning & Custodial Functions
- Classrooms
- Office Areas
- Library/Media/Multipurpose Room

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The principal communicates with the custodian daily concerning maintenance and school safety issues.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, during lunch time, and at end of day dismissal, the principal, the campus supervisor, the counselor, and teachers monitor activity throughout the campus, entrance areas, and designated common areas. A District Resource Officer is assigned to the school campus and works closely with site administration to keep the campus safe and secure. The campus supervisor monitors student activity during lunch and at the end of the day.

Sierra High School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

Facilities Inspections

The district's maintenance department inspects Sierra High School on an annual basis in accordance with Education Code §17592.72(c)(1). Sierra High School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on August 9, 2023. During fiscal year 2022-23, all restrooms were fully functional and available for student use.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Sierra High School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, dress code policy, and bully prevention policy. The school's most recent school safety plan was reviewed, updated, and shared with school staff in January 2024.

Campus culture promotes a secure learning environment. All persons are to be treated with dignity and respect. The district, schools, students, parents/guardians and community have an obligation to promote mutual respect and safe, harmonious relations that support dignity and equality. Bullying and harassment are not tolerated. The school district has policies, procedures, and practices in place that are designed to reduce and eliminate bullying and harassment as well as processes and procedures to address incidents of bullying and harassment when they occur. Students and their parents receive information annually regarding district policies concerning anti-bullying and harassment.

Graduation Rate (%)	83.6	87.0	86.2

Note: Double dashes (--) appear in the table when the number of students is ten or fewer, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Class Size

The Average Class Size and Class Size Distribution table in this report illustrates the distribution of class sizes by subject area, the average class size, and the number of classes that contain 1-22 students, 23-32 students, and 33 or more students. Calculations exclude classrooms of 50 or more students. Sierra High School's class sizes will never exceed 20 students and, therefore, the number of class sizes will always fall in the 1-22 category.

Average Class Size and Class Size Distribution

Subject	2020-21			
	Average Class Size	Number of Classes*		
		1-22	23-32	33+
English	18	4	0	0
Math	11	5	0	0
Science	10	3	0	0
Social Science	14	4	0	0
	2021-22			
	Average Class Size	1-22	23-32	33+
English	17	4	1	0
Math	15	5	0	0
Science	16	3	0	0
Social Science	19	4	0	0
	2022-23			
	Average Class Size	1-22	23-32	33+
English	16	4	0	0
Math	10	6	0	0
Science	13	3	0	0
Social Science	17	4	0	0

*Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary level, this information is reported by subject area rather than grade level.

CLASSROOM ENVIRONMENT

Dropouts & Graduation Rates

Sierra High School's teachers and administrative staff practice the early identification of and intervention on behalf of students who exhibit warning signs and/or behavioral traits that may lead to dropping out of school. Intervention strategies used to promote attendance and reduce dropout rates include monitoring credit completion rates, PBIS conferences with family, home visits, a full-time counselor, tutoring, independent study, and CyberHigh online. Understanding that the needs of each student are different, administrators, counselors, and teaching staff continue their efforts to discover successful solutions to help students complete their high school program.

The following table includes information for the school site, district and State on dropouts and graduation rates. Detailed information about dropout rates and graduation rates can be found on the DataQuest web page at <http://dq.cde.ca.gov/dataquest/>.

Chronic Absenteeism

The chart in this report identifies the chronic absenteeism rates by student group for Sierra High School for the 2022-23 school year. A "chronic absentee" has been defined in EC Section 60901(c)(1) as "a pupil who is absent on 10 percent or more of the school days in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays."

Suspensions and Expulsions

	SHS			FUSD			CA		
	20-21	21-22	22-23	20-21	21-22	22-23	20-21	21-22	22-23
Suspensions (%)	0.00%	7.27%	8.66%	0.08%	5.02%	3.71%	0.20%	3.17%	3.60%
Expulsions (%)	0.00%	0.00%	1.57%	0.15%	0.10%	0.43%	0.00%	0.07%	0.08%

Note: Double dashes (--) appear in the table when the number of students is ten or fewer, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Discipline & Climate for Learning

Sierra High School's discipline policies are based upon Positive Behavior Intervention and Supports (PBIS), a multi-tiered approach to social, emotional and behavior support. This schoolwide positive behavior management plan is used as a guide to develop school rules, develop behavior management programs, promote responsibility, promote respect, and minimize classroom disruptions. Leveled discipline uses other means of correction which happens early to keep situations from escalating. Staff also utilizes Tutorial classes one time per week for student behavior issues focusing on restorative justice and alternatives to suspension (Level 1 - warning; Level 2 - parent meeting). Teachers clearly identify and explain behavior expectations to their students and discuss consequences for poor or disruptive behavior in the classroom. Administrators lead assemblies and visit classrooms to reinforce the importance of following school rules and making responsible, respectful behavior choices.

Suspensions & Expulsions by Student Group (2022-23)		
Student Group	Suspensions Rate	Expulsions Rate
All Students	8.66%	1.57%
Female	7.14%	1.79%
Male	9.86%	1.41%
Non-Binary	0.00%	0.00%
American Indian or Alaska Native	0.00%	0.00%
Asian	0.00%	0.00%
Black or African American	0.00%	0.00%
Filipino	0.00%	0.00%
Hispanic or Latino	9.09%	1.65%
Native Hawaiian or Pacific Islander	0.00%	0.00%
Two or More Races	0.00%	0.00%
White	0.00%	0.00%
English Learners	12.50%	6.25%
Foster Youth	0.00%	0.00%
Homeless	0.00%	0.00%
Socioeconomically Disadvantaged	9.24%	1.68%
Students Receiving Migrant Education Services	0.00%	0.00%
Students with Disabilities	11.76%	0.00%

Note: Double dashes (--) appear in the table when the number of students is ten or fewer, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CURRICULUM & INSTRUCTION

Instructional Materials

All textbooks used in the core curriculum are aligned to the California State Standards. Sierra High School's instructional materials are not those selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district is in the process of reviewing and selecting new curriculum materials for high schools within the district. All adoption years in the textbook chart that show a "*" as the adoption year indicates that a specific year of adoption was not notated in the records and is unavailable to report at the time of the publication.

On October 3, 2023, the Fillmore Unified School District Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution #23-24-03 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English Learners, in the district to the extent that each pupil, including English Learners, has a standards-aligned textbook and/or instructional materials to use in class and to take home, which may include materials in a digital format but shall not include photocopied sheets from only a portion of a textbook or instructional materials copied to address a shortage, (2) that all students who are enrolled in the same course within the district have standards-aligned textbooks or instructional materials from the same adoption cycle, (3) sufficient textbooks and instructional materials were provided to each student, including English Learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/Language Arts, including the English Language Development component of an adopted program, (4) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and 5) sufficient laboratory science equipment was available for science laboratory classes offered in grades 9-12, inclusive.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2023-24 school year, Fillmore Unified School District provided each student, including English Learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

Staff Development

All curriculum and instructional improvement activities at Fillmore Unified School District are aligned to the California State Standards. Professional development concentrations are selected and identified based on district focus and California State Standards implementation.

During the 2021-22, 2022-23, and 2023-24 school years, Sierra High School's teaching staff participated in districtwide professional development training focused on:

Number of School Days/Topics Dedicated to Staff Development & Continuous Improvement

2021-22	3 days

2022-23	3 days
Parent Square for Educators Professional Learning Communities History Social Studies Pilot Training - Framework Overview AVID Math AVID Focused Note Taking, Innovative Strategies Math MVP Open Up Resource Curriculum ELD Standards and ELPAC Domain Support ELA McGraw Hill Study Sync Pilot Training ELD iLit Publisher Pilot Training Science NGSS Standards Review Course Sequence Career Technical Education Course Sequence	
2023-24	5 days
Professional Learning Communities Response to Intervention Structures	

The district supplements site-level professional development to follow up and support year-round and ongoing programs centered around reading, writing, and mathematics that is tied to either specific strategies to improve student learning or training focused on district-adopted curriculum materials. Supplemental professional development is offered throughout the school year on early student release days, after school, on designated staff development days, and during substitute release time. District staff work with school site administrators and teaching staff to provide support and training to ensure the successful implementation of the California Standards.

During the 2021-22, 2022-23, and 2023-24 school years, Sierra High School's teaching staff had the opportunity to participate in district offered supplemental professional development training focused on:

2021-22 Supplemental Professional Development

- i-Ready
- Edgenuity (Independent Study)

2022-23 Supplemental Professional Development

- Active Assailant Training
- Professional Learning Communities
- West Education Co-Teacher Training
- UCLA Math Coherence - Counting Collections & Learning Labs
- P3CC/Math Meet-Ups
- On Track Math Collaborative-Secondary Math
- California Reading and Literacy Project (CRLP) Reading Teacher Training & Coaching
- New Staff Support Meetings (topics vary monthly)
- Identifying Studnet Needs - Intro to Q Reports
- Preparing for Elementary Parent Teacher Conferences
- Best for Secondary Teachers to Communicate with Families
- Journeys ELA New Teacher Training
- Ellevation - ELD Progress Monitoring
- Literably-Literacy Assessment
- HSS Pilot Training and Calibration
- ELA Pilot Training and Calibration

2023-24 Supplemental Professional Development

- New Teacher Academy Training
- ELA Curriculum Implementation
- History/Social Studies Curriculum Implementation

Supplemental site-based professional development and collaboration takes place throughout the year during release time, after school, and during staff meetings. Sierra High School's site-based professional development activities were identified based on district initiatives and staff input to identify topics which were then discussed at staff meetings throughout the year. Teacher training and collaboration concentrations are identified through analysis of student performance data and observation of classroom practices.

During the 2022-23 school year, Sierra High School's site-based professional development was focused on the following:

- Professional Learning Communities (PLCs)
- Positive Learning Environment
- Restorative Justice & Alternatives to Suspension
- WASC Review

Core departments received individualized training relevant to their specific area of teaching through the Ventura County Office of Education.

Fillmore Unified School District and the Ventura County Superintendent of Schools jointly support new and veteran teachers in developing their teaching skills through the New Teacher Induction Program. The Teacher Induction program is a state-approved program that offers first and second year teachers comprehensive support and training for new teachers with a preliminary credential; after successful completion of the two-year induction training, teachers may apply for their clear teaching credential.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the Ventura County Superintendent of Schools as well as the Fillmore Unified School District. Profession and subject specific offerings are consistent with the California State Standards. Classified support staff may receive job-related training through faculty meetings supported by district input and independent efforts; training activities and workshops are designed to enhance and extend job performance.

COLLEGE PREPARATIONS & CAREER READINESS

College Preparation Courses

Students are encouraged to take required courses if they plan on attending a four-year college or university. Sierra High School offers only those classes required to earn a high school diploma. Any students returning to a comprehensive high school setting will have the option to pursue four-year college required courses.

2022-23 Pupils Enrolled in UC/CSU Courses Required for UC/CSU Admission	0
2021-22 Graduates Who Completed All Courses Required for UC/CSU Admission	0

Admission Requirements for California Public Universities

University of California

Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admission requirements please visit the UC website at www.universityofcalifornia.edu/admissions/general.html.

California State University

Admission requirements for the California State University (CSU) use three factors to determine eligibility. They are specific high school courses; grades in specified courses, and test scores; and graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses utilize local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For general admissions requirements, please visit the CSU website at www.calstate.edu/admission/.

Advanced Placement

Sierra High School does not offer advanced placement courses.

Career Readiness

Students in grades nine through twelve receive counseling from school personnel regarding career paths and courses of study.

Career Education Center (CEC) programs are offered in partnership with the Ventura County Office of Education and courses are available at Fillmore High School. Sierra High School does not offer on site CEC or career technical courses.

Sierra High School offers a Career Day each year where various guest speakers come in and speak to the students about opportunities between the community and Fillmore Adult School, and military personnel come on-site to talk to students about careers in armed forces.

Sierra High School students may participate in dual enrollment at Ventura Community College while attending Sierra High School; field trips to community colleges and local vocation programs; and the military visits for recruitment purposes a minimum of one time per school year.

For more information on career technical programs, CEC, workability, partnership academies, and work experience, contact the counselor or visit the state's career technical web site at <http://www.cde.ca.gov/ci/ct/>.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

PROFESSIONAL STAFF

Counseling & Support Staff

Sierra High School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Sierra High School's students.

Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Note: Sierra High School support staff are shared with Heritage Valley Independent Study School.

Academic Counselors and Other Support Staff 2022-23		
	No. of Staff	FTE*
Academic Counselor	1	1.0
Psychologist	As needed	
Migrant Services	As needed	
Resource Specialist (non- teaching)	1	0.1
Instructional Assistant	1	0.5
Health Assistant	1	1.0
Nurse	As needed	
Average Number of Students per Academic Counselor		73

*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time.

Teacher Preparation and Placement

The charts in this report identify the number of teachers at the Sierra High School, the Fillmore Unified School District, and the State who are 1) fully credentialed; 2) intern credential holders who are properly assigned; 3) teachers without credentials and misassignments; and 4) credentialed teachers who are assigned out-of-field under ESSA.

The charts also report Sierra High School's information related to 1) the number of teachers on permits and waivers; 2) the number misassigned; 3) the number of vacant positions; 4) the number of credentialed teachers authorized on a permit or waiver; 5) the number of local assignment options; 6) the percent of misassignments for English learners; and 7) the percent with not credential, permit or authorization to teach.

DISTRICT EXPENDITURES

Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2021-22 salary comparison data was the most recent data available at the time this report was published.)

Expenditures Per Student

For the 2021-22 school year, Fillmore Unified School District spent an average of \$17,507 of total general funds to educate each student (based on 2021-22 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding expenditures and salaries can be found at the CDE web site at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the following table reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

Teacher and Administrative Salaries 2021-22		
	FUSD	State Average of Districts in Same Category
Beginning Teacher Salary	50,336	50,875
Mid-Range Teacher Salary	80,838	79,761
Highest Teacher Salary	113,067	103,045
Average Principal Salaries:		
Elementary School	127,619	128,154
Middle School	128,540	131,774
High School	150,265	142,676
Superintendent Salary	220,000	211,462
Percentage of Budget For:		
Teacher Salaries	28.75	30.11
Administrative Salaries	5.93	5.49

For detailed information on salaries, see the CDE
Certificated Salaries & Benefits Web page at
<http://www.cde.ca.gov/ds/fd/cs/>.

Expenditures Per Pupil and School Site Teachers Salaries 2021-22					
Dollars Spent Per Student					
Expenditures Per Pupil	SHS	FUSD	% Difference - School and District	State Average for Districts of Same Size and Type	% Difference - School and State
Total Restricted and Unrestricted	N/A	N/A	N/A	N/A	N/A

Unrestricted (Basic)	N/A	9,420	N/A	7,606	N/A
Average Teacher Salary	78,089	83,215	93.8%	81,984	95.2%

Note: Cells with N/A values do not require data.

In addition to general fund state funding, Fillmore Unified School District receives state and federal categorical funding for special programs. For the 2021-22 school year, the district received categorical, special education, and support programs funds for:

- After School Education and Safety (ASES)
- A-G Completion Grant
- Career & Technical Education Programs
- Career Technical Education Incentive Grant Program
- COVID Relief Funding
- Education Protection Account
- Educator Effectiveness
- Expanded Learning Opportunities Program (ELOP)
- Lottery: Instructional Materials
- On-Behalf Pension Contributions
- Other Local: Locally Defined
- Special Education
- Special Education Early Intervention Preschool Grant
- State Lottery
- Strong Workforce Program
- Title I, II, III, IV
- Tobacco-Use Prevention Education (TUPE)

SARC DATA

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about Sierra High School and comparisons of the school to the district and the county. DataQuest is a dynamic system that provides reports for school accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first come, first served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation and the ability to print documents.

Disclosure

The statistical information disclosed in this report is obtained from the California Department of Education and the Fillmore Unified School District. At the time of publication, this report met all SARC-related state and federal requirements, using the most current data available. Data to prepare the instructional materials and the school facilities sections were acquired in October 2023.
