

2022-23 School Accountability Report Card

Published January 2024

RIO VISTA ELEMENTARY SCHOOL

PRINCIPAL'S MESSAGE

I invite you to explore Rio Vista Elementary School's Annual School Accountability Report Card which provides valuable information about our instructional programs, academic achievement, classroom materials, school safety, facilities, and staff. Understanding our educational program, student achievement, and our curriculum development can assist both our school and the community in ongoing program improvement.

Rio Vista Elementary School is focused on providing all students with the opportunity to achieve. We accommodate individual learning styles while maintaining high, obtainable, expectations for students. Rio Vista Elementary School is quite proud of its rigorous academic programs, that actively engage all students and provide a well-rounded educational experience.

Staff and parents work together to create a learning environment that promotes academic and social development, teaches responsibility and pride, and models learning as a lifelong adventure. We are excited about our school and welcome all to join in our efforts to create successful, responsible citizens.

Beverly Garnica, Principal
Rio Vista Elementary School

DISTRICT & SCHOOL DESCRIPTION

Fillmore Unified School District

Fillmore Unified School District is located in the city of Fillmore which was founded over one hundred years ago and is currently home to almost 17,000 residents. It is set in the middle of citrus and avocado groves of inland Ventura County and was founded in 1888 and incorporated in 1914. The district is comprised of four elementary schools, one middle school, one independent study school, one comprehensive high school, and one alternative high school. In 2022-23, Fillmore Unified School District had a total enrollment of 3,811 students including 14% in special education, 23.6% English Learners, 1.2% migrant, 0.1% were identified as foster youth, 5.4% were identified as homeless, and 78.8% economically disadvantaged.

District Mission Statement

We develop high performing students who are engaged and productive members of society.

Rio Vista Elementary School

Rio Vista Elementary School serves students in Transitional Kindergarten through fifth grade following a traditional calendar. At the beginning of the 2022-23 school year, 550 students were enrolled, including 10.2% in special education, 26.4% qualifying for English Language Learner support, 4.7% homeless, 0.5% foster youth, and 62.2% qualifying for free or reduced price lunch.

LOCAL CONTROL

ACCOUNTABILITY PLAN (LCAP)

As part of the Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP).

The SARC provides the following information relevant to the State priority: Basic (Priority 1)

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- School facilities are maintained in good repair

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4)

- Statewide assessments (i.e., California Assessment of Student Performance and Progress (CAASPP) System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments (CAAs) for English language arts/literacy (ELA) and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS) for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical sequences or programs of student.

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8)

- Pupil outcomes in the subject area of physical education

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3)

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5)

- High school dropout rates; and
- High school graduation rates

The SARC provides the following information relevant to the State priority: School Climate (Priority 6)

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

PARENT INVOLVEMENT

Parents are encouraged to get involved in their child's learning environment by assisting at school events, participating in a decision-making group, or attending school events. Parents stay informed on upcoming events and school activities through the school website, social media, flyers, and ParentSquare automated phone/text/email messages. The community liaison also assists families with parent outreach and translation if needed. Contact any school office staff member for more information on how to become involved in your child's learning environment.

STUDENT ACHIEVEMENT

Physical Fitness

In the spring of each year, Rio Vista Elementary School is required by the state to administer a physical fitness test to all students in ninth grade. The physical fitness test (PFT) for students in California schools is the FITNESSGRAM®. The main goal of the test is to help students in starting life-long habits of regular physical activity.

The FITNESSGRAM® has six parts, though California currently requires five parts be completed annually, that show a level of fitness that offer a degree of defense against diseases that come from inactivity. The test results can be used by students, teachers, and parents. Comparative District and state results can be found at the CDE's web site www.cde.ca.gov/ta/tg/pf/.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

Double dashes (--) appear in the table when the number of students is ten or fewer, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who receive scores.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or fewer, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

California Assessment of Student Performance and Progress (CAASPP)

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

SCHOOL FACILITIES & MAINTENANCE

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Rio Vista Elementary School's original facilities were built in 2013; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. During the 2022-23 school year, a new structure was added to the playground and a wellness center was created.

Facilities Maintenance

District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority.

Every morning before school begins, the lead day custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. A team of one day custodian and two evening custodians are assigned to Rio Vista Elementary School and are responsible for cleaning of the following:

- Restrooms
- Cafeteria Setup/Cleanup
- General Cleaning & Custodial Functions
- Classrooms
- Office Areas
- Library
- Cafeteria

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The principal communicates with the lead day custodian daily concerning maintenance and school safety issues.

Facilities Inspections

The district's maintenance department inspects Rio Vista Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Rio Vista Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on August 10, 2023. During fiscal year 2022-23, all restrooms were fully functional and available for student use.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning and during lunch time, yard duty supervisors, principals, and counselors (when available) monitor activity throughout the campus, entrance areas, and designated common areas. At the end of the day teachers monitor activity throughout the campus, entrance areas, and designated common areas.

Rio Vista Elementary School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Rio Vista Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, dress code policy, and bully prevention policy. The school's most recent school safety plan was reviewed, updated, and shared with school staff in October 2023.

Campus culture promotes a secure learning environment. All persons are to be treated with dignity and respect. The district, schools, students, parents/guardians and community have an obligation to promote mutual respect and safe, harmonious relations that support dignity and equality. Bullying and harassment are not tolerated. The school district has policies, procedures, and practices in place that are designed to reduce and eliminate bullying and harassment as well as processes and procedures to address incidents of bullying and harassment when they occur. Students and their parents receive information annually regarding district policies concerning anti-bullying and harassment.

CLASSROOM ENVIRONMENT

Discipline & Climate for Learning

Rio Vista Elementary School's discipline policies are based upon Positive Behavior Intervention and Supports (PBIS), a multi-tiered approach to social, emotional and behavior support. This schoolwide positive behavior management plan is used as a guide to develop school rules, develop behavior management programs, promote responsibility, promote respect, and minimize classroom disruptions. Teachers clearly identify and explain behavior expectations to their students and discuss consequences for poor or disruptive behavior in the classroom. Administrators lead assemblies and visit classrooms to reinforce the importance of following school rules and making responsible, respectful behavior choices.

Rio Vista Elementary School utilizes restorative practices and restorative circles as approaches to behavior support. Restorative practices is an alternative to exclusionary disciplinary practices which removes

students from the academic environment. Instead, restorative practice is a way of working with conflict that puts the focus on repairing the harm that has been done. It is an approach to conflict resolution that includes all of the parties involved.

Class Size

The Average Class Size and Class Size Distribution table in this report illustrates the distribution of class sizes by subject area, the average class size, and the number of classes that contain 1-20 students, 21-32 students, and 33 or more students. Calculations exclude classrooms of 50 or more students.

Chronic Absenteeism

The chart in this report identifies the chronic absenteeism rates by student group for Rio Vista Elementary School for the 2022-23 school year. A "chronic absentee" has been defined in EC Section 60901(c)(1) as "a pupil who is absent on 10 percent or more of the school days in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays."

CURRICULUM & INSTRUCTION

Staff Development

All curriculum and instructional improvement activities at Fillmore Unified School District are aligned to the California State Standards. Professional development concentrations are selected and identified based on district focus and California State Standards implementation.

During the 2021-22, 2022-23, and 2023-24 school years, Rio Vista Elementary School's teaching staff participated in districtwide professional development training focused on:

Number of School Days/Topics Dedicated to Staff Development & Continuous Improvement	
2021-22	3 days
My Math Studies Weekly Discovery Education Journey's SEL Tutor.com GoGuardian	
2022-23	3 days
Professional Learning Communities Parent Square for Educators UCLA Math Coherence - Choral Counting AVID Innovative Strategies, Focused Note Taking ELA Standards Alignment to Journeys Planning/Assessments Discovery Science UPK/TK ELA Foundational Standards Review CRLP Reading Intervention Training Institute	
2023-24	5 days
Professional Learning Communities Response to Intervention Structures	

The district supplements site-level professional development to follow up and support year-round and ongoing programs centered around reading, writing, and mathematics that is tied to either specific

strategies to improve student learning or training focused on district-adopted curriculum materials. Supplemental professional development is offered throughout the school year on early student release days, after school, on designated staff development days, and during substitute release time. District staff work with school site administrators and teaching staff to provide support and training to ensure the successful implementation of the California Standards.

During the 2021-22, 2022-23, and 2023-24 school years, Rio Vista Elementary School's teaching staff had the opportunity to participate in district offered supplemental professional development training focused on:

2021-22 Supplemental Professional Development

Supplemental site-based professional development and collaboration takes place throughout the year during release time, after school, and during staff meetings. Rio Vista Elementary School's supplemental professional development activities were identified based on district initiatives and staff input to identify topics which were then discussed at staff meetings throughout the year. Teacher training and collaboration concentrations are identified through analysis of student performance data and observation of classroom practices.

During the 2022-23 school year, Rio Vista Elementary School's site-based professional development has been focused on Professional Learning Communities (PLCs) including coaching on ELA, Math, Assessments and Response to Intervention (RtI).

Fillmore Unified School District and the Ventura County Superintendent of Schools jointly support new and veteran teachers in developing their teaching skills through the New Teacher Induction Program. The Teacher Induction program is a state-approved program that offers first and second year teachers comprehensive support and training for new teachers with a preliminary credential; after successful completion of the two-year induction training, teachers may apply for their clear teaching credential.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the Ventura County Superintendent of Schools as well as the Fillmore Unified School District. Profession and subject specific offerings are consistent with the California State Standards. Classified support staff may receive job-related training through faculty meetings supported by district input and independent efforts; training activities and workshops are designed to enhance and extend job performance.

Instructional Materials

All textbooks used in the core curriculum are aligned to the California State Standards. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's adoption cycle for core content materials (English/Language Arts, math, science, and social science).

On October 3, 2023, the Fillmore Unified School District Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution #23-24-03 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English Learners, in the district to the extent that each pupil, including English Learners, has a standards-aligned textbook and/or instructional materials to use in class and to take home, which may include materials in a digital format but shall not include photocopied sheets from only a portion of a textbook or instructional materials copied to address a shortage, (2) that all students who are enrolled in the same course within the district have standards-aligned textbooks or instructional materials from the same adoption cycle, (3) sufficient textbooks and instructional materials were provided to each student, including English Learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/Language Arts, including the English Language Development component of an adopted program, 4) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and 5) sufficient laboratory science equipment was available for science laboratory classes offered in grades 9-12, inclusive.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2023-24 school year, Fillmore Unified School District provided each student, including English Learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Counseling & Support Staff

Rio Vista Elementary School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Rio Vista Elementary School's students.

Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time.

DISTRICT EXPENDITURES

Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2021-22 salary comparison data was the most recent data available at the time this report was published.)

Expenditures Per Student

For the 2021-22 school year, Fillmore Unified School District spent an average of \$17,507 of total general funds to educate each student (based on 2021-22 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding expenditures and salaries can be found at the CDE web site at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the following table reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

SARC DATA

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about Rio Vista Elementary School and comparisons of the school to the district and the county. DataQuest is a dynamic system that provides reports for school accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first come, first served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation and the ability to print documents.

Disclosure

The statistical information disclosed in this report is obtained from the California Department of Education and the Fillmore Unified School District. At the time of publication, this report met all SARC-related state and federal requirements, using the most current data available. Data to prepare the instructional materials and the school facilities sections were acquired in October 2023.
